The Rat Eater - Anand Ranganathan 2019-11-18  
'I was born on a bloody road. The blood was my mother's. My sisters couldn't find a midwife in time. There was no way my mother could get relief from the upper-caste well, and so they tell me, that my sisters ran to some puddles to fill their little mouths up and then ran back to where my mother was almost dying of pain and then spat out some water on her face and the rest down below on mine. That is how I came into this world.' Someone is disposing of politicians one by one. And the murderer has borrowed from the genius of Agatha Christie. When a local Mumbai politician is found wrapped in a plastic bag behind a park bench, the dashing and capable DIG Ajay Biswas is told

to take over the case. Ajay arrives in Mumbai along with his wife Aparajita and soon discovers he is being misled by his Mumbai compatriots who are determined to save their own skin. Someone is deliberately providing false leads; his presence is not wanted. While in Mumbai, Ajay and Aparajita meet up with their old college friend Akhil Sukumar. Akhil and Aparajita have had a tortuous history, and it appears that the one-time lovers now want nothing more than to let bygones be bygones. Easier said. From the barren lands of rural India to the immaculate lawns of Cambridge, The Rat Eater is a book whose uninhibitedness may offend purists as it lays bare a few uncomfortable truths about India—a country entangled in a web of caste,

corruption and cover-ups. The privileged flourish at the cost of the oppressed. The price has to be paid, and someone has decided that it needs to be paid in blood.

*Gujarat Files* - Rana Ayyub 2016

*Gujarat Files* is the account of an eight-month long undercover investigation by journalist Rana Ayyub into the Gujarat riots, fake encounters and the murder of state Home Minister Haren Pandya that brings to the fore startling revelations. Posing as Maithili Tyagi, a filmmaker from the American Film Institute Conservatory, Rana met bureaucrats and top cops in Gujarat who held pivotal positions in the state between 2001 and 2010. The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against humanity. With sensational disclosures about cases that run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed

truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.

**Bandilanka's Forgotten Lives** - Kamakshi Pappu Murti

Bandilanka, a fictional village in Southern India, represents many such ones across the Indian subcontinent, still caught up in the age-old customs, and superstitions that are destructive at times. The characters in this collection have each faced some form of injustice or loss. 'A cleaning woman's tale' and 'Vegetable vendor Sundari' exemplify sex-discrimination in the village. 'Widowhood across generations' describes the fate of widows from all castes, classes, and age groups. 'The matter of trans lives' and 'Tradition's stranglehold' show how despite a 2014 law formally recognizing the existence of a third gender, Hijras continue to face hate and persecution, as does the entire

LGBTQ+ community. Bigotry raises its ugly head in 'Night soil removers Kaavanna and Kondamma,' but is condemned in an interesting reversal of fate. 'A washerman's dream' is the poignant story of a washerman who with his dying breath thanks a loving family for giving him the strength to stand up to a lifetime of rejection because of his perceived low caste. The stories highlight the inherent worth and dignity of the lives of these disenfranchised groups thus challenging socially constructed divides and inequalities of caste, religion, gender, sexual orientation, and age.

Katherine Boo, and heralds the arrival of a formidable new writer." —The Economist The stunning true story of an untouchable family who become teachers, and one, a poet and revolutionary Like one in six people in India, Sujatha Gidla was born an untouchable. While most untouchables are illiterate, her family was educated by Canadian missionaries in the 1930s, making it possible for Gidla to attend elite schools and move to America at the age of twenty-six. It was only then that she saw how extraordinary—and yet how typical—her family history truly was. Her mother, Manjula, and uncles Satyam and Carey were born in the last days of British colonial rule. They grew up in a world marked by poverty and injustice, but also full of possibility. In the slums where they lived, everyone had a political side, and rallies, agitations, and arrests were commonplace. The Independence movement promised freedom. Yet for untouchables and other poor and working people, little changed. Satyam, the eldest,

switched allegiance to the Communist Party. Gidla recounts his incredible transformation from student and labor organizer to famous poet and founder of a left-wing guerrilla movement. And Gidla charts her mother's battles with caste and women's oppression. Page by page, Gidla takes us into a complicated, close-knit family as they desperately strive for a decent life and a more just society. A moving portrait of love, hardship, and struggle, *Ants Among Elephants* is also that rare thing: a personal history of modern India told from the bottom up.

[Amma and Other Stories](#) - Omaprakāśa Vālmīki  
2008

This is an English translation of fifteen stories of the leading Hindi dalit writer, Omprakash Valmiki, best known for his autobiography *Joothan*. Together these stories vocalise the anguish and anger of the lowliest of the low in the caste hierarchy. More specifically, they deal with their sufferings at the hands of the dominant high castes and their questioning of

their oppressors; their slender hopes and their small dreams; and their problems of identity as they try to make their way up the social and economic ladder. Omprakash Valmiki lists women of all classes among the dalits and there is a story in the collection that shows a high caste woman suffering at the hands of her male relatives. Softer emotions of love and longing are also not left out. Valmiki is acutely aware of the caste hierarchy among the dalits themselves and his story 'Shavayatra' makes for a deeply poignant reading. 'Amma' of the title is almost an epic tale of a dalit woman's resolve to keep her progeny away from the broom and the canister. At their best the stories are not merely dalit stories but a deeply human collection that will compel attention, engage the sympathies of the readers and make them ask inconvenient questions. The stories will also add a new dimension to dalit discourse. The English translation is being published in the hope that the stories will reach a much wider audience and

will sensitise readers to the travails of the dalits and their efforts to make a space for themselves, and help prepare the climate for social change. [Halliday's Introduction to Functional Grammar](#) - M.A.K. Halliday 2013-09-11

**My Story** - Kamala Das 2011-03-15

First published in Malayalam in 1973, My Story, Kamala Das' sensational autobiography, shocked readers with its total disregard for mindless conventions and its fearless articulation of a subject still considered taboo. Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on

the hypocrisies that informed traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.

Prepare to be swept away by a story that is intimate, true, and utterly compelling. Margi Gibb's much-loved father dies and, with her immediate family largely gone, her life is changed irrevocably. Immersing herself more deeply in art and music, she travels to America to study the sacred art of the mandala, exploring the wisdom traditions of Indigenous Indian peoples in the process. Then after a serendipitous encounter back in Australia she travels to Dharamsala to care for children in an after school program at a Tibetan women's handicraft cooperative. Her underlying passion

is to initiate guitar lessons for Tibetan refugees. What follows is unexpected. Margi's developing bonds with two very different Tibetan men, Tenzin and Yonten, change her life in complex and enduring ways. Eventually she journeys to Tibet. Kissed by a Deer is a book about East and West. It is a passionate quest for the personal and intellectual truth that only comes through lived experience. Gibb's story gives us amazing places, and wonderful characters, people we come to love and care about despite their failings. In its pages, wisdom searchingly finds its humble roots in the connections of heart, imagination and mind; in the midst of the act of living.
