Perseverance Carolyn Rubenstein 2009-08-18 Can you imagine being in high school or college and suddenly learning you have cancer? You thought you had a lifetime ahead of you and the whole world at your feet, but suddenly you're told... maybe not. How would you cope? That's the question the twenty young people in this book had to answer when they were diagnosed with childhood cancer. *Perseverance* tells of their trials and tribulations, of their triumphs, and of the unique challenges that day-to-day college life brings them. *Perseverance* also provides an intimate look at the lives and journeys of these young people and how their courage and strength have affected the lives of others. These honest, first-person accounts lend amazing depth to the inspiring stories of these young men and women. Inside, you'll meet Zac York, who tells of climbing Mount Whitney—on crutches—after battling brain cancer. You'll meet Alex Oden, who—just days after brain surgery—gave his 8th grade peers a graduation speech called "A Day Well Spent," in which he challenged them to make a difference in just one day. You'll meet Kristen Jones, who, while battling leukemia, was able to pass the MCAT and pursue her dream of becoming a pediatric oncologist. Twenty unique and fascinating stories, with one common theme: perseverance. The stories of these heroes demonstrate how anyone can learn to live with energy and passion, regardless of the obstacles to be faced, and will remind us all that now is everything. Dad, How Do I? Rob Kenney 2021-05-18 From the host of the YouTube channel that went viral—Dad, How Do I?—comes a book that's part memoir/part inspiration/part DIY. Rob Kenney's father left him and his seven siblings when he was fourteen years old, and the youngest had to fend for themselves. He wished that he had someone who could teach him the basics—how to tie a tie, jump-start a car, unclog a drain, use tools properly—as well as succeed in life. But he and his siblings had to figure these things out on their own. Now a father himself, Rob decided that he would help people out by providing how-to tips as well as advice—and even throw in some bad dad jokes. He started a YouTube channel for anyone looking for fatherly advice, and in the course of three months, gained a following of nearly 2.5 million subscribers, with millions of views for his how-to and inspirational videos. In this book, Rob shares his story of overcoming a difficult childhood with the strength of faith and family, and offers inspiration and hope. In addition, he provides 50 practical DIY instructions (30 of which will be unique to the book), illustrated with helpful line drawings.

Womb of Monsters Thomas Aiello 2001-11 In the late sixties, a rogue psychiatrist created a gated community of mental patients called Yesterday, utilizing some revolutionary mental health techniques. When Orson Littlefield is sent to the Yesterday mental facility, he is introduced to a new medication that makes his delusions come to life. His next door neighbor, who is actually just another part of his delusion, becomes enraged when Orson kicks yet another figment of his imagination into her yard. She then promptly murders him with a nuclear warhead. Meanwhile, the antichrist, a Louisiana bunny rabbit, rises to power and seduces the world. One testament later, a high school football star takes on the persona of savior for a sports starved small town. His life is naturally replete with miracles, disciples, a donkey, and plenty of sex. Interspersed throughout are the author's own attempts to come to terms with the fact that all the characters in his story are just figments of his imagination. Newspapers come to life, girlfriends evaporate, and various characters throughout are stricken with stigmata. A social commentary, religious satire, and absurdist comedy that examines the fine line between imagination and reality: come look inside the womb of monsters.

Portable Black Magic Ran Walker 2020-06-09 Stephen King once said that books are portable magic. Ran Walker decided to take this phrase a bit more literally in his third short story collection, bringing to life vibrant new landscapes of both the strange and the familiar. A writer finds himself in a love triangle where one of the women is a ghost. A woman discovers that her cure for alopecia has unintended consequences. An artist paints a woman he has been dreaming about, only to discover his dreams might be closer to reality than he thought. A graduating senior learns the true value of sacrifice. A guy professes his love for his girlfriend through an overwhelming metaphor. A social media-focused couple welcomes the world into their adoption struggles. And a relationship is

threatened when a childhood secret is revealed. In these seven stories, Walker paints a world where nothing is quite as it seems.

The Soul City Salvation Jonathan LaPoma 2020-03-24 -Recommended by Kirkus Reviews "A philosophical story of growth, insight, and discovery . . . which offers rich food for thought long after Jay's story concludes." —Diane Donovan, California Bookwatch Ten months—that's how long twenty-six-year-old writer and aspiring actor Jay Sakovsky decides to stay and teach in the bohemian beach town of Soul City, California, to save up cash and overcome his anxiety before moving on to Hollywood. But after several "friendly chats" with the vice principal about hangover sweats and black eyes from barroom brawls, Jay sees a therapist who helps him connect his self-destructive tendencies and artistic blocks to his undiagnosed OCD, setting him on a ten-year healing journey that drives him to near madness as he explores the limits of his heart, creativity, and psyche. A surreal, darkly comic, and psychologically epic novel, *The Soul City Salvation* explores mental illness, friendship, aging, masculinity, modern love, the creative process, spiritual awakening, and fighting for respect in an uncaring world. **The Soul City Salvation* is the fifth book in a loosely-linked series, with *Hammond*, *The Summer of Crud*, *Understanding the Alacrán*, and *Developing Minds: An American Ghost Story* as books one-four. Each novel can be read independently of the others.

Technically Faking Robin Hale 2019-09-30 Iris Spark knows exactly what she wants. It hasn't made her many friends, but it has made her a fixture on all the best 'Under 30' lists in Silicon Valley and the CEO of SparkSignal, a company she built from nothing. And now it's about to make her unemployed. The Board of Directors wants her out. They say she's difficult. Abrasive. It's simple: Iris Spark has money, Amber Kowalczyk has public opinion, and SparkSignal's popularity goes up when people think the two of them are dating. It's only a few weeks. It's only pretend. And, as you know, if you can make a girl smile you can make her do nearly anything! What Kind of Pickup Lines?* Dirty Pickup Lines* Funny Pickup Lines* Cheeky Pickup Lines* Naughty Pickup Lines* Cheesy Pickup Lines* Offensive Pickup Lines* Flattering Pickup Lines* And Much, Much More...WARNING: ADULT MATERIAL Dating advice for men who want to know EXACTLY how to attract women and how to get a girlfriend who makes heads turn...Do you want to walk into any bar or club and know exactly what to say to walk out with a beautiful woman on your arm? Would you like to know exactly how to get a girlfriend who is amazing and beautiful without resorting to cheesy pickup lines? Then this book is for you. Written by international men's coach Jake D. Ryan Dating Advice for Men: Unlike PUA books, Charm her Pants Off, line isn't about tricks, lies, or manipulation. Whether you want to get your ex back, attract women to date regularly, or learn exactly how to get a girlfriend who makes heads turn, the lessons in this book can help you stand out in any room. You'll never have to hesitate or feel like you've run out of things to say. You'll bleed confidence in any social situation, captivate the room, and know how to attract women that you most desire. Whether you want to know how to get a girlfriend or just date around, The Charm her Pants off has the answers that have worked for tons of men. The girl of your dreams is out there...will you get her? Charm her Pants Off is the ultimate and only guide to getting girls and to understand women once and for all. This is why guys that read it don't read or recommend anything else. Because the few men who "get it" spend the rest of their lives enjoying sexy girls in abundance - and so can you. You can learn to get ANY girl you want, the same way that all men who are naturally good with women have. The only difference is that you may learn it much FASTER, instead of wasting tons of time and money on fruitless dates or a new car/haircut/shirt that you BELIEVE will make you more attractive - but really doesn't. You see; men LACK success with women because they either don't understand what women are attracted to, or because they THINK that they do know, but have the wrong ideas and hence waste a lot of time - sometimes their entire life - chasing things they don't need. You know you have to get this book if you believe women want men with money, cars, or anything else that is manmade, because that doesn't make any sense. If women really were attracted to something unnatural, how did men meet women before any of those things were invented? The approach you'll learn in The Manual is very different from conventional dating and the advice you find in the mainstream media because it focuses on natural attraction - on what women REALLY want - not what they CLAIM they want or what males in general BELIEVE women want. It incorporates men's and women's socialization and explains phenomena's such as why men think women are attracted to things such as money (yet money is a man-made invention that has not even EXISTED very long) and why women "play hard to get" (a well-known phrase which amusingly reveals that women ARE easy but only pretend not to be). This is why the beginning of the book addresses your basic beliefs and mindset, because if you learn to THINK correctly, you will automatically behave correctly around women. Even if they are so stunning they normally take your breath away, your mind goes blank, and you run out of words. You already have what it takes to seduce women. Like, if you never run out of words around your close friends or family, you should be able to talk to a hot girl without making a fool out of yourself. You are the Man!!!

Vicious Rule: A Dark Romance Abbi Cook 2023-11-15 From USA Today bestselling author Abbi Cook comes Alex Rule's story in the Born Villains series, the second generation of the Rule family! Alex Rule, older son of Helix Rule, now controls the family business in Italy. Violence and excess are the cornerstones of his life, and he wouldn't have it any other way. As far as he's concerned, this world is his for the taking, no matter how he has to get what he wants. And that includes me. When he offered me a job as his assistant after I left the Villa Aurelia, I thought I could handle it. I'd worked for the Rule family for years with his brother Gideon. How wrong I was. For as long as I've known him, I've hated Alex Rule. He was everything his brother wasn't-wild, reckless, the ultimate bad boy. I wish I could feel that way now because no part of me is safe with him. Especially my heart.

Life Tips Jenifer Robison 2020-07-12 This is all about the mindset needed to succeed in business and in life! Everything you do in life is a "sale". Whether it be actually selling a product or service OR maybe selling your girlfriend on why she should be your wife (or just getting her to be your girlfriend in the first place). Maybe you're trying to get a job in a "non sales" position? You still have to sell your potential boss in the interview right?? This book contains an amazingly simple to read set of "tips" of how win in relationships, both professional and personal. You'll learn to influence people in a good way and with a great attitude! Don't like reading? This book is perfect for you. It's quick and to the point without all the mumbo jumbo fluff that you might be used to in most of your "motivational" or "self help" books. I swear it has none of the "in a minute, I'm going to tell you how to do this" stuff! It's starts off in the very first segment telling you what to do and how to do it. It's up to you to decide to follow the outline or not. No need to take notes... These ARE your notes. The notes for life's awareness and ambition you should incorporate into your life to make things work for you and others. It's not all about "me" it's all about "we"(you get the idea). You can get this short book on your kindle, tablet, or your phone to keep it with you. When you need a little bit of a pick me up or some encouragement, just click the link on your phone and start on any page. The tips are in no particular order. Tell all your friends about this book and you'll be the hero (and my best friend ;-)) Only because the information in these pages are priceless. Funny, but most of the information you'll read you may recognize already and say "I knew that". But it's all about being reminded to use these tips in everyday life. When you're ordering food, be good to your server. They are selling you on dessert, but you're selling them on making sure your food is prepared properly and you deserve the best service. Maybe it's just your smile that's selling them. Or maybe it's the big tip you implied by the way you're dressed. It's all sales and selling the sale. Can you think of anything you've done where you wish it would have turned out better? Was it your hygiene that threw off your potential soul mate? Was it maybe you didn't take off your sunglasses when you were pulled over for speeding? Yes, you were trying to sell the police officer why he should only give you a warning. Attitude is everything, but this book also encompasses a ton of other things. How you do anything is how you do everything! So buy the book. If you like it, refer it to everyone in the world. Or maybe just your world? Remember to leave a raving review and of course click the 5 stars to help me out as well. Yes, I'm trying to sell you on helping me promote my book. Hopefully I'm doing something for you by selling you on reading it. Keeping it simple has never been so simple. Heck, even the book cover is simple. I didn't want to throw you off thinking there was a bunch of junk between front and back. If you're on kindle unlimited, you can download this book for no extra charge as well. It's a win win win that keeps you winning. Pull the trigger on this tiny little dollar amount for the most valuable investment you'll ever make. Now a quick little excerpt from the back cover of the book. Again, this type of information may very well change your life. And I mean for the better. Use your new powers for good and not evil. Good has so many more good things coming from it. And remember to smile while you're reading it. Thanks! A reference guide to become the top person in your professional and personal world. A book to keep with you as a reminder of the many mindsets needed to be successful in business and in life. It's a super simple read you review once a month or once a week to keep your head in the game. Success stories are simple and so should be the instructions.
