It's high time for Stella Lane to settle down and find a husband - or so her mother tells her. This is no easy task for a wealthy, successful woman like Stella, who also happens to have Asperger's. Analyzing data is easy; handling the awkwardness of one-on-one dates is hard. To overcome her lack of dating experience, Stella decides to hire a male escort to teach her how to be a good girlfriend. Faced with mounting bills, Michael decides to use his good looks and charm to make extra cash on the side. He has a very firm no repeat customer policy, but he's tempted to bend that rule when Stella approaches him with an unconventional proposal. The more time they spend together, the harder Michael falls for this disarming woman with a beautiful mind, and Stella discovers that love defies logic. Heart-tugging, sexy and utterly joyful - The Kiss Quotient is a book for anyone who has been in love, or in lust...

Object Performance in the Black Atlantic Paulette Richards 2023-07-28 Given that slaveholders prohibited the creation of African-style performing objects, is there a traceable connection between traditional African puppets, masks, and performing objects and contemporary African American puppetry? This study approaches the question by looking at the whole performance complex surrounding African performing objects and examines the material culture of object performance. Object Performance in the Black Atlantic argues that since human beings can attribute private, personal

meanings to objects obtained for personal use such as dolls, vessels, and quilts, the lines of material culture continuity between African and African American object performance run through objects that performed in ritual rather than theatrical capacity. Split into three parts, this book starts by outlining the spaces where the African American object performance complex persisted through the period of slavery. Part Two traces how African Americans began to reclaim object performance in the era of Jim Crow segregation and Part Three details how increased educational and economic opportunities along with new media technologies enabled African Americans to use performing objects as a powerful mode of resistance to the objectification of Black bodies. This is an essential study for any students of puppetry and material performance, and particularly those concerned with African American performance and performance in North America more broadly.

Break the Internet Olivia Yallop 2021-11-09 Traditional media is over. The internet reigns. And in the attention economy, influencers are royalty. But

who are they ... and how do you become one? Break the Internet takes a deep dive into the influencer industry, tracing its evolution from blogging and legacy social media such as Tumblr to today's world in which YouTube, Instagram, and TikTok dominate. Surveying the new media landscape that the rise of online celebrity has created, it is an insider account of a trend which is set to dominate our future — experts estimate that the economy of influence will be valued at \$24bn globally by 2025. Olivia Yallop enrolls in an influencer bootcamp, goes undercover at a fan meetup, and shadows online vloggers, Instagrammers, and content creators to understand how online personas are built, uncovering what it is really like to live a branded life and trade in a 'social stock market'. From mumfluencers and activists to governments and investors, everyone wants to build their online influence. But how do you stay authentic in a system designed to commodify identity? Break the Internet examines both the dangers and the transformative potential of online culture.

Machine Habitus Massimo Airoldi 2021-12-13 We commonly think of society as made of and by humans, but with the proliferation of machine learning and AI technologies, this is clearly no longer the case. Billions of automated systems tacitly contribute to the social construction of reality by drawing algorithmic distinctions between the visible and the invisible, the relevant and the irrelevant, the likely and the unlikely - on and beyond platforms. Drawing on the work of Pierre Bourdieu, this book develops an original sociology of algorithms as social agents, actively participating in social life. Through a wide range of examples, Massimo Airoldi shows how society shapes algorithmic code, and how this culture in the code guides the practical behaviour of the code in the culture, shaping society in turn. The 'machine habitus' is the generative mechanism at work throughout myriads of feedback loops linking humans with artificial social agents, in the context of digital infrastructures and pre-digital social structures. Machine Habitus will be of great interest to students and scholars in sociology, media and cultural studies, science and technology studies and information technology, and to anyone interested in the growing role of algorithms and AI in our social and cultural life.

American Jewish Year Book 2021 Arnold Dashefsky 2022-08-27 Across three centuries, AJYB has provided insight into major trends. Part I of the current volume contains two chapters on Jewish Americans in 2020 by the Pew Research Center, including reactions from 16 prominent social scientists. Subsequent chapters analyze the development of Holocaust consciousness in America, recent domestic and international events as they affect the American Jewish community, and the demography and geography of the US, Canada, and world Jewish populations. Part II provides lists of Jewish institutions, including federations, community centers, social service agencies, national organizations, camps, museums, and Israeli consulates. The final chapters present lists of Jewish periodicals and broadcast media, Jewish Studies programs, books, journals, articles, websites, research libraries, and academic conferences and lists of major events in the past year, Jewish honorees, and obituaries. This volume employs an accessible style, making it of interest to public officials, Jewish professional and lay leaders, as well as the general public and academic researchers. For more than 120 years the American Jewish Year Book has served as an indispensable resource for scholars, clergy, and lay leaders, providing crucial, detailed insights into demographic shifts and sociological trends in the North American Jewish community. The latest edition continues to fulfill these important needs with essential articles on the landmark Pew Report and the impact of the Holocaust in the American Jewish community and American in general. This is a must-have volume for any serious student of the contemporary Jewish world. Jeffrey Shoulson, Senior Vice Provost for Academic Affairs, Professor of Literatures, Cultures, and Languages, and English, Director Emeritus Center for Judaic Studies and Contemporary Jewish Life, University of Connecticut The American Jewish Year Book is a critical snapshot of Jews and Jewish Studies in the United States in a particular year, and a valuable resource for scholars studying the changes in Jewish communities and Jewish Studies in the United States (and beyond!) over time. The AJYB highlights major publications and data that are consistently used in research, and its scholarly essays contextualize the information in an easily readable context. The lists of important institutions and organizations are invaluable for someone interested in the broader Jewish experience (or, at the most practical, a Jewish organization in their neighborhood!). Global Voice #23 Council on Business & Society As is tradition this Global Voice magazine summer issue brings together the talented winning, runner-up and finalist student articles in the CoBS 2022 student CSR article competition - now, the fifth year - to sit side-by-side with insights gleaned from the published research of our professors from the now eight member schools of this alliance dedicated to responsible leadership education. No time to waste! Welcome to this special summer solstice issue of Global Voice magazine #22 and delighted to publish this special issue of the Council on Business & Society quarterly magazine for your reading and download. We're honoured to kick off the magazine with Prof. Adrian Zicari, ESSEC Business School-CoBS, co-authoring the editorial with special guest Camille Putois, CEO of the B4IG (Business For Inclusive Growth) initiative that brings together leading global companies, subject matter experts and academia to work on strategies to develop future business for the good of the widest number of citizens and the planet. We also feature a special spotlight on Prof. Mark Smith, Dean of Stellenbosch Business School, South Africa - Africa's leading higher education institution and the latest member school of the CoBS alliance. A focal point of the highest importance in the coming years, Mark outlines the stakes at hand for the continent and the need for education to play an essential role in promoting diversity, responsible leadership and responsible business practices. In this issue, a host of insights and research-based content hosted in two sections: Business, Society and Planet. In Business, Society the contributors tackle the impact of Artificial Intelligence on the workplace, wellbeing and society; cooperation and how business rivals can become allies for a better world; the impact of political populism on climate action; how to deal with negative workplace emotions and aim at the positive; the role of business schools in building back better; and the phenomenon of presenteeism in companies that ultimately leads to poorer performance for firms - and poorer health for its employees. In the Planet section, you'll find insights on

how corporations can become more sustainable; an exploration of greenflation and the challenges facing our transition to a green economy; the stock exchange and building corporate value for potential investors through CSR; a spotlight on the ground-breaking ISE sustainability index in Brazil by one of its founders, Prof. Mario Monzoni; how to cope with the barriers in the way of reaching Net-Zero; and practitioner insight from ESG consulting firm Ksapa on designing solutions for resilient raw materials supply. In addition, our CoBS design team provides its usual beautiful graphics and our latest wry take on modern times with our opening double-page cartoon. And if you wish to apply for one or several of the top-ranked degree programmes offered by our CoBS member schools, outlines of these and contact details can be found throughout the magazine. Apply now - and positively change both your life and those of others! Do what you have to do And finally, a word on the latest Global Voice magazine front cover and its accompanying subtitle. For some of us, the strawberry may be associated with June and the long summer months - succulent, sun-drenched and tasty. This time, this gift of nature looks in a pretty bad way. "Food", as it were, "for thought" in today's chaotic context of supplies of essential necessities and the probable food risks for the wider world that conflict and intolerance in Europe may bring us. So interpret the cover wisely - and do what you have to do. No time to waste! Enjoy your reading! Tom Gamble, Council on Business & Society

Technological Resources for Second Language Pronunciation Learning and Teaching Shannon McCrocklin 2022-11-15 This book introduces research on a wide variety of technologies that can support second language pronunciation learning. While working to introduce practitioners to numerous technologies available, it also dives into the research-basis for their use, providing new studies and data for language-learning contexts.

All's Well Mona Awad 2021-08-03 "Dear Readers: This is one wild book! . . . No holds barred." —Margaret Atwood via Twitter "Mind-blowing. Equal parts brilliant and hilarious." —Heather O'Neill, bestselling author of *The Lonely Hearts Hotel* and *Lullabies for Little Criminals* From the critically acclaimed author of *Bunny*, a darkly funny novel about a theatre professor suffering chronic pain who, in the process of staging a troubled production of Shakespeare's most maligned play, suddenly and miraculously recovers. Miranda Fitch's life is a waking nightmare. The accident that ended her burgeoning acting career left her with excruciating, chronic pain, a failed marriage, and a deepening dependence on painkillers. And now she's on the verge of losing her job as a college theatre director. Determined to put on Shakespeare's *All's Well That Ends Well*, the play that promised—and cost—her everything, she faces a mutinous cast hell-bent on staging *Macbeth* instead. Miranda sees her chance at redemption slip through her fingers. That's when she meets three strange benefactors who have an eerie knowledge of Miranda's past and a tantalizing promise for her future: one where the show goes on, her rebellious students get what's coming to them, and the invisible, doubted pain that's kept her from the spotlight is made known. With prose Margaret Atwood has described via Twitter as "no punches pulled, no hilarities dodged . . . genius," Mona Awad has concocted her most potent, subversive novel yet. *All's Well* is the story of a woman at her breaking point and a formidable, piercingly funny indictment of our collective refusal to witness and believe female pain.

All of Us Villains Christine Herman 2021-11-11 You Fell In Love With The Victors of The Hunger Games. Now Prepare To Meet The Villains Of The Blood Veil. After the publication of a salacious tell-all book, the remote city of Ilvernath is thrust into the spotlight. Tourists, protesters, and reporters alike flock to its spellshops and historic ruins to witness an ancient curse unfold: every generation, seven families name a champion among them to compete in a tournament to the death. The winner awards their family exclusive control over the city's high magick supply, the most powerful resource in the world. In the past, the villainous Lowes have won nearly every tournament, and their champion is prepared to continue his family's reign. But this year, thanks to the influence of their newfound notoriety, each of the champions has a means to win. Or better yet--a chance to rewrite their story. But this is a story that must be penned in blood.

Children and Media Research and Practice during the Crises of 2020 Vikki S. Katz 2022-10-20 This unique “yearbook” captures the extraordinary events and effects of 2020 on children and media scholars and practitioners. Contributors reflect on how the compounding crises of 2020—the COVID-19 pandemic, international protests for racial justice, and the climate crisis—have prompted them to re-evaluate some aspects of their research, teaching, or production related to children, adolescents, and media. Crises can be opportunities for clarity, revealing creative ways to address collective challenges. This volume, which began as a special issue of Journal of Children and Media, reveals such insights. Contributors discuss how the crises of 2020: Prompted them to reconsider theories and concepts central to research on children, adolescents, and media Fostered new priorities for how and what they teach Spurred creative ways to produce high-quality, accessible educational media for children globally Affected their media engagement with their own children, while they researched children’s media use during social distancing Weighed more heavily on scholars and practitioners of color, and how professional communities can best respond to those challenges These 36 international contributions reveal how children and media scholars and professionals worked through the crises of 2020, putting newfound clarity to creative use in the service of children all over the world.

The Girl Next Door Jennifer Sucevic 2020-09-22 From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers, forced proximity, new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky football player who falls first and hard for her. Mia Stanbury is the quintessential girl next door. Smart, beautiful, and determined. She's got it all going on. Is it any wonder that she's been on my radar for as long as I can remember? We're talking middle school, folks. Fine, I'll admit that I've made a few boneheaded mistakes as far as she's concerned, but what can I say? I'm a dude. Sometimes I think with the wrong head. We'll just chalk it up to one of the hazards of having a Y chromosome and leave it at that. But I'm older now. More mature. Sort of. Mia has spent all of high school and college keeping me at a distance. If she didn't melt in my arms every time I put my hands on her, I'd almost think she was immune to my charms. Turns out that's not the case. This is our last year at Wesley before we go our separate ways. Me to the NFL, her to law school. It's now or never. I'm done playing games and allowing her to push me away. I was her first and I'll damn well be her last. --- "If you want a sweet love story, this is the book to read" -Sylvia, GoodReads "The sizzling chemistry between Mia and Becket is like a slowly lit fuse and will eventually explode" -Anna, GoodReads "Beck has my heart bless him. I spent the majority of the book with my heart pounding and worried and jaw on the floor" -Steph, GoodReads "I usually love the female characters, but this time I loved Beck because he never gave up and kept after her until the end" -Rebecca, GoodReads "I couldn't wait to find out how Mia and Beck's next interaction would make me laugh or have their sexual tension leaping off the pages" -Kate, GoodReads Read the Next Door Duet The Girl Next Door The Boy Next Door --- Keywords: Sports romance, alpha male, Sports romance books, Football romance, Enemies-to-lovers, Friends-to-lovers, Fake dating, Forced proximity, College, university romance, College romance, College sports romance, Virgin romance, He falls first, College hockey romance, College football romance, humor, laugh, sexy, swoony, Off-limits romance, Campus Series, Claremont Cougars, Barnett Bulldogs, Romance book, Best seller, New release, Swoon, Funny, love, friends, Hate to Love You, King of Campus, Campus Player, playboy, romance series, steamy, spicy, hot, hot romance, sparks fly, new adult, new adult sports romance, found family, second chance, athlete, good girl, bad boy, opposites attract, football player, student, girl next door, Readers also enjoyed books by: Natasha Madison, Kristen Callihan, Anna Todd, Nana Malone, Sarina Bowen, LJ Shen, Lucy Score, Elle Kennedy, Helena Hunting, Rebecca Jenshak, Gina Azzi, Jamie Davenport, Hannah Grace, Piper Lawson, Cathryn Fox, Ember Leigh, J.H. Jingle Bell Rock Tamie Dearen There's only one problem with my upcoming royal wedding. . . I didn't choose the groom! MARKI I'm a secret princess on the run. You'd be running, too, if your uncle was going to make you marry Carlisle the Argyle. I need a fake husband fast! Except I have my head stuck on a shrub. (Long story...) And wouldn't you know it -- the person who answers the door and finds me in this predicament isn't the granny matchmaker I was expecting. It's a man! I can't tell what he looks like, because of the whole head-stuck-on-a-shrub thing, but he sounds super hot. I'm hoping for a miracle so he never sees my face... like maybe a tornado or an earthquake or a zombie attack. But I'm not that lucky... the story of my life! DRAKE I only kissed her to keep her safe from her abusive ex. It didn't mean anything. (Lie #1) And it barely affected me. (Lie #2) And I'm not the least bit attracted to her, because she's all wrong for me. (Lie #3) Now my head is so messed up I'm willing to fly around the world and make a fool of myself to get her attention. (That's a solid truth!) Jingle Bell Rock is a sweet royal romcom with a fake relationship and lots of very real laughter! Grab your copy of this fun, sweet romantic comedy from USA Today bestselling author Tamie Dearen.

Travis Mia Sheridan 2023-10-26 From New York Times bestselling author Mia Sheridan comes the emotional follow-up to ARCHER'S VOICE, following Archer's troubled brother Travis. Perhaps Travis Hale's past is riddled with regrets, but his future looks limitless. He's the police chief in idyllic Pelion, Maine, women are regularly falling at his feet, and his family has mostly forgiven his mistakes. But when the new guy in

town crosses him, things start to look shaky - especially when he meets the stranger's smoothie-making, birdseed-eating sister. Haven Torres's life fell apart. Or, rather, burned to the ground. At the time, it seemed like a solid idea to jump in her car, her brother a mostly willing co-pilot, and embark on a cross-country adventure for the summer. Especially if she can catch the attention of Pelion's most eligible bachelor, Gage Buchanan, before she goes. And after the local police chief tells her of her brother's scandalous misdeed, she knows without a doubt that Pelion is just another town where their stay is best short-lived. Still, she and Travis form an unlikely friendship, and at first, it seems simple enough. She'll help him make her brother sweat a little, and he'll help her win over Gage. But then Haven starts to see the man beneath the brooding, and Travis starts to see the woman beneath the mess. However, Haven refuses to be tied to Pelion. And Travis has vowed never to be second best ever again. Before they know it, simple has started to look pretty complicated. Praise for Mia Sheridan: 'The bible to how to write a good, convincing love story' L.J. Shen 'There is no love story like a Mia Sheridan love story' A.L. Jackson

Programmed Inequality Mar Hicks 2018-02-23 This “sobering tale of the real consequences of gender bias” explores how Britain lost its early dominance in computing by systematically discriminating against its most qualified workers: women (Harvard Magazine) In 1944, Britain led the world in electronic computing. By 1974, the British computer industry was all but extinct. What happened in the intervening thirty years holds lessons for all postindustrial superpowers. As Britain struggled to use technology to retain its global power, the nation’s inability to manage its technical labor force hobbled its transition into the information age. In *Programmed Inequality*, Mar Hicks explores the story of labor feminization and gendered technocracy that undercut British efforts to computerize. That failure sprang from the government’s systematic neglect of its largest trained technical workforce simply because they were women. Women were a hidden engine of growth in high technology from World War II to the 1960s. As computing experienced a gender flip, becoming male-identified in the 1960s and 1970s, labor problems grew into structural ones and gender discrimination caused the nation’s largest computer user—the civil service and sprawling public sector—to make decisions that were disastrous for the British computer industry and the nation as a whole. Drawing on recently opened government files, personal interviews, and the archives of major British computer companies, *Programmed Inequality* takes aim at the fiction of technological meritocracy. Hicks explains why, even today, possessing technical skill is not enough to ensure that women will rise to the top in science and technology fields. *Programmed Inequality* shows how the disappearance of women from the field had grave macroeconomic consequences for Britain, and why the United States risks repeating those errors in the twenty-first century.

Dance in US Popular Culture Jennifer Atkins 2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in—and through—culture. By drawing on material relevant to students, *Dance in US Popular Culture* successfully introduces students to critical thinking around the most personal of terrain: our bodies and our identities. The book asks readers to think about: what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance, related to gender and/or race, for instance how such expectations are

reinforced, negotiated, challenged, embraced, or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture, how this shapes an active sense of their everyday lives, and how this can act as a springboard towards dismantling systems of oppression Through readings, questions, movement analyses, and assignment prompts that take students from computer to nightclub and beyond, *Dance in US Popular Culture* readers develop their own cultural sense of dance and the moving body's sociopolitical importance while also determining how dance is fundamentally applicable to their own identity. This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BfA courses, as well as those studying popular culture from interdisciplinary perspectives including cultural studies, media studies, communication studies, theater and performance studies. Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC-BY 4.0 license.

Living Rent Free In My Head Dominique Davis 2022-08-02 Dominique Davis has a lot of opinions on pop culture. Starting the blog Fairly Professional in 2019, she shared her thoughts about Buffy the Vampire Slayer, Gossip Girl, and Olivia Rodrigo. Now she's ready to share more of her opinions with the rest of the world. Including updated versions of the essays from Fairly Professional, *Living Rent Free In My Head* features several brand-new essays further exploring the pop culture topics that live inside her head. Like why we idolize celebrity relationships (but why we shouldn't). If we can still love our favorite art despite their problematic creators. And should rom-coms come back? Spoiler alert, yes! *Living Rent Free In My Head* is a fun inside look into the current landscape of pop culture.

Kaikeyi Vaishnavi Patel 2022-04-26 An instant New York Times bestseller and Tiktok sensation, Vaishnavi Patel's stunning debut *Kaikeyi* reimagines the life of the infamous queen from Indian epic the Ramayana... The only daughter of a king, Kaikeyi watches as her mother is banished and her own worth is reduced to what marriage alliance she can secure. Although she was raised on stories of the might and benevolence of the gods, her prayers for help go unanswered. She turns to her mother's library and discovers a magic that is hers alone. With this power, Kaikeyi transforms herself from an overlooked princess into a warrior, diplomat and favoured queen, determined to carve a better world for herself and the women around her. But when evils from her childhood stories threaten her world, the path she has forged clashes with the destiny the gods have chosen for her family. Kaikeyi must decide if resistance is worth the destruction it will wreak - and what legacy she intends to leave behind. A must for readers of historical and mythological retellings such as Madeline Miller's *Circe* and Jennifer Saint's *Ariadne*, this powerful debut weaves a tale of an extraordinary woman determined to leave her mark in a world where gods and men dictate the shape of things to come. Praise for *Kaikeyi*: 'Mythic retelling at its best' R. F. Kuang, author of *The Poppy War* 'Utterly captivating from start to finish' Genevieve Gornichec, author of *The Witch's Heart* 'Brave, compassionate and powerful' Tasha Suri, author of *The Jasmine Throne* 'A lyrical and evocative retelling, full of power and grace' Ava Reid, author of *The Wolf and the Woodsman* 'Compulsively readable and infinitely compassionate' Roshani Chokshi, author of *The Gilded Wolves* 'A thought-provoking, nuanced new look at one of humanity's most foundational stories' S. A. Chakraborty, author of *The City of Brass* 'Fans of Madeline Miller's *Circe* will fall hard for this story' Booklist (starred review)

Sisterhood Economy Shaili Chopra 2022-08-18 'Shaili touches upon the most relevant issues of our times which most often are closed door conversations in a highly readable, heroic and engaging way... bringing a powerful, authentic and honest lens to women and the economy.' MASABA GUPTA 'A powerful book with many anecdotes of everyday women encountering and defeating the patriarchy, *Sisterhood Economy* will fill you with optimism and hope.' FAYE D'SOUZA 'Shaili Chopra has a chatty and engrossing style of writing ... Mainstreaming of sisterhood is not just about the economy, it is also about the society India desires.' BIBEK DEBROY 'Sisterhood Economy by Shaili Chopra, is important, apt and timely. It brings to

you real-life stories of the barriers women face as contributors to the economy... we are the real wealth creators and yet very little recognition of the existing barriers are discussed or resolved.' PRIYANKA CHATURVEDI 'When women rise, they lift up society. Sisterhood Economy is a deeply reflective book that explores and narrates the power of equitable ground for women.' FALGUNI NAYAR The new Indian woman is dreaming big and seeking change. Wanting to break from the triptych of bechari, badass or bitch, women are talking of being stronger together. What can a ground-up sisterhood of determined women mean for a country like ours and just how can it unleash and harness the dormant economic potential of half the country's population? This book is a power-packed insight into the lives of the women of the world's largest democracy who are struggling every single day to get their voice heard, presence felt, and make their economics matter. Shaili Chopra puts a fresh lens to what's powering or stopping women to seize the opportunity ahead of them, by talking to more than five hundred different women (and men), across classes, castes, cities, ages, ambitions and desires. Can the mother-in-law trigger change in a country's GDP? What are beauty parlour economics? Are women claiming independence and can intimacy drive better economic outcomes? Why are single women rocking it? Sisterhood Economy makes a bold, empathetic, and collective call for women to believe in their transformative abilities and put themselves first. Wrapped in emotional anecdotes and stories, this book is deeply authentic and essential reading for anyone looking to understand women beyond statistics. India could do a lot better if only it treated its women better. How difficult can that be?

My TikTok Connects Myriad Realms Le TianXiaoZhu 2020-06-10 Zhou Yi downloaded a future trembling app and was pleasantly surprised to find out that this app was actually linked to the myriad heavens the video. He released was praised by countless immortal emperors and god kings and was even rewarded with various treasures. From then on zhou yi's ordinary life became colorful and colorful the little sister goddess was pleading for a dotcom relationship and the female emperor was also interested in him the devil realm ancestor did not hesitate to use the nine revolutions divine technique to bribe him in order to become popular online my voice booms through all worlds i am so strong that i am afraid of myself.

Fast Politics Laura Pérez Rastrilla 2023-11-18 The goal of this book is to show the role of TikTok as a tool for political purposes. To this end, the authors analyse the messages posted on this social medium by political figures and institutions such as politicians and political parties, their impact on political landscapes, as well as the transformation of political communication techniques in order to suit the platform's features. In the last two years, the exponential growth of TikTok has led an increasing number of politicians and institutions to incorporate it into their communication strategies. The platform displays some very different features from other social media that determine the way in which the content is presented. In

addition, it manages to reach an audience that normally does not access or share political messages. Within this context, the volume pursues two main objectives. First, to examine how the communication techniques and the peculiarities of this social medium - where short videos with actors in informal attitudes prevail - affect the political message. A second objective is to analyse the influence of the messages distributed through TikTok that redefine political scenarios, and of the relationships of politicians and parties with voters. The core of the book comprises case studies that are organised into three parts, with nine chapters in all. The authors are scholars and practitioners of political communication, with diverse geographical representation, who approach the topics from a range of methodological perspectives. The first part addresses the state of the art and the influence of TikTok features on the way political communication is performed. The second part discusses the influence of TikTok on electoral scenarios and political culture in India, Bangladesh, the United States, and Ecuador. Finally, in the third part, TikTok is analysed as an instrument for promoting far right politicians and parties in Europe, as in the case of Matteo Salvini in Italy, and AfD in Germany and Vox in Spain. The volume is oriented to both scholars and communication professionals, such as journalists, communication consultants, and speechwriters, who want to become familiar with the platform, learn about its political impact, or wish to deepen their understanding of transformations in communication techniques and their adaptation to this growing social medium.

To Be a Woman Katie J. McCoy 2023-06-06 We live in a cultural moment where the definition of “woman” eludes the keenest of thinkers and brightest of scientists, where one’s biological sex and one’s gender are divorced, where the meaning of gender itself is a constantly moving target, and where girls and women, especially, struggle to know who they are. Where societal confusion has naturally ensued from this state of affairs, and Christians especially wonder how to think and respond to it, Katie J. McCoy offers a clear and helpful guide in her debut trade book, *To Be a Woman*. In these pages, Katie will help you understand: Why, as a culture, we’ve arrived in such a place of gender confusion What the relationship is between biological sex and gender, and why this relationship is so crucial The truth about gender transitioning, including the irreversible damage of hormone therapy on the female human body Common myths and misunderstandings in the gender debate What Scripture and science have to say on the matter Ways to respond in a Christlike way to loved ones struggling with gender identity

Food - Media - Senses Christina Bartz 2023-11-30 Food is more than just nutrition. Its preparation, presentation and consumption is a multifold communicative practice which includes the meal's design and its whole field of experience. How is food represented in cookbooks, product packaging or in paintings? How is dining semantically charged? How is the sensuality of eating treated in different cultural contexts? In order to acknowledge the material and media-related aspects of eating as a cultural praxis, experts from media studies, art history, literary studies, philosophy, experimental psychology, anthropology, food studies, cultural studies and design studies share their specific approaches.
