**Some Feet Not Meant for Shoes** Pamela Klein 2011-06-29 A defiant young white woman embarks upon a mystical journey through greed, racism and intolerance to find that in a previous lifetime she was a black slave girl. Caught in the midst of a spiritual metamorphosis she is hardly aware of, Norah is torn between two worlds: the one she expects and the one she suspects. She marries a scientist who scoffs at her peculiar feelings in just the way that science can. While Norah attempts to suppress what her spirit is trying to teach her, angels appear and challenge her to look deeper within for the elusive truth. She is a reckless and undisciplined young white woman, desperate for answers to questions she is only now learning and daring to ask. For reasons she barely understands, she finds herself drawn to a wise metaphysician. Norah becomes his student and, through his illuminations, begins to feel her mystical consciousness break free and birth. As her grasp of the world around her is refined, she turns to her West Indian friends, who for Norah become the creation that slavery left behind. Told from multiple characters points of view and in the first person, Norah's unconventional tale progresses toward the awakening of her past life as an African slave, through which racism, intolerance and greed echo still. Split between cultures, colors, beliefs and even lifetimes, Norah's perspective on race and the history of hate is the ultimate catalyst for her transformation. Hers is a magical journey of loss, discovery and love that meanders naturally like a river across space and time, drifting from Los Angeles to the Caribbean islands of St. Lucia, Martinique, Guadeloupe and Dominica.

The Text Attraction Guide For Men Nelson Whetat 2023-11-07 Discover The New Secrets About Texting Women To Get Dates And Sex That 99.9% Of Men Don't Know Yet When a man gets a number from a woman in person or matches with her on a dating app like Tinder or Bumble, he will often experience one or more of the following problems when he texts her: She takes way too long to reply She doesn't contribute much to the conversation (e.g., she gives short answers and seems uninterested) The conversation becomes boring or fizzles out She rejects his offer to meet up with him for a date She takes what he says the wrong way and then loses interest She ghosts him (i.e. stops replying without any explanation, even though things seem to be going well) She friend zones him (e.g. "You're a great guy, but I'm not looking for a relationship right now" or, "You're a great guy, but I'm not looking to date anyone right now" or, "You're a great guy, but I think we'd be better off as friends.") She leaves him on read and doesn't reply for days, weeks or months...or not at all She plays hard to get when it comes to meeting up Do you know why? It's because most men make texting girls far HARDER than it needs to be. They don't understand this little-known secret I shared in this guide. These days, women are so tired, bored and frustrated by the endless texts that guys send (i.e. trying to get to know her, get along with her and just chat because he's afraid to ask her out), or the unattractive texts they send (i.e. being too nice, being too serious, sleazy, boring, etc). That's why when a woman gets a text from a guy who is using the texting method I shared in this guide, "The Text Attraction Guide For Men" she feels surprised and excited. It immediately gets her attention and she begins feeling like she wants something to happen with him (i.e. go on a date, have sex etc) The fact is that when a guy texts in the way that I recommended in this book, he will get 10x more dates and sex than a guy who just wastes a woman's time trying to get to know her or get along with her, or worse, acts like he's not even that interested in dating her. Texting women to get dates and sex is very easy when you understand how it works and why women respond so well to this more direct and masculine approach. Here's what you'll learn: How And What To Text A Girl You Just Met: 4 Examples Text Message Examples That Attract Women What To Text A Woman After Getting Her Number In Person Texting Mistakes To Avoid: Terrible Texts That Turn Women Off 10 Possible Reasons Why She Stopped Texting You 3 Best Tips On How To Text A Girl You Like + Examples How To Attract A Woman And Get A Girlfriend Via Texts 6 Word Text That Makes A Guy Seem Needy In A Relationship 4 Texting Tricks That Seem Confident, But Are Actually Insecure 7 Beginner Texting Mistakes Guys Make With Women Should You Leave Her On Read? 6 Possible Outcomes If You Do The Secret To Getting Dates Via Text (With Examples) 3 Best Tips On How To Text A Girl You Like + Examples 4 Examples Of How To Be Masculine Over Text 10 Signs A Girl Likes You Over Text How To Make A Girl Like You Over Text (Example + 3 Rules) 8 Frustrating Problems Guys Experience When Texting Women 4 Texting Tips For Guys (10x More Dates And Sex) When a guy knows how to attract women via text, they naturally feel attracted, compelled and motivated to reply and contribute to the conversation and then happily say yes to meeting up. Add this book to cart right now to understand how this new secret about texting women to get dates and sex works
