Fire in the Minds of Men - James H. Billington 1999

This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared *The New Republic* hailed it as "remarkable, learned and lively," while *The New Yorker* noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life.

The Wish - Ken Elliott 2014-07-04

A father and daughter share a simple tradition and an enduring bond that spans the decades.

Something Happened - Joseph Heller 2017-06-01

Bob Slocum was a promising executive. He had an attractive wife, three children, a nice house, and as many mistresses as he desired. His life was settled and ordered; he had conformed and society demanded he be happy - or at least pretend to be, But the pretence was becoming more and more difficult, as Slocum's discontent grew into an overwhelming sense of desolation, frustration and fear. And then something happened.

The English Slave - David Eugene Andrews 2017-04-15

In his debut historical novel, *The English Slave*, author David Eugene Andrews solves a 400-year-old mystery--the true identity of the beautiful Turkish noblewoman who received Captain John Smith as a slave. Based on Smith's personal memoirs, *The English Slave* tells how Smith--sorely wounded while fighting for the Holy Roman Empire in Eastern Europe--was sold into slavery at Axiopolis, a border town on the lower Danube. Grand Vizier Yemisci Hasan Pasha purchases the well-dressed John Smith and sends him in chains to the Pasha's fiancée in Stamboul in order to procure him for a ransom. The Grand Vizier promises his betrothed, Aisha, Sister of the Sultan, that she can keep the slave ransom all for herself. The Turkish noblewoman brings the slave to her massive palace and speaking to her captive in Italian, Aisha quickly learns Capitano John Smith is no ordinary slave.

Bi Any Other Name - Lani Ka'ahumanu 2015-09-23

"I am part of the generation that came of age when *Bi Any Other Name* was already in print. This groundbreaking anthology gave me the language, courage and sense of community I needed as a young queer woman." —Daisy Hernández, *A Cup of Water Under My Bed* The 25th Anniversary Edition *Bi Any Other Name: Bisexual People Speak Out* first debuted in 1991. This groundbreaking book helped catalyze a national movement for bisexual identity, justice and equality. Often dubbed "the bisexual bible," *Bi Any Other Name* was on *Lambda Book Review's* Top 100 GLBT Books of the 20th century and became a beloved reference text in many classrooms, doctors' offices, libraries, and pulpits. A 2007 Mandarin translation was published in Taiwan. The new 2015 introduction of this book updates readers to the enormous changes the past quarter century has brought - for bi people, the larger society and the sexual rights and liberation movement of which we are a part. When did you know? How did you come out? What was your experience? The coming out stories in this book speak to the many ways bisexuals embrace realities outside rigid either/or categories throughout the passage of our lives. Everyday stories of women, men, transgender bisexuals, teenagers to octogenarians, from many different cultures and family arrangements. The fierce truth of these lives made visible puts a check on bisexual erasure, exposing the binary constructions of gay/straight and male/female as oversimplifications that reduce spectrums to mere opposites. Caught between the mainstream culture's persistent discounting of bisexuality, the sensationalizing characterizations presented in media, and the sexual liberation movement's continual disregard of bisexuality as a serious identity, bisexual people are often not seen or heard when they speak out. There is a vital need for these earnest voices to be heard in the new century. Enormous cultural changes have occurred in the past 25 years, yes, but understanding bisexualities has just begun.

Black Skin, White Masks - Frantz Fanon 2017

Black Skin, White Masks is a classic, devastating account of the dehumanising effects of colonisation experienced by black subjects living in a white world. First published in English in 1967, this book provides an unsurpassed study of the psychology of racism using scientific analysis and poetic grace. Frantz Fanon identifies a devastating pathology at the heart of Western culture, a denial of difference, that persists to this day. A major influence on civil rights, anti-colonial, and black consciousness movements around the world, his writings speak to all who continue the struggle for political and cultural liberation. With an introduction by Paul Gilroy, author of *There Ain't No Black in the Union Jack*.

European Drawings 2 - George R. Goldner 1992-10-08

The Getty Museum's collection of drawings was begun in 1981 with the purchase of a Rembrandt nude and has since become an important repository of European works from the fifteenth through the nineteenth century. As in the first volume devoted to the collection (published in 1988 in English and Italian editions), the text is here organized first by national school, then alphabetically by artist, with individual works arranged chronologically. For each drawing, the authors provide a discussion of the work's style, dating, iconography, and relationship to other works, as well as provenance and a complete bibliography.

Clawdette the Cat - Emmett Loverde 2014-12-01

Nothing makes Clawdette the cat happier than a good yowl. When her yowling brings her fame, Clawdette finds out that fame can be temporary but belief in oneself can last forever.

Social Epidemiology - Lisa F. Berkman 2014

"Eleven fully updated chapters include entries on the links between health and discrimination, income inequality, social networks and emotion, while four all-new chapters examine the role of policies in shaping health, including how to translate evidence into action with multi-level interventions."

Serenity Volume 3: The Shepherd's Tale - Joss Whedon 2010-11-02

One of Serenity's greatest mysteries is finally revealed in *The Shepherd's Tale*, filling in the life of one of the show's most beloved characters—Shepherd Book! Who was Book before meeting Mal and the rest of the Serenity crew? How did he become one of their most trusted allies? And how did he find God in a bowl of soup? Answers to these and more questions about Book's past are uncovered in this original graphic novel by rising stars Zack Whedon (Dr. Horrible, Terminator, Fringe) and Chris Samnee (Blackest Night: Tales of the Corps, Daredevil). A pivotal chapter in the ongoing Serenity saga, *The Shepherd's Tale* is also a rollicking, action-packed epic in its own right! • "Dark Horse's Serenity displays the key ingredients of the series in a substantial and entertaining way."—BrokenFrontier.com

Sexy Serenity, A Memoir - Miranda K. Simon 2015-05-15

"No matter what anyone says, I'm not a whore." That becomes Miranda K. Simon's daily mantra as she struggles to save both her soul and her sanity dancing in some of the seediest strip clubs in Hollywood and Las Vegas. Her biggest challenge: Can she make it out of this shady underworld with her self-worth, ambitions, and priorities as a mother intact? "Sexy Serenity" is Miranda's unabashed diary of her life as a young college student who is forced by poverty to betray her long-held morals and become a dance hostess at an infamous underground club in downtown Los Angeles. With a one-year-old son, nowhere else to turn, and a hearty dose of naivete, she does what she must to make ends meet. From the beginning of her new career, Miranda constantly struggles to adapt to nightly grinding sessions with the city's creepiest men and the pressure to date clients outside of the club. When she feels her safety has been compromised, she tries to escape hostess clubs and her clients by stripping off her values and her clothes. She transforms herself into exotic dancer "Serenity," a woman who has no problem getting naked for men and refuses to cry every night about it. Between dressing up as a cop and being fingerprinted by one, Miranda's life plunges into chaos. After earning (and paying for) her college degree, she lands a new corporate job but faces brazen discrimination against single mothers. She still can't afford rent so she's compelled to work weekends at the clubs. It seems every time she attempts to quit dancing, some new expense gets in her way. But when one of her past clients shows up at her office, trying to win her back with diamond earrings and cheap promises, Miranda can no longer ignore her past nor the power it still has over her. In order to save her reputation, her son, and her future, can she say goodbye, finally, to the twisted allure of stripping?"

Painting on Light - Barbara Butts 2001-03-01

The names Albrecht Dürer and Hans Holbein the Younger evoke the dazzling accomplishments of Renaissance panel painting and printmaking, but they may not summon images of stained glass. Nevertheless, Dürer, Holbein, and their southern German and Swiss contemporaries designed some of the most splendid works in the history of the medium. This lavish volume is a comprehensive survey of the contribution to stained glass made by these extraordinarily gifted draftsmen and the equally talented glass painters who rendered their compositions in glass. Included are discussions of both monumental church windows and smaller-scale stained-glass panels made for cloisters, civic buildings, residences, and private chapels. The subjects of these rarely seen drawings and panels range from religious topics to secular themes, including love, planets, hunts, and battles. Focusing on stained glass produced in Germany and Switzerland from about 1495 to 1530, *Painting on Light* includes drawings by Dürer, Holbein, Albrecht Altdorfer, Hans Baldung Grien, Jörg Breu the Elder, Hans Burgkmair, Urs Graf, Hans von Kulmbach, Hans Leu the Younger, Niklaus Manuel Deutsch, Hans Schäufelein, Hans Weiditz, and others. This informative book is published in conjunction with an exhibition at the Getty Museum from July 11 through September 24, 2000, and from November 7, 2000, to January 4, 2001, at the Saint Louis Art Museum.

Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Composing for the Cinema - Ennio Morricone 2013-10-10

With nearly 400 scores to his credit, Ennio Morricone is one of the most prolific and influential film composers working today. In *Composing for the Cinema*, Morricone and musicologist Sergio Miceli present a series of lectures on the composition and analysis of film music. Adapted from several lectures and seminars, these lessons show how sound design can be analyzed and offer a variety of musical solutions to many different kinds of film. Drawing upon scores by himself and others, the composer also provides insight into his relationships with many of the directors with whom he has collaborated, including Sergio Leone, Giuseppe Tornatore, Franco Zeffirelli, Warren Beatty, Ridley Scott, Roland Joffé, the Taviani Brothers, and others. Delivered in a conversational mode that is both comprehensible and interesting, this groundbreaking work intertwines analysis with practical details of film music composition.
