

How To Please A Woman Sexually With Your Tongue

How to Satisfy Your Woman - Larry Lewitan 2010-08

Why are most women unhappy with their man's performance in bed?

Why do most men not have a clue how to sexually satisfy their woman?

The author maintains that sexual unhappiness in a relationship is caused by the man's lack of experience, knowledge and understanding when it comes to satisfying his woman. He also maintains that sex is the most important pillar in a relationship, and that without good sex no relationship can survive! These are strong statements, and the book offers powerful solutions by going to the root cause of sexual unhappiness among couples. Written in explicit, uninhibited language, the kind that men can understand, this is an uncensored guidebook that instructs men on how to satisfy their woman. It holds nothing back. The sexual techniques that it details, as well as the wisdom that it presents, will allow men to be able to sexually satisfy their woman the way she dreams of being satisfied. Women will read it too. They'll enjoy the tongue-in-cheek humor and be thrilled that one of the world's best kept secrets (how to make love to a woman) is finally coming out of the closet. If their men don't buy this book, it's certain they'll be buying it for them.

The Cunnilinguist - Alex B Porter 2019-02

Going down. Eating out. Rug-munching. Speaking in tongues. No matter what you call cunnilingus, talking about it is sometimes uncomfortable and awkward-Until now. The Cunnilinguist is a refreshingly modern guide to oral sex with a sense of humor. Written by a woman with experience at both ends of the tongue, this guide will build your confidence in giving-or receiving-oral sex. How to Give and Receive Great Oral Sex Did you know that lesbians report more orgasms than

straight women and receiving oral sex can double a woman's chance of orgasm? Those are two findings from a large research study into the differences in orgasm frequency among gay, lesbian, bisexual, and heterosexual men and women. However, fear not; The Cunnilinguist has you covered. In #TheCunnilinguist... You'll learn tested tips, tricks and techniques that any giver or receiver can try. The Cunnilinguist: How To Give And Receive Great Oral Sex has insights and tips for readers from beginner to advanced, single to married, and regardless of gender or sexual orientation. You'll learn tips about how to: Find and use pleasure points Move from foreplay to oral sex Overcome fears and insecurities Make sex safe, hygienic and fun You'll learn next-level tips on how to: Change up your positions Use fingers, vibrators and dildos Incorporate roleplay or power play Spark intimacy before, during and after oral sex And you'll learn what not to do! The Cunnilinguist includes the latest scientific research alongside firsthand advice from a woman with experience on both ends of the tongue. Edited and Foreword by sexuality educator Susan Harper, PhD Selected excerpts below: What this book has turned out to be is even more exciting that I had ever hoped.

Working closely with Alex to craft a guidebook that could be used by anyone who wants to learn to give or receive good cunnilingus, regardless of gender, has been an adventure. I especially loved that this book focuses on the experience of oral sex for both the giver and the receiver. I love that with The Cunnilinguist, Alex has chosen to open up the discussion to anyone who wants to give oral sex to someone with a vulva, and anyone with a vulva who wants to receive. There's such a need for writing about sex that recognizes trans, nonbinary, and intersex people, and I think this book does an elegant (and fun) job of broadening the conversation beyond cisgender bodies. The Cunnilinguist is the kind of book I wish I'd had available to my Sociology of Sexuality students. It manages to be both informative and well-researched while also being a fun, irreverent frolic. The description of the vaginal / vulvar / clitoral anatomy is worth the cover price alone, given how many people who possess these structures don't know what they're called or how they work. This refreshingly modern guide takes the business of giving and receiving pleasure seriously, but never takes itself too seriously. It's full of orgasm-inducing tips and techniques for both giver and receiver, presented with equal doses of good humor and practical, usable information. -Susan Harper PhD The Ultimate Gift for Your Lover? Could this be the ultimate gift? Christmas, birthday or any-day gift? Man, woman, transgender; bisexual, straight, fluid; single, dating, married; polyamorous or monogamous. Regardless of gender, sexuality, relationship status or anything else, if you're someone who would like to improve your experience of giving or (and?!) receiving cunnilingus this "refreshingly modern guide" on how to please, pleasure or be pleased might just be the gift you're looking for.
