Coward Plays: 4 Noël Coward 2013-11-12 Volume Four of Noël Coward's plays contains a selection of Coward's plays from the thirties and forties which includes *Blithe Spirit*, a comedy that centres around the spirit medium Madame Arcati. The play that mocks sudden death was produced at precisely the moment when bombs were bringing it to Britain "I shall ever be grateful, for the almost psychic gift that enabled me to write *Blithe Spirit* in five days during one of the darkest years of the war." The play was for years the longest-running comedy in the history of British theatre. *Present Laughter* follows the life of Garry Essendine, a world-weary, middle-aged projection of the dilettante, debonair persona - self-obsessed and dressing-gowned who struts through the play like an educated peacock. It is a comedy about the 'theatricals' that Noël best knew and loved, and was originally a star vehicle for himself. It is the closest to an autobiographical play that Coward ever wrote. *This Happy Breed* is a saga of a lower middle-class family; and three shorter pieces from *Tonight at 8.30* - is a farce set in the South of France, and serves as an oblique tribute to Frederick Lonsdale; *The Astonished Heart* is about the decay of a psychiatrist's mind through personal sexual obsession. *Red Peppers*, which closes the volume, was a cynical tribute to the lost music halls of the First World War.

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

The Love That Split the World Emily Henry 2016-01-26 "A truly profound debut."—Buzzfeed "A time-bending suspense that's contemplative and fresh, evocative and gripping."—USA Today "Henry's story captivates, both as a romance and as an imaginative rethinking of time and space."—Publishers Weekly "This time-traveling, magical, and beautifully written love story definitely deserves a spot on your bookshelf."—Bustle Emily Henry's stunning debut novel is Friday Night Lights meets The Time Traveler's Wife and perfectly captures those bittersweet months after high school, when we dream not only of the future, but of all the roads and paths we've left untaken. Natalie's last summer in her small Kentucky hometown is off to a magical start . . . until she starts seeing the "wrong things." They're just momentary glimpses at first—her front door is red instead of its usual green, there's a preschool where the garden store should be. But then her whole town disappears for hours, fading away into rolling hills and grazing buffalo, and Nat knows something isn't right. Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have three months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau.
