

American Jezebel The Uncommon Life Of Anne Hutchinson The Woman Who Defied The Puritans

Seized - Eve LaPlante 2016-03-22

Seized is a narrative portrait of a common brain disorder that can alter personality, illuminating the mind-body problem and the limits of free will. An invaluable resource for anyone touched by epilepsy, Seized gives first-hand accounts of three ordinary patients with temporal lobe epilepsy (TLE), explaining what they suffer and how they cope. The book also tells the stories of creative luminaries diagnosed with or suspected of having TLE, including van Gogh, Dostoevsky, Lewis Carroll, Saint Paul, and Flaubert. The psychological implications of Seized are, according to Publishers Weekly, "staggering." Kirkus Reviews called the book "Fascinating . . . LaPlante's descriptions of the human brain are wonderfully concrete, her historical research is well presented, and her empathy for TLE's victims is clear." In this "fascinating account of medical research," Howard Gardner noted, "LaPlante shows how a brain scar may cause bizarre aggressive or sexual behavior—and works of profound creative imagination."

Salem Witch Judge - Eve LaPlante 2009-10-13

In 1692 Puritan Samuel Sewall sent twenty people to their deaths on trumped-up witchcraft charges. The nefarious witch trials in Salem, Massachusetts represent a low point of American history, made famous in works by Longfellow, Nathaniel Hawthorne (himself a descendant of one of the judges), and Arthur Miller. The trials might have doomed Sewall to infamy except for a courageous act of contrition now commemorated in a mural that hangs beneath the golden dome of the Massachusetts State House picturing Sewall's public repentance. He was the only Salem witch judge to make amends. But, remarkably, the judge's

story didn't end there. Once he realized his error, Sewall turned his attention to other pressing social issues. Struck by the injustice of the New England slave trade, a commerce in which his own relatives and neighbors were engaged, he authored "The Selling of Joseph," America's first antislavery tract. While his peers viewed Native Americans as savages, Sewall advocated for their essential rights and encouraged their education, even paying for several Indian youths to attend Harvard College. Finally, at a time when women were universally considered inferior to men, Sewall published an essay affirming the fundamental equality of the sexes. The text of that essay, composed at the deathbed of his daughter Hannah, is republished here for the first time. In Salem Witch Judge, acclaimed biographer Eve LaPlante, Sewall's great-great-great-great-great-granddaughter, draws on family lore, her ancestor's personal diaries, and archival documents to open a window onto life in colonial America, painting a portrait of a man traditionally vilified, but who was in fact an innovator and forefather who came to represent the best of the American spirit.

[Anne Marbury Hutchinson](#) - Christy K. Robinson Robinson 2018-09-25
Biography of Anne Hutchinson, founding mother of civil democracy and religious liberty in early colonial America.

[Trouble's Daughter](#) - Katherine Kirkpatrick 2020-03

In 1663, Susanna Hutchinson, daughter of religious firebrand Anne Marbury Hutchinson, moves with her family to the wilderness along Long Island Sound. Soon, Lenape warriors massacre the family and take Susanna hostage.

The Passion of Anne Hutchinson - Marilyn J. Westerkamp 2021

Prologue: Anne Hutchinson and the Controversy -- The Puritan Experiment: Errors and Trials -- Helpmeets, Mothers, and Midwives among the Patriarchs -- Sectarian Mysticism and Spiritual Power -- Prophesying Women and the Gifts of the Spirit -- Gracious Disciples and Frightened Magistrates -- A Froward Woman Beloved of God.

Anne Hutchinson - Captivating History 2020-03-11

Her steps were determined and steady, even though the plank of the wooden ship bobbed up and down in the glittering but frigid water that splashed against the wet dock. In the first light of day, these were the times tinged with the hues of promise shadowed only by the vague unknown.

Marmee & Louisa - Eve LaPlante 2013-11-19

A great niece and cousin of Louisa May Alcott draws on newly uncovered family papers to present a revisionist portrait of Louisa's relationship with her mother, discussing how Abigail May served as the intellectual and emotional center of Louisa's life.

Mary Dyer - Ruth Talbot Plimpton 1994

This is the history of Mary Dyer (1611--1660) whose efforts to seek and find 'freedom to worship' led eventually to her death. Her quest began when she and her husband sailed from 'Old' to 'New' England in 1635. They were soon disillusioned by the intolerant practices and beliefs of the Puritans, who considered all truth could be found in the Old Testament -- and only there. Variations, from Puritan interpretations of the Ten Commandments, were punished by cruel torture and/or death. Banished from Boston for protesting such rigidity in belief and practice, Mary was among the group who founded Rhodes Island, where freedom in belief and practice of worship was established.

The Winthrop Woman - Anya Seton 2014-04-22

Colonial America holds friendship, hardship, and love for a bold woman in this classic historical romance from the bestselling author of *Green Darkness*. In 1631 Elizabeth Winthrop, newly widowed with an infant daughter, set sail for the New World. Against a background of rigidity and conformity she dared to befriend Anne Hutchinson at the moment of her banishment from the Massachusetts Bay Colony; dared to challenge

a determined army captain bent on the massacre of her friends the Siwanoy Indians; and, above all, dared to love a man as her heart and her whole being commanded. And so, as a response to this almost unmatched courage and vitality, Governor John Winthrop came to refer to this woman in the historical records of the time as his "unregenerate niece." Anya Seton's riveting historical novel portrays the fortitude, humiliation, and ultimate triumph of the Winthrop woman, who believed in a concept of happiness transcending that of her own day. "The Winthrop Woman is that rare literary accomplishment—living history. Really good fictionalized history [like this] often gives closer reality to a period than do factual records."—Chicago Tribune "A rich and panoramic narrative full of gusto, sentimentality and compassion. It is bound to give much enjoyment and a good many thrills."—Times Literary Supplement (UK) "Abundant and juicy entertainment."—New York Times

Anne Hutchinson - Bianca Leonardo 1995

An Incredible Life ... a Tragic Death! America's first feminist, female minister, and martyr. True, Dramatic, Inspiring! "If Anne had been a man, she'd be in all the history books." Her exciting story has been neglected for 350 years. Read how Anne Hutchinson came to America from a comfortable life in England, to settle in rugged, four-year-old Boston. The conditions were extremely harsh. The women, with constant child-bearing, suffered the most. Spiritually minded, loving Anne became involved in helping the women in the Colony understand "the God of Love, not Law." Anne's zeal for God's truth in an all-male clergy led to an outright inquisition, and, ultimately, to her excommunication and banishment. Soon thereafter, came her tragic and untimely death, along with her young children.

American Jezebel - Eve LaPlante 2010-10-19

In 1637, Anne Hutchinson, a forty-six-year-old midwife who was pregnant with her sixteenth child, stood before forty male judges of the Massachusetts General Court, charged with heresy and sedition. In a time when women could not vote, hold public office, or teach outside the home, the charismatic Hutchinson wielded remarkable political power. Her unconventional ideas had attracted a following of prominent citizens

eager for social reform. Hutchinson defended herself brilliantly, but the judges, faced with a perceived threat to public order, banished her for behaving in a manner "not comely for [her] sex." Written by one of Hutchinson's direct descendants, *American Jezebel* brings both balance and perspective to Hutchinson's story. It captures this American heroine's life in all its complexity, presenting her not as a religious fanatic, a cardboard feminist, or a raging crank—as some have portrayed her—but as a flesh-and-blood wife, mother, theologian, and political leader. The book narrates her dramatic expulsion from Massachusetts, after which her judges, still threatened by her challenges, promptly built Harvard College to enforce religious and social orthodoxies—making her the mid-wife to the nation's first college. In exile, she settled Rhode Island, becoming the only woman ever to co-found an American colony. The seeds of the American struggle for women's and human rights can be found in the story of this one woman's courageous life. *American Jezebel* illuminates the origins of our modern concepts of religious freedom, equal rights, and free speech, and showcases an extraordinary woman whose achievements are astonishing by the standards of any era. *Political Women and American Democracy* - Christina Wolbrecht 2008-03-24

What do we know about women, politics, and democracy in the United States? The last thirty years have witnessed a remarkable increase in women's participation in American politics and an explosion of research on female political actors, and the transformations effected by them, during the same period. *Political Women and American Democracy* provides a critical synthesis of scholarly research by leading experts in the field. The collected essays examine women as citizens, voters, participants, movement activists, partisans, candidates, and legislators. The authors provide frameworks for understanding and organizing existing scholarship; focus on theoretical, methodological, and empirical debates; and map out productive directions for future research. As the only book to offer "state of the field" essays on women and gender in U.S. politics, *Political Women and American Democracy* will be an invaluable resource for scholars and students studying and conducting women and

politics research.

Divine Rebel - Selma R. Williams 1981

American Jezebel - Perfection Learning Corporation 2021-02

Woman, Church and State - Matilda Joslyn Gage 1893

The matriarchate -- Celibacy -- Canon law -- Marquette -- Witchcraft -- Wives -- Polygamy -- Woman and work -- The church of to-day -- Past, present, future.

Anne Hutchinson's Way - Jeannine Atkins 2007-07-24

A fictionalized episode from the life of Anne Hutchinson, who arrived with her family in Massachusetts in 1634, but was soon banished for holding religious meetings and teaching ideas with which Puritan ministers disagreed.

Eliza Hamilton - Tilar J. Mazzeo 2019-07-02

From the New York Times bestselling author of *Irena's Children* comes a "vivid, compelling, and unputdownable new biography" (Christopher Andersen, #1 New York Times bestselling author) about the extraordinary life and times of Eliza Hamilton, the wife of founding father Alexander Hamilton, and a powerful, unsung hero in America's early days. Fans fell in love with Eliza Hamilton—Alexander Hamilton's devoted wife—in Lin-Manuel Miranda's phenomenal musical *Hamilton*. But they don't know her full story. A strong pioneer woman, a loving sister, a caring mother, and in her later years, a generous philanthropist, Eliza had many sides—and this fascinating biography brings her multifaceted personality to vivid life. This "expertly told story" (Publishers Weekly) follows Eliza through her early years in New York, into the ups and downs of her married life with Alexander, beyond the aftermath of his tragic murder, and finally to her involvement in many projects that cemented her legacy as one of the unsung heroes of our nation's early days. This captivating account of the woman behind the famous man is perfect for fans of the works of Ron Chernow, Lisa McCubbin, and Nathaniel Philbrick.

Anne Hutchinson - Timothy D. Hall 2010

Ideal supplement for U.S. History survey course as well as courses in Colonial American History, History of Women in America, American Religious History, and American Biography. Examines the life of this perennially fascinating and controversial woman within the dynamic social and cultural contexts of seventeenth-century England and North America. Drawing upon the latest scholarship, Timothy D. Hall presents Hutchinson as a literate, highly intelligent agent of a militant Protestant vanguard pressing to extend English influence into the new world. Hall explores the charges brought against Hutchinson and analyzes her responses to them, and he provides thorough coverage of her continued influence in other communities after her trial and expulsion from the Massachusetts Bay colony. Paperback, brief, and inexpensive, each of the titles in the Library of American Biography series focuses on a figure whose actions and ideas significantly influenced the course of American

history and national life. In addition, each biography relates the life of its subject to the broader themes and developments of the times.

Encyclopedia of Women and American Politics - Lynne E. Ford
2010-05-12

Presents a comprehensive reference to the role of women in American politics and government, including biographies, related topics, organizations, primary documents, and significant court cases.

The Times and Trials of Anne Hutchinson - Michael Paul Winship
2005

Anne Hutchinson was perhaps the most famous Englishwoman in colonial American history, viewed in later centuries as a crusader for religious liberty and a prototypical feminist. Michael Winship disentangles what really happened from the legends that have misrepresented her for so long
