Wild Love Dreaming-Bear Baraka Kanaan 2008-10 It is my great joy to introduce you to Wild Love, this volume of ecstatic poetry by Dreaming-Bear Baraka Kanaan. A true spoken word genius, Dreaming-Bear is this generation's poet laureate of the heart. Dreaming-Bear is a master of metaphor; "each molecule-mantra" tenderly kissing the soul's "supernova of senses." As you turn these pages, be prepared to be awakened as his eloquent and alluring words transport you to the "naked tenderness of truth" and the laughter and playfulness of "holy amorous mischief." Dreaming-Bear's spiritual DNA is powerful. A prodigy of Native American and Middle Eastern (Lebanese) decent, his ancestry illustrates a similar lineage with some of the world's most profound poets: Gibran, Rumi, and Hafiz. Reminiscent of these poetic greats, Dreaming-Bear's understanding of science and spirit as well as his deep attunement to the whispers of nature allow you to see yourself as Lover and Beloved, in universal Oneness. Through his words we become enlightened, separation becomes an illusion, and a spiritual awakening unfolds. Our layers of identity, stories, victories, and laments to the Self that transcend personality disappear and we discover our ultimate identity that is everyone and everything. Far from a state of self-delusion or escapism, this awakening represents the ultimate development of the most valuable qualities of human life: kindness, compassion, freedom, intelligence, and creativity. Under Dreaming-Bear's love spell, you will be ravished by "subatomic particles having a party" and will be moved to "undress your soul inside your heart's hallway." Together with Dreaming-Bear we can end the emotional ignorance of the past and learn to treat each other and ourselves with greater dignity and understanding. His work deserves a wide and universal audience of not only poetry lovers, but also of life lovers everywhere. His vision is fully worthy of our cosmic status as spiritual beings in human form. "Wild Love" can uplift the human race into human grace, where we can live "the light of a billion suns" and "surrender everything to love" for "tonight we dance!" - Harold Bloomfield, M.D., author of nineteen books including The New York Times best-seller "How to Survive the Loss of a Love." In the tradition of Rumi or Hafiz, Wild Love is a collection of love spells written in luminous word tapestries and divinely orchestrated to deeply inspire, passionately move, and spiritually intoxicate the reader to rise soul over senses in love. Through each heartfelt, magical, and poetic spell you will find yourself awakening to the unconditional love of Source, Lover, and the Earth.

The Wild Love of God Chris DuPré 2016-04-05 "It's not possible to ever know enough about the love of God." Chris DuPré, acclaimed worship leader, musician, and speaker, shares his story of growing up in small-town, Upstate New York with his unpredictable dad, a WWII vet struggling with PTSD before PTSD was diagnosable. Even amid financial frailty and a broken family, Chris DuPré traces the finger of God that, against all odds, led him through emotional and physical abuse in childhood to a miraculous conversion in adolescence during the Jesus Movement, and, years later, to a pivotal decision in a garden between two options: love or bitterness. Written with candor, humor, and grace, this is a narrative of forgiving those before us and loving those around us that every Christian will instantly recognize. Although names may change, the cosmic story remains the same: we can love because He first loved us—with a wild, cleansing, transformative love.

She made it very realistic in the sense that not only did I fall madly in love with Michael, but she forces you to really feel for Jeremy

(Juliana's first love). You are struggling inside as to which man you really want her to be with." —Book Lover, 4.5 Stars "I read this book in less than a twenty-four hour period. I can't remember the last time a story held me as mesmerized as LOVE AT FIRST FLIGHT; I couldn't get enough and wanted more... Ms. Force pens so much more than a simple romance, her voice has that "certain something" which captivates the reader from first word to the last. She creates a story and characters the reader can embrace and cheer on whole-heartedly with a smile and a lump in the throat." —Once Upon A Romance "And to you, Marie Force, what a talented author you are—your characters are captivating and come to life through your writing—they jump out of the pages and into the reader's heart. The plot is well-developed, flows smoothly, and engages the reader from beginning to end. Emotions are strong and written with such clarity that you feel them inside as if they were your own." —World According to Books "This isn't just a romance novel or a legal story or any other classification but a mixture of many that cannot be separated. It's a fantastic mix of romance against a legal story with danger lurking around every corner. There are high-speed car rides as well as romantic dinners with walks along the beach. An assassin comes into play as well as a teenage witness. It's a book that should interest a broad spectrum of readers." —Night Owl Reviews, 4.75 out of 5, Reviewer Top Pick "LOVE AT FIRST FLIGHT by Marie Force is most definitely a keeper. It is an astounding book. I loved every single word!" —Wild on Books, 4.5 Bookmarks "Marie Force really has a knack for getting the reader emotionally involved with her characters. I felt the same way when I read Line of Scrimmage and Love at First Flight is no exception. I have to give kudos to her for writing such an unconventional romance so well. The fact that she could engage my emotions throughout the whole book really is a testament to her skillfulness of storytelling." —Book Binge "What I really liked about these two characters is the way they take care of each other. There is an art to that, to doing small things for each other without thinking, with pleasure even, because you know the other will appreciate it. Julianna is a nurturing person, with everyone around her, and that's just what Michael needs. For his part, Michael offers Julianna a helping hand when she needs it, and some space to be an adult, even when he would prefer to get closer." —AlphaHero

The Simple Wild K.A. Tucker 2018-08-07 City girl Calla Fletcher attempts to reconnect with her estranged father, and unwittingly finds herself torn between her desire to return to the bustle of Toronto and a budding relationship with a rugged Alaskan pilot in this masterful new romance from acclaimed author K.A. Tucker. Calla Fletcher was two when her mother took her and fled the Alaskan wild, unable to handle the isolation of the extreme, rural lifestyle, leaving behind Calla's father, Wren Fletcher, in the process. Calla never looked back, and at twenty-six, a busy life in Toronto is all she knows. But when her father reaches out to inform her that his days are numbered, Calla knows that it's time to make the long trip back to the remote frontier town where she was born. She braves the roaming wildlife, the odd daylight hours, the exorbitant prices, and even the occasional—dear God—outhouse, all for the chance to connect with her father: a man who, despite his many faults, she can't help but care for. While she struggles to adjust to this new subarctic environment, Jonah—the quiet, brooding, and proud Alaskan pilot who keeps her father's charter plane company operational—can't imagine calling anywhere else home. And he's clearly waiting with one hand on the throttle to fly this city girl back to where she belongs, convinced that she's too pampered to handle the wild. Jonah is probably right, but Calla is determined to prove him wrong. As time passes, she unexpectedly finds herself forming a bond with the burly pilot. As his undercurrent of disapproval dwindles, it's replaced by friendship—or perhaps something deeper? But Calla is not in Alaska to stay and Jonah will never leave. It would be foolish of her to kindle a romance, to take the same path her parents tried—and failed at—years ago. It's a simple truth that turns out to be not so simple after all.

Tucker 2019-08-06 INTERNATIONAL BESTSELLER The bestselling author of The Simple Wild and Keep Her Safe and "master of steamy romance" (Kirkus Reviews) delivers a sizzling novel about an ambitious and high-powered executive who reconnects with her first love: the boy who broke her heart. Life is a mixed bag for Piper Calloway. On the one hand, she's a twenty-nine-year-old VP at her dad's multibillion-dollar real estate development firm, and living the high single life with her two best friends in a swanky downtown penthouse. On the other hand, she's considered a pair of sexy legs in a male-dominated world and constantly has to prove her worth. Plus she's stuck seeing her narcissistic ex-fiancé—a fellow VP—on the other side of her glass office wall every day. Things get exponentially more complicated for Piper when she runs into Kyle Miller—the handsome new security guard at Calloway Group, and coincidentally the first love of her life. The guy she hasn't seen or heard from since they were summer camp counselors together. The guy from the wrong side of the tracks. The guy who apparently doesn't even remember her name. Piper may be a high-powered businesswoman now, but she soon realizes that her schoolgirl crush is still alive and strong, and crippling her concentration. What's more, despite Kyle's distant attitude, she's convinced their reunion isn't at all coincidental, and that his feelings for her still run deep. And she's determined to make him admit to them, no matter the consequences.
