Edition - Dr. D. K. Olukoya 2020-08-27

Patterned after the annual feasts of the Tabernacle, the annual 70 days of fasting and prayer program is an annual spiritual sacrifice that cannot but yield power and breakthroughs given the covenant that backs it up. "We give all the glory to the Lord for what He has been doing with our annual Seventy days prayer and fasting programme. The Lord has used the programme to: Ignite the fire of revival in thousands of lives, put stubborn pursuers to flight, produce prayer eagles, open chapters of prosperity for many, confuse satanic dribblers and put the enemies' gear in reverse. Prayer is of great value in turbulent and non-turbulent situations. Prayer is a necessity not an option." "Howbeit this kind goeth not out but by PRAYER AND FASTING" (Matt 17:21).

Drunk with Blood - Steve Wells 2013-07-16

Completely Revised Second Edition with 23 new killings from the Apocrypha. Drunk With Blood includes a separate account for each of God's 158 killings. These stories fill the pages of the Bible, yet they are seldom read in church and are ignored by most Bible believers, which is a shame because God is so proud of his killings: "I kill ... I wound ... I will make mine arrows drunk with blood and my sword shall devour flesh." Deuteronomy 32:39-42 You've probably hear of a few of God's killings. Noah's Flood, Sodom and Gomorrah, David and Goliath, maybe. But there are over 150 others that are unknown to pretty much everyone, believer and nonbeliever alike. Did you know, for example, that God: *Forced friends and family to kill each other for dancing naked around Aaron's golden calf? *Burned Aaron's sons to death for offering him strange fire? *Burned complainers to death, forced the survivors to eat quail until it literally came out their noses, sent "fiery serpents" to bite people for complaining about the lack of food and water, and killed 14,700 for complaining about his killings? *Buried alive those that opposed Moses (along with their families)? *Burned 250 men to death for burning incense? *Rewarded Phinehas for throwing a spear through the bellies of an inter-tribal couple while they were having sex? *Ordered, assisted in, or approved of dozens of complete genocides? *Accepted human sacrifice in the cases of Jephthah's daughter and Saul's seven sons? *Helped Samson murder thirty men for their clothes, slaughter 1000 with the jawbone of an ass, and kill 3000 civilians in a suicide terrorist attack? *Smote the Philistines of several cities with hemorrhoids in their secret parts? *Killed a man for trying to keep the ark of the covenant from falling and 50,070 for looking into the ark? *Approved when David bought his first wife with 200 Philistine foreskins? *Killed King Saul for not killing every Amalekite as he told him to do? *Slowly killed a baby to punish King David for committing adultery? *Killed 70,000 because David had a census that he (or Satan) told him to do? *Sent a lion to kill a

prophet for believing another prophet's lie, another lion to kill a man for not smiting a prophet, and some more lions to kill people that didn't fear him enough? *Killed 450 religious leaders who lost a prayer contest with Elijah and burned 102 men to death for asking Elijah to come down from his hill? *Sent two bears to rip apart 42 boys for making fun of Elisha's bald head? *Killed 27,000 Syrians by having a wall fall on them, sent an angel to kill 185,000 sleeping soldiers, interfered in human battles to kill a half million Israelite and a million Ethiopian soldiers? *Killed King Ahab for not killing a captured king, and then sent King Jehu on a series of mass murders to kill all of Ahab's family and friends who had ever "pissed against a wall?" *Killed Jehoram by making his bowels fall out? *Killed Job's ten children in a bet with Satan? *Killed Ezekiel's wife and told him not to mourn her? *Killed Ananias and Sapphira for not giving Peter all their money? *Killed King Herod by feeding him to worms? All of these killings, and more, are found in the Bible, and their stories are told in the 2nd Edition of *Drunk With Blood*.

Raising Kingdom Kids - Tony Evans 2014-08-22
From the bestselling author of *Kingdom Man* and *Kingdom Woman*, *Raising Kingdom Kids* equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture. He then takes a practical turn, with examples and illustrations to help parents understand and provide specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more. This book is for every dad or mom who wants to fulfill the parenting role God

has given them—not just in raising healthy kids intellectually, physically, and socially, but in contributing to their child's relationship with God and alignment under His plan.

The Letters of S. Ambrose, Bishop of Milan - Saint Ambrose (Bishop of Milan) 1881

The Training of the Twelve - Alexander Balmain Bruce 2011-01

One of Jesus' most important endeavors during His short ministry involved the preparation of His twelve disciples for the work they would need to accomplish. The importance of studying Jesus' methodologies cannot be overstated. While there is much we can learn from His words and deeds, it is His work in training the disciples that facilitated the promotion and growth of the Kingdom in the first century. If we would become His disciples, we must sit at His feet and be trained by Him as He trained the twelve. "The Training of the Twelve" was written in the face of growing doubt about the legitimacy of the Gospels as authentic witnesses to the life and work of Jesus. In "The Training of the Twelve," Bruce seeks to prove that the portrayal of Jesus and His disciples is authentic, and therefore their message is believable as revealed in the New Testament. Whereas the nineteenth century liberal scholars were saying that the disciples invented the story of Jesus, "The Training of the Twelve" provides sufficient proof that it is Jesus who transforms the disciples into the Apostles, and that their testimony is true. This compelling defense of the portrayal of Jesus and His disciples in the Gospel accounts is, if anything, even more necessary now than it was when it was first written. Scholars today continue to perpetuate many of the claims of the nineteenth century liberal scholars and have even gone beyond them in denying the legitimacy of the Gospel accounts of the life of Jesus of Nazareth. In a world that believes in a distinction between the 'historical Jesus' and the 'Jesus of faith,' "The Training of the Twelve" demonstrates that the two are really one and the same.
