**Healing For The Soul** Jerron C. Hill M.D. 2023-08-23 *Healing for the Soul*, a moving and inspiring collection of contemporary poems composed by Dr. Jerron C. Hill, gracefully and thoughtfully addresses modern-day challenges common to believers and non-believers alike. Following a supernatural encounter with the Lord Jesus Christ in 1984 at the age of 23, Dr. Hill subsequently became a devoted follower. In 2009, he experienced a vision of himself writing poetry shortly before awakening from sleep, and proceeded to write eleven poems that very same weekend, as well as numerous other compositions for two years thereafter. The author was not, however, released by God at that time to publish these poems. In August of 2020, the Holy Spirit inspired Dr. Hill to once again begin writing poetry, and he found himself composing these works with a passion and fiery dedication that strongly mimicked the way an evangelist would fervently deliver a Sunday morning sermon. The poems demand attention, compelling the reader to engage in personal introspection and reflection, and enjoining each person to place hope in the prospect of not only a meaningful life lived today, but for the promise of lasting goodness and eternity as well. Each composition culminates in a heartfelt plea to trust in Jesus and repent from sin. The author makes it clear, both through his own journey and the wisdom of Scripture, that Jesus changes lives, heals the brokenhearted and resuscitates broken relationships. Many people today feel lost, confused and even hopeless. By immersing oneself in the beauty and power of Dr. Hill's enlivening words, one will come to the unequivocal awareness that Christ is the answer and way to approach and surmount life's difficulties. Eternity is forever and God is inviting everyone to be born again by accepting his son's sacrifice on the cross. *Healing for the Soul* will inevitably leave the reader pondering the most pressing question of all time: Where will you spend eternity? With the help of this uplifting compilation, the answer to that question will reveal itself to all who choose to hear their message.

**Fake Love** Tina Louise Cicolini 2022-10-31 Moving through the complexities of dating, Stella and her friends quickly realised that the online world was simply a revolving door of people coming and going. It had become a collection of hopeful souls and artificial feelings, all competing for attention. Conversing with many, yet rarely sealing the deal; because in the blink of an eye it was all yesterday's news, and there were fresh, new people to talk to instead. Craving love, and being burnt by the fire, losing hope, losing themselves, and getting lost within the deep, dark caverns of this online world of desire. The fickle nature of being just a number and waiting your turn; of broken promises and stretching the truth. The short-lived swipe-right, swipe-left world around them was no easy game to play. The virtual world was certainly not a place to become emotionally invested in. As Stella takes a reminiscent walk down memory lane, the stories of her and her friends are discovered, each with their own complicated tales of love, hope, heartbreak, and regret. Was there really such a thing as finding the one? Or was that all just a fantasy?

**"Amen, I Say to You"** Clyde A. Bonar 2007-11-06 **Amen, I Say to You** includes homilies for Cycles A, B, and C of the liturgical year, and a homily for each Holy Day of Obligation within the Roman Catholic Church. Each homily consist of three main points with supporting examples and illustrations. These are homilies I have preached, and they have been constructed with attention to verbal presentation. Another homilist easily should be able to substitute or include examples from his or her own pastoral or lived experience within the conceptual structure each homily provides. These homilies are not essays; they include no long, convoluted, hard to understand sentences. I try for simplicity of words and sentences, for concrete language everyone can understand. Feedback from posting some of the homilies on the internet has characterized the homilies as well planned, with ideas placed in a logical and precise order. They have been called simple, personal, and practical; very inspired and insightful; containing deep reflection and authentic Christian faith; and illustrative, applied and down to earth practical.
