30 Things Every Woman Should Have and Should Know by the Time She's 30 - Pamela Redmond Satran 2014-08-22

Based on an enormously popular viral email, this book features personal stories and advice from contributors such as Taylor Swift, Kathy Griffin, and Portia de Rossi, and will inspire and delight women for years to come, whether they're about to turn 30 or already there.

50 Things Every Young Lady Should Know - Kay West 2011-10-31
School, clubs, soccer practice, piano lessons, study groups, latte with friends, dinner with grandparents, sleepovers, birthday parties, shopping—young ladies today are always on the go, their busy lives filled with activities and socializing. Girls interact with more people and in more places than ever before. But all of those opportunities to build friendships, make a good impression, and enjoy exciting experiences can go awry if she hasn't learned the basics of good conduct, respectful interaction, and thoughtful behavior. While the formal rules of etiquette are not taught the way they once were, good manners are as critical today as they ever were. *50 Things Every Young Lady Should Know* provides a modern update on the ageless idea that girls should know appropriate and courteous responses to any given situation. Good manners aren't just some quaint idea and old-fashioned concept from the past. They're an essential aspect of every young lady's path to adulthood and the skills she will need to thrive in whatever she chooses to do. In an ever-changing world, good manners never go out of style.

The Possibility of You - Pamela Redmond Satran 2012-02-21

New York Times bestselling author Pamela Redmond delivers a beautifully written novel about three generations of women in New York City and the experiences that shape and connect them to each other. *The Possibility of You* weaves together three interlocking stories involving three women dealing with issues of pregnancy and motherhood at key moments in history of the last century: On the brink of the First World War and the dawn of the modern age; as the liberalism of the '60s and '70s gave way to Reagan's 1980s; and during the autumn of Barack Obama's election. Contemporary heroine Cait, an African-American journalist raised by white adoptive parents, goes on a search for her birth mother inspired by her own unplanned pregnancy. Orphan Billie travels from her hippie upbringing in San Francisco to discover the upscale New York grandmother she never knew existed. And Irish nanny Bridget loses the boy she cares for and loves in the 1916 polio epidemic, only to try and replace him with a child of her own. Delving into the complex emotions that lie at the heart of unplanned pregnancy, motherhood, and the definition of family, this sweeping inter-generational saga illuminates the struggles of these very different women—and shows how the search for belonging is a connection that remains universal.

How to Be Single - Liz Tuccillo 2008-06-10

It's the most annoying question and they just can't help asking you. You'll be asked it at family gatherings, weddings, and on first dates. And you'll ask yourself far too often. It's the question that has no good answer. It's the question that when people stop asking it, makes you feel even worse: Why are you single? On a brisk October morning in New York, Julie Jenson, a single thirty-eight-year-old book publicist, is on her way to work when she gets a hysterical phone call from her friend Georgia. Reeling from her husband's announcement that he is leaving her for a samba teacher, Georgia convinces a reluctant Julie to organize a fun girls' night out with all their single friends to remind her why it is so much fun not to

be tied down. But the night, which starts with steaks and martinis and ends with a trip to the hospital, becomes a wake-up call for Julie.

Because none of her friends seems to be having much fun right now: Alice, a former legal aid attorney, has recently quit her job to start dating for a living; Serena is so busy becoming a fully realized person that she can't find time to look for a mate; and Ruby, a curvy and compassionate woman, has been mourning the death of her cat for months. So, fed up with the dysfunction and disappointments of being single in Manhattan, Julie quits her job and sets off to find out how women around the world are dealing with this dreaded phenomenon. From Paris to Rio to Sydney, Bali, Beijing, Mumbai, and Reykjavik, Julie falls in love, gets her heart broken, sees the world, and learns more than she ever dreamed possible. Back in New York, her friends are grappling with their own issues—bad blind dates, loveless engagements, custody battles, and single motherhood. Through their journeys, all these women fight to redefine their vision of love, happiness, and a fulfilled life. Written in Liz Tuccillo's pitch-perfect, hilarious, and relatable voice, *How to Be Single* is the ultimate novel for the adventurer in us all.

Women Who Run with the Wolves - Clarissa Pinkola Estés Phd 1995-08-22

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's *Our Shared Shelf* Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

Suburbanistas - Pamela Redmond 2006-03-07

From the acclaimed author of *Younger* and *Babes in Captivity*, a funny and moving novel about friendship, fame, and the fight for one suburb's future! Greetings from New Jersey Stella Powers is an A-list movie star who has just landed an Oscar-worthy role and a hot new rock-star husband when her mother's death brings her world tumbling down. Floundering as her life becomes one tabloid horror after another, Stella finds herself stuck in the New Jersey suburb she fled twenty years ago. But Homewood is no longer the sleepy town she remembers: housing prices are skyrocketing and glitzy new stores -- and people -- are moving in. To Stella and her young daughter, this is good news. Wish you weren't here. The bad news: Stella's childhood best friend, Mary Jean, who married Stella's old boyfriend and raised four kids in Homewood, can no longer afford to live there. Mary Jean is determined to wrest back the town but needs Stella on her side. The stakes for both women are high, but how can these old friends reconnect after so much time has passed? Or more importantly, how can they not?

13 Things Mentally Strong Women Don't Do - Amy Morin 2019-01-10

The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim back their power. Contending with a host of difficult issues that demand psychological strength - in this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle in 13 steps. Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy offers thoughtful, intelligent advice, practical tips, and specific strategies; combining them with her personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women - and society at large - must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-doubt stop them from reaching their goals. Insightful, grounded, and extremely timely, 13 THINGS MENTALLY STRONG WOMEN DON'T DO can help every woman flourish - and Amy will take readers on this journey with her, every step of the way.

Being The Other Woman - Micalle A. Culver 2012-02

In 2002, Micalle was swept off her feet by a man who spoke rapturous words to her heart, whisked her away to exotic locations, and made her laugh to no end. Like kindred souls, the two connected instantly, leading to a euphoric romance. The catch: He's married. As one promise after another was broken, the storybook love affair began to unravel. Wrought with confusion, Micalle set out to discover how she could have allowed passion to overrule logic and wondered about the likelihood of their situation resulting in happily-ever-after. The other woman, Micalle discovered, walks into an affair blind and leaves wishing she were. Worse, there is hardly a book on the shelf to comfort her, awaken her, or better yet; stop her from making a disaster of her life. Finding little material to glean from, Micalle began asking her own questions. What she found was that her experience wasn't entirely unique. This epitome led to several years of research into the triangle of affairs and who the other woman really is. *Being the Other Woman* was written to illuminate her path. In sometimes humorous but often painful detail, Micalle gives the raw story of her own affair, countless interviews from women who became mistresses, and research into the psychology of the other woman and the man who cheats. What is really going on in the mind of the mistress? Her lover? His wife? *Being the Other Woman* will help the reader identify in what type of affair the other woman is involved and provide guidance as to whether or not the husband will really leave his wife, how to make smart relationship decisions, and how to heal from the tremendous pain one is bound to experience either by being the other woman or having one in your life.

Younger - Pamela Redmond 2005-07-05

A story of inspiration and transformation for every woman who's tried to change her life by changing herself—now a hit TV series from the creator of *Sex and the City* starring Sutton Foster and Hilary Duff. She wants to start a new life. Alice is trying to return to her career in publishing after raising her only child. But the workplace is less than welcoming to a forty-something mom whose resume is covered with fifteen years of dust. If Alice were younger, she knows, she'd get hired in a New York minute. So, if age is just a number, why not become younger? Or at least fake it. With help from her artist friend Maggie, Alice transforms herself into a faux millennial and soon finds an assistant's job, a twenty-something bff, and a hot young boyfriend, Josh, who was in diapers when Alice was in high school. You're only as young as you feel. Alice is too thrilled with her new relationship and career to worry about the fallout from her lie. But when Maggie decides she wants a baby, Alice's daughter comes home early from studying abroad, and Alice finds herself falling in love with Josh, she realizes her masquerade has serious consequences, especially for her. Can Alice turn the magic into her real life? Or will the truth come out and break the spell?

Babes in Captivity - Pamela Redmond Satran 2010-05-11

They've satisfied their biological clocks. They met six years ago in a mom's group. Deirdre, Juliette, Anne, and Lisa are each living *The Dream* in the suburbs outside of New York City: beautiful wedding, big house, picture perfect family. What more could a woman want? Plenty, though none of them has ever admitted it. Out loud, anyway. It all starts with Deirdre....When she learns that her ex-lover, musician Nick Ruby, has moved back East, she confides in her girlfriends that she regrets her lost singing career, and her lost love affair with Nick. And since there doesn't seem to be a "what's next" in her life, she's more than a little curious

about "what if...?" So what's that ticking sound? Deirdre's confession -- and her plan to revive her dreams and make them reality -- has a startling ripple effect. It turns out none of the four is as happy as she seems: Anne fears her marriage is in jeopardy. Juliette desperately wants to have another baby but can't. And Lisa's facing decisions that her life -- literally -- depends on. The doors swing wide when these babes start breaking out...but at what price? There's no satisfaction guarantee for any one of them, but taking chances together sure beats going it alone.

Thirty-something and Over it - Kasey Edwards 2011

An irreverent and self-deprecating memoir by a successful and ambitious career woman who woke up one morning and realised she didn't want to go to work - not just that day, but ever again. Kasey Edwards had a glamorous, successful and highly coveted career, flying around the world consulting to blue-chip organisations and commanding a six-figure salary. But all of a sudden her job didn't seem quite so challenging or glamorous, the role she'd been playing as a high-powered business woman felt phoney, and her whole life lost its zing. Kasey embarked on a journey of discovery into why she'd lost her purpose and meaning, and what she needed to do to find it again. Kasey also follows the story of her best friend, Emma, a senior marketing executive suffering a similar crisis. Both Emma and Kasey are well and truly over it, yet their approaches - and the results - are very different. Written with great honesty and wit, *THIRTY SOMETHING AND OVER IT* is a memoir for modern women seeking the key to life, love and happiness.

30 Things Every Woman Should Have and Should Know by the Time She's 30 - Pamela Redmond Satran 2012-04-24

Featuring advice, wisdom, and observations from an array of prominent and beloved women, *30 Things Every Woman Should Have and Should Know by the Time She's 30* is an essential guide (and perfect gift) for women on the brink of thirty--and for those who are already there!

Fifteen years ago, *Glamour* published a list of distinctive yet universally true must-haves and must-knows for women on the cusp of and beyond the age of thirty titled, "30 Things Every Woman Should Have and Should Know by the Time She's 30." It became a phenomenon. Originally penned by *Glamour* columnist Pamela Redmond Satran, *The List* found a second life when women began to forward it to one another online, millions of times. It became a viral sensation, misattributed to everyone from Maya Angelou to Hillary Clinton--but there's only one original list, and it stands the test of time. Quirky and profound, *The List* defines the absolute must-haves (#11: "A set of screwdrivers, a cordless drill, and a black lace bra") and must-knows (#1: "How to fall in love without losing yourself") for grown-up female happiness. Now, *Glamour* magazine has gathered together its editors and an incredible group of notable women to expand on each of the items on *The List* in wise, thoughtful, and intimate essays. Kathy Griffin meditates on knowing when to try harder and when to walk away. Lisa Ling explores the idea that your childhood may not have been perfect, but it's over, and Lauren Conrad shares what she has learned about what she would and wouldn't do for money or love. Other personal insights come from Maya Angelou, Rachel Zoe, Taylor Swift, Katie Couric, Portia de Rossi, Kelly Corrigan, ZZ Packer, Bobbi Brown, Padma Lakshmi, Angie Harmon, and many more. Along with essays based on *The List*, writers share their feelings about what the milestone of turning thirty meant to them. *30 Things Every Woman Should Have and Should Know by the Time She's 30* is the one book women of all ages will turn to for timely and timeless wisdom.

100 Recipes Every Woman Should Know - Cindi Leive 2011-04-05

Once upon a time, there was an easy roast chicken recipe, handed down by a fashion editor at *Glamour* magazine to her assistant, who was in search of a dish to prepare for dinner with her boyfriend. She made the chicken. Her boyfriend loved it. He had seconds. And shortly thereafter, he proposed. But that's not all: Three more young women at the magazine made the chicken for the men in their lives who then, in short order, popped the question. *Glamour* published the recipe--dubbing it, naturally, *Engagement Chicken*--and since then, the magazine's editors have heard from more than 60 women who have gotten engaged after making the dish. Commitment-phobes be warned: This bird means business! Of course, there is more to life than weddings. And there's more to this cookbook than *Engagement Chicken*. *100 Recipes Every Woman Should Know* also includes 99 of the magazine's other most-loved, best-reviewed dishes, all designed to get you exactly what you want in life, exactly when you want it. From *Prove to Mom You're Not Going to Starve* Meat Loaf to *Impress His Family* Chardonnay Cake, these recipes will help you cook with passion and persuasion. And they're all written with your real life and real needs in mind. Because whether you're a novice or an expert, cooking should never be intimidating--and it

should always be fun. Don't miss these easy, essential recipes: He Stayed Over Omelet Skinny Jeans Scallops No Guy Required Grilled Steak Let's Make a Baby Pasta Forget the Mistake You Made at Work Margarita Bribe a Kid Brownies Hers and His Cupcakes "Recently I met some beautiful young women from Glamour magazine. They make a roast chicken they call 'Engagement Chicken' because every time one of them makes it for her boyfriend, she gets engaged! How wonderful is that! That's the best reason I ever heard to make a roast chicken." -Ina Garten, Barefoot Contessa cookbooks

40 Over 40 - Brenda Kinsel 2000

A professional image consultant provides women over age 40 with the perfect recipe for personal style, and shows the busy woman, who is already befuddled by fashion, how to choose a wardrobe through 40 helpful hints and strategies. 24 two-color illustrations.

Older - Pamela Redmond Satran 2020-09-08

'I loved every bit of this novel, and finished it with a giant smile on my face' - Jodi Picoult, New York Times bestselling author of *The Book of Two Ways*. Liza never dreamed that anyone would be interested in her life, let alone buy a book about it. But when she publishes a thinly veiled novel about a woman posing as a millennial, called *Younger*, not only is the book a hit, but her old friend Kelsey wants to turn into a TV show. Flying off to Los Angeles to help write the pilot, Liza leaves behind her on-again off-again boyfriend Josh, her pregnant daughter, and her best friend Maggie. But as Liza is swept up in the heady world of Hollywood, she finds herself thinking less and less of her life back home in New

York. And when she meets Hugo Fielding - the devastatingly handsome and incredibly flirtatious Brit playing her boss on the show - she toes the line between having a crush and falling in love. Torn between New York and Los Angeles, a familiar love and a risky one, an established career and a shot at stardom, Liza must decide if it's too late to go to the ball . . . and if she even wants to. The hotly anticipated sequel to the beloved *Younger* - now a hit TV series from the creator of *Sex and the City*, Darren Star, starring Sutton Foster and Hilary Duff.

What Every Woman Should Have - 2002

This title is for grown-up girls of all ages. From recipes for the complete tool-box (a set of screwdrivers, a cordless drill and a black lace bra) to advice about friendships, this aims to be a manifesto for the woman who works, plays and laughs hard.
