This brief but powerful book offers inspiration for women who want to live a virtuous life as prescribed in the Bible. “The virtuous woman is a woman who has her foundation in the Lord and everything she does is done in careful consideration of the will of the Lord and with an attitude of being a godly mother, wife, and manager of her household.” —Gwen Brown, from the introduction This book offers hope and insight for young wives and mothers who struggle to maintain vision and faith as they encounter the growing pains of life. In a deep reading of the Bible verse Proverbs 31, The Virtuous Woman expounds on the ideals that we as Christian women must strive for if we are to find true happiness in Him. Though we all fall short, true virtue is not a matter of being perfect, but of how dedicated we are to living the example He set forth for us.

The Proverbs 31 Woman In Contemporary Times - Eno Jerry 2020-06-15

A capable, intelligent, and virtuous woman - who can find her? I have always wondered how anyone could have all the virtues and qualities as detailed in the book of Proverbs 31. This woman seems to have everything all under control; she's a great wife, mother, she manages her home, she owns businesses, she cooks, she sews and the list goes on. What she doesn't seem to do is get tired. Our society most of the time portrays womanhood as weak, feeble, unintelligent, naïve about financial matters, vain, clueless and the list goes on, but the Bible describes exactly the opposite. This woman is an embodiment of inner strength, beauty, and brains, responsible and accountable,

[The Aspects of a Virtuous Woman](#) - Sonia Williams 2016-08-05

As you turn the pages of this book you will become intrigued at the personalities of the different women mentioned in here. You will find that

being virtuous is not about being perfect but about being godly. You will take a look into the life of women like Ruth, Hannah, and a few other women. It takes you from bible days to present time to show you that you can live a virtuous life no matter your past. If you would like to learn more about how to submit in a Godly way then I would invite you to turn the page of this book. Many women think that submission means to be passive and unyielding (weak). This bible based book will teach you that you are not submitting to the will of man but to the will of God while serving man. Each of the women that you are about to meet with each page turned will give you a different perspective as to what it truly means to submit. If you really want an understanding of Godly submission then this is the book for you.

In pursuit of the Virtuous Woman - Toni Whitacre-Kratochvil 2014-11-08

By Toni Whitacre Kratochvil 2009 This book will provide some guidance as to what a virtuous woman is. Toni Whitacre-Kratochvil has brought the understanding of what it is to be a virtuous woman by using examples of women in the Bible both good and bad along side of the verses in Proverbs 31. In this way, you will have a gauge to measure where you are on that scale. Most women are not wholly good or wholly bad, but somewhere in the middle. Come take a seat in this class to learn more about what a virtuous woman is, and how you can become a more virtuous woman yourself.

Woman of Virtue - Susan Brackley 2014-09-29

What is a virtuous woman? Times have changed. Have God's answers expired over time? Is God's design for women the same as it was years ago? Has God changed His definition of virtue? How

does the detailed description of godly virtue in Proverbs 31 apply to the twenty-first century? *Woman of Virtue* is a detailed exposition of Proverbs 31; it is designed to unfold the scriptures that clearly answer these questions as well as help us apply them to our everyday lives. In a world where the destructive influences of the feminist movement are creeping into the church, Christian women need to be aware of what God teaches concerning His good design for them. Contrary to popular belief and, sadly, even some opinions within Christendom, feminism has not helped or improved God's original design for women. In fact, feminism and God's truth are diametrically opposed--they are polar opposites! Feminism is Satan's cheap counterfeit of God's good intention for women. God is not silent throughout scripture concerning His plan for women, marriage, and the family. He holds each of us accountable to learn, trust, and apply what He has ordained. God's design for women still applies to us today

just as much as it did when He created us uniquely for our role in the world. God wants
