**Spies, Lies, and Allies: A Love Story** - Lisa Brown Roberts 2018-05-01  
Summers are supposed to be fun, right? Not mine. I've got a job at my dad's company, which is sponsoring a college scholarship competition. I just found out that, in addition to my job assisting the competing interns, I'm supposed to vote for the winner. Totally not what I signed up for. My boss is running the competition like it's an episode of Survivor. Then there's Carlos, who is, well, very distracting—in a good way. But I can't even think about him like that because fraternizing on the job means instant disqualification for the intern involved. As if that's not enough, an anonymous informant with insider intel is trying to sabotage my dad's company on social media...and I'm afraid it's working. Much as I'd love to quit, I can't. Kristoffs Never Quit is our family motto. I just hope there's more than one survivor by the end of this summer.

*American Target* - Bernadette Hickson 2023-02-09

*American Target* is an action-packed thriller that will keep you on the edge of your seat, wondering what will happen next. Bernadette, the main character, was snatched out of her normal life—figuratively speaking—and placed in an unknown world of spies and special forces. She is a registered nurse who has no understanding of this world but had to figure it all out, just to fight for her life. Bernadette was exposed to this undercover world after meeting her boyfriend, Jimmy White, who is the director of the U.S. Special Ops. He is twenty years older than her, and many were suspicious of her intentions with him. This book has so many twists and turns as to who did it and why that it will be hard to put down. But wait! It gets better. Bernadette becomes the main focus of the American, French, Irish, and Russian intelligence. They all have their eyes on her for different reasons. One wants her dead, another wants to protect her, while the other ones need her for different reasons.

*Suitors and Sabotage* - Cindy Anstey 2018-04-17

Two young people must hide their true feelings for each other while figuring out who means them harm in this cheeky Regency romance from the author of *Love, Lies and Spies* and *Duels & Deception*. Shy aspiring artist Imogene Chively has just had a successful Season in London, complete with a suitor of her father's approval. Imogene is ambivalent about the young gentleman until he comes to visit her at the Chively estate with his younger brother in tow. When her interest is piqued, however, it is for the wrong brother. Charming Ben Steeple has a secret: despite being an architectural apprentice, he has no drawing aptitude. When Imogene offers to teach him, Ben is soon smitten by the young lady he considers his brother's intended. But hiding their true feelings becomes the least of their problems when, after a series of "accidents," it becomes apparent that someone means Ben harm. And as their affection for each other grows—despite their efforts to remain just friends—so does the danger. . . In *Suitors and Sabotage*, author Cindy Anstey delivers another witty young adult historical fiction novel that is the perfect mix of sweetly romantic and action-packed. Praise for *Suitors and*

Sabotage: A Junior Library Guild Selection "Anstey's tale embraces a self-reliant main character, a loyal friend, innocent romance, witty conversation, and English country settings, each more splendid than the last. This is a delightful salute to Jane Austen and will be a treat for her fans." —VOYA "Mystery and romance are delightfully intertwined . . . Taking inspiration from Jane Austen novels, Anstey's latest is a lighthearted and romantic read." —Booklist

**Spies, Lies & Red Tape** - Amit Bagaria 2019-10-09

The Gang of Six were clinching their fists under the 21-seater oval teak table in the PMO in New Delhi. How could their Prime Minister speak to them like that? How does the Constitution of India allow such people, with just 35 seats out of 543 in the Lok Sabha, to become the PM? The Indian PM's aircraft took off from Islamabad Airport at 7:45 am IST and was scheduled to land at the Indira Gandhi International Airport (IGIA) in New Delhi at 9:10 am IST. When the aircraft started deviating from its scheduled route, there was panic at the IGIA air traffic control tower. By 9:15 am IST, the aircraft was seen heading south, when it became out of range of the radars at IGIA. Had the PM's aircraft been hijacked? Was it headed to Sri Lanka or the Maldives? The defence minister, external affairs minister and the NSA had accompanied the PM to Islamabad. In their absence, the best men to contact the Indian Air Force Chief were the cabinet secretary or the defence secretary. Both men tried to get hold of him, but to no avail. He was not answering his office or mobile phone. They tried the Vice Chief and got no response either. What in hell was going on? By 9:45 am IST, Indian Army soldiers in battle gear began arriving in army trucks at North and South Block, and at various other ministry buildings spread across Lutyens' Delhi. Hundreds of soldiers also arrived at the residences of the union ministers in the 28.7 km<sup>2</sup> Lutyens Bungalow Zone. At 9:45 pm Pakistan Time, about five hours after the Indian generals had finished the press conference in New Delhi and about two hours after millions had started demonstrating on roads across fifty-plus Indian cities, Prime Minister Irfan Khan chaired a meeting of Pakistan's National Security Council. A plan of action was framed.

This is a true story about an exciting adventure that my wife Anna and I set out on with the very best of intentions. It gradually and subtly went horribly amiss. Some of the names have been changed to protect the innocent and perhaps the guilty (jury is still out on a few). Along the way there were red flags, but we were blind to them because we believed we were on a journey that was the fulfillment of our deepest passion. Events over a four-year period resulted in what some would view as a happy ending and others saw as very sad. Our lives were drastically changed forever by a single phone call.

**Love, Lies and Spies** - Cindy Anstey 2016-04-19

In this hilarious homage to Jane Austen, a lady with a penchant for trouble finds a handsome spy much more than merely tolerable. "It's Jane Austen meets Jane Foster in Anstey's debut novel, which serves up a delightful combination of Regency romance, scientific curiosity, and spy intrigue for a tale that will have readers rooting for love and science." - Entertainment Weekly Juliana Telford is not your average nineteenth-century young lady. She's much more interested in researching ladybugs than marriage, fashionable dresses, or dances. So when her father sends her to London for a season, she's determined not to form any attachments. Instead, she plans to secretly publish her research. Spencer Northam is not the average young gentleman of leisure he appears. He is actually a spy for the War Office, and is more focused on acing his first

mission than meeting eligible ladies. Fortunately, Juliana feels the same, and they agree to pretend to fall for each other. Spencer can finally focus, until he is tasked with observing Juliana's traveling companions . . . and Juliana herself. Full of humor and English Regency Period charm, and starring a whip-smart strong female heroine, *Love, Lies and Spies* by Cindy Anstey is a young adult novel with the perfect mix of romance, action, and adventure. "A tongue-in-cheek nod to Regency romances, Anstey's lighthearted novel is perfect for readers looking for an Austen-inspired tale of intrigue and romance. The story gets an additional boost from Juliana's many humorous scrapes, which are unbecoming of a nineteenth-century lady. This would make a nice companion for Garth Nix's farcical *Newt's Emerald*." -Booklist "Give to young teens in need of a fluffier Patrice Kindl's *Keeping the Castle*. . . . A cute premise and cover make this a solid purchase for budding historical romance readers." -School Library Journal "I cannot tell you how much I love this book. Juliana, Spencer, Bobbington, ALL of them are just so utterly wonderful. This is BETTER than Georgette Heyer. YEP, I SAID IT." -Kelly Zekas, author of *These Vicious Masks*
