Whipping Girl - Julia Serano 2016-03-08

This classic manifesto is "a foundational text for anyone hoping to understand transgender politics and culture in the U.S. today." (NPR) *Named as one of 100 Best Non-Fiction Books of All Time by Ms. Magazine* In *Whipping Girl*, biologist and trans activist Julia Serano shares her experiences and insights—both pre- and post-transition—to reveal the ways in which fear, suspicion, and dismissiveness toward femininity shape our attitudes toward trans women, as well as gender and sexuality as a whole. Serano's well-honed arguments and pioneering advocacy stem from her ability to bridge the gap between the often-disparate biological and social perspectives on gender. In this provocative manifesto, she exposes how deep-rooted the cultural belief is that femininity is frivolous, weak, and passive. In addition to debunking popular misconceptions about being transgender, Serano makes the case that today's feminists and transgender activists must work to embrace and empower femininity—in all of its wondrous forms.

Transgender History - Susan Stryker 2009-01-07

Covering American transgender history from the mid-twentieth century to today, *Transgender History* takes a chronological approach to the subject of transgender history, with each chapter covering major movements, writings, and events. Chapters cover the transsexual and transvestite communities in the years following World War II; trans radicalism and social change, which spanned from 1966 with the publication of *The Transsexual Phenomenon*, and lasted through the early 1970s; the mid-'70s to 1990—the era of identity politics and the changes witnessed in trans circles through these years; and the gender issues witnessed through the '90s and '00s. *Transgender History* includes informative sidebars highlighting quotes from major texts and speeches in transgender history and brief biographies of key players, plus excerpts from transgender memoirs and discussion of treatments of transgenderism in popular culture.

My Husband's a Woman Now - Leslie Fabian 2014-02-26

Nothing is more certain in life than change, and this change is bigger than most. In 2009, Leslie Fabian's husband, David—an orthopedic surgeon who'd been privately cross-dressing for most of his life—realized that brief forays into the world as Deborah would never be enough. This came as no surprise to Leslie. For two decades, cross-dressing had been a part of their lives; but she had witnessed her spouse's devastation each time he returned to his male persona. Once David finally realized he was "more than just a cross-dresser," Leslie encouraged him to become Deborah. *My Husband's a Woman Now* is the personal, heartfelt tale of a wife supporting her mate's transition to female, while grieving the loss of her male partner. It's a love story, abounding with tales of the Fabians' challenges, changes, and ultimate triumph over the radical upheaval of their lives...by their own choice. This story can and will inspire you, whether you're transgender, gay, straight-or anything in-between!

My Husband Betty - Helen Boyd 2003-12-23

My Husband Betty is the first book to explore the relationships of crossdressing men and their female partners. Known traditionally as transvestites, men like Helen Boyd's husband are starting to come out and win the respect of friends, family, and society - even if their behavior still baffles mental health professionals and the crossdressers themselves. Boyd explains the "taxonomy" of the transgendered, the

distinct societies within the transgendered community, the effects of the closet, sexuality, and the issues faced by the wives and girlfriends of crossdressing men. Helen's own experience is at the heart of this book, her story complemented and contradicted by interviews with crossdressers, drag queens, "tranny chasers," and other transgendered couples.

How to Change Your Sex: A Lighthearted Look at the Hardest Thing You'll Ever Do - Lannie Rose 2008-08-08

Lannie Rose changed her sex and now she explains how you can too! *How To Change Your Sex: A Lighthearted Look at the Hardest Thing You'll Ever Do* is an amusing and practical guide to everything you need to know for your sex change, from how to tell if you are transsexual, through venturing out in public in your new gender presentation (including which restroom to use!), to hormones and surgeries, to what to expect afterwards. Whether you are seriously considering changing your own sex, or if you have a friend or loved one who is going through the process, or even if you are just curious, you are bound to be entertained and informed by this handy little manual. My Husband Wears My Clothes - Peggy J. Rudd 1999

Dr. Rudd addresses many of the questions frequently asked by the spouses, families, and friends of crossdressers and candidly explores the related emotions that range from frustration to elation.

Against Our Will - Susan Brownmiller 2013-09-24

DIVDIV Susan Brownmiller's groundbreaking bestseller uncovers the culture of violence against women with a devastating exploration of the history of rape—now with a new preface by the author exposing the undercurrents of rape still present today./divDIV Rape, as author Susan Brownmiller proves in her startling and important book, is not about sex but about power, fear, and subjugation. For thousands of years, it has been viewed as an acceptable "spoils of war," used as a weapon by invading armies to crush the will of the conquered. The act of rape against women has long been cloaked in lies and false justifications./divDIV It is ignored, tolerated, even encouraged by governments and military leaders, misunderstood by police and security organizations, freely employed by domineering husbands and lovers, downplayed by medical and legal professionals more inclined to "blame the victim," and, perhaps most shockingly, accepted in supposedly civilized societies worldwide, including the United States./divDIV *Against Our Will* is a classic work that has been widely credited with changing prevailing attitudes about violence against women by awakening the public to the true and continuing tragedy of rape around the globe and throughout the ages./divDIV Selected by the New York Times Book Review as an Outstanding Book of the Year and included among the New York Public Library's Books of the Century, *Against Our Will* remains an essential work of sociological and historical importance./divDIV/div/div

Transgender Warriors - Leslie Feinberg 1996

"The foundational text that gave me life-changing context, helping me to understand who I was and who came before me."—Tourmaline, activist and filmmaker *Transgender Warriors* is an essential read for trans people of all ages who want to learn about the towering figures who have come before them—and for everyone who is part of the fight for trans liberation This groundbreaking book—far ahead of its time when first published in 1996 and still galvanizing today—interweaves history, memoir, and gender studies to show that transgender people, far from being a modern phenomenon, have always existed and have exerted their influence throughout history. Leslie Feinberg—herself a lifelong transgender revolutionary—reveals the origin of the check-one-box-only gender system and shows how she found empowerment in the lives of transgender warriors around the world, from the Two Spirits of the Americas to the many genders of India, from the trans shamans of East Asia to the gender-bending Queen Nzinga of Angola, from Joan of Arc to Marsha P. Johnson and beyond. This book was published with two different covers. Customers will be shipped the book with one of the available covers.

Alice in Genderland - Richard J. Novic M.D. 2005-04-01

Alice in Genderland is the first ever memoir by a crossdresser who is not content to live behind closed doors—and who takes it much further than his straighter, more circumspect peers might ever care to go. Most of the

time, Harvard-educated psychiatrist Richard Novic is Rick, a caring doctor at the office and a loving husband and father at home. But one night a week, he is Alice, a brave trans woman about town, shopping, dining, dancing, and more. In contrast to the life he leads today, Rick Novic suffered since his sporty, nerdy boyhood with a secret, a desire he was in no way equipped to handle, but one that eventually burst through his denial, a few months before his wedding day. Just once, he felt, while he still could, he had to know how it felt to be a woman. Like Alice in Wonderland, his curiosity led him to fall headlong down a rabbit hole, through desperate straits, mind-opening surprises, heart-rending changes, gritty sex, and boundless love. By the time he was back on his feet, he was a different person, living a lifestyle he hadn't known existed. Anyone who has struggled to figure out who they are and how they want to live will surely appreciate this informative and engaging life story. Praise for Alice in Genderland "Few know the transgender scene like GIRL TALK magazine's Alice Novic. This exciting new memoir by her male alter ego takes us along with him and the people he loves, as he encounters and explores each twist and turn around him and within him. As much Lewis and Clark as it is Lewis Carroll, Alice in Genderland blazes a new trail in the world of crossdressing." —Linda Jensen, contributing writer, Transgender Forum "Alice bravely explores the limits of gender, sexuality, and relationships—a sexy, poignant, and often hilarious memoir of transgenderism." —Vernon A. Rosario, M.D., author of *The Erotic Imagination*, clinical faculty, UCLA Neuropsychiatric Institute "More provocative than soothing, Alice in Genderland is fascinating and well worth reading." —Vern L. Bullough, Ph.D., author of *Crossdressing, Sex, and Gender*, past president of the Society of the Scientific Study of Sex

Male Femaling - Richard Ekins 2002-11

This unique and fascinating book, meticulously and systematically develops a theory of male femaling which has major ramifications for both the field of 'transvestism' and 'transsexualism' and for the analysis of sex and gender more generally.

Head Over Heels - Virginia Erhardt 2014-01-14

Candid, first-hand accounts of couples who stay together despite highly emotional gender issues. *Head Over Heels* gives voice to thirty ordinary women who live extraordinary lives as partners to crossdressers, transgenderists, and male-to-female transsexuals. These unique women discuss, with honesty and great candor, how they first learned of their partners' gender issues, how they've coped with the emotions that followed, how they've dealt with concerns about privacy/secretcy, and how they've handled disclosure to children, friends, and family members. Far from a collection of "happily ever after" stories, these narratives are filled with pain, courage, curiosity, and joy as each woman struggles to redefine a relationship that includes intimacy, social acceptance, dignity, and respect. The women whose stories are featured in *Head Over Heels* didn't know their partners were gender-variant when they first met. Some found out early on; others learned of their husbands' gender variance after decades of marriage. Some were told by their husbands—men they considered "regular guys;" others found out on their own, sometimes in shocking ways. Their stories represent a wide spectrum of women's life experiences with crossdressers, transgenderists, transsexuals who are nonoperative, pre-operative, and post-operative, families without children, families with children at home, and families with children who have left home. But these women share one thing in common: each has decided to stay in her relationship, exploring her new life with an open, yet cautious, heart. Some of the voices heard in *Head Over Heels*: "While putting my clothes on, I found a sales receipt on the bureau from K-Mart for shoes, a bra, and stockings. My immediate thought was that my husband had a girlfriend." "He dressed for me one night and it was the worst experience of both our lives. I was shocked and he knew it and that hurt him." "My siblings had been aware of Trish's transsexualism for several years when she went full-time. They have told me that while I will always be welcome in their homes, Trish is not." "My husband may think differently, but I do have a sexual identity. Actually, I'm real clear about it—I am a woman and he is a man. I do not allow him to crossdress in the bedroom. I married a man; therefore, I will sleep with a man." *Head Over Heels* also includes historical and current information about resources and support for wives of gender-variant people, and a substantive introduction that includes basic information about sexual and gender identity and related issues.

She's Not the Man I Married - Helen Boyd 2007-02-15

Helen Boyd's husband, who had long been open about being a cross-dresser, was considering living as a woman full time. Suddenly, Boyd was confronted with the reality of what it would mean if her husband were

actually to become a woman Ñ socially, legally, and medically. Would Boyd love and desire her partner the same way? Boyd's first book, *My Husband Betty*, explored the relationships of cross-dressing men and their partners. Now, *She's Not the Man I Married* is both a sequel and a more expansive examination of gender in relationships. It's for couples who are homosexual or heterosexual, and for readers who fall anywhere along the gender continuum. As Boyd struggles to understand the nature of marriage, passion, and love, she shares her confusion and anger, providing a fascinating observation of the ways in which relationships are gendered, and how we cope, or don't, with the emotional and sexual pressures that gender roles can bring to our marriages and relationships.

Tippling The Velvet - Sarah Waters 2011-02-03

Piercing the shadows of the naked stage was a single shaft of rosy limelight, and in the centre of this was a girl: the most marvellous girl - I knew it at once! - that I had ever seen. A saucy, sensuous and multi-layered historical romance, *Tippling the Velvet* follows the glittering career of Nan King - oyster girl turned music-hall star turned rent boy turned East End 'tom'.

Feminizing Men - Thomas Newgen 2019-08-12

Maximizing the joy of crossdressing? Do you crossdress from a male to a female? Or is there someone in your life who does? If so, how about taking it up a notch? Increasing the pleasure and the amount of time doing it? This isn't about how to dress or how to become feminine. We have a book on that, and there are plenty of other resources too. This is how to increase your joy in crossdressing as much as possible. Whether you're a woman with a boyfriend or husband whom you want to become feminine-because of what it will do for them or you or your other boyfriend-or whether you're a sole practitioner who loves the hobby and would like to have ideas on how to reap more delight from it, this book can help. A woman who gives this book to a male will be making a statement of how much she loves him and wants him to be her special person. A sole practitioner of this hobby who takes this book to heart will be doing an act of kindness and respect for her inner girl that says, I love who I am when I'm feminized, and I deserve to take care of her.

Maximize the joys of being a male-to-female crossdresser and increase the gratification, satisfaction, degree of sensuality, and amount of time you have to enjoy it in this quick but thought-provoking short read. This is a guide that will help feminized men-husbands, boyfriends, sissies, those in female-led relationships, or cuckolded males who are feminized. Give it as a gift for them or buy it as a gift for yourself. Look inside now!

Lannie! - Lannie Rose 2007

In the battle between the sexes, he's her own worst enemy Do you know about the great gender divide over clean underwear? I didn't either, until I changed my sex. When I stopped living as a man and began living as a woman, I learned about clean underwear and many other remarkable things, such as: My life may have been easier if I had just been gay. Sex reassignment surgery hurts! So does electrolysis. You truly can become anything your heart desires, as long as you are true to yourself. Thus begins the real-life memoir of Lannie Rose, a regular guy who, at the age of 49, decided to live as a woman. Six months later, he underwent extensive surgery to become a woman. From his unusual childhood to her present life as a woman, Lannie Rose writes frankly about the huge social and physical conflicts she faces...as well as the challenge of using the women's locker room and finding sexy size 13 sandals. Triumphant, poignant, shocking, hilarious and extremely informative, *Lannie!* is above all else a woman's story of her search for herself and her faith in her own decisions. Rose's upbeat attitude and entertaining writing style make this account of a serious, sensitive subject a joy to read.

Crossdressing with Dignity - Peggy J. Rudd 1999

Crossdressing With Dignity is a book addressing the emotions that surface when men cross gender lines. This book represents the collective input from over 600 men and women who participated in a survey on crossdressing.

When The Opposite Sex Isn't - Sandra L. Samons 2012-10-12

When there is uncertainty about the gender identity or social gender role of an individual, determining exactly who the opposite sex is can be a complicated question for both the transgender person and for those who seek to relate to her. Written in both an enlightened and a reader friendly style interspersed with vignettes, *When the Opposite Sex Isn't* offers a combination of insights and common sense understanding of the diversity of the human condition together with concepts of gender and sexuality that expand the horizons of any mental health professional, regardless of the clinical focus of his or her work. Samons challenges concepts once taken for granted, thus providing stimulus for creative thinking which many lay readers will also find interesting and

entertaining, whether or not they are (thus far) acquainted with a transgender person.

The Trans Partner Handbook - Jo Green 2017-08-21

Individuals who transition from one gender to another are often in some degree of a relationship, and over 55% of these relationships endure through the transition process. While more resources are emerging for trans people themselves, there is very little information available for their partners. Through first-hand accounts and vignettes of successful partnerships, this book presents detailed descriptions of everything

involved in the transition process, with specific guidance for those supporting a partner in transition. Topics include disclosure, mental health, coming out, loss and grief, sex and sexuality and the legal, medical and social practicalities of transitioning. In this essential guide, people whose partners are across the transgender spectrum speak out on their own experiences with personal advice and support for others.

Living with Crossdressing - Savannah Hauk 2017-09
