

The Polyamorists Next Door Inside Multiple Partner Relationships And Families

The Polyamorists Next Door - Elisabeth Sheff 2015

This book introduces polyamorous families and explains how they come to be, manage the ins and outs of daily family life, and cope with the challenges they face both within their families and from society at large. Sheff investigates the polyamorous household and reveals its a...

Polyamory in the 21st Century - Deborah Anapol 2010-08-16

Unlike other books on this topic, Polyamory in the 21st Century weaves together research and facts to provide an informed and impartial analysis of polyamory as a lifestyle and as a movement, and to place it in a psychosocial as well as an historical context. Anecdotes and personal experiences allow the reader to develop a better understanding of polyamory and the people who practice and enjoy it. Anapol addresses the practical, the utopian, and the shadow sides of this intriguing, mysterious, yet often threatening lifestyle. It honestly addresses difficult issues such as the nature of commitment without exclusivity, balancing personal needs with loyalty to a partner, evaluating beliefs about love and relationship, the impact of polyamory on children, and the challenges that arise when one partner wants monogamy and another prefers polyamory. Without judgement, she explores this increasingly common practice, and reveals the true nature of a lifestyle that many do not understand.

Polyamory and Pregnancy - Jessica Burde 2013-03-06

The first complete guide to pregnancy in polyamorous relationships, Polyamory and Pregnancy covers every step of welcoming a new life into your polycule. Whether you are planning ahead for future children or are on your way to the baby shower, you will find something here to help on your journey: Unexpected pregnancies Planning for pregnancy Important decisions

during and after pregnancy Poly-friendly prenatal care Birth certificates and paternity Custody and co-parenting And more...

Philosophical Foundations of Children's and Family Law - Elizabeth Brake 2018

This collection is the first of its kind to examine the ethical foundations of family law. Topics include the value of marriage, the scope of parental control rights, the protection of children's interests, and the role of religious freedom in the legal attitude to family relationships.

Stories from the Polycule - Elisabeth Sheff 2015
Welcome to the polycule: the network created by the interconnections of polyamorous relationships. Just like the molecules that make up all living things, polycules come in diverse forms: large, small, tightly bound, loosely connected, static, ever-changing. How do polycules form, what do they look like, how do they transform through time, and how do they, sometimes, end?

Handbook of the Sociology of Sexualities - John DeLamater 2015-06-19

This volume provides researchers and scholars with a broad overview of the contributions of social psychologists and sociologists to the study of sexual relationships and sexual expression across the life course. These contributions include analyses of the dynamics of several types of contemporary sexual relationships - e.g., short-term, long-term non-exclusive, and committed. Chapters analyze the influence of major social institutions - e.g., religion, family and economy - on them. The content and scope of this volume have been carefully chosen to balance coverage of traditional emphases - dating, marriage, commercial sex work, sex education - with new and cutting edge materials - embodiment, Trans*, asexualities. Sections review major theoretical perspectives and the principal research methods. Coverage of sexual orientation is integrated throughout. This

volume provides excellent resources for anyone interested in research on sexualities.

When Someone You Love Is Polyamorous - Elisabeth Sheff 2016

Having a friend or family member come out to you as polyamorous can be confusing and stressful. Chances are, you have a lot of questions: Is this just a phase? Won't they settle down someday? What's going to happen to their kids? Do I have to invite all their partners over for Thanksgiving dinner? Why can't they just keep it in the bedroom? *When Someone You Love Is Polyamorous* offers answers to these and more questions, to help you better understand and support your polyamorous loved ones.

Fifty Years of Polyamory in America - Glen W. Olson 2022-11-11

Fifty Years of Polyamory in America is a history of multiply committed relationships, group marriage, and group living in America over the last fifty years. It is based on the personal experiences of the authors, on extensive research of the movement, and on interviews with leaders in this movement.

Beyond Monogamy - Mimi Schippers 2016-08-16

Through an investigation of sexual interactions and relationship forms that include more than two people, from polyamory, to threesomes, to the complexity of the "down-low" Schippers explores the queer, feminist, and anti-racist potential of multipartnered sex and relationships *Family Law* - Jonathan Herring 2019

This best-selling textbook is loved by students and lecturers alike. Offering exceptional coverage of all key family law principles, this book also explores the theories, debates and ethical dilemmas which underpin the subject ensuring you have the knowledge required to critique the existing law and evaluate reform options.

The Polyamorous Home - Jess Mahler 2017-02-07

Polyamorous relationships challenge the way mainstream society expects people to live. Mainstream assumptions about who sleeps where, how a family manages their money, and even who lives together, fail before the sheer variety of ways polyam folks build our relationships. *The Polyamorous Home* is practical a guide for polyam folk on creating homes and

living situations that suit our lives and our relationships. Whether you live alone or with a dozen of your partners, friends, and family, you can create a home life that works for you. Alternative living arrangements Budgeting for dates Moving in together Sleeping arrangements Holidays Prioritizing the individual or the community And more...

Legalizing Plural Marriage - Mark Goldfeder 2017-05-09

Polygamous marriages are currently recognized in nearly fifty countries worldwide. Although polygamy is technically illegal in the United States, it is practiced by members of some religious communities and a growing number of other "poly" groups. In the radically changing and increasingly multicultural world in which we live, the time has come to define polygamous marriage and address its legal feasibilities. Although Mark Goldfeder does not argue the right or wrong of plural marriage, he maintains that polygamy is the next step - after same-sex marriage - in the development of U.S. family law. Providing a road map to show how such legalization could be handled, he explores the legislative and administrative arguments which demonstrate that plural marriage is not as farfetched - or as far off - as we might think. Goldfeder argues not only that polygamy is in keeping with the legislative values and freedoms of the United States, but also that it would not be difficult to manage or administrate within our current legal system. His legal analysis is enriched throughout with examples of plural marriage in diverse cultural and historical contexts. Tackling the issue of polygamy in the United States from a legal perspective, this book will engage anyone interested in constitutional law, family law, or criminal law, along with sociologists and those who study gender and culture in modern times.

Expanding the Rainbow - Brandy L. Simula 2020-03-09

Expanding the Rainbow brings together cutting-edge empirical research with compelling personal narratives about the experiences and relationships of individuals of diverse gender and sexual identities, focusing on the experiences of bi+, poly, kinky, ace, intersex, and trans people.

Love's Refraction - Jillian Deri 2015-01-01

In Love's Refraction, Jillian Deri explores the distinctive question of how and why polyamorists – people who practice consensual non-monogamy – manage jealousy. Her focus is on the polyamorist concept of “compersion” – taking pleasure in a lover's other romantic and sexual encounters.

Beyond Same-Sex Marriage - Ronald C. Den Otter 2016-09-06

This edited volume contributes to the growing literature on post-marriage-equality marriage. It is the first interdisciplinary approach to understanding the various historical, empirical, normative, and legal dimensions of marriage as Americans begin to imagine what marriage could be like in the future.

His Heart Holds Many - Koe Creation 2019-03

The Handbook of Consensual Non-Monogamy - Michelle D. Vaughan 2022-07-11

This handbook is a comprehensive guide to understanding the lives/relationships of CNM individuals for mental health professionals and trainees. This text provides critical foundational knowledge and concrete recommendations for serving this diverse and unique population.

Getting Married - Carrie Yodanis 2016-09-01

In *Getting Married*, Carrie Yodanis and Sean Lauer examine the social rules and expectations that shape our most personal relationships. How do couples get together? How do people act when they're married? What happens when they're not? Public factors influence our private relationships. From getting engaged to breaking up, social rules and expectations shape and constrain whom we select as a spouse, when and why we decide to get married, and how we arrange our relationships day to day. While this book is about marriage, it is also about sociology. Yodanis and Lauer use the case of marriage to explore a sociological perspective. *Getting Married* will bring together students' academic and social worlds by applying sociology to the things they are thinking about

and experiencing outside of the classroom. This book is a useful tool for many sociology courses, including those on family, gender, and introduction to sociology.

Why It's OK to Not Be Monogamous - Justin L. Clardy 2023-03-28

The downsides of monogamy are felt by most people engaged in long-term relationships, including restrictions on self-discovery, limits on friendship, sexual boredom, and a circumscribed understanding of intimacy. Yet, a "happily ever after" monogamy is assumed to be the ideal form of romantic love in many modern societies: a relationship that is morally ideal and will bring the most happiness to its two partners. In *Why It's OK to Not Be Monogamous*, Justin L. Clardy deeply questions these assumptions. He rejects the claim that non-monogamy among honest, informed and consenting adults is morally impermissible. He shows instead how polyamorous relationships can actually be exemplars of moral virtue. The book discusses how social and political forces sustain and reward monogamous relationships. The book defines non-monogamy as a privative concept; a negation of monogamy. Looking at its prevalence in the United States, the book explains how common criticisms of non-monogamy come up short. Clardy argues, as some researchers have recently shown—monogamy relies on continually demonizing non-monogamy to sustain its moral status. Finally, the book concludes with a focus on equality, asking what justice for polyamorous individuals might look like.

Cohabitation and the Evolving Nature of Intimate and Family Relationships - Sampson Lee Blair 2023-12-08

Given the tremendous diversity in cohabiting couples, as well as the increasing prominence of this form of intimate relationships, this volume provides a more thorough comprehension of the structures, effects, and intimate practice of cohabitation around the world.
