*Faith Love and Sex* - Somtochukwu Ume 2012-10

This book is about the three common words we normally say, their meaning and their impacts in our daily lives. Many Christians use the word faith often but only few truly have it. This book will teach you more about faith, the application, importance and how we can apply it in our daily lives. As human beings we need faith to help us stay strong in stormy times. Another important topic discussed in this book is "love". In our world today, love is the most common word used. We use it mostly on daily basis; we understand and define it in so many ways but only few know the true meaning of it. I have seen many occasions where a guy will meet a girl for the first time and start prophesying how much love he has for the girl. Some people believe in love at first sight, I'm not against

it, I know something will get you attracted from somebody before you can make a move, but that attraction doesn't mean you love the person, is only being close with someone that you will get to develop real love. Real love develops is not based on physical attraction. Another important word discussed is sex. Nobody in this life can tell me he/she has never heard of sex. Sex is everywhere. This book will teach you some things you have to know about sex; it is not something you haven't heard of, but teachings in biblical way.

**Why Wait?** - Letha Scanzoni 1975

*Sexual Battles* - 2013-02-13

Have you ever wondered if there's a secret to living a life of freedom and holiness? Have you feared that maybe you're missing something somewhere? Or perhaps you've wondered whether it really is even possible to live a life free of immorality and sexual sin? Statistics today say that sexual problems ? such as porn addiction, sex before marriage, and adultery ? are more prevalent than they have ever been before. They affect those of faith just as often as those who do not profess any form of religion. Sexual addictions have become a master weapon via which the devil keeps millions of people from fulfilling their God-ordained calling and destiny. The devastating effects of sexual addictions and problems are obvious throughout the world. The family unit is adversely affected, divorce is on the rise, and countless relationships are affected negatively or ruined altogether due to these widespread issues. Is there a key to freedom? In "Sexual Battles: Experiencing Lasting Victory over Sexual Sin", author Seun Israel reveals his own past with these debilitating issues, and the journey he took to lasting victory. With scripture-based principles, the author focuses on providing a practical solution to sexual addictions, and a transition to a life of purity before God. His journey will inspire and motivate readers that anyone can gain true and lasting victory.

*When God Writes Your Love Story* - Eric Ludy 2004

Challenges Christian singles to take a fresh approach to relationships by recognizing that true love brings more satisfaction than sex.

**Sex before Marriage. What's the harm?** - Daniele Luciano Moskal  
2014-12-13

God is a holy God who feels very strongly about SEX before marriage and has listed it in the Holy Bible as one of His most serious offenses we can commit. He has made a strong moral statement on how He feels about unmarried people and sex relations which is found in the Book of 1 Corinthians, chapter 6, verses 9-10. "Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God." Many people know that in marriage adultery is wrong, but don't realize that God considers pre-marital sex (fornication) just as serious. God definitely says "NO" to any sex before marriage. In this book the author tackles this everyday question using the very Word of God to teach the reader in an easy-to-comprehend style the reasons why, 'Sex before Marriage is very harmful!!'

**What Does the Bible Really Teach about Homosexuality? (eBook)** - Kevin DeYoung 2015-11-09

In WHAT DOES THE BIBLE REALLY TEACH ABOUT HOMOSEXUALITY?, award-winning author Kevin DeYoung challenges each of us - the skeptic and the seeker, the certain and the confused - to take a humble look at God's Word regarding the issue of homosexuality. After examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, this timely book responds to popular objections raised by Christians and non-Christians alike, making this an indispensable resource for thinking through one of the most pressing issues of our day.

After all, we're constantly bombarded with Hollywood's idea of romance--that sex is no big deal, that everyone is doing it, that it's the only path to a happy ending. Maybe you've even begun to wonder, What am I missing? Is the wait really worth it? Marian

Jordan Ellis has been there. She knows the pitfalls of giving in to temptation--but also the blessings of God's best found in waiting after she committed herself to Christ and to sexual purity. Now, from one Christian woman to another, she hopes to spare you from the heartache of sexual sin and instead point you toward God's best. Marian offers lots of practical advice, backed by biblical truth, to equip you with the tools to overcome past mistakes and future temptations. You are cherished. Whether you are happily single, casually dating, or have found "the one," your purity is worth fighting for.

**Sex, God, and the Conservative Church** - Tina Schermer Sellers  
2017-04-21

*Sex, God, and the Conservative Church* guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual touch and non-touch exercises to bring healing and intimacy into a person's life.

**Superheroes Can't Save You** - Todd Miles 2018-04-01

Comic superheroes embody the hopes of a world that is desperate for a savior. But those comic creations cannot save us from our greatest foes—sin and death. Throughout the history of the Church there have been bad ideas, misconceptions, and heretical presentations of Jesus. Each one of these heresies fails to present Jesus as the Bible reveals him. In *Superheroes Can't Save You*, Todd Miles demonstrates how these ancient heresies are embodied in contemporary comic superheroes. Miles compares something everybody already knows (who the superheroes are) with what they need to know (who Jesus is), in a book that makes vitally important Christian truths understandable and applicable to a wide audience.

*Lost Books of the Bible and The Forgotten Books of Eden* - Rutherford Hayes Platt 2020-02-12

2020 Reprint of 1926 Editions. Full facsimile of the original editions and not reproduced with Optical Recognition software. This edition includes two titles published into one bound volume. Rutherford Hayes Platt, in the preface to his 1963 reprint of this work, states: "First issued in 1926, this is the most popular collection of apocryphal and pseudepigraphal literature ever published." The translations were first published, under this title, by an unknown editor in *The Lost Books of the Bible* Cleveland 1926, but the translations had previously been published many times. The book is, essentially, a combined reprint of earlier works. The first half, *Lost Books of the Bible*, covers the New Testament. The second half of the book, *The Forgotten Books of Eden*, includes a translation originally published in 1882 of the "First and Second Books of Adam and Eve", translated first from ancient Ethiopic to German and then into English by Solomon Caesar Malan, and a number of items of Old

Testament pseudepigrapha, such as reprinted in the second volume of R.H. Charles's *Apocrypha and Pseudepigrapha of the Old Testament* (Oxford, 1913).

**Shameless** - Nadia Bolz-Weber 2019-01-30

Christians are obsessed with sex. But not in a good way. For nearly two thousand years, this obsession has often turned destructive, inflicting pain, suffering, and guilt on countless people of all persuasions and backgrounds. In *Shameless*, Bolz-Weber calls for a reformation. To make her case, she offers experiences from her own life and stories from her parishioners alongside biblical theology to explore what the church has taught, and the harm those teachings have caused.

*Premarital Sex in America* - Mark Regnerus 2011-01-10

The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? *Premarital Sex in America* combines illuminating personal stories and comprehensive research surveys to provide the fullest portrait of heterosexuality among young adults ever produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How have online dating and social networking sites affected the relationships of emerging adults? Why are young people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults,

Regnerus and Uecker pay special attention to two important concepts: sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes; and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, Premarital Sex in America will serve as a touchstone for years to come.

**Sex Is NOT a Sin** - 2016-06-10

SOMEBODY'S Not Telling You the Truth! Whether you are a Christian or not... religious or not, you're going to be intrigued by this discovery. Does God really consider premarital sex a sin? How about prostitution? Most... No, all "Christians" believe that sex before marriage is a sin and that all prostitution is an abomination in the sight of God. But is that what God really says in scripture? Truth is... the truth has been cloaked by false religious doctrines based on critical flaws in the translations of certain words, perhaps intentionally, changing the meaning of specific pieces of scripture within the historical context it was written. What this creates is a gross misunderstanding of what the original intent of the writers was with regards to this topic. It's as if the religious elites have launched a campaign of disinformation designed to pull the wool over your eyes... But why? The outcome is condemnation and guilt for anyone who engages in premarital sex... or even thinks about it. But none of that is Biblically correct! This book proves it. Written by a Christian of more than 35 years who was challenged to expose the truth based on a failed relationship with his fiancée, in which some Christian associates openly passed judgement that his relationship wasn't blessed due to premarital sex. Having discovered the truth long ago but never really studying it, he was forced to defend himself against a barrage of accusations based on scripture thrown at him by those indoctrinated in the religion of sexual immorality: Scripture he knew was out of context with the wrong translations. Unfortunately, he lost that battle because he couldn't "show himself approved." This led to a 4-month long journey into rediscovering

the truth and exposing the lies perpetrated on him and the rest of the world. Based on facts that have been hidden from the public for centuries, he reveals what God's real intentions are regarding sex, sex before marriage and prostitution. What you will discover flies in the face of main street religious doctrine that premarital sex is a sin, all prostitution is a sin and that anyone "lusting" after another to desire that person is adultery. Whether you are a Christian or not, you will feel liberated from this distorted and false doctrine of sexual immorality and uncover what God truly has to say about those things which are really sexually immoral and why. This book is for anyone who is justly interested in the truth on this taboo. It will empower you and inspire you. This book is not a condemnation of Christianity and instead shows that it is "religion," not Christianity that is the issue. This book doesn't promote prostitution nor encourage sex before marriage, especially for young adults. It's an exploration of the truth that has been hidden for too long.

Sex Before Marriage - Ashlyn R Watkins 2019-07-21  
If you are feeling chained to or curious about sex, but also trying to live your life for God, this book is for you. It sounds crazy to form a sentence that way, but that is who I was. I was a young girl who loved God and deeply wanted to live a good Christian life but became caught up in wanting to feel wanted. I found myself falling into bed with terrible decisions and the worst thing is I had no one to talk to about it. I had a loving church community, but unfortunately, no one talked openly about the secret struggles of sex. Religion somehow kept us together on the outside but trapped to secrecy on the inside. If only someone felt free enough to listen to me and brave enough to help me understand that my sexual curiosities were normal, then maybe I would have kept my virginity. If only someone would have taken the time to be real with me and share their mistakes about sex, then maybe I would have stopped after the first guy. If only someone was willing to step away from performing church and actually be the church, then maybe I would not have ended up with so many regrets. However, since I did not get that then, I will be that for someone else now. I will not live in those regrets; instead, I will allow my pain to become a lesson for you. I will give you

the truth about sex before marriage in the honesty I wish was given to me. Although you will read scriptures, I guarantee you this will not be your average Bible group purity class. You will read details of my experiences in a way that is not taught in church but needed to help you overcome temptation. If you are comfortable enough to embrace that, then this book will bring you the understanding you need to keep yourself from having sex before marriage.

Unprotected Texts - Jennifer Wright Knust 2011-01-25

“An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar.” —Bart Ehrman, author of *Misquoting Jesus* Boston University’s cutting-edge religion scholar Jennifer Wright Knust reveals the Bible’s contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Ehrman’s *Jesus Interrupted* and John Shelby Spong’s *Sins of Scripture*, Knust’s *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don’ts—so often dictated by religious demagogues. Knust’s powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

*Good Christian Sex* - Bromleigh McCleneghan 2016-07-05

Moving beyond the deep-seated cultural feelings of shame that have long fueled the conflict between Christianity and sex—and the belief that

there is only one right and valid way to practice one’s sexuality—this renowned University of Chicago pastor uses enlightening personal stories and examples from theology to show how sex is powerful and holy. For years, Christians have been told to adhere to one singular path when it comes to sex: abstinence and purity. Yet this limited focus ignores the reality that people’s sexual and romantic lives differ widely, even among those who consider themselves devout believers. Church leaders have often refused to address the topic—or have preached in ways that are harmful to the emotional and spiritual growth of the faithful in the pews. Pastor McCleneghan is determined to reshape the issue—and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful. Written in her measured, non-judgmental voice, *Good Christian Sex* combines humorous personal anecdotes with theological research to transform how Christians think and talk about this basic human need, offering a new understanding that reconciles human love and religious faith. Breaking with outdated conventions, McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire, pleasure, nudity, fidelity, premarital sex, and the variety of sexual practices, and encourages Christians to talk about their bodies, their sensuality, and their longings in a frank, positive, and realistic way. Warm, insightful, and honest, *Good Christian Sex* is a message of hope, that at last lifts the veil of shame felt by many religious people.
