Filming Women in the Third Reich Jo Fox 2000-07 In 1936, Goebbels stated that 'a government that controls art will remain forever', and the German film industry became inextricably linked with National Socialist propaganda. This book is an historical evaluation of the role and image of women in the feature films of the Third Reich. The author challenges current perceptions of the National Socialist position with regards to women and examines the creation of a female film culture, as well as the 'blurring' of gender distinctions as a result of the war. Goebbels and his wife personally selected young movie actresses at their home to portray mothers, vamps, girls-next-door and exotic love interests. His interest in film opens up an array of important issues central to this book: Were women compliant with Nazism or were they the victims of a regime imposing policies ultimately detrimental to their condition? Is it true that the war helped to emancipate women who were not only romantic and patriotic heroines on screen but employed as drivers, technicians and even managers of government affiliated film departments? Did all films produced under the auspices of the Third Reich serve as propaganda and if so, how successful were they? And finally, what can the study of cinema contribute to the historical debate surrounding National Socialism? This book fills a considerable gap in the research of the Nazi star system and makes a crucial contribution not only to cinema history, but also to our view of the perceived role of women in the Third Reich.

Junk Mail Kendall Ryan 2019-04-23 It all started with a sexy selfie. Texted to the wrong number. Oops. Not my finest moment—but I have nothing to be ashamed of. She thought I was no better, and I quote, than the knuckle-dragging douche-bags she was never dating again. It was a stupid dare from a girl I'd met online, but since she'd given me a fake number, I didn't feel bad that my interests were suddenly focused elsewhere—on the fiery and sharp-tongued, Peyton that I found myself sparring with over text for the rest of the evening. The following day, my case of mistaken identity came back to bite me in the banana. When I strolled into the office, I was introduced to Peyton as the new client I needed to win over. The Peyton, in case you're not tracking. And let's just say she had my full attention. Brains? Check. Beauty? Oh yeah. And the best part? She hated me on sight. Dear God, do I love a challenge. Let the games begin.

It seems as though everyone in the church has an idea about who the new pastor needs to be and what direction he should be going. In the tradition of Gloria Naylor's *Women of Brewster Place*, Bowen weaves the hilarious stories of several church members as they plan, plot, and connive to have their choice installed as the next pastor before the anniversary celebration. *Second Sunday* refers to one of the main worship Sundays in small traditional Baptist churches. In the book, it is the day of the scheduled centennial celebration.

CALLAGHAN GREEN SERIES but can be read as a standalone. *Creating Characters* Howard Lauther 2011-01-14 A frequent problem area for fiction writers is characterization. If writers jump headlong into a story with only a fuzzy notion about the people who are in it, the result is a collection of characters who are cliched, stereotypical and not very interesting. *Creating Characters* is an easy to use reference work that looks at character development from many different angles. The book does not tell writers how to write. Instead, it generates a thought process by asking crucial questions about characters' internal and external traits, wants, needs, likes, dislikes, fears, beliefs, strengths, weaknesses, habits and backgrounds. Following these questions, the writer will find an ever deeper and wider array of options. Thus, *Creating Characters* helps writers delve as deeply into a character's psychology as they want. All characters, and the stories they people, can be made richer and more compelling.

Soon they're burning up the sheets, but when morning comes and the smoke clears, Katy faces a choice she never thought she'd have to make again. To leave for another ten years...or admit that the heat between her and Trent isn't about to burn out. Flirty Cathryn Fox 2017-12-18 A summer fling so hot, it can raise spirits... Home renovation specialist Alexis Miller thought snapping up an old Victorian fixer-upper in podunk Whispering Cove would put her on the fast track to proving herself to her brothers. She can handle cooling her heels to wait for the right permits. It's the ghosthunter claiming he needs to spend the night to check out the "cold spots" that's got her body temperature fluctuating. When Sam Doherty responds to an emergency phone call to cleanse a haunted house in Whispering Cove, the first thing he notices is how Alexis hides her femininity behind baggy coveralls—and how she wants to cover up the old home's beauty with modern frills. As a guy who "sees" things others can't, he sets out to teach her to appreciate the hidden beauty, inside and out. Scary noises soon send Alexis into Sam's arms, and when a kiss leads to passionate lovemaking, Alexis wonders if it's possible to find common ground in this small town. Or, once the house is "clean", if Sam will disappear faster than a ghostly apparition. Warning: Contains enough sexual tension to raise spirits and turn any cold spot into a sweltering vortex of heat and passion.

Flirting with Temptation Kelley St. John 2009-02-01 Babette Robinson changes careers and lovers as easily as she changes hairstyles. But after losing her last job, she's beginning to see that her feather-to-the-wind mentality can be unsatisfying in the long run. She's been helping a string of friends solve their relationship problems, and when one pal points out to Babette that she could make a career out of curing people's romantic ills, she decides to dub herself "The Love Doctor" -- a match-mender-for-hire. Living in Birmingham, Alabama, with its elite class of wealthy women, Babette has access to the ideal clientele, including the well-known Birmingham socialite Kitty Carelle. Having unceremoniously dumped her lover, Kitty now regrets her hasty decision and wants him back. Trouble is, the man Kitty seeks to recapture is none other than Jeff Eubanks -- Babette's ex! The carefree Babette of three years ago had written him off with a shrug, yet now she can't help remembering that he did give her the absolute best sex of her life...not to mention his charm, good looks, and brains. To save her newfound career and prove she can stick with something--if not someone--Babette is determined to mend Kitty and Jeff's broken relationship, but Jeff has other plans. He was crazy about Babette when she suddenly bailed on their relationship, and after Kitty did the same he became convinced that no woman can ever commit. To prove his point, Jeff issues Babette a challenge: no flirting for a week, and he'll talk to Kitty. That is, if, after seven tempting nights on the beach with Jeff, it's still with Kitty that she wants him to reconcile.
