Making Call of Duty Modern  
Warfare - Activision 2019-10-22

A terrorist organization  
spreads its poisonous ideology  
beyond its homeland. An  
ambitious Russian General  
pursues a brutal agenda for

power and glory. Allied forces  
are embroiled in a conflict that  
involves them all, and threatens  
to escalate worldwide...The  
stage is set in multiple theaters  
of conflict, as Modern Warfare 4  
marks a spectacular return for  
the Call of Duty series. This  
exciting book provides a peek  
behind the curtain at game  
developers, Infinity Ward. With  
over 200 full color pages filled  
with amazing images,  
character profiles, photo-  
realistic locations and  
comments from the team who  
made the game, this is an  
unmissable book for fans of the  
series and lovers of the video  
game artwork alike.

(b. 1902) was a 19-year-old copywriter for the book publisher Doubleday when she was commissioned to rewrite the outdated Encyclopedia of Etiquette by Emily Holt. This is the guide to good manners she produced in 1921, mining her own experience as a social misfit and would-be social climber, and it was a huge hit with those aspiring to a grander station. Volume I covers: [ why it pays to be agreeable [ the secret of social success [ engagements and weddings [ how and when to make an introduction [ the intricacies of the social call [ calling cards for the young lady, the married couple, and others [ correspondence and invitations [ appropriate dress for children [ addressing titled people [ and much more.

*Psychic Self-Defense* - Dion  
Fortune 2020-12-12

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the

*The Importance of Being Earnest* - Oscar Wilde  
2019-06-05

*The Importance of Being Earnest* is the final play of Oscar Wilde, and it is considered his masterpiece. The play is a farcical comedy with the theme of switched identities: the play's two protagonists engage in "bunburying" (the maintenance of alternative personas in the town and country) which allows them to escape Victorian social mores. Working within the social conventions of late Victorian London, the play's major motives are the triviality with which it treats institutions as serious as marriage, and the resulting satire of Victorian ways.

can only be called—SUPERMASSIVE. Crossing Boundaries in the Americas, Vietnam, and the Middle East - Ron Young 2014-10-08  
Crossing Boundaries in the Americas, Vietnam, and the Middle East is the personal, yet profoundly political first-person account of one man's unique interracial and interfaith leadership roles over five decades in movements for civil rights, against the Vietnam War, and for Arab-Israeli-Palestinian peace. Ron Young's story, told with honesty, humility, and humor, gives an insider view of key events in these movements and personalizes a significant strain of modern American history not often afforded sufficient attention in either the textbooks or the mainstream press. This book is an important read for anyone interested in these issues and movements. It should be recommended reading for students in colleges and high schools.
