Journal Named a "Must-Read"
by TODAY, Us Weekly, Bustle,
BuzzFeed, Goodreads,
Entertainment Weekly,
Publishers Weekly, Southern
Living, Book Riot, Woman's
Day, The Toronto Star, and
more! For two sworn enemies,
anything can happen during
the Hawaiian trip of a
lifetime—maybe even love—in
this romantic comedy from the
New York Times bestselling
authors of Roomies. Olive
Torres is used to being the
unlucky twin: from inexplicable
mishaps to a recent layoff, her
life seems to be almost
comically jinxed. By contrast,
her sister Ami is an eternal

champion...she even managed
to finance her entire wedding
by winning a slew of contests.
Unfortunately for Olive, the
only thing worse than constant
bad luck is having to spend the
wedding day with the best man
(and her nemesis), Ethan
Thomas. Olive braces herself
for wedding hell, determined to
put on a brave face, but when
the entire wedding party gets
food poisoning, the only people
who aren't affected are Olive
and Ethan. Suddenly there's a
free honeymoon up for grabs,
and Olive will be damned if
Ethan gets to enjoy paradise
solo. Agreeing to a temporary
truce, the pair head for Maui.
After all, ten days of bliss is
worth having to assume the
role of loving newlyweds,
right? But the weird thing
is...Olive doesn't mind playing
pretend. In fact, the more she

pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's "uniquely hilarious and touching voice" (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love.

You Deserve Each Other - Sarah Hogle 2020-04-07

'This book is the perfect dose of sweet, hilarious joy. It's masterful comedy plus tenderness, unique voice plus rich characters. Nicholas! Swoon! We are in love' bestselling author Christina Lauren _____ Meet Naomi and Nicholas: the Perfect Couple. Their glorious, lavish wedding is coming up in three short months . . . and they are utterly, miserably sick of each other. Unfortunately, whoever backs out first will end up bearing the brunt of the wedding bill. When Naomi finds out that Nicholas has been feigning contentment too, the two of them go head-to-head in a battle of sabotage, pranks, and all-out emotional warfare to see who can annoy

the other into surrendering first. Now that they have nothing to lose, they're finally being themselves. In fact, they're having so much fun getting on each other's nerves that it starts to feel like something else entirely... Perfect for fans of Helen Hoang's *The Love Quotient* and Sally Thorne's *The Hating Game*, *YOU DESERVE EACH OTHER* is laugh-out-loud funny, painfully relatable, and bitingly smart. _____

Praise for *You Deserve Each Other*: 'Sarah Hogle is a master of comedic dialogue and sexual tension' Kristin Rockaway 'Anyone who has ever been in a relationship will recognize a part of themselves in this book' Lyssa Kay Adams 'An honest depiction of how dishonesty in a relationship can be its undoing. *You Deserve Each Other* is a sharp and witty look at how relationships take work to succeed, and how being true to yourself and each other is at the very core of a romantic connection' Samantha Young 'You Deserve Each Other is one of my favorite books of the

year' Jennifer L. Armentrout 'Laugh-out-loud funny and a love story with incredible heart. I absolutely loved You Deserve Each Other' Katie McGarry 'A snarky heroine, wickedly funny banter and a cast of quirky characters make this a laugh-out-loud read' Maisey Yates, New York Times bestselling author of Secrets from a Happy Marriage '[A] hilarious debut romance...[that] rewards readers with laugh-out-loud moments and a satisfyingly sweet and redeeming ending'

Places We've Never Been -
Kasie West 2022-05-31

A sweet and swoony contemporary Young Adult novel about a cross-country family road trip that puts one girl and her childhood best friend on an unexpected road to romance! Norah Simons's summer road trip is going to be absolutely perfect. She's leaving California for the first time in her life. She's interviewing at her dream college (the place for future video game animators). And

she's reconnecting with her childhood friend, Skyler Hutton—the boy who taught her to draw, the boy she's never forgotten about after all these years. What could go wrong? Cue the RV filled with three siblings, two moms, one bathroom, and years of memories, and suddenly this trip isn't quite the vacation Norah was hoping for—especially when Skyler makes it clear he would rather be anywhere but here. But Norah isn't one to give up without a fight. And as the families travel from desert heat to mountain vista, sparks begin to fly between these two ex-best friends—after all, friendship doesn't just fade away. Does it? Kasie West delivers another romantic and heartfelt story of family, first love, and how expanding your horizons can take you places you've never dreamed of.

fierce. This is much-needed fantasy with its fangs honed sharp by the power of resistance. Melissa Blair has built a tremendous world."—Chloe Gong, #1 New York Times bestselling author of *These Violent Delights* My body is made of scars, some were done to me, but most I did to myself. Keera is a killer. As the King's Blade, she is the most talented spy in the kingdom. And the king's favored assassin. When a mysterious figure moves against the Crown, Keera is called upon to hunt down the so-called Shadow. She tracks her target into the magical lands of the Fae, but Faeland is not what it seems . . . and neither is the Shadow. Keera is shocked by what she learns, and can't help but wonder who her enemy truly is: the King that destroyed her people or the Shadow that threatens the peace? As she searches for answers, Keera is haunted by a promise she made long ago, one that will test her in every way. To keep her word, Keera must not only save herself, but

an entire kingdom. Fans of fast-paced high fantasy such as *A Court of Thorns and Roses* series, *The Inadequate Heir*, and *From Blood and Ash* author Jennifer L. Armentrout, will enjoy the fierce female characters, sapphic representation, and fantasy romance of *A Broken Blade*.

William - Anyta Sunday
2017-06-03

William needs to learn to think before he speaks. He accidentally outed his last boyfriend to his bigoted family. Looking to make a new start, he escapes to the most distant place he can think of: New Zealand. There he boards with a substitute mom and her too-hot-to-be-real son, Heath, but Heath and his homophobic friend Rory want William to leave before things "crash and burn," whatever that means. Unfortunately, traveling to the end of the world isn't far enough for William to lose his runaway mouth. But is it far enough to lose his loneliness? Each book in the "Enemies to Lovers" series can be read as a stand-alone and in any order.

by ancient Arabia, Hafsah
Faizal's *We Hunt the
Flame*—first in the Sands of
Arawiya duology—is a gripping
debut of discovery, conquering
fear, and taking identity into
your own hands. People lived
because she killed. People died
because he lived. Zafira is the
Hunter, disguising herself as a
man when she braves the
cursed forest of the Arz to feed
her people. Nasir is the Prince

of Death, assassinating those
foolish enough to defy his
autocratic father, the sultan. If
Zafira was exposed as a girl, all
of her achievements would be
rejected; if Nasir displayed his
compassion, his father would
punish him in the most brutal
of ways. Both Zafira and Nasir
are legends in the kingdom of
Arawiya—but neither wants to
be. War is brewing, and the Arz
sweeps closer with each
passing day, engulfing the land
in shadow. When Zafira
embarks on a quest to uncover
a lost artifact that can restore
magic to her suffering world
and stop the Arz, Nasir is sent
by the sultan on a similar
mission: retrieve the artifact
and kill the Hunter. But an
ancient evil stirs as their
journey unfolds—and the prize
they seek may pose a threat
greater than either can
imagine.

a grand husband at the Redmonds' house party before word of her downfall spreads all over England. Unfortunately, someone at Pennyroyal Green is already privy to the whispers of broken engagements and dueling lovers: Miles Redmond, renowned explorer and—thanks to his brother's disappearance—heir to the family's enormous fortune. Miles set his sights on Cynthia once, at a time when the ambitious beauty thought herself too good for a second son. But now he's heir apparent, relishing his control. He strikes a bargain with her: he'll keep Cynthia's steamy secrets and help her find a husband among the guests—in exchange for a single kiss. What could be the harm in a simple kiss? Cynthia is about to discover that it's enough to unleash fierce passion—and that Miles Redmond is most certainly like no other lover in the world.

Enemies With Benefits - Roxie Noir

I don't love him. I don't even

like him. I just want him. Eli Loveless was my nemesis from the first day of kindergarten until we graduated high school. Everything I did, he had to do better - and vice versa. The day he left town was the best day of my life. Ten years later, the day he came back was the worst. Now he's my co-worker. Grown-up Eli Loveless is sexy as sin. He's hotter than asphalt in the summer. The irritating kid I once knew is gone, and he's been replaced by a man with green eyes, perfect abs, and a cocky smile. It's bad that I want him. It's worse that he wants me back. There are looks. There are smirks. There are smiles that make my panties burst into flame. And then there's a shared kiss that leads to the hottest night of my life. This is no office romance. This is a five-alarm fire. What's a girl to do when the man I can't stand is the one I can't stop lusty after? Enter into a friends-with-benefits agreement, of course. No dates. No relationship. Just blisteringly hot sex, because if there's one person I could

never fall for, it's Eli. ...right? Enemies With Benefits is the first book in the Loveless Brothers series, and can be read as a total standalone. It's for fans of high-heat, low-angst romantic comedies and anyone who enjoys a rivals-to-lovers story. This book also has tons of sibling banter, a workplace romance that smolders, and a small town with tons of charm and quirk. It's steamy, hilarious, and of course it's got a guaranteed HEA. (And yes, it bangs.) This series is perfect for fans of Cate C. Wells, Kate Canterbury, Melanie Harlow, Elizabeth O'Roark, and Claire Kingsley.

The Hate Project - Kris Ripper 2021-04-27

"This is a delight." —Publishers Weekly This arrangement is either exactly what they need-- or a total disaster Oscar is a grouch. That's a well-established fact among his tight-knit friend group, and they love him anyway. Jack is an ass. Jack, who's always ready with a sly insult, who can't have a conversation without arguing, and who

Oscar may or may not have hooked up with on a strict no-commitment, one-time-only basis. Even if it was extremely hot. Together, they're a bickering, combative mess. When Oscar is fired (answering phones is not for the anxiety-ridden), he somehow ends up working for Jack. Maybe while cleaning out Jack's grandmother's house they can stop fighting long enough to turn a one-night stand into a frenemies-with-benefits situation. The house is an archaeological dig of love and dysfunction, and while Oscar thought he was prepared, he wasn't. It's impossible to delve so deeply into someone's past without coming to understand them at least a little, but Oscar has boundaries for a reason—even if sometimes Jack makes him want to break them all down. After all, hating Jack is less of a risk than loving him... Carina Adores is home to romantic love stories where LGBTQ+ characters find their happily-ever-afters. Hailing the Storm of Revenge: An Enemies to Lovers Werewolf Mate Romance (The Hated Luna Book 2 The End) - Alexis Dee 2023-03-01

Life had always been taxing for Helena Ernouf, a girl born in the Lone Night Stalkers Pack, the daughter of the Alpha himself. But was abhorred by her family since she was an infant. She got mocked upon by her own siblings for not being able to transform. Life took a turn when the son of the omega asked her to elope with him, to flee from the brutality of her own pack. Desperate for love, Helena slopped off with him, but only to be sold to a powerful, mysterious werewolf, who rap** her the entire night, then left her in the lurch. After

being chastised for losing her virginity before marriage, she was traded to the alpha of the Ravenous Hunters Pack in marriage. Helena was swiftly enamored by the charming man she had tied a knot with. Lovesick by her Alpha's striking appearance, she craved to be accepted by him, but little did she know, not only was Achilles a sadist but also related to her rapist. Will Helena be able to make her husband fall in love with her or will her rapist keep harassing her under Achilles' nose?

Battle Royal - Lucy Parker
2021-08-17

"Lucy Parker writes deliciously fun enemies-to-lovers perfection!" — Tessa Bailey, New York Times bestselling author
Beloved author Lucy Parker pens a delicious new romantic comedy that is a battle of whisks and wits. Ready... Four years ago, Sylvie Fairchild charmed the world as a contestant on the hit baking show, Operation Cake. Her ingenious, creations captivated viewers and intrigued all but one of the judges, Dominic De

Vere. When Sylvie's unicorn cake went spectacularly sideways, Dominic was quick to vote her off the show. Since then, Sylvie has used her fame to fulfill her dream of opening a bakery. The toast of Instagram, Sugar Fair has captured the attention of the Operation Cake producers...and a princess. Set... Dominic is His Majesty the King's favorite baker and a veritable British institution. He's brilliant, talented, hard-working. And an icy, starchy grouch. Learning that Sylvie will be joining him on the Operation Cake judging panel is enough to make the famously dour baker even more grim. Her fantastical baking is only slightly more troublesome than the fact that he can't stop thinking about her pink-streaked hair and irrepressible dimple. Match... When Dominic and Sylvie learn they will be fighting for the once in a lifetime opportunity to bake a cake for the upcoming wedding of Princess Rose, the flour begins to fly as they fight to come out on top. The bride

adores Sylvie's quirky style. The palace wants Dominic's classic perfection. In this royal battle, can there be room for two?

Crisanta Knight: The Severance Game - Geanna Culbertson 2016-12-06

I'm the girl who wants to be strong in a world where everyone thinks I'm weak. A lot of questions ran through my head as I desperately clung to the roof of a magic train crossing over a gaping canyon. Like: How did I get here? What could I have done to avoid this fate? And, did I remember to shave my underarms before coming on this quest? But even after taking on a witch in a gingerbread house, bloodthirsty actors, and a whole mess of magic hunters

and other fairytale shenanigans, the biggest, most pressing question pulsing through my brain as my fingers started to slip and my enemy bore down on me was this: Could I really trust the person whose life I'd ruined to keep me from falling? With antagonists closing in, inner demons threatening to consume me, and vivid nightmares chewing up my soul every time I shut my eyes, I was running out of options. I knew the moment to decide whether or not I could truly trust any of my friends was fast approaching. But my head and heart were stuck. For just like the precarious position I now found myself in, the pain of holding onto the path I'd chosen thus far was outmatched only by the worry I had over (gulp) letting it go... Readers love Crisanta Knight! "I love this story; it brings out the inner princess in me. The main character reminds me of Merida from Brave due to her personality (I also have my fingers crossed that at some point she makes a guest

appearance.” - One More Chapter Blog “The worldbuilding continues to be amazing.” - Pages Full of Stars “If you like reading books full of action, magic and a strong heroine, this is the one for you.” - Crazy Cat Books “Trust, self-discovery and friendship were definitely the defining factors of this novel, with a great emphasis on trust.” - The Unicorn Reader, YouTube The Crisanta Knight series Book 1 - Protagonist Bound; Book 2 - The Severance Game; Book 3 - Inherent Fate; Book 4 - The Liar, The Witch, & The Wormhole; Book 5 (to be released in April of 2019) - To Death & Back.

When You Get The Chance -

Emma Lord 2022-07-21

When You Get The Chance is a heartwarming read from Emma Lord, the New York Times bestselling author of the Reese Witherspoon YA Book Club pick *You Have a Match*. Nothing will get in the way of Millie Price's dream of becoming a Broadway star. Not her lovable but super introverted dad, who raised Millie alone since she

was a baby or her drama club rival, Oliver, who is the very definition of Simmering Romantic Tension. Millie needs an ally. And when an accidentally left-open browser brings Millie to her dad's embarrassingly moody LiveJournal from 2003, Millie knows just what to do — find her mum. But how can you find a new part of your life and expect it to fit into your old one without leaving any marks? And why is it that when you go looking for the past, it somehow keeps bringing you back to what you've had all along? Praise for Emma Lord: "Brimming with energy, rapid-fire banter, and affectionate theater references, this memorable *Mamma Mia!* retelling . . . thoughtfully pays homage while skillfully modernizing it for today's readers." - Publishers Weekly "Chock-full of musical theater references and humor, the novel includes high-stakes emotional drama that is balanced by supportive friendships and strong, deep family connections . . . Never Fall for Your Enemy (especially Not at Christmas) - Kate O'Keeffe

2021-10-12

Three things I know for sure:

1) I hate Charlie Cavendish. 2)

I hate Charlie Cavendish. 3)

Oh, and did I mention I hate Charlie Cavendish? Rich. Over-privileged. Smug. The guy's far too good looking for his own good, and he's always got that smirk teasing at the edges of his mouth, telling me what he thinks of me. And now, my worst nightmare has come true. Charles Cavendish has moved into my building which means I can't avoid seeing him everywhere I go. He's always there, judging me, especially when I come in late at night.

Hey, I can't help it if my "single American girl in London" writing gig means I've got to check out every new club in town. Charles is so tightly wound he goes to work before the birds have chirped their first good morning. He needs to loosen up. Live a little.

Actually, I don't care what he does, just as long as he does it nowhere near me. Because I hate him with the heat of a thousand suns. And I always will. Only now I'm stuck in an elevator with him. On Christmas Eve. Alone. What's the worst that could happen? *Never Fall for Your Enemy (especially not at Christmas)* is a clean, laugh-out-loud romantic comedy with a smart and sassy American heroine and a swoon-worthy British hero. This is Kennedy Bennet's story, who has appeared in all the *Love Manor Romantic Comedy* series books. It's the second book in the *It's Complicated* series and can easily be read as a standalone novel.

Last Chance Books - Kelsey Rodkey 2021-05-18

You've Got Mail meets Morgan Matson in this smart, banter-filled romcom with a bookish twist. Nothing will stop Madeline Moore from taking over her family's independent bookstore after college. Nothing, that is—until a chain bookstore called Prologue

opens across the street and threatens to shut them down. Madeline sets out to demolish the competition, but the guy who works over at Prologue seems intent on ruining her life. Not only is he taking her customers, he has the unbelievable audacity to be... extremely cute. But that doesn't matter. Jasper is the enemy and he will be destroyed. After all—all's fair in love and (book) war.

The Things We Leave Unfinished - Rebecca Yarros
2021-02-23

Told in alternating timelines, **THE THINGS WE LEAVE UNFINISHED** examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming.

Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling

author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one.

Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

Ready Player One - Ernest Cline 2011-08-18

THE BOOK BEHIND THE MAJOR MOTION PICTURE DIRECTED BY STEVEN SPIELBERG 'Wildly original and stuffed with irresistible nostalgia, Ready Player One is a spectacularly genre-busting, ambitious, and charming debut' Independent 'Part intergalactic scavenger hunt, part romance, and all heart' CNN 'Ernest Cline's novel deserves to be a modern classic' SciFiNow 'Gorgeously geeky, superbly entertaining, this really is a spectacularly successful debut' Daily Mail _____ A world at stake. A quest for the ultimate prize. Are you ready? It's the year 2044, and the real world has become an ugly place. We're out of oil. We've wrecked the climate. Famine,

poverty, and disease are widespread. Like most of humanity, Wade Watts escapes this depressing reality by spending his waking hours jacked into the OASIS, a sprawling virtual utopia where you can be anything you want to be, where you can live and play and fall in love on any of ten thousand planets. And like most of humanity, Wade is obsessed by the ultimate lottery ticket that lies concealed within this alternate reality: OASIS founder James Halliday, who dies with no heir, has promised that control of the OASIS - and his massive fortune - will go to the person who can solve the riddles he has left scattered throughout his creation. For years, millions have struggled fruitlessly to attain this prize, knowing only that the riddles are based in the culture of the late twentieth century. And then Wade stumbles onto the key to the first puzzle. Suddenly, he finds himself pitted against thousands of competitors in a desperate race to claim the ultimate prize, a chase that

soon takes on terrifying real-world dimensions - and that will leave both Wade and his world profoundly changed.

_____ Readers can't get enough of Ready Player One . . . ***** 'THAT WAS SO TOTALLY AWESOME, WOW!' ***** 'This is an exciting story, especially for geeks, and the key word is FUN.' ***** 'Ladies and gentlemen, from this day

this book is my life and I will obsess over it constantly.' ***** 'I just kinda wanna cry right now. I'll have a proper review at some point, but I gotta let myself recover.' ***** 'I had the feeling while reading this book that it was written expressly for me. This is my childhood captured.'
