Ask Her at Christmas -

Christi Barth 2012-12-03

Caitlin McIntyre's heart stops when her best friend drops to one knee and proposes. Kyle Lockhart never once hinted over the years that he has any idea she's in love with him. Not wanting to jeopardize their friendship, she's never let it slip. Good thing, too, since it turns out he's only practicing—he's about to propose to someone else. A business merger might not be the most romantic reason to propose to a woman he barely knows, but Kyle's determined to win the respect of the dying father who's never seen him as quite good enough. Kyle's always depended on Caitlin's friendship, while trying to ignore the physical response she arouses. So he turns to her when it comes time to craft his

proposal, not realizing his decision will affect their relationship, forever. This Christmas, Kyle and Caitlin get one last chance to admit their feelings for each other, and find a mutual happily ever after, before he commits his life to another woman and Caitlin leaves town and him...for good. 24,000 words

The Guyde - Howie Reith
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I

say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve

your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what

it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

I Don't Know Ask Her -

Albert L. Jr. Sledge 2011-06

I Don't Know ask her is an engaging conversation between men and women, addressing the issue of why women fake orgasms while challenging men as much as necessary to take a self assessment - a glimpse in the mirror sort of speak - that forces them to look introspectively and make an honest evaluation of their strengths as well as their shortcomings. Learning and continuing to communicate with your spouse or partner about love making will always enhance the intimacy of your relationship. "Great lovers know what women need and want--and they ask questions."

The Art of Asking - Amanda Palmer 2015-10-20

FOREWORD BY BRENE BROWN and POSTSCRIPT FROM BRAIN PICKINGS CREATOR MARIA POPOVA
Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked

thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for—as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of THE ART OF ASKING. Part manifesto, part revelation, this is the story of

The Shadow Self in Film - Gershon Reiter 2014-01-23

This book examines 13 movies that deal with the protagonist and his projected "other." The cinematic Other is interpreted as an unconscious personality, a denied part of the protagonist that appears in his life as a shadowy menace who won't go away. Devoting a chapter to each movie, the book starts with Mamoulian's Dr. Jekyll and Mr. Hyde and three cinematic pairs: two Hitchcock films, *Shadow of a Doubt* and *Strangers on a Train*; two versions of *Cape Fear*, J. Lee Thompson's 1962 original and Martin Scorsese's 1991 remake; and a pair of Clint Eastwood films, *In the Line of Fire* and *Blood Work*. The book then examines *Something Wild*, *Sea of Love*, *Fight Club*, *Desperately Seeking Susan*,

Apocalypse Now and *The Lives of Others*. Overall the book aims to show how movies envision the unconscious Other we all too often project on other people.
