

# Get Ready Girl Games

Girl Code - Andrea Gonzales 2017-03-07

A New York Public Library Best Book of 2017 Perfect for aspiring coders everywhere, *Girl Code* is the story of two teenage tech phenoms who met at Girls Who Code summer camp, teamed up to create a viral video game, and ended up becoming world famous. The book also includes bonus content to help you start coding! Fans of funny and inspiring books like Maya Van Wagenen's *Popular* and Caroline Paul's *Gutsy Girl* will love hearing about Andrea "Andy" Gonzales and Sophie Houser's journey from average teens to powerhouses. Through the success of their video game, Andy and Sophie got unprecedented access to some of the biggest start-ups and tech companies, and now they're sharing what they've seen. Their video game and their commitment to inspiring young women have been covered by the Huffington Post, BuzzFeed, CNN, Teen Vogue, Jezebel, the Today show, and many more. Get ready for an inside look at the tech industry, the true power of coding, and some of the amazing women who are shaping the world. Andy and Sophie reveal not only what they've learned about opportunities in science and technology but also the true value of discovering your own voice and creativity. A Junior Library Guild selection A Children's Book Council Best STEM Trade Book for Students K-12

*Who's in the Game?* - Terri Toles Patkin 2020-11-20

Some board games--like Candy Land, Chutes & Ladders, Clue, Guess Who, The Game of Life, Monopoly, Operation and Payday--have popularity spanning generations. But over time, updates to games have created significantly different messages about personal identity and evolving social values. Games offer representations of gender, sexuality, race, ethnicity, religion, age, ability and social class that reflect the status quo and respond to social change. Using popular mass-market games, this rhetorical assessment explores board design, game implements (tokens, markers, 3-D elements) and playing instructions. This book argues the existence of board games as markers of an ever-changing sociocultural framework, exploring the nature of play and how games embody and extend societal themes and values.

**The Girl in the Arcade Vol. 1** - Okushou 2022-03-08

At his job working in an arcade, "Mobuo" gets pretty much ignored by everyone--even his nickname references the way he blends into the background like some kind of NPC. All that changes when gorgeous, larger-than-life Yaegashi Nanora barges into the place and demands his help learning the ins and outs of the arcade's trickiest games. And did she just ask him out?! One thing's for sure, it's the beginning of a summer full of arcade fun and simmering sexual tension!

**Game of Love** - Grace Roberts

Seven years ago, he only managed to steal a kiss. Now he's determined to steal her heart. Being drafted by an NFL team was the only thing Myles Kingsley focused on through college. Determined to pursue his dream, he stayed away from serious relationships--until he met a girl who captured his heart with one single kiss, then ran away with it, leaving him with only the memory of that perfect night. Seven years later, amidst a scandal that threatens his thriving career, he returns home to the shock of his life, when he finds she is the new owner of the local pub. Nicole Goffman never wanted to get attached to anything or anyone, too afraid she would eventually end up empty-handed. She had goals to pursue and no intention of letting anyone change her mind or her plans, let alone a football jock who was as handsome as he was cocky. But when he kissed her and her resolve faltered, all she could do was run away to protect her heart. Until seven years later he walks into her pub, and suddenly that kiss is all she can think of. Although Nicole is planning to leave town after she finalizes the sale of the pub, Myles has no intention of letting her walk out of his life again. But between her trust issues and his career in the NFL, finding a way to win Nicole's heart could be the toughest game Myles has ever played. A sweet romance for fans of heartwarming stories and small-town settings. *Game of Love* is a prequel to the *Love in Spring* series, but it can be read on its own.

**The 5 Second Rule** - Mel Robbins 2017-02-28

-Throughout your life, you've had parents, coaches, teachers, friends, and mentors who have pushed you to be better than your excuses and bigger than your fears. What if the secret to having the confidence and courage to enrich your life and work is simply knowing how to push yourself?

Using the science of habits, ... stories, and surprising facts from some of the most famous moments in history, art, and business, Mel Robbins will explain the power of a 'push moment.' Then, she'll give you one simple tool you can use to become your greatest self--Amazon.com.

**The Girl Games** - Joan Holub 2012-07-10

The first-ever standalone superspecial in the Goddess Girls series--let the games begin! Athena, Medusa, Artemis, and Persephone are sick and tired of being left out of the annual boys-only Olympic Games. Their solution? The Girl Games! But as the Goddess Girls work to make their dream into a reality, they come up against plenty of chaos and competition. Told in alternating points of view, this superspecial is packed with Olympic spirit!

*Throw Like a Girl* - Jennie Finch 2011-08-01

The evidence is overwhelming: sports help girls grow into strong women. Both scientific studies and anecdotal evidence confirm that athletic girls not only grow up to be healthier; they learn teamwork, gain inner confidence, and grow into society's leaders. Sports help preteen and teenage girls make the right choices in a society that is sending them incredibly mixed messages about who they are supposed to be. Yet no one is speaking directly to these girls. Jennie fills the role of girlfriend, big sister, team captain, and mentor. A smart, credible, and accomplished voice from an athlete who is strong and feminine, fiercely competitive, and fashionably cool, Jennie is someone young women will listen to and take to heart. Jennie's message: Believe in yourself. Go for it, girls.

*The '80s Resurrected* - Randy Laist 2023-03-08

The 1980s is remembered as a time of big hair, synthetic music, and microwave cookery. It is also remembered as the heyday of conservative politics, socioeconomic inequality, and moral panics. It is dichotomously remembered as either a nostalgic age of innocence or a regressive moral wasteland, depending on who you ask, and when. But, most of all, it is remembered. In retro fashion trends, in '80s-based film and television narratives, and through countless rebooted movies, video games, superheroes, and even political slogans imploring us to Make America Great Again (Again). More than merely a historical period, "the '80s" has grown into a contested myth, ever-evolving through the critical and expressive lens of popular culture. This book explores the many shapes the '80s mythos has taken across a diverse array of media. Essays examine television series such as *Stranger Things*, *Cobra Kai*, and *POSE*, films such as *Dallas Buyers Club*, *Summer of '84*, and *Chocolate Babies*, as well as video games, pop music, and toys. Collectively, these essays explore how representations of the 1980s influence the way we think about our past, our present, and our future.

*I Wreck This Journal* - Karle Mee 2021-03-31

IF YOU ARE LOOKING FOR A SPECIAL CREATIVE "WRECK THIS JOURNAL" BOOKS, this book is your perfect choice. In the world of stress and anxiety we need some special things that can make us happy, that's why we created this journal that has the power to make you feel better. For all girls, what could be better than this eco-friendly fun creative fashion activity book? Most of us ( girls) loved to play dress-up games on the Internet . choosing good hairstyle, dress, and shoes for much happiness. However this repetitive girl game, we still play them without getting bored. Now it is time for more creativity. What good are your wings without the courage to fly? The mind is the wings and creativity is the courage. If the lifestyle is a universe, creativity is a big bang. ♥Have you ever thought you could start designing by using some easy stuff?♥ □ If you are looking for a unique creative eco-friendly book with much fun, You are in the right place. □ if you are looking forward to an activity book that combines ( drawing, coloring, repurposing every day materials, creativity, cut and paste ) , This book is your perfect choice. What is this journal for? In this world full of anxiety, stress, depression, we forget to smile . We want people to smile . We created this journal to do all those things which the world will tell you not to do. Believe it or not we all enjoy destroying things and that's the principle behind this journal. What makes this book different of other "WRECK THIS JOURNAL" books ? You will enjoy destroying not only this journal but also everything around you in a creative way. This book will make you get inspiration from everything around you; fallen flowers, burnt matches, colorful sands,.....etc to make up dress, hair, and shoes, even if

you haven't tried this before. Let's also give food for thought to make amazing designs. Who knows maybe the next time eco-friendly designs will become the fashion. Perhaps one day when you want to look for a party dress, you can collect some food, flowers or leaves and your dress will be ready. It is funny but Everything is possible. This book is the best unique activity book gifts for birthdays, Valentine's, Christmas, study success occasions to put on female hands. Whenever you feel bored or unhappy again, open this journal and move to next activity. For whom this will be a perfect fit? As everyone enjoys destroying things and destroying this journal has no real effects so this will be a perfect fit for everyone who wants to be happy and enjoy the life. ☐Hours of fun for all family and friend girls. ☐Large huge pages with high-quality white paper. ☐ It contains a lot of single-sided designs for ease of removal. ☐This book is suitable for all girls (5 years to up). ☐Easy-to-follow design tasks and simple practical projects. ☐Draw and color creations, choose materials, and learn to design through drawing your fashion. ☐Packed with practical tips, inspiration and experimenting with new ideas. ☐Illustrations mixed with photography for inspiration such as how to choose gorgeous colors, design dress shapes, design with texture, and sparkle. Enjoy " I WRECK THIS JOURNAL" creative artworks, share it with your family and friends and be inspired. NOTICE: THes book has nothing to do with KERI SMITH and if you want to buy one of his journals, this is not the product.

*A Game of Their Own* - Jennifer Ring 2015-04

In 2010 twenty American women were selected to represent Team USA in the fourth Women's Baseball World Cup in Caracas, Venezuela; most Americans, however, had no idea such a team even existed. *A Game of Their Own* chronicles the largely invisible history of women in baseball and offers an account of the 2010 Women's World Cup tournament. Jennifer Ring includes oral histories of eleven members of the U.S. Women's National Team, from the moment each player picked up a bat and ball as a young girl to her selection for Team USA. Each story is unique, but they share common themes that will resonate with young female players and fans alike: facing skepticism and taunts from players and parents when taking the batter's box or the pitcher's mound, self-doubt, the unceasing pressure to switch to softball, and eventual acceptance by their baseball teammates as they prove themselves as ballplayers. These racially, culturally, and economically diverse players from across the country have ignored the message that their love of the national pastime is "wrong." Their stories come alive as they recount their battles and most memorable moments playing baseball—the joys of exceeding expectations and the pleasure of honing baseball skills and talent despite the lack of support. With exclusive interviews with players, coaches, and administrators, *A Game of Their Own* celebrates the U.S. Women's National Team and the excellence of its remarkable players. In response to the jeer "No girls allowed!" these are powerful stories of optimism, feistiness, and staying true to oneself.

*Well Played 3.0* - Et Al 2011

Following on *Well Played 1.0* and *2.0*, this book will also be full of in-depth close readings of video games that parse out the various meanings to be found in the experience of playing a game. Contributors will analyze sequences in a game in detail in order to illustrate and interpret how the various components of a game can come together to create fulfilling a playing experience unique to this medium. Contributors will again be looking at video games, some that were covered in *Well Played 1.0* and *2.0* as well as new ones, in order to provide a variety of perspectives on more great games.

*We Were the All-American Girls* - Jim Sargent 2013-05-03

Here are 42 interviews with women who competed in the All-American Girls Professional Baseball League. Each interview features data about the player, a short summary of her athletic career, and the player's recollections. A brief history covers the many changes as the league evolved from underhand pitching with a 12-inch circumference ball in 1943 to overhand pitching, adopted in 1948, through the circuit's final year, 1954, when a regulation baseball was introduced. The interviews range from 1995 to 2012 and reveal details of particular games, highlights of individual careers, the camaraderie of teammates,

opponents and fans, and the impact the League made on their lives. Several players recall how the 1992 movie A League of Their Own

brought the historic All-American League back to life almost 40 years after the final game was played.
