International Handbook of Education for Spirituality, Care and Wellbeing  
- Marian de Souza 2009-10-13

Acknowledging and understanding spiritual formation is vital in contemporary education. This book explores the dynamic relationship between education and wellbeing. It examines the theory underpinning the practice of education in different societies where spirituality and care are believed to be at the heart of all educational experiences. The book recognizes that, regardless of the context or type of educational experience, education is a caring activity in which the development of the whole person - body, mind and spirit - is a central aim for teachers and educators in both formal and informal learning. The chapters in this handbook present and discuss topics that focus on spirituality as an integral part of human experience and, consequently, essential to educational programs which aim to address personal and communal identity, foster resilience, empathy and compassion, and promote meaning and connectedness.

**Growing Love in Christian Marriage Third Edition - Pastor's Manual** - Jane P. Ives 2013-03-01

The Pastor's Manual is a marriage preparation and ministry resource for pastors and other church leaders for pre-marital counseling and for comprehensive marriage ministries including guidelines for training mentor couples, working with couples in groups, and relationship education for all ages. Includes everything you need to have a comprehensive marriage ministry: The Ministry of Marriage Preparation The Pastor's Role (expectations and perceptions; coaching and problem solving; experiences and attitudes) Theological Perspectives (personal responsibility and christian community; God's purposes for marriage; divorce and remarriage; marriage as vocation and covenant) Basic Goals for Marriage Preparation Ministries (religion, money, and sex; communication skills) Working with Couples First Session (wedding details, assessing the couple's preparation for marriage) Sessions with Individuals (premarital questionnaire responses, surfacing potential disagreements) Additional Sessions (finalizing wedding plans) Nurturing Marital Growth After the Wedding Mentor Couples (selecting and recruiting mentor couples; leadership team; training mentor couples) Marriage Preparation in Groups Comprehensive Marriage Ministries (relationship education for children, youth, and young adults; enrichment opportunities for married couples; support for couples in crisis) An extensive list of "Additional Resources" includes organizations and other marriage ministry programs that may be readily available and can be incorporated into local church and community ministries. Updates for these "Additional Resources," a "Directory of United Methodist Marriage Ministry" leaders and consultants, a "Training Model" for use of GLCM, and other helps are available at [www.marriagelovepower.net](http://www.marriagelovepower.net).

Sex Is Not the Problem (Lust Is) - A Study Guide for Women - Joshua Harris 2010-05-19

Celebrate Purity Overcoming lust is a process that requires diligent focus and accountability from others, and these in-depth guides help establish both. They're designed for a variety of settings, from one-on-one accountability partnerships to Sunday school classes. Sex Is Not the Problem (Lust Is) made the statement that lust is a human problem (not just a guy problem) and that Jesus can free anyone from its power. Going further, these gender-specific study guides feature questions and discussion starters that directly address the temptations unique to men and women. These resources are a must-have for anyone challenged to defeat lust and celebrate purity in their lives. Lust Is Not Just a Guy Problem Based on the bestselling message in Sex Is Not the Problem (Lust Is), Joshua and Shannon Harris offer a companion study guide specifically designed to address the issues women face. For use in a personal or group setting, this in-depth guide is a tool to help you apply the book's principles as you go further on your journey to holiness. "Sex Is Not the Problem (Lust Is) offers help and hope—not just for those who are dealing with sexual lust, but for anyone besieged by temptation of any kind." —Nancy Leigh DeMoss Author, host of the Revive Our Hearts radio program Includes a Modesty Heart-Check for Girls Each of the ten small-group sessions includes:

- Easy Review: A quick chapter summary makes review simple.
- Discussion Questions: Questions that serve as icebreakers, and then lead to deeper discussion and personal application.
- Accountability Follow-Up: Questions to help check each other's progress in a truthful and caring setting.
- Meditate and Memorize: Key Scriptures that will help women gain victory over lust.
- Custom-Tailored Action Plan: Women will be led in a step-by-step formulation of an Action Plan, uniquely tailored to combat their specific battles.

Story Behind the Book "I was preparing a message on lust when I realized that the book I wanted to consult hadn't been written. That book would make it clear that only Jesus Christ can free us from the hopeless treadmill of shame and guilt that so many well-intentioned people end up on. It would instill a love for holiness and a hatred for sin without dragging the reader's

imagination through the gutter. And it would be for both men and women, because I've learned that lust isn't just a guy problem—it's a human problem." —Joshua Harris

*Family Planning* - Charles Balsam 1985-06

Family planning isn't just about trying not to have children; it's also about deciding when to have children. In fact, natural family planning methods can be used to help people have children. The revised 4th edition of this booklet offers medical information on family planning techniques with a down-to-earth discussion of topics related to family planning. The dangers and disadvantages of some of the newest artificial forms of birth control are also examined. This important book for young married couples will lead them to reflect on and discuss the significant issues of faith and intimacy that affect their lives together. 48 pages; Booklet 5-1/8 x 7-3/8

**Getting the Marriage Conversation Right** - William B. May 2012 Stand with Children equips Catholics to engage the culture with a reasoned approach expressing God's plan for creation that is not dependent on belief in God. Marriage, the only institution that unites kids with their moms and dads, has been recognized by every culture, society, and religion, each according to their own competencies. Book jacket.

*Being Gay and Lesbian in a Catholic High School* - Michael Joseph S. Maher 2001

The only study of its kind, *Being Gay and Lesbian in a Catholic High School* offers compelling evidence to Catholic educators, clergy, and laypeople that their superb academic institutions are not fulfilling the clear mandate of the Church on inclusive, loving behavior toward sexual minorities. This powerful and moving book presents personal testimonies and an original study of Catholic students' attitudes toward gays and lesbians, as well as reprinting the actual teachings of the Church on homosexuals and homosexuality. To view an excerpt online, find the book in our QuickSearch catalog at [www.HaworthPress.com](http://www.HaworthPress.com).

**The Educational Philosophy of the American Catholic Hierarchy in the 20th Century** - Michael Joseph S. Maher 2005

The task of this book is to describe the contemporary educational philosophy of the Catholic magisterium. This review is based upon official Catholic magisterial documents. Documents have been limited to

the last century, focusing particularly on documents since the Second Vatican Council. Special attention is given to statements of the United States Catholic Conference because the expected audience for this book is Catholic educators and researchers working in the United States. Three elements make up the educational philosophy of the Catholic magisterium: education as social, the presence of God in the daily world, integration of every available element in an effort at holistic education. Catholic education hands over a cultural heritage as well as the Faith. It is aimed at building a better society and protecting certain eternal truths from popular false teachings. The Church has not only a right to educate, but also a duty to do so. The theme of integration, or holistic education, is very important in Catholic education: integration of faith and knowledge, integration of the home and the school, integration of faith and lived experience. education.

*Sex Education* - Randy Engel 2016-03-31

Proves why classroom sex education is always wrong and always harmful; that it destroys modesty; awakens the passions; promotes sexual activity and fosters acceptance of sexual sins. Shows where it comes from; who promotes it; that it is all-pervasive. Gives the Church's position; that sex education is the right and duty of parents only; which may be delegated to others; but never usurped! A must for parents; teachers and priests.
