Mountain Cabin A.J. Mayes 2021-07-05 DESCRIPTION: Raised as an independent Montana girl, Alex loves the freedom she feels when she hikes alone through wilderness. While hiking a mountain, she falls and unable to walk, she waits. A wolf howl sparks dread, then out of the rain-drenched night, Clay comes to save her. Can these two souls find love on their own, or do they need the help of her husky, and his wolf? EXCERPT: Alex swung the flashlight over the terrain, then saw a gray wolf, his amber eyes looking down at her. Oh, hell. He's huge. Yukon will try, but she can't protect me from a predator like that. Gut-wrenching dread consumed her while the wolf eyed her. The wolf made no sound, and she held her breath while his glowing eyes penetrated her soul. Yukon moved between her and the wolf, her growls low. The wolf continued his stare, and Alex sensed he was thinking things over. She wondered if this was the night death came for her, and her heart galloped wildly in her chest. The cold rain turned torrential, and the wolf slowly turned, then loped up the mountain. Alex exhaled sharply, gulped in air, and, calling Yukon to her, hugged her. "That was close, girl. Thanks for protecting me." The husky licked her face. "I love you, too." She rested her back against the boulder. "We're okay, now. The wolf went to hunt other prey." Time passed. Suddenly, Yukon leapt to her feet, growled, and took off. As the husky disappeared into the darkness, Alex struggled to control her utter fear. Oh my God, I'm alone! Where'd she go? Is the gray wolf back? She took a breath and waited for death to come once more. Her heart soared when Yukon ran to her and wagged her tail, then relief surged through her body. From nowhere, a tall man in full rain gear, his head covered by a fur hood, walked towards her. Blinded by the man's flashlight, her breath caught in her throat when she heard his deep masculine voice. "Looks like you need some help. Did you fall?" "Yes. I made a stupid mistake." She shielded her eyes and tried to get a look at the man. "I hurt my right ankle pretty bad. I'm afraid it's broken." "Name's Clay Williams. Mind if I take a look?" "Please. I'm Alexandra Morgan. Call me Alex." Clay knelt beside her, ran his hands over her ankle, and rotated her foot. She winced and gritted her teeth as sharp pain radiated from her ankle. He gently set the foot down and squeezed her leg. "It's just a severe sprain. You'll be good as new in a week or two." "I hope so." His fingers burned her skin, and she felt tingles inside. "How did you find me, Clay?" "That can wait. The rain will turn to snow soon and you're wearing shorts. Let's get you out of the cold. I have a cabin not far from here." "You live on the mountain?"

"Yep. With your ankle, I'll have to carry you." "I know. Keep your eyes open. There's a huge gray wolf hunting near here. He scared the shit outta me and Yukon half an hour before you showed up." "This is his territory, but he's no danger to humans. The wolf was just curious." "Yeah. I think he wanted to know if I taste good." "Can't blame him, Alex ... I'm wondering the same thing." She laughed. "Seriously? I'm a damsel in distress and you're hitting on me?"

Is the United States Mentioned in Bible Prophecy? Paul R. Wild 2017-07-14 GOD HAS BIG PLANS FOR AMERICA In a follow-up, companion piece to his 2016 book, *The Timing of the Rapture*, Paul Wild convincingly makes the case that the United States is prominently presented in the Book of Daniel and urges readers to abandon the classical view that Daniel discusses only nations of antiquity. He challenges those who, through allegorical methods, treat passages of Scripture intended for the nations of Israel and Iraq (ancient Babylon) as if they are applicable to the United States. Allegorical methods are open to the whims of people's imaginations and become disconnected from the plain meaning of scripture, whereas the method of using Scripture to unlock Scripture demonstrates that the United States and other modern nations, such as Russia and China, are identifiable, and their fates can be ascertained. Paul encourages the reader to look beyond the coming judgement on the United States toward its future repentance and restoration. Christians who grasp the magnitude of our country's fate will be better prepared for the coming shaking. A prudent man foreseeth the evil, and hideth himself; but the simple pass on and are punished.

Minding Their Manners M.Q. Barber 2021-12-28 Facing their families is turning out to be the trio's toughest test. Life should be grand for Henry, Alice, and Jay. They've defeated the doubts that kept them apart and embraced a relationship that suits all three of them. But the arrival of Alice's sister threatens to upend their cozy routine. Skepticism and accusations erupt in a visit bristling with tension as the sisters tear open old wounds. Even worse, Jay's springing a new idea on his partners: it's time to come out to his family. His decision might destroy them all—but Henry's hunger for Jay's public embrace makes it almost worth the risk. Henry, Alice, and Jay must redefine who they are to each other and what they want for their future—together or apart. Can they trust in their love enough to survive the consequences? New to USA Today bestselling author M.Q. Barber's *Neighborly Affection* series? This friends-to-lovers bisexual menage romance saga is best read in order. Dominance and submission is the name of the game for this committed MMF poly triad. Start with *Playing the Game* or the prequel book *Becoming His Master*. For a different perspective on the events of *Playing the Game*, read it alongside *Tuesdays with Jay and Other Stories*. The character development, especially of the heroine, and plot progression work well with this trio." - Shelly, reviewer for Red Hot Books "Ms. Barber delves into the culture of Dominance and submission with compelling grace, introducing us to Alice, Henry, and Jay and all of their delightful emotional and sexual complexities." - Sophia Jones, author of *The Pharaoh and the Curator* "It's steamy and sexy enough, and doesn't hold back on the BDSM angle, but this erotic romance has so much more to offer than titillation or fantasy." - D.B. Sieders, author of *Red Shoes for Lab Blues* "I will read this one again. The sex scenes were off the charts hot. The characters were amazing. Henry melted me." - Jessi Gage, author of *Wishing for a Highlander* "Chapter after chapter, I was captivated by the very real process of a woman that discovers her submissive self and how a man tamed her, day after day, week after week, month after month. ... It is the kind of book that make you think: yeah, that makes sense. If I was in her shoes, I would act like this." - Mary, reviewer for *Mary's Menage Whispers* "The writer had a way to bring you in and make you feel soulful about what they were sharing. I felt like I was made to consider each decision they made about what they needed and why they needed it. This wasn't just a wham-bam book, it was a story of Alice's emotions surrounding this couple she had grown to care for." — Mistress L, reviewer for *S&M's Book Obsessions*

Feast of Sparks Sierra Simone 2019-08-01 I'm an outcast and a loner, named for death itself. Fate wasn't supposed to have plans for me. But then she came back—the girl I once kissed in a thorn-covered chapel in the woods. She came back, and I could no more resist her than I could pry out my own heart. And by some trick of fate, she wants me as much as I want her. The only problem? She also wants the man who owns Thornchapel, Auden Guest. And so do I. Eight years ago, I did

something to Auden, something terrible. He hurt me back the only way he knew how, and so here we are: our hatred seasoned with pain and my loneliness seasoned with longing. The only thing we can agree on is Proserpina Markham, and she wants us to find a way to be together—all three of us. If Auden wants to earn her as his submissive, then he has to earn me as well. But with the discovery of bones behind the altar and the carnal revel of Beltane fast approaching, it's becoming clear that Thornchapel's secrets are much deeper and older than any of us could have ever guessed. And no matter how bright and merry a feast of sparks may be, it's always followed by ashes. And darkness.
