Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

Sassy Texts He Can't Ignore - Jake Fordham 2020-09-25

Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Men have their own unique way of interpreting a woman's texts. Even though women mean well, they often do things when texting men that often times makes them appear too easy, too needy, too bossy, or too boring...even if these things aren't necessarily true about them. A great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, it usually leads him to the one romance-killing thought: That he can do better than you. If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you, you must take advantage of TEXTINGand use it to make subtle and seductive displays of your high-status, and thus, your high-value. In this book, I'll be revealing POWERFUL text messages that tap directly into the primal part of a man's brain... The moment you use these texts on a man, you will make his heart pound with hunger and excitement... As if you had put a hypnotic "love spell" on him. This sounds unbelievable I know... but it has worked shockingly well for the THOUSANDS of women I've shared these little-known text messages with. These magical texts work even if you don't think you're naturally beautiful, intelligent, or charming... because these messages are like discovering a magical dictionary of obsession... ...Where every word, phrase, and sentence will make his entire being feel infatuated for as long as you desire... So what are these magical texts and how do they work? In order for you to understand how it works, all you need to know just three simple facts about a man: #1 The key to making a man fall and STAY in love is his ATTENTION. The more you THINK about someone...The more ATTENTION you pay to them...And the more "in love" and infatuated you become with them. #2 There are certain PSYCHOLOGICAL TRIGGERS which GRAB a man's attention... These psychological triggers are extremely powerful... Because they tap directly into the primal system of a man's brain... #3 You Can Use These TRIGGERS to Hook a man's Attention You'll learn the texting habits of high-value women and gain access to a vast collection of irresistible, man-melting text messages that make men EAGER to text you back and desperate to see you again. And because this in-depth guide focuses on how men think (unlike most dating books for women), it will give you a distinct advantage over your peers when it comes to texting men. Here's what you're going to learn inside: How to use the "Disobedient Girl" text to get a man to finally ask you out, while making it seem like it was all HIS idea. What to do (and what NOT to do) if a guy suddenly stops texting you or starts responding to your texts less and less. How to get him to CALL YOU instead of texting all the time. The proper use Emoji's, without overdoing it (like most women do)
