Self-Empowerment for Women - Angela Grace
2021-04-19

If you've always wanted to understand who you are & how you fit into the world but often feel trapped in a self-made mental hell then keep reading... Are you sick and tired of destructive thought patterns ruining your life? Have you tried all the mindfulness books & meditations but nothing seems to work? Do you finally want to say goodbye to never feeling whole in your life & discover what ACTUALLY works for you? If so, then it's not by chance that you stumbled upon these words. You see, growing spiritually & becoming self-empowered at rapid speeds doesn't have to be difficult, even if you've consumed every other mindfulness book & Youtube video already. In fact, it's easier than you think. A study conducted by Columbia & Yale neuroscientists reveals how spiritual experiences felt by a group of subjects were generated into tangible evidence. They scanned the subjects' brains while the spiritual phenomena was happening. The results showed that there was a "space in the brain" for spirituality! When you connect to a higher source other than yourself (god, universal energy, nature) a certain part of the brain is VISUALLY activated. Know what this means? It means that your past doubt has been overruled; your spiritual experiences are REAL! — It's time to boost your self-power into the stratosphere. Here's just a tiny fraction of what you'll discover: The scientifically researched method to clearing your past trauma & conditioning with just one hand Rapidly effective tools to awaken your divine feminine energy & finally stop caring what others think The easy to do, at home tactic for crushing insecurities that no one is talking about How those closest to you may be enslaving your potential & amazing secrets to buzzsaw the chains off The overlooked childhood programming that has been manifesting into your downward spiral of depression Why you're really being triggered & the secrets to easily destroy them (that ACTUALLY work!) This easy

self-forgiveness trick that dissolves guilt like salt on snow A *BONUS* manifesting toolkit download inside! & much more... Take a second to imagine how you'll feel once you're able to take that brave step and say "That's enough!" to anything or anyone preventing you from reaching your fullest potential. Imagine your friends' & families' faces when you're finally able to lift the veil from your eyes & live your life the empowered way you never could before. So if you have a burning desire for an amazing feeling of perfection & oneness, & to never let anything or anyone deprive you of happiness then scroll up & click buy now.

Your ONE Life - Lance Witt 2021-08-10

This is your life. Right now. You don't get a second chance to get it right. There are no mulligans. No do-overs. And no one has ever drifted into a rich and meaningful life by accident. But here's the good news: you are ridiculously in charge of your own life. As a Christ follower, you have every resource you need to live the abundant life Jesus promised. In *It's Your ONE Life*, pastor Lance Witt offers you a roadmap to align yourself with God's purposes and take extreme ownership over your life. Sharing several practical tools, Witt shows you how to - craft the life you want - care for your emotional health - establish a healthy rhythm of life - do life with God, not just for God - and practice the presence of people A life of significance, focus, and richness is well within your grasp. *It's Your ONE Life* is the blueprint for making it happen.

Peak Nutrition - Maria Hines 2020-04-08

Climbing partners Maria Hines, a James Beard-awardwinning chef, and Mercedes Pollmeier, an NSCA-certified strength and conditioning specialist and Level 2 nutritionist, decided that they'd had enough of packaged bars and goos. As a celebrated chef, Hines can make anything taste great, and Pollmeier knows the science behind exercise nutrition. On their long drives to crags an idea blossomed: write a nutrition book for mountain sports. Peak Nutrition details 100 simple and tasty recipes within the context of outdoor goals and body science: motivation, recovery, hydration; how our digestive system works; how food provides energy; effects of weather and altitude; the relationship between food, muscle, and cramping; how nutrition relates to mental and physical stress; and much more. The authors also explore shifting eating habits and ways to develop a healthier approach, whether bouldering, climbing, backcountry skiing, mountain biking, trekking, or trail running. "Peak Profiles" offer food tips from elite athletes such as backcountry boarder Jeremy Jones and climber Sasha Diguilian and sample menus help readers plan what to prep and pack.

Amazing Tips to Make You Smarter - Sandy Silverthorne 2016-03-01

Loaded with fun, offbeat trivia and Sandy Silverthorne's hilarious cartoons, this book will not only make you smarter but also much more fun to be around. After all, who wouldn't want to fall into a conversation with someone who knows... how long most Americans spend waiting at red lights in their lifetimes which two first-world countries still haven't signed a treaty to end World War II where the phrase "a blue moon" came from And just think how happy your

friends will be when you share little-known but surprisingly helpful tips about sleeping well (a little peanut butter and/or honey on a piece of toast delivers a pleasant dose of tryptophan) or nailing that important job interview (try to schedule it at ten thirty on Tuesday morning). A collection of fun facts sure to make you smarter and your life more enjoyable!

Ultimate Survival Hacks - Tim MacWelch
2018-11-27

The New York Times bestselling author of *Prepare for Anything* shares 500+ tricks for surviving any emergency with everyday items. Fortune favors the prepared—and knowing how to innovate, improvise, and make do with the hundreds of survival hacks covered in this guide will prepare you for just about anything. Detailed advice and step-by-step illustrations show you how to handle natural disasters, wilderness mishaps, and total catastrophes with whatever you have to hand, from duct tape to plastic bags to acorns. Survival expert Tim MacWelch covers situations ranging from the common to the once in a lifetime (you hope!). In this book, you'll learn how to use junk food to start a campfire, harvest drinkable water from morning dew, use your belt to sharpen a knife, suture a wound with dental floss, use a bra as a respirator, and much, much more. If you can find it in an emergency, Tim can almost certainly help you turn it into a survival tool!

Hollywood Deception - Gemma Halliday
2017-02-24

From New York Times and USA Today bestselling author Gemma Halliday comes a dead tell-all host, a teen hacker-turned-sidekick, and a female tabloid reporter determined to catch a killer! Tabloid reporter Allie Quick thinks she has the hottest story in Hollywood when she lands an exclusive with the scandalous Bobby Baxter—host of the exposé TV show *Bobby Tells All*. But when Bobby turns up dead just hours before her interview, Allie wonders just whom he was planning to “tell all” about. Between an angry fan, a crew full of disgruntled employees, an estranged wife, and a list of secrets about to be exposed there's no shortage of people who wouldn't mind seeing Bobby cancelled permanently. And Allie isn't the only one digging—her rival is hot on her tail, and her editor-in-chief and maybe-boyfriend, Felix Dunn,

isn't playing favorites when it comes to headlines. With the help of her eclectic co-workers at the L.A. *Informer* and a teenaged hacker with a major crush, Allie vows to get to the truth about Bobby's death...before the killer gets to her! What critics are saying: "Halliday's *Hollywood Headlines* series is a fun story with intriguing characters and a good mystery. The action is fast paced, the hero is delightful and the heroine is spunky and independent but smart enough to know when she needs help." ~ RT Book Reviews "Fresh, funny, and has just enough heart to balance the snark." ~ All About Romance "Gemma Halliday's witty, entertaining writing style shines through in her new book! I look forward to seeing lots more as this series continues. A fun read!" ~ Fresh Fiction "Well written with smart and funny dialogue. It is a well-paced story that is thoroughly enjoyable with a mystery, a little romance, and a lot of laughs. Readers are sure to enjoy this delightful tale which is highly recommended." ~ RR Today

Little House Life Hacks - Angie Bailey
2023-08-22

A humorous yet practical book of life lessons from the seminal Little House on the Prairie, blending Laura Ingalls Wilder's timeless teachings with her surprisingly timely penchant for homesteading, crafting, and the lifestyle we now call Cottagecore. The Little House on the Prairie was a childhood TV classic for a generation of kids, and Laura Ingalls Wilder's novels have never gone out of style for young bookworms. Her stories of her family's life in the 1870s offer countless gems of wisdom, and many facets of their lifestyle and the skills they relied on have become some of the hottest trends of

today, from sourdough bread and modern pioneering to DIY prairie dresses and needlepoint. Little House Life Hacks playfully compiles the most crucial takeaways from that world, practical enough to work for pioneering stock and updated for today's evolving world. The Ingalls are the perfect reminders of what's important: love, family, community, honest work, and integrity. Alongside the life advice are selected inspirational quotes from the Little House books and show and fun pop culture tidbits (like that The Rock's first celebrity crush was original mean girl Nellie Oleson), as well as with meaningful takeaways for creating more balance, wellness, and fun in all aspects of your life.

Improve Your Social Skills - Jennifer Butler Green
2019-03-18

Discover how to crack the popularity code in less than 30 seconds... "Likability is the greatest predictor of popularity and social acceptance in a group for adults, more important than wealth, status, or physical attractiveness."-John Kinnell Did you know: In the last 7 days, over 3,400 people searched "How to know if people like me" on google Likable people are more likely to keep their jobs (more important than technical skills or talent) Highly likable people have more friends, land more sales and get more dates There is no secret to likability. The answer is social skills. Do you remember how easy it was to make friends when you were young? You went up to another kid, said "hi, I like you. Let's be friends." ...Uhm, easiest friendship ever. But how come that nowadays before you start a conversation with a stranger, you think about strategies to smoothly end the small talk? Why are you disappointed when you step into the bus and there is no empty two-seater you can have for yourself? The reason might be social anxiety resulting from a lack of social skills. One of the problems is adults like to play cool. According to Carolina professor Mitch Prinstein from Gazette University, being cool is not always a good predictor of future success. A woman needs to make not 2 or 5 glances before her crush approaches her, but 13. You need to learn how to hack the human brain and send out the right signals. When we don't use signaling, we are missing opportunities for mutual attraction. Good news... Social skills can be taught, practiced and

learned. Even if you call yourself an introvert and you prefer to not say hi to strangers, you can discover how to decode human behavior, gain social skills and make every uncomfortable situation an enjoyable one. In "Improve Your Social Skills", you'll discover: How like attracts like and how to instantly increase your real life following How to become like David Copperfield and use social magic tricks to get what you want How to date your dream girl or guy, close every deal and become a master of interaction How to master the 2 secret types of communication How to change your social behavior and start to unconsciously nail every step in a conversation How to be the most liked person the room without being a people pleaser Small Talk Hacks to improve your social skills in less than 30 seconds The same secrets Hollywood stars like George Clooney and Jeff Bezos use to successfully master their interviews And much, much more... Stop hiding in the corner because you don't know how to interact. Step out of your closet and become the person who is the life of the party. Scroll up and click "add to cart". P.S. It is proven by research that social skills and character development are more difficult to attain and harder to change the older people get, so the sooner you start, the better.

How to Analyze People - George Muntau
2017-11-06

This Book Includes 2 Manuscripts How To Analyze People Become A Master In Reading Anyone Instantly If there's a single most important skill you can pick up in today's globally connected and technically savvy world, it's the ability to analyze people. How do you determine a good fit for your organization while interviewing potential hires? How do you approach strangers? How about a crush or potential date? How do you build a stunning rapport with clients by diving into their head? Learning to read other people gives you a definite edge in terms of predicting behavior, modeling your actions to build a favorable rapport with people, forging more fulfilling personal relationships and excelling at building professional relationships. No, I am not suggesting you switch careers to be an FBI agent. However, it doesn't hurt to possess their sharp people analyzing acumen, does it? Some people unwittingly emanate signals that make

them stand out as soft targets; others give out way too many aggressive signals for their own good. Being aware of your verbal and non-verbal communication patterns keep in greater control of conveying the intended things to people, and avoid any potential misunderstandings or conflicts. What You Will Find Inside This Book: The Ultimate Non-Verbal Clue Cheat Sheet Using Verbal Communication To Analyze People 15 Brilliant Tips And Tricks For Reading People Decoding Personality Types Communication Styles Of Different Personalities Stoicism The Philosophy Of Calmness If you are a philosopher or someone who seeks to find principles of better ways of living, Stoicism is an interesting philosophy that guides one into a life that is full of fulfillment and happiness. Don't get me wrong, it is not simple, philosophy is complex, but many people try to pick bits and pieces of it to make it work for them in some circumstances. If you want to know how to apply various principles of stoicism, learn its history and gain insights on how to better manage the things that are causing harm in your life, then Stoicism is the book that you have been waiting for. It doesn't matter the point in life that you are in, you might be living paycheck to paycheck, or you have a lot of wealth; the philosophy of Stoicism will help you manage the problems and situations that plague your life from day to day. It is often said that it's hard to see an unhappy person in a Lamborghini, but as hard as it may seem to believe for an average man, there are different sets of problems that come with that. For any man to be able to counter the everyday problems, a philosophy is what comes to aid, it's like an operating system. It is what helps you to become a better person when you have it all or when you have nothing. To have the right discipline and focus of life, this book is going to change your life and provide you with the best disciplines, or "Life hacks." You will learn life skills and strategies to counter the most mundane, to the toughest things that come into your life. It is possible for one to lose all the things in life, especially possessions and family, this requires one to have a tough skin and way of living that can allow one to stand firm when this thing comes to play. Inside this book you will find: The History of Stoicism How you can program your mind through Neuroplasticity to

create ways of coping with everyday situations
How to incorporate this ancient practice in
everyday living How to be the same calm person

Make Him Yours - Mark Rosenfeld 2019-12-12
How much more time will you waste with the
wrong men? If you already have the perfect man
in your life or are consistently meeting great
men dating, this is NOT the book for you. But if
you're like the majority of other good women out
there who have had a run of men who don't
respect you, don't care for you or don't put effort
into you, then this book is absolutely for
you. Deep down you know true, fulfilling love is
out there for you. But after enough low-value
relationships or dates, who's to blame you for
starting to doubt it will ever happen for you. The
result is you spend nights stuck in your head
wondering if there is something wrong with you.
You linger about why men can't or won't see
your value. You look around and see all your
friends in relationships while you are perpetually
single, even when you have so much going for
you. Mark Rosenfeld has coached thousands of
women across the world. His life-changing
videos have received over 50,000,000 views and
he has become Australia's leading dating and
relationship coach for one reason - he gets
results. Whether its confidence, clarity, or a
genuine, connected soulmate, women the world
over look to Mark as a progressive, honest and
practical coach who leads them through the
midst of uncertainty and doubt that modern
dating can be, to shine through and attract the
man they deserve. In 'Make Him Yours; Beating
The Odds Of Modern Dating', you'll discover
...The 7 Non-Physical Attraction Triggers that
make him decide if you're a 'casual date' or 'wife
material' The 4-Boyfriend Benefits you're
probably getting used for (hint: It's not sex) The
3-Step process to set standards that makes a
man respect and WANT to comply The Top 10
Places to meet men offline, and the simple OPEN
mindset that gets hot guys talking to you

You Don't Have to Crush Your Ex - Lori A.
Bonnevier, MSW, LCSW 2021-12-05
Drop the Battle. Win the War that Matters.
Vanessa and Luke met in college. Young and
ambitious, they fell in love, married, bought a
house in the suburbs, and created a perfect
family. He worked tirelessly to advance his
career, so she could stay home with the children
and manage their busy household. For fifteen
years, they built a network of friends, family
traditions, and an amazing life together.
Everything was going great until it wasn't. Now,
they are facing a very painful divorce and a
custody battle over two children both parents
adore. Family members, friends, and legal
professionals— everyone has an opinion about
how to come out on top. In *You Don't Have to
Crush Your Ex*, Lori Bonnevier—a clinical social
worker and seasoned child custody
evaluator—invites you to walk beside Vanessa
and Luke, as they face challenges similar to
yours. You will have the unique opportunity to
make choices about divorce, your children, and
how to participate in a custody evaluation to
achieve the best outcome. Through this
insightful and witty choose-your-own-outcome-
style story, Lori shares her more than twenty
years of trade secrets to help you navigate the
complex and often-thorny experience of
participating in family law litigation. By the end
of the book, you will know how to: - Present your
best self to a child custody evaluator. - Protect
your child's emotional health and well-being. -
Keep your sanity and thrive on the other side. -
Discern which attorneys will hurt or help your

efforts. - Acquire resources to manage specific challenges. - Save your family time and money. This book is a must-read for parents, grandparents, and interested third parties involved in or headed toward a custody lawsuit over the children they love. The Choices We Make, Make Us.

Don't Kill Yourself... Yet - Michael McTeigue
2019-06-27

Have other self-help and personal empowerment books given you a sense of hope, yet failed to deliver lasting relief? Are you feeling so unhappy- or so chronically depressed and anxious- that you just can't generate enough energy to "process your issues" and unload your emotional baggage? If so, you may finally have come to the right place! "Don't Kill Yourself...Yet" offers readers long-term relief from mental misery, without requiring a lot of tiresome psychological processing. In a colorful, irreverent voice, author Michael McTeigue shares The Seven Life Hacks, which are destined to improve your thoughts, feelings, and actions in a very short time. The secret to crushing depression and anxiety lies in resurrecting your life force. Four key factors are annihilating your life force, from moment to moment, every day: your thoughts, your interactions with others, the circumstances of your daily grind, and your relationship with your body. Michael, who overcame his own depression, gives you his simple yet memorable life hacks to shield your life force in every situation you encounter. As you consistently conquer the energies that diminish you in the present moment, your life force miraculously renews itself, and your mental and emotional suffering dissipates. You start to feel like your "old self"-like your real self-again. "Don't Kill Yourself...Yet" is not for

everyone. It's not an inspirational pep talk about the power of positive thinking. It doesn't even promise enduring happiness, success, and emotional fulfillment. But if permanent relief from constant mental misery-and clawing your way back up to "Neutral"-is exactly what you are looking for just now, The Seven Life Hacks are your ticket to a better tomorrow! ABOUT THE AUTHORMichael McTeigue considers himself the quintessential disillusioned New Age idealist. As a young man, he enthusiastically embraced the great promise of the human potential movement and mankind's imminent spiritual awakening. When the dawn of the new millennium came and went and nothing much changed, Michael gradually descended into a dogged depression born of thwarted ambitions and broken dreams. He spent the ensuing years digging his way out. In the process, Michael developed The Seven Life Hacks, which he hopes will help lighten the load for each person who tries them. Michael has written four books. He is married with two daughters and resides in Northern California. Contact Michael at The7LifeHacksATgmail.com. ABOUT THE ILLUSTRATOR Lawrence Moorcroft is a commercial artist, illustrator, and feature film animator. He has designed and built theme park rides and monsters in glass fiber. He enjoys drawing and illustrating books and children's stories. Lawrence recently turned to writing an adventure story for boys called The Other Marco. A blog of the same name illustrates and promotes this venture.
