If It's Only Love - Lexi Ryan 2019-09-10

From New York Times bestseller Lexi Ryan comes a sexy new standalone romance in the bestselling Boys of Jackson Harbor series. Meet single dad Easton Connor as he leaves the NFL and returns to Jackson Harbor to fight for another chance with the love of his life. *** I don't regret much. Not my decision to enter the NFL draft before finishing college. Not fighting for custody of my daughter—even if, biologically speaking, it turns out she's not mine. And certainly not seducing my buddy's little

sister ten years ago. But when it comes to Shayleigh Jackson, my no-regrets attitude stops there. I screwed up royally where she's concerned. Then I made another mistake when I let her shut me out of her life. Now after more than a decade living in different time zones, I'm coming home to Jackson Harbor. My first priority is keeping my daughter away from the media circus in Los Angeles, but the moment I see Shay, I know something else brought me back here. Now I'll stop at nothing to win her back. So what if she won't speak to me? So what if she's changed? So what if she's fallen for some douchebag professor? I've never gotten over her, and I know she feels the same about me. I've let her go twice. I won't make that mistake again. If It's Only Love and all other books in this series can be read as standalones, but you'll enjoy reading them together. But just when you thought it was all over and you were the savior of the day, all hell broke loose as the tables turned, and you were now on the run and being hunted in the worst possible way. Street remained a loyal teenage church boy, but made one drastic decision out of loyalty that led him straight into the most hellish experience and being hunted by everyone and even the unimaginable. A story of survival. A supernatural story of unbelief versus faith. A story of determination. A story of love, and the price he had to pay. This is the sequel to Street's incredible journey with mind-blowing situations and consequences that you pray you will never find yourself in. But he did. This is a story that no one would ever tell because most wouldn't believe. Rule 1: Don't ever fall in love again until your heart can handle it. Rule 2. Don't ever enter a dance competition again. Rule 3. No more street brawls. Rule 4. Spend more time at church. Rule 5. Never travel alone after dark, but if you do,

A USA TODAY and New York Times bestseller Perfect for fans of Kasie West and Jenn Bennett, this "sweet and funny" (Kerry Winfrey, author of Waiting for Tom Hanks) teen rom-com follows a hopelessly romantic teen girl and her cute yet obnoxious neighbor as they scheme to get her noticed by her untouchable crush. gnomes do not a potential boyfriend make. Yet, somehow, Wes and Michael are hitting it off, which means Wes is Liz's in. But as Liz and Wes scheme to get Liz noticed by Michael so she can have her magical prom moment, she's shocked to discover that she likes being around Wes. And as they continue to grow closer, she must reexamine everything she thought she knew about love—and rethink her own ideas of what Happily Ever After should look like.
