Seduced by a Billionaire Jill Downey 2020-04-24 Kyle Bennett was born with a silver spoon in his oh so sexy mouth. And he's completely unapologetic about it. He likes the finer things in life and he's used to getting whatever he wants whenever he wants it. Widowed with a son, he feels completely unqualified to raise him alone. He's forced to face the fact that he's a little too much like his dear old dad...i.e. Bury yourself in work and let the nannies take care of the rest. Until fate steps in and forces him to a dead stop. The beautiful and sexy nurse, Ella Palmer, is happy to point out all of the ways in which he falls short. This only makes him want her more. Ella Palmer grew up on the wrong side of the tracks. She has had to work hard for everything she has ever gotten. Nothing has been given to her and she believes that nothing is for free.... There are always strings attached. And there are definitely strings attached to Kyle Bennett. Caring for his motherless six-year-old is a piece of cake. Taking care of the sexy billionaire father and not jumping his bones...not so much. As Ella's resistance wears down the sexual tension sparking between them ramps up. Suddenly Ella can't remember why she had such a silly rule about keeping her work and play separate. **Seduced by a Billionaire** is a sexy, stand alone romance that will touch your heart and leave you breathless. This story will appeal to fans of Nora Roberts, Bella Andre, and Melody Grace.

Felicia Liddle has eight days to seduce Hollywood bad boy Luca Fontaine. If she wants to keep her dream job, she needs to score an interview with the infamous actor—or with one of his equally legendary (and ridiculously sexy) brothers, the notorious Fontaine boys of Hollywood. And everyone knows that the Fontaines never give interviews—but everyone also knows that neither Luca nor any of his brothers can resist a charming woman, and Felicia's sure that's her way in.
