**Relationships** - Bethany Bezdecheck

2010-01-15

Girls and women are faced with crucial daily decisions concerning personal wellbeing and self-awareness. Relationships can be challenging, confusing, and destructive if chosen poorly. They can also be rewarding, enriching, and life-altering if chosen well. This helpful guide provides information on how to make friends, maintain intimate relationships, and how to approach challenges in a productive way.

Invisible Girls - Patti Feuereisen 2009-09-01

Weaving together powerful first-person narratives with gentle guidance and seasoned insights to help girls through the maze of feelings that swirl around the abuse experience, this resource gives every young woman who struggles with the scars of sexual abuse the courage that comes from knowing that she is not alone.

*Bibliotherapy, When Kids Need Books* - Amy Recob 2008-10

Everyone has dealt with at least one of the issues listed in this book at some point in his/her lifetime. Whether that issue was conquered with the help of a loved one, through therapy, or is still weighing on the individual, the therapeutic power of the book is often overlooked. The reassurance gained when an individual learns that they are not the only one, can open several doors of communication, and can put one on the road to recovery or coming to terms with an issue. In schools, bibliotherapy can greatly increase the connectivity of curriculum to the individual student. -- cover.

Sexual Assault and Abuse - Ann Byers

2015-07-15

Since young women today receive conflicting and confusing messages about dating, sexuality, and image, it is not surprising they can find

themselves wondering if they've been sexually abused. It is estimated that a sexual assault occurs once every two minutes. That means that teens need to be aware of the many forms sexual abuse can take and the best practices for trying to prevent it. This guide will help them make sense of the issue, emphasizing that the victim is never to blame. Readers will be armed with crucial information that will help them know what to do if it happens to them or their friends or loved ones.

**101 Tips for Survivors of Sexual Abuse** - Amy Barth 2009-01-01

"You can never have too much support as a survivor. Amy's little pocket book is great to carry around to remind yourself that you can all thrive after sexual abuse."--Dr. Patti Feuereisen, psychologist and author.

The Truth about Rape - Robert N. Golden 2010

Due to the myths and stigma surrounding it, rape remains a difficult crime to discuss. The Truth About Rape, Second Edition looks beyond common myths to give a factual account essential to understanding, preventing, and coping with rape and sexual assault. This new resource offers expert advice, information, and accounts from real people. Features statistics, charts, and graphs with updated entries on rape kits and evidence collection

**Handbook of Social Work in Child and Adolescent Sexual Abuse** - Carolyn Hilariski 2012-01-26

The enlightening collection of new approaches to understanding sexual abuse When sexual abuse occurs, helping those directly affected can be a difficult and convoluted task. The Handbook of Social Work in Child & Adolescent Sexual Abuse is a comprehensive guide that provides the latest information on assessment, management, prevention, and policy. Through

*Downloaded from  
legacy.opendemocracy.net on 2022-07-13  
by guest*

insightful and accessible discussions, this collection of essays encompasses the full spectrum of child and adolescent sexual abuse to shed needed light on an affecting issue. This innovative text is the up-to-date source for unique and compassionate ways of supporting and treating survivors. The increased attention given to child sexual abuse in recent years has revealed how little we know about this tragedy. *The Handbook of Social Work in Child & Adolescent Sexual Abuse* is the practical compendium that covers the already existing information regarding violence against children and delves into practical methods for treating those immediately affected by it. From its historical place in society to contemporary issues of prevention that have only recently come to light, contributors examine essential details in-depth and provide concise, empirical directions for short- and long-term support. Also included is the important and newly-available assessment and treatment information focusing on ethnicity, gender, and comorbid influences as they relate to family member treatment. Among the topics discussed in the *Handbook of Social Work in Child & Adolescent Sexual Abuse* are: historical views of and responses to sexual abuse risk and protective factors life stage consequences theories of family dysfunction comorbidity and attachment intrafamilial abuse the non-family offender current empirical assessment methods approaches to treatment in children approaches to treatment in adolescents neurological effects of abuse treatment for the non-offending caregiver the role of the internet and other media policy and practice implications the prevalence and consequences of abuse new methods of abuse prevention and child protection the etiology of sexual offending in an attachment framework and much more! *The Handbook of Social Work in Child & Adolescent Sexual Abuse* is an essential resource for educators, medical practitioners, psychologists, psychiatrists, social workers, counselors, family therapists, and students, researchers, and academics in the field of social work.

**The Adolescent Psychotherapy Treatment Planner** - David J. Berghuis 2014-02-03

The bestselling treatment planning system for mental health professionals *The Adolescent Psychotherapy Treatment Planner*, Fifth Edition

provides all the elements necessary to quickly and easily develop formal treatment plans that satisfy the demands of HMOs, managed care companies, third-party payors, and state and federal agencies. New edition features empirically supported, evidence-based treatment interventions including conduct disorder, substance use, low self-esteem, suicidal ideation, ADHD, and eating disorders Organized around 36 behaviorally based presenting problems, including peer/sibling conflict, school violence, sexual abuse, and others Over 1,000 prewritten treatment goals, objectives, and interventions—plus space to record your own treatment plan options Easy-to-use reference format helps locate treatment plan components by behavioral problem Includes a sample treatment plan that conforms to the requirements of most third-party payors and accrediting agencies including CARF, The Joint Commission (TJC), COA, and the NCQA

**Surviving and Moving On** - Kim McGregor 2014-01-21

This book is essential reading for any survivor of child sexual abuse, female or male. Many survivors of sexual abuse have not always been believed or supported through their developmental years. They have had to cope on their own, dealing with the aftermath of the abuse in whatever ways they could. This book offers ideas and techniques for understanding and healing which adult survivors in particular may find useful. It tends to be written with women in mind, but much of the information and many of the exercises may be useful for male survivors as well. This book will also be useful for the partners, families and friends giving support and encouragement to survivors who are healing themselves from the effects of abuse. Many survivors want those around them to understand what they've survived and its effects on their life. Part 1 provides information about child sexual abuse - what it is, why children remain silent about it, some of the effects abuse can have on a survivor's life and how these can be minimised, and who the offenders are. Part 2 is for survivors, helping them to understand and to cope with their unique experience of child sexual abuse. Part 3 is specifically for supporters and caregivers of survivors.

**I Have Been Sexually Abused. Now What?** -  
Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2022-07-13  
by guest

Jennifer Culp 2014-12-15

Sexual abuse of children and teens is shockingly common, not to mention under-reported and under-prosecuted. Fortunately, research and education are helping to change that. The trauma of sexual abuse may lead to further long-term symptoms such as anxiety, depression, PTSD, eating disorders, and substance abuse. It is known to increase suicidal thoughts and self-harming behaviors. Seeking help from professionals—even years after the abuse occurs—can alleviate feelings of guilt and shame, shifting the identity of those who have been abused from victim to survivor. This useful and sensitive book debunks popular myths surrounding sexual abuse and provides resources where survivors and loved ones can turn for help. Readers will learn how to identify and confront sexual abuse; its long-term effects; and how to move forward in the aftermath.

**Secrets Girls Keep** - Carrie Silver-Stock  
2009-11-02

Do You Know Someone with a Secret? This book is for every girl with a secret, which pretty much means every one. Our secrets help us, hurt us, and sometimes even haunt us beyond high school. Secrets like: I hate the way I look. My boyfriend yells at me. I'm cheating my way through chemistry. I lost my virginity and regret it. I sent a text message about my friend that wasn't true. I went to a party and didn't tell my parents. My mom drinks too much. By revealing the personal stories, struggles, and secrets of other teen girls, Carrie Silver-Stock shows how to deal with everyday stresses by being self-reliant, not silent, and how to get real about what matters. With tips and advice for teens and by teens, you'll learn how to:

- Navigate the ups and downs of dating
- Make and keep good friends
- Deal with school (the social scene and grades)
- Handle family drama
- Survive the cyber scene
- And more . . .

Thousands of girls are joining the movement to share their secrets, ideas, and stories. What are you waiting for? Visit [www.girlswithdreams.com](http://www.girlswithdreams.com).

*I Have Been Raped. Now What?* - Susan Henneberg  
2015-07-15

The CDC estimates that nearly one in five women and one in seventy-one men have been raped in their lifetime. Almost half of them experienced their first rape before age eighteen.

But what exactly constitutes rape and why does it happen? Using sensitive narrative and inspiring case studies, this book guides teens--whether they are survivors, friends of survivors, or confused or concerned citizens--through the process of what to do if they are raped, how to begin the process of recovery, and how to stay safe in an attempt to prevent a rape from occurring.

**Every Parent's Nightmare** - Bruna Dessena  
2010

Child abuse has to be one of the greatest evils in any society, a secretive sin that betrays innocence, destroys the essence of childhood, and can cause lifelong emotional pain and dysfunction. As a parent herself, Bruna Dessena knows that every parent's nightmare is that one day their child might be abused. How do you deal with that? How do you help the child? What do you do first? What will happen next? Every Parent's Nightmare answers all these questions. The author tells you about paedophiles and paedophile rings, including how they groom children over time to gain their trust before they abuse them. She also covers the legal aspects, what should be done when you find out, and what happens in a court of law. Bruna includes the Sexual Offences Act and the Children's Act so that you'll know the child's rights and what you can expect from the legal system in South Africa. Written simply and without undue melodrama, Bruna gives it to you straight. Recommended for all adults who have children or work with children, this book will help you to deal with the trauma if it's already happening or to guard against it happening.

**Date Rape** - Norah Piehl 2012-09-28

Date rape is forced or coerced sex between partners, dates, friends, friends of friends or general acquaintances. According to experts, many date rape victims do not immediately realize they've been raped. They blame a "misunderstanding" or "mixed signals" for what happened to them. This absolutely essential volume of personal accounts and essays will make controversies regarding date rape much less fuzzy. It presents diversity of opinion on each topic, including both conservative and liberal points of view, in an even balance. Readers will learn what defines date rape, and how it impacts people, schools, and towns.

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2022-07-13  
by guest

Readers will evaluate areas and situations that may be likely scenes of date rape and other contributing factors. They will evaluate whether the way a woman dresses is a cause for concern, and whether tests for date rape drugs have advantages or disadvantages.

**Invisible Girls** - Patti Feuereisen 2018

A powerful source of healing for teen girls and young women who have experienced sexual abuse, *Invisible Girls* offers survivors agency and hope in an era when too many girls have suffered alone. The statistics are staggering. One in four girls will experience sexual abuse by the time she is sixteen, and 48 percent of all rapes involve a young woman under the age of eighteen. It's not surprising then, that in a society where sexual abuse of young women is rampant, many women never share their stories. They remain hidden and invisible. In her pioneering work with young survivors through the last thirty years, Dr. Patti Feuereisen has helped teen girls and young women to find their voices, begin healing, and become visible. In this revised second edition, Dr. Patti's gentle guidance and the girls' powerful stories continue to create an encouraging message: Remarkable healing is possible if girls learn to share their stories in their teens and early twenties. With a new introduction, new chapters, and updated resources, this new edition of *Invisible Girls* has even more to offer girls, young women, and those who care about them.

**The Powder Box Secrets** - Carrie Silver-Stock 2007

A teen girl's guide with advice from teens to help girls with their toughest problems and find success.

**The Long Journey Home** - Andrew J. Schmutzer 2011-10-01

Maybe the only thing new about sexual abuse is quality discussion from several professions (psychology, theology, and pastoral care). Here are the insights of over two dozen psychologists, theologians, and those in pastoral care, all targeting the issue of sexual abuse. Designed as a resource for Christian educators, therapists, pastors, social workers, group leaders, and survivors, *The Long Journey Home* combines

current research in mental health with rich theological reflection, global concern with fervent pastoral wisdom for the local faith community. Whether you are a counselor, professor, pastor, or spouse of a survivor, you hold in your hand a fresh resource of information and advocacy for those suffering from the devastating effects of sexual abuse and rape. The breadth of material, biblical insight, discussion questions, and helpful resources gathered here just may be the tool of a generation.

*Invisible Girls* - Patti Feuereisen 2018-12-04

A powerful source of healing for teen girls and young women who have experienced sexual abuse, *Invisible Girls* offers survivors agency and hope in an era when too many girls have suffered alone. The statistics are staggering. One in four girls will experience sexual abuse by the time she is sixteen, and 48 percent of all rapes involve a young woman under the age of eighteen. It's not surprising then, that in a society where sexual abuse of young women is rampant, many women never share their stories. They remain hidden and invisible. In her pioneering work with young survivors through the last thirty years, Dr. Patti Feuereisen has helped teen girls and young women to find their voices, begin healing, and become visible. In this revised second edition, Dr. Patti's gentle guidance and the girls' powerful stories continue to create an encouraging message: Remarkable healing is possible if girls learn to share their stories in their teens and early twenties. With a new introduction, new chapters, and updated resources, this new edition of *Invisible Girls* has even more to offer girls, young women, and those who care about them.

*Invisible Girls* - Patti Feuereisen 2010-05-21

Dr. Patti Feuereisen has been working with teenage girls for twenty-five years and has been a pioneer in helping abused girls find their voices. What she discovered in listening to hundreds of girls was not only that sexual abuse of young girls is...

*Sexual Abuse* - Matthew Broyles 2011-08-15

Explains what sexual abuse is, discusses the most common forms, and explores ways to recover from abuse.
