Selves, Symbols, and Sexualities Thomas S. Weinberg 2014-03-06 Offering an anthology of original articles on sexuality from a sociological perspective, *Selves, Symbols, and Sexualities: An Interactionist Anthology* focuses on the diverse and multi-layered meanings of sexuality, sexual behaviors and sexual identities. Thomas S. Weinberg and Staci Newmahr bring you essays that explore sexuality as a social process. As a whole, the book takes the perspective that what each of us understands to be sexual is constructed through everyday social processes and interaction, situated in particular spaces and moments, identified through our social-sexual presentations, and symbolized through language, objects and practices. The book is organized around these four distinct but interrelated processes, and augmented by personal narratives around relevant issues. The authors' goals for the book are to engage students in the sociological enterprise by providing interesting and insightful entries that emphasize the importance of meaning-making in human sexuality, and to provide them with conceptual tools to understand human sexuality in a complex and quickly changing sexual landscape.

New Approaches to Popular Romance Fiction Sarah S.G. Frantz 2014-01-10 Despite the prejudices of critics, popular romance fiction remains a complex, dynamic genre. It consistently maintains the largest market share in the American publishing industry, even as it welcomes new subgenres like queer and BDSM romance. Digital publishing originated in erotic romance, and savvy online communities have exploded myths about the genre's readership. Romance scholarship now reflects this diversity, transformed by interdisciplinary scrutiny, new critical approaches, and an unprecedented international dialogue between authors, scholars, and fans. These eighteen essays investigate individual romance novels, authors, and websites, rethink the genre's history, and explore its interplay of convention and originality. By offering new twists in enduring debates, this collection inspires further inquiry into the emerging field of popular romance studies.

Waterfall Ian Wood A story of a tragedy that might have been but thankfully wasn't, from the author of *Femarine*. In 1940, the sky above the English Channel was a battlefield. 'The few' were the heartbreakingly-young fighter pilots on the Allied side, not all of whom were British. Many were the bombs which fell, not all of them on target - a rain of bombs which sank into semi-retirement on the quiet seabed. When the Channel Tunnel was dug under those sleeping dogs they continued to lie, but at the opening of the tunnel, a terrorist bomb unleashed them with a vengeance, and the few became those who were now trapped, with the whole English Channel about to rain in on them.

Five days ago, I couldn't stand Jett. He's a world-renowned guitarist in a hit band, and I'm a washed-up sex symbol vocalist in a band that's seen its glory. Five days ago, something changed. I was given an ultimatum that I'm not sure I can live up to. The world of rock and roll is a cruel place. It's a world where I can only be sure of one thing, and that one thing is what is ruining me. Jett sees right through me. And as much as I hate him, he keeps coming around. Until he disappears back to the stage. But does he really leave me? Then I find out what's eating her, and I see her in a different light. There's more to Roxy than meets the eye. Her bandmates see it. That's why they stick around. But will the world see it...and more important, will they see it before it's too late? Rock star romance Hate to love romance Drug and alcohol use Medium heat Smoking Swearing Cliffhanger ending

An Imperialist Love Story Amira Jarmakani 2015-07-31 A curious figure stalks the pages of a distinct subset of mass-market romance novels, aptly called "desert romances." Animalistic yet sensitive, dark and attractive, the desert prince or sheikh emanates manliness and raw, sexual power. In the years since September 11, 2001, the sheikh character has steadily risen in popularity in romance novels, even while depictions of Arab masculinity as backward and violent in nature have dominated the cultural landscape. *An Imperialist Love Story* contributes to the broader conversation about the legacy of orientalist representations of Arabs in Western popular culture. Combining close readings of novels, discursive analysis of blogs and forums, and interviews with authors, Jarmakani explores popular investments in the war on terror by examining the collisions between fantasy and reality in desert romances. Focusing on issues of security, freedom, and liberal multiculturalism, she foregrounds the role that desire plays in contemporary formations of U.S. imperialism. Drawing on transnational feminist theory and cultural studies, *An Imperialist Love Story* offers a radical reinterpretation of the war on terror, demonstrating romance to be a powerful framework for understanding how it works, and how it perseveres.

Adventure, Mystery, and Romance John G. Cawelti 2014-02-07 In this first general theory for the analysis of popular literary formulas, John G. Cawelti reveals the artistry that underlies the best in formulaic literature. Cawelti discusses such seemingly diverse works as Mario Puzo's *The Godfather*, Dorothy Sayers's *The Nine Tailors*, and Owen Wister's *The Virginian* in the light of his hypotheses about the cultural function of formula literature. He describes the most important artistic characteristics of popular formula stories and the differences between this literature and that commonly labeled "high" or "serious" literature. He also defines the archetypal patterns of adventure, mystery, romance, melodrama, and fantasy, and offers a tentative account of their basis in human psychology.

Patrick Swayze Coloring Book Lucy Morrison 2019-06-19 Patrick Wayne Swayze was an American actor, dancer, singer, and songwriter. Gaining fame with appearances in films during the 1980s, he became popular for playing tough guys and romantic lead males, giving him a wide fan base with female audiences and a status as a teen idol and sex symbol. He was named by *People* magazine as its Sexiest Man Alive in 1991.

Ava Gardner Lee Server "Men, literally, had to prop themselves against buildings when she walked by - she was that beautiful. She was the sex symbol who dazzled all the other sex symbols. She was the temptress who drove Frank Sinatra to the brink of suicide and haunted him to the end of his life. Ernest Hemingway saved one of her kidney stones as a sacred memento, and Howard Hughes begged her to marry him but she knocked out his front teeth instead." "Her charismatic presence, jaw-dropping beauty, and fabulous, scandalous adventures fueled the legend that Ava Gardner became: one of the great icons in Hollywood history - star of *The Killers*, *The Barefoot Contessa*, and *The Night of the Iguana* - one of the few stars whose actual life was grander and more colorful than any movie." "Ava Gardner: "Love is Nothing" is the first complete biography of this extraordinary figure, the barefoot farm girl from North Carolina who became a Hollywood goddess. Prodigious research, the book is filled with fresh insight from hundreds of exclusive interviews with Ava's colleagues, close friends, and lovers. It is a vivid re-creation of a life of incredible glamour, hedonism, and self-destruction, a life painted in bold colors on a spectacular public canvas: big-studio Hollywood in the forties and fifties; MGM musicals and the birth of film noir; exotic locations from Pakistan, East Africa, and tropical Mexico to Sinatra's Las Vegas, the Rome of *La Dolce Vita*, and the Spain of fearless bullfighters and murderous dictators." "But no less a spectacle is Ava's tumultuous private life and inner torment, the price she paid for her great fame and beauty, and her lifelong, darkly romantic search for love. Lee Server's account of the Gardner-Sinatra romance and marriage is the most detailed yet of this legendary pairing and full of new and sometimes shocking information about their passionate, stormy relationship."--BOOK JACKET.

Could it be that Green Valley's most eligible—and notorious—bachelor longs for something (and someone) real? Mega movie star Raquel Ezra follows only one rule: always leave them wanting more. Studio execs, reporters, audiences, fans, lovers—no one can get enough of the smart, savvy, and sexy bombshell. But when "generous offers" begin to feel more like excessive demands, years of always leaving has the elusive starlet longing for something (and perhaps someone) lasting. When Raquel abruptly returns to the quirky Tennessee hamlet, her path crosses with the delectable deputy with whom she spent one unforgettable night. Unfortunately, scandal and intrigue soon follow. Raquel and Jackson must decide which is more important: following their rules? Or, at long last, finding something real.
