Silent in the Grave - Deanna Raybourn
2019-07-15

Only from New York Times bestselling author Deanna Raybourn, go back to where it all began with the original Lady Julia Grey historical mystery series. "Let the wicked be ashamed, and let them be silent in the grave." These ominous words are the last threat that Sir Edward Grey receives from his killer. Before he can show them to Nicholas Brisbane, the private inquiry agent he has retained for his protection, he collapses and dies at his London home, in the presence of his wife, Julia, and a roomful of dinner guests. Prepared to accept that Edward's death was due to a long-standing physical infirmity, Julia is outraged when Brisbane visits and suggests that her husband was murdered. It is a reaction she comes to regret when she discovers damning evidence for herself, and realizes the truth. Determined to bring the murderer to justice, Julia engages the enigmatic Brisbane to help her investigate Edward's demise. Dismissing his warnings that the investigation will be difficult, if not impossible, Julia presses forward, following a trail of clues that lead her to even more unpleasant truths, and ever closer to a killer who waits expectantly for her arrival. Previously published. Don't miss the complete Lady Julia Grey mystery series by Deanna Raybourn! In Prior's Wood - G.M. Malliet 2018-04-19
Newly returned from investigating a murder in Monkslip-super-Mare, handsome Max Tudor wants nothing more than to settle back into his

predictable routine as vicar of St. Edwold's Church in the village of Nether Monkslip. But the flow of his sermon on Bathsheba is interrupted when the lady of the local manor house is found in a suicide pact with her young lover. Lady Duxter's husband rallies quickly from the double tragedy - too quickly, it is murmured in the village. Lord Duxter has already offered his manor house to a motley crew of writers, including Max's wife Awena, for his writers' retreat, and he insists the show must go on. But when a young girl goes missing and a crime writer becomes a target, DCI Cotton asks Max to lend his MI5 expertise to the investigation. Many suspects emerge as the scope of the investigation widens beyond the writers to villagers who had crossed swords with the insufferably smug crime author. But Max begins to wonder: was the attack on the writer only part of a broader conspiracy of silence? Praise for G. M. Malliet: 'G.M. Malliet has brought the village cosy into the twenty first century.' Charles Todd 'There are certain things you want in a village mystery: a pretty setting, a tasteful murder, an appealing sleuth... Malliet delivers all that.' New York Times Book Review 'G. M. Malliet has crafted the English village of our dreams.' Charlaine Harris

The Invention of Murder: How the Victorians Revelled in Death and Detection and Created Modern Crime - Judith Flanders 2011-01-06
"We are a trading community, a commercial people. Murder is doubtless a very shocking offence, nevertheless as what is done is not to be undone, let us make our money out of it." Punch.
Death in a Prairie House - William R. Drennan 2007-01-18

Supplying both a gripping mystery story and an authoritative portrait of the fabled architect, William Drennan wades through the myths surrounding the massacre at Wrights landmark residence, Taliesin, and casts fresh light on the cataclysmic effects these murders exerted on his

life and subsequent designs. University of Wisconsin Press

By introducing us to the New Woman Criminal, *Framed* offers a profoundly different view of the fin de siècle British crime narrative

The Quincunx - Charles Palliser 1990-11-27

An extraordinary modern novel in the Victorian tradition, Charles Palliser has created something extraordinary—a plot within a plot within a plot of family secrets, mysterious clues, low-born birth, high-reaching immorality, and, always, always the fog-enshrouded, enigmatic character of 19th century—London itself. “So compulsively absorbing that reality disappears . . . One is swept along by those enduring emotions that defy modern art and a random universe: hunger for revenge, longing for justice and the fantasy secretly entertained by most people that the bad will be punished and the good rewarded.”—The New York Times “A virtuoso achievement . . . It is an epic, a tour de force, a staggeringly complex and tantalizingly layered tale that will keep readers engrossed in days. . . . The *Quincunx* will not disappoint you. It is, quite simply, superb.”—Chicago Sun-Times “A bold and vivid tale that invites the reader to get lost in the intoxicating rhythms of another world. And the invitation is irresistible.”—San Francisco Chronicle “A remarkable book . . . In mood, color, atmosphere and characters, this is Charles Dickens reincarnated . . . It is an immersing experience.”—Los Angeles Times Book Review “To read the first pages is to be trapped for seven-hundred odd more: you cannot stop turning them.”—The New Yorker “Few books, at most a dozen or two in a lifetime, affect us this way. . . . For sheer intricacy and ingenuity, for skill and clarity of storytelling, it is the kind of book readers wait for, a book to get lost in.”—The Philadelphia Inquirer

A Civil Contract - Georgette Heyer 2011-02-28

If you love *Bridgerton*, you'll love Georgette Heyer! 'The greatest writer who ever lived' ANTONIA FRASER '[My] generation's Julia Quinn' ADJOA ANDOH, star of *Bridgerton* 'One

of my perennial comfort authors. Heyer's books are as incisively witty and quietly subversive as any of Jane Austen's' JOANNE HARRIS

_____ Adam Deveril returns from the Peninsula War a hero, only to find his family on the brink of ruin and his much-loved ancestral home mortgaged to the hilt. It is Lord Oversley, father of Adam's first love, who introduces him to Mr. Chaleigh, a City man of apparently unlimited wealth, with his eyes firmly fixed on a suitable match for his one and only beloved daughter. Though this civil contract may work on paper, saving one from ruin and bringing the other desired social status, there is only one way to find out if it can really work . . . _____

'Elegant, witty and rapturously romantic' KATIE FFORDE 'Utterly delightful' GUARDIAN

'Absolutely delicious tales of Regency heroes. . . Utter, immersive escapism' SOPHIE KINSELLA 'Georgette Heyer's Regency romances brim with elegance, wit and historical accuracy, and this is one of her finest and most entertaining ...

Escapism of the highest order' DAILY MAIL 'If you haven't read Georgette Heyer yet, what a treat you have in store!' HARRIET EVANS

_____ Readers love *A Civil Contract* ...

***** 'A wonderful tale - recommended for those who want some variation in the romances they read.' ***** 'A Civil Contract is a departure from her usual formula, and it knocked my socks off.'

***** 'Very touching, with a dose of humour.'

***** 'One of my all-time favourites among her many brilliant and enduring books.' *****

'Amazingly good characters, lots of interior dialogue and character development, lots of humour.'

Death at The Priory - James Ruddick 2008

Dr. Gully - Elizabeth Jenkins 1972

Debauched, Desperate, Deranged - Carolyn A. Conley 2020-10-30

This book examines the over 1400 trials of women accused of homicide in London from 1674-1913, using trial records as well as newspaper, pamphlets and other media to

analyse the changing image of the female killer. We Do Know How - James T. Riordan 2014-09-24
An insider with practical experience in development work reveals how understanding market realities can more effectively reduce poverty. This book by a practitioner—not an academic, government official, or pundit—has been written for practitioners and offers fresh thinking on how to do international development work. It combines that thinking with practical guidance, in plain English, on what to do—and perhaps just as importantly, what not to do—on the ground. We Do Know How takes buzzwords commonly used in development circles—demand-driven, results-oriented, accountability, and others—and makes them real, spelling out a proven approach for expanding business sales and generating jobs for poor people. Although government has a role to play in development, in the end the actions of businesses drive economic growth and expand people's incomes. We Do Know How shows how to build on the incentives that drive businesses and, in the process, create jobs for the poor. Specifically, it urges development practitioners to support only those business opportunities for which there is market demand, abiding by the maxim "produce what you can sell," not "sell what you produce." More than that, it cautions practitioners not to become solutions looking for problems but to search creatively for ways to solve the specific problems that stand most in the way of clients meeting buyers' requirements. We Do Know How challenges much conventional wisdom on how to do development work. At the same time, and in contrast to other books on development, it shows how, by maintaining focus and discipline, development practitioners can deliver demonstrable increases in jobs for those who need them.

Murder at the Inn - James Moore 2015-02-02
In which pub was the notorious murder that led to the Kray twins becoming Britain's most feared gangsters? Where is the hostelry in which Jack the Ripper's victims drank? How did Burke and Hare befriend their victims in a Scottish watering hole before luring them to their deaths? What is the name of the pub where the Lord Lucan mystery first came to light? And how did a pub become the scene of the murder that led to Ruth Ellis going to the gallows? For

centuries, the history of beer and pubs has gone hand in hand with some of the nation's most despicable and fascinating crimes. Packed with grizzly murders - including fascinating little-known cases - as well as sinister stories of smuggling, robbery and sexual intrigue, Murder at the Inn is a treasure trove of dark tales linked to the best drinking haunts and historic hotels across the land.

The Homeopathic Revolution - Dana Ullman 2007-10-16

What do Mark Twain, David Beckham, Catherine Zeta-Jones, and Mother Teresa have in common? All have been enthusiastic fans of homeopathy, the alternative medical tradition that treats "like with like." Homeopathy has an incredible history of support by many of the most respected people of the past 200 years, and modern science is finally catching up. In The Homeopathic Revolution, Dana Ullman blends vivid personal stories and quotes from these and other luminaries from a variety of eras and fields with a new definition of homeopathy as "nanopharmacology"—one that will help people, including skeptics, start to understand its value. After explaining why conventional medicine is inadequately scientific, why homeopathy makes sense and works, and why it is so threatening to conventional medicine and drug companies, Ullman lets legends like Coretta Scott King, Cindy Crawford, Bill Clinton, Vincent Van Gogh, and other practitioners weigh in on the subject. By writing about homeopathy's heroes and telling their stories, Ullman is able to reference and describe important scientific studies in user-friendly language that verifies the value of this widely used but still misunderstood tradition.

The Readers' Advisory Guide to Nonfiction - Neal Wyatt 2007-05-14

Navigating what she calls the "extravagantly rich world of nonfiction," renowned readers' advisor (RA) Wyatt builds readers' advisory bridges from fiction to compelling and increasingly popular nonfiction to encompass the library's entire collection. She focuses on eight popular categories: history, true crime, true adventure, science, memoir, food/cooking, travel, and sports. Within each, she explains the scope, popularity, style, major authors and works, and the subject's position in readers' advisory interviews. Wyatt addresses who is

reading nonfiction and why, while providing RAs with the tools and language to incorporate nonfiction into discussions that point readers to what to read next. In easy-to-follow steps, Wyatt Explains the hows and whys of offering fiction and nonfiction suggestions together Illustrates ways to get up to speed fast in nonfiction Shows how to lead readers to a variety of books using her "read-around" and "reading map" strategies Provides tools to build nonfiction subject guides for the collection This hands-on guide includes nonfiction bibliography, key authors, benchmark books with annotations, and core collections. It is destined to become the nonfiction 'bible' for readers' advisory and collection development, helping librarians, library workers, and patrons select great reading from the entire library collection!

The Essential Mystery Lists - Roger M Sobin
2011-09-30

For the first time in one place, Roger M. Sobin has compiled a list of nominees and award winners of virtually every mystery award ever

presented. He has also included many of the "best of" lists by more than fifty of the most important contributors to the genre.; Mr. Sobin spent more than two decades gathering the data and lists in this volume, much of that time he used to recheck the accuracy of the material he had collected. Several of the "best of" lists appear here for the first time in book form. Several others have been unavailable for a number of years.; Of special note, are Anthony Boucher's "Best Picks for the Year." Boucher, one of the major mystery reviewers of all time, reviewed for The San Francisco Chronicle, Ellery Queen Mystery Magazine, and The New York Times. From these resources Mr. Sobin created "Boucher's Best" and "Important Lists to Consider," lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968.? This is a great resource for all mystery readers and collectors.; ; Winner of the 2008 Macavity Awards for Best Mystery Nonfiction.
