The 48 Laws of Power - Robert Greene 2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

[Tell Me Again How A Crush Should Feel](#) - Sara Farizan 2014-10-07

With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has made it most of the way through high school without having a crush on anyone, which comes as something

of a relief. Her Persian heritage makes her different enough; if word got out that Leila liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

Politiquette - Nadia Asencio 2015-11-12

Partisanship is destroying the U.S. Whether you're an Independent fed up with your lack of representation in Washington, a moderate Democrat or Republican disappointed by the repeated failures of your party, or a Millennial whose disenchantment with our current political system has turned into apathy, you have options and the power to turn things around; in fact, We the People have an obligation to do so. But we can't change the current state of affairs until we realize that were part of the problem: feeding into the fiction of the two party system and fighting amongst ourselves, even as our government creates policies to benefit its corporate friends at the expense of people everywhere. While no one can do everything, we can each do something; our nation's fate in the new millennium depends on it. The first step is effective communication. The first step, is Politiquette.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to

shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Art Of Seduction - Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type.
