Black Garden Aflame - Artyom H. Tonoyan 2021
"This collection of articles from the Soviet and Russian press paints an intriguing portrait of the Nagorno-Karabakh conflict. Unlike Western media outlets, this conflict has been a mainstay in the Soviet, then Russian press. The present collection of articles--carefully translated, edited, and culled from a vast repository of Russian-language press curated by East View--presents in book form for the first time in English some of the most important material that has appeared from 1988 to the present. By bringing together this unique collection, East View Press aims to provide readers with the immediate context of the Nagorno-Karabakh conflict through the lens of Moscow, along with some insight into its complex historical, political and ethnic underpinnings. Black Garden Aflame will be of interest to specialists and general readers alike"--

The Pee-wee Harris Scouting MEGAPACK® - Percy Keese Fitzhugh 2020-08-02
Haunters of used book stores may have spotted the mystery and adventure books of Percy Keese Fitzhugh (1876-1950). They were phenomenally popular in the 1920s, and millions of copies were sold. Fitzhugh was an American author. His first known work, *The Goldenrod Story Book*, was published in 1906. The bulk of his work, having a Boy Scouting theme, revolves around the fictional town of Bridgeboro, New Jersey. Characters included Tom Slade, Pee-wee Harris, Roy Blakely, and Westy Martin. Fitzhugh's Scouting based books were very popular with children and adults. His characters became so real to his readers that it was not uncommon for Percy to receive fan mail addressed to the

characters themselves. In the 1930s, attempting to branch out, he began writing the Hal Keen Mystery Series (10 titles) under the pseudonym Hugh Lloyd. They were followed by another mystery series, Skippy Dare, though this one only lasted for 3 books. Neither of these series achieved the popularity of his Scout work. This volume contains the first 7 Pee-wee Harris books: Pee-wee Harris (1922) Pee-wee Harris on the Trail (1922) Pee-wee Harris in Camp (1922) Pee-wee Harris in Luck (1922) Pee-wee Harris Adrift (1922) Pee-wee Harris, F.O.B. Bridgeboro (1923) Pee-wee Harris, Fixer (1924) If you enjoy this volume of the MEGAPACK® series, check out the more than 400 other volumes, covering children's literature, science fiction, fantasy, horror, mystery, romance—and much, much more! Don't be fooled like competitors' poorly-formatted books using similar names! Search your favorite ebook store for "Wildside Press Megapack" to see them all.

Watch Over Me - Mila Gray 2019-12-03

"Steamy...Doesn't let up." —Booklist

"Intense...Unflinching." —Kirkus Reviews From the author of *Come Back to Me* comes a striking novel about a young woman—desperately trying to protect her family from their violent father—who finds safety, and a passionate

romance, with an ex-Marine. Ever since Zoey was a kid she's been caring for her mom and her little sister, defending them from her violent father. She's been the strong one, the responsible one as she sacrificed her wants and dreams to keep her family together. Now the life they've built for themselves in California is about to be upended. Her father, just released from prison, has discovered where they're hiding and has come looking for them. Enter Tristan. A former Marine and now member of the Coast Guard, Tristan promises his best friend, and Zoey's Marine brother, that he will take care of Zoey and her family. Protect them, watch over them, and be the rock they need in their lives. And as Tristan starts to help Zoey deal with the emotional fallout of her childhood, their relationship turns from protector and protected to something more. The two grow closer as a romance blooms into a heart-pounding and powerful relationship that Zoey hopes will be strong enough to fight off the damage her father has done to her and her family. But not everyone can be kept safe forever, and when Zoey's father does show up, a confrontation ensues that will change Zoey's world forever.
