Who Do You Love Jennifer Weiner 2015-08-11 From the "hilarious, heartbreaking, and insightful" (The Miami Herald) bestselling author Jennifer Weiner comes a sweeping, modern day fairy tale about first romance and lasting love. Rachel Blum and Andy Landis are eight years old when they meet late one night in an ER waiting room. Born with a congenital heart defect, Rachel is a veteran of hospitals, and she's intrigued by the boy who shows up all alone with a broken arm. He tells her his name. She tells him a story. After Andy's taken back to the emergency room and Rachel's sent back to her bed, they think they'll never see

each other again. Rachel, the beloved, popular, and protected daughter of two doting parents, grows up wanting for nothing in a fancy Florida suburb. Andy grows up poor in Philadelphia with a single mom and a rare talent that will let him become one of the best runners of his generation. Over the course of three decades, through high school and college, marriages and divorces, from the pinnacles of victory and the heartbreak of defeat, Andy and Rachel will find each other again and again, until they are finally given a chance to decide whether love can surmount difference and distance and if they've been running toward each other all along. BLACK POETRY AND BLACK FOLK NARRATIVES DR. JAMES OLIVER RICHARDSON 2013-11 Perhaps the greatest human understanding lies within the hearts and souls of Black people. The old Negro folk songs entered the African American church and became prayer songs and sorrow songs that still trouble our souls. These songs were spirituals groans and mournful meanings that are ever present in the old Negro spirituals; they were narratives and expressions of hope and of tragedy. The songs we hear were a prophecy of pride and self-respect. Through all of the unhappiness of the sorrow songs, there breathes a hope and a faith in the final justice of things. The minor cadences of despair change often to victory and calm confidence. Sometimes it is faith in life, sometimes a faith in death, and sometimes reassurance of boundless justice in some unknown world beyond. But whichever it is, the meaning is always clear: that sometime, somewhere, all men will be judge by their souls and not by the color of their skins. Perhaps, in America, many Black men cannot endure their life-world of Blackness. Nevertheless, there will come a time when individuals will be required to accept full accountability for their cruelty, hypocrisy, exploitation, and for empowering a reality of Whiteness. It will be a time when secrets of the hearts will be known.

Who Do I Think I Am? Anjelah Johnson-Reyes 2022-03-15 This hilarious and thoughtful memoir from comedy legend Anjelah Johnson-Reyes explores questions of identity, belonging, and her two dreams as a kid: to be an actress and to be a chola. You may know Anjelah Johnson-Reyes for her viral sketch "Nail Salon" (over 100 million views globally) or her beloved MadTV character Bon Qui Qui, but it's her clean humor and hilarious storytelling that make her one of the most successful stand-up comedians and actresses today. With her razor-sharp wit, Anjelah recounts funny stories from her journey—from growing up caught between two worlds (do chips and salsa go with potato salad?) to unexpectedly embracing faith ("I love Jesus, but I will punch a 'ho") to her many adventures in dating (she may or may not have accepted dates simply for the food). Through it all, Anjelah transforms from a suburban-adjacent kid with Aquanet-drenched hair into a devoted Christian who abstains from drinking and premarital sex, into a mall-famous Oakland Raiders cheerleader, and then an actually famous comedian traveling the world and meeting people from all-walks of life, including Oprah. No biggie. (Huge biggie.) As she travels the world, Anjelah has eye-opening experiences, and she morphs from square, rigid Anjelah into "Funjelah," and learns that she can still ride with Jesus without squashing the other parts of her personality. Anjelah's stories explore subjects such as navigating your racial identity, finding your place in the world, chasing your crazy dreams, embracing the messiness of an evolving faith, and searching for belonging and meaning. Through her journey, Anjelah gets closer to discovering her true identity and encourages readers to have the audacity to dream big.

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can

Who Do You Love? Clint M Byars 2021-09-03 "God, what do you want me to do? What is my purpose in life?" Have you ever said something like this? Most of us feel like if God would just tell us what He wants us to do, then we'd know our purpose and could fulfill our calling. The problem with that way of thinking is it puts all the emphasis on performance. Yes, God has things He wants you to do, but that is not your purpose. Your purpose, or the reason you exist, is determined by something entirely different than your assignments in the Body of Christ. Your purpose is inherent to your identity as a child of God. Your calling is a journey you embark on with God to rescue people from darkness and bring them into the light of Christ. That is the desire of every

The Scientific American Book of Love, Sex and the Brain Judith Horstman 2011-11-15 Who do we love? Who loves us? And why? Is love really a mystery, or can neuroscience offer some answers to these age-old questions? In her third enthralling book about the brain, Judith Horstman takes us on a lively tour of our most important sex and love organ and the whole smorgasbord of our many kinds of love-from the bonding of parent and child to the passion of erotic love, the affectionate love of companionship, the role of animals in our lives, and the love of God. Drawing on the latest neuroscience, she explores why and how we are born to love-how we're hardwired to crave the companionship of others, and how very badly things can go without love. Among the findings: parental love makes our brain bigger, sex and orgasm make it healthier, social isolation makes it miserable-and although the craving for romantic love can be described as an addiction, friendship may actually be the most important loving relationship of your life. Based on recent studies and articles culled from the prestigious Scientific American and Scientific American Mind magazines, The Scientific American Book of Love, Sex, and the Brain offers a fascinating look at how the brain controls our loving relationships, most intimate moments, and our deep and basic need for connection.

Someone Who Will Love You in All Your Damaged Glory

Raphael Bob-Waksberg 2019-06-11 Written with all the scathing dark humor that is a hallmark of BoJack Horseman, Raphael Bob-Waksberg delivers a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. Featuring: • A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding. • A pair of lonely commuters who ride the subway in silence, forever, eternally failing to make that longed-for contact. • A struggling employee at a theme park of U.S. presidents who discovers that love can't be genetically modified. And fifteen more tales of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.

Who Do You Love? Margaret Wang 2006 Pages fold out to reveal many answers to the question, "Little bear, who do you love?"

Do You Love Me? Michael Crosby Throughout the Gospel of John Jesus poses a series of questions: "What are you looking for?" "Do you want to be healed?" "Why do I speak to you at all?" as well as the most poignant, addressed to Peter, "Do you love me?" Michael Crosby's reflections on these questions take us into the heart of John's gospel. He highlights an important theme: the tension between a model of the church that gives emphasis to the Petrine principle of apostolic authority and a model of the church -- characterized by the Beloved Disciple -- that gives greater emphasis to loving service and discipleship. As Crosby shows, it is in balancing the roles of both Peter and the Beloved Disciple that the church best reflects the spirit of Christ.
