How to Really Love Your Adult Child - Gary Chapman 2011-03-01

More than 10 years after Parenting Your Adult Child was published, much has changed - including young adults themselves, as well as their parents. Economic upheavals, challenges to traditional values and beliefs, the phenomenon of over-involved "helicopter parenting" - all make relating to grown children more difficult than ever. Yet at the same time, being a parent of an adult child can bring great rewards. This revised and updated version of Dr. Gary Chapman's and Dr. Ross Campbell's message will help today's parents explore how to really love their adult child in today's changing world. The book includes brief sidebars from parents of adult children and adult children themselves with their own stories. An online study guide will also be available.

First Time Dad - John Fuller 2011-05-01

Perhaps the most powerful influence in the world is that of a dad on his child. Baseball gloves, dirty diapers, tiny little hands, first days of school, daddy-daughter dances, and learner's permits... and so much more! There's no way you can be ready for it all, but this is when you need to get a bit of a head start... First Time Dad by Focus on the Family ministry veteran (and father of 6) John Fuller lets you in on the stuff you really need to know... because in just a few months or weeks or days, your life is going to change--forever. Set good priorities. Break bad habits and/or family patterns. Recognize and recover from some common fathering mistakes. Know that your words have immense power. And learn how to cultivate a lasting parent-child relationship. So, instead of wondering "oh man, oh man, oh man... what am I going to do now?" for 9 months... read this short book (plus it's pretty fun too) and get excited! "Dad, your job is critical... And you can do it."

The 5 Love Languages/5 Love Languages for Men/5 Love Languages of Teenagers/5 Love Languages of Children - Gary Chapman 2016-04-15

This set includes The 5 Love Languages, The 5 Love Languages for Men, The 5 Love Languages of Teenagers, and The 5 Love Languages of Children. In The 5 Love Languages, #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and

strengthen your relationship. You can build a lasting, loving marriage together. In *The 5 Love Languages for Men*, Dr. Chapman guides husbands in identifying, understanding, and speaking their wife's love language. Husbands are commanded to love their wives, but do you know what really makes your wife feel loved? Are you tired of missed cues and confusing signals? Everyone has a primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. Each chapter concludes with ten simple and practical ideas for expressing that love language to your wife. You'll both enjoy taking the new love languages assessment and building a lasting, loving marriage. Includes a promotional code to gain exclusive online access to the new comprehensive love languages assessment. In *The 5 Love Languages of Children*, the author examines the different languages your children speak. Sometimes they waver for your attention, and other times they ignore you completely.

Sometimes they are filled with gratitude and affection, and other times they seem totally indifferent. Attitude. Behavior. Development. Everything depends on the love relationship between you and your child. When children feel loved, they do their best. But how can you make sure your child feels loved? Since 1992, Dr. Gary Chapman's best-selling book *The Five Love Languages* has helped more than 300,000 couples develop stronger, more fulfilling relationships by teaching them to speak each others love language. Each child, too, expresses and receives love through one of five different communication styles. And your love language may be totally different from that of your child. While you are doing all you can to show your child love, he may be hearing it as something completely opposite. Discover your child's primary language and learn what you can do to effectively convey unconditional feelings of respect, affection, and commitment that will resonate in your child's emotions and behavior.

In *The 5 Love Languages of Teenagers*, Dr. Gary Chapman explores the world in which teenagers live; explains the developmental changes; and give tools to help you identify and appropriately communicate in your teens love language.

Socially, mentally, and spiritually teenagers face a variety of pressures and stresses each day.

Despite these peer pressures; it is still parents who can influence teens the most. Are you equipped to love your teenager effectively? Get practical tips on loving your teen effectively and explore key issues in your teen's life including anger and independence. Finally learn how to set boundaries that are enforced with discipline and consequences, and discover useful ways for the difficult task of loving when your teen fails. Get ready to discover how the principles of the five love languages can really work in the lives of your teens and family. Over 400,000 copies sold!

The 5 Love Languages of Children - Gary Chapman 2016-04-15

More than 1 million sold! You know you love your child. But how can you make sure your child knows it? The #1 New York Times bestselling *The 5 Love Languages®* has helped millions of couples learn the secret to building a love that lasts. Now discover how to speak your child's love language in a way that he or she understands. Dr. Gary Chapman and Dr. Ross Campbell help you: Discover your child's love language Assist your child in successful learning Use the love languages to correct and discipline more effectively Build a foundation of unconditional love for your child Plus: Find dozens of tips for practical ways to speak your child's love language. Discover your child's primary language—then speak it—and you will be well on your way to a stronger relationship with your flourishing child. For a free online study guide, visit 5lovelanguages.com.

52 Things Sons Need from Their Dads - Jay Payleitner 2014-03-01

Perfect? No. But you're still the right dad for

your boy. Bestselling author Jay Payleitner, dad of four grown sons (and one amazing daughter), gives you a bucketful of man-friendly ideas on how build a father-and-son relationship. Good news is, you don't have to say a lot. By your life and example, you can show your boy why it's good to be a guy demonstrate how to treat women well teach him to work hard and have fun, often at the same time show him how to live with honesty and self-respect give him the inner confidence to live a purposeful life These 52 quick-to-read chapters offer great ways to relate or spend time as dad and son. And each idea provides a new building block for a father-son relationship that will help your boy along the path to becoming a man.

[Leaving the Light on](#) - Gary Smalley 1994

As a parent, you know that your kids will face trials and struggles after they leave the nest. But you can begin to prepare your children today-- while they are still young--by building solid and lasting family relationships that will see them

through those tough times. You can instill in them a confidence that even in the longest, darkest night, the porch light is always lit..showing the way to the one place where love is given freely, not earned or demanded.

How To Be A Good Father - Noah Scott
2022-09-27

This book is for you if you want to be an amazing father and learn how to have a successful, affectionate, and supportive relationship with your children. The importance of a father is equal to that of a mother in a child's life, and a father is only entitled to the title "Dad" if he raises his kids well. Children become more confident, secure, independent, and accomplished when their fathers are strong, caring, and supportive figures in their lives. Additionally, they will also be able to raise their own kids well in the future. This book provides you with insightful advice from a man who has traveled a similar journey, moms who have observed father-child relationships, and kids

who have firsthand knowledge of what it's like to have a caring, supportive relationship with their fathers. Every father-to-be gets to embark on a unique journey. Every father has responsibilities and obligations that he must work to fulfill as soon as a child is born. This book is a detailed guide to assist men in accepting the obligations that come with fatherhood. You'll feel less overwhelmed and better prepared by following the easy advice and instructions in this book. In *How to Be a Great Father*, you will learn: Why fathers are more important than you might think. The effect fathers have on their kids for the rest of their lives. The basic, strategic abilities that all fathers can develop. How to take on the role of the father you never had. The reasons why "father nurture" is just as crucial as "mother nurture." What is the importance of saying, "I'm proud of you"? The importance of "I'll love you no matter what" to your children. Tips for raising your children's self-esteem. The best way to give what you might not have gotten.

The Power of Mentoring - Martin Sanders
2009-05-15

The Power of Mentoring is a groundbreaking guide for mentoring the next generation of Christian leaders. With its variety of practical, insightful mentoring models, *The Power of Mentoring* provides motivation for mentoring involvement, new approaches and skill-building exercises and implementation strategies. This ideal resource includes: key thoughts questions for reflection, action plans, a "Life Plan" for self-evaluation, accountability questions and additional suggested resources.

Great Dads - Robert D. Hamrin 2002

Becoming a father is one thing in a man's life. Learning how to become a DAD is something else entirely! This book is a must read for every man who wants to become a Great Dad.

Baby's Guide - 2000-06

A packet of resources for your nursery ministry to help you bring support to parents of newborns in your church.

The Reflective Parent: How to Do Less and Relate More with Your Kids - Regina Pally
2017-02-07

An innovative parenting approach empowering parents to trust their instincts and embrace uncertainty. Figuring out how to raise happy, healthy, and successful kids can be overwhelming. Parents find themselves wading through tons of conflicting advice. Books that outline a “right way” of doing things can leave even the most dedicated caregiver feeling discouraged and inadequate when real life doesn’t measure up. An experienced psychiatrist and founder of the Center for Reflective Communities, Regina Pally serves up something totally different in her book. She argues that the key to successful parenting is learning to slow down, reflect, and recognize that there is no one key to doing it right. The Reflective Parent synthesizes the latest in neuroscience research to show that our brain’s natural tendencies to empathize, analyze, and connect with others are

all we need to be good parents. Each chapter weaves together discussions of specific reflective parenting principles like “Tolerate Uncertainty” and “Repair Ruptures” with engaging explanations of the science that backs them up. Brief “Take Home Lessons” at the end of each chapter and vivid examples of parents and children putting the principles into action make this a highly readable, practical guide for anyone looking to build loving, lasting relationships with their kids.

[The Working Dad's Guide to Building Strong Relationships with their Kids](#) - Aurora Brooks
101-01-01

The Working Dad's Guide to Building Strong Relationships with their Kids is a must-read for any father who wants to create a deep and meaningful bond with their children. In today's fast-paced world, it can be challenging for working dads to find the time and energy to connect with their kids. This book provides practical advice and strategies to help dads build

strong relationships with their children, even in the midst of a busy schedule. The book begins with a discussion on the importance of quality time versus quantity time. It explores how dads can make the most of the time they have with their kids and create meaningful experiences that will last a lifetime. Effective communication and active listening are also key components of building strong relationships, and this book offers valuable tips on how to improve these skills. Encouraging expression and creating rituals and traditions are other important aspects of building strong relationships. The book provides ideas and suggestions for fostering open communication and creating special moments that will strengthen the bond between father and child. Shared hobbies and interests, as well as family traditions, are also explored as ways to connect on a deeper level. Being present and engaged is crucial for building strong relationships, and the book offers strategies for setting boundaries and

creating technology-free zones to ensure quality time with the kids. Emotional support, empathy, and compassion are also discussed as essential elements of a strong father-child relationship. Flexibility and adaptability are important qualities for working dads, and the book explores how to balance work and family life. It offers suggestions for flexible work arrangements and emphasizes the importance of being present in the moment and leading by example. Respecting others, practicing self-care, and supporting individuality are also key themes in the book. It provides guidance on setting boundaries for work and taking care of oneself to ensure a healthy and balanced life. Creating lasting memories, supporting personal goals, and celebrating differences are other topics covered in the book. It offers practical advice on how to create memorable family vacations, capture special moments, and encourage each child's unique interests and aspirations. The book concludes with a section of frequently

asked questions, providing answers and additional insights for dads who want to further enhance their relationships with their kids. If you have any questions or comments about *The Working Dad's Guide to Building Strong Relationships with their Kids*, the author welcomes your feedback. This book is a valuable resource for any working dad who wants to create a strong and lasting bond with their children. This title is a short read. the significance of spending quality time with your children. It provides a range of ideas for fun and engaging family activities that promote bonding and create lasting memories. The book also addresses the crucial topic of "Supporting Emotional Well-being." It offers strategies for helping your children navigate their emotions, build resilience, and develop a positive mindset. "Instilling Confidence and Resilience" focuses on empowering your children to become confident and resilient individuals. It provides practical tips for boosting self-esteem, encouraging independence, and fostering a growth mindset. As a working dad, being a role model is essential. The section on "Being a Role Model" explores the importance of leading by example and offers guidance on how to demonstrate positive values and behaviors for your children to emulate. "Nurturing Individuality and Independence" encourages fathers to support their children's unique interests and talents. It provides insights on how to foster individuality

and independence while still providing guidance and support. "Encouraging Self-Expression" emphasizes the importance of allowing your children to express themselves freely. It offers strategies for creating a safe and supportive environment where your children feel comfortable sharing their thoughts and feelings. "Supporting Personal Goals and Dreams" provides guidance on how to encourage and support your children in pursuing their personal goals and dreams. It offers practical advice on setting realistic expectations and providing the necessary resources and encouragement. The book also covers topics This title is a short read. A Short Read is a type of book that is designed to be read in one quick sitting. These no fluff books are perfect for people who want an overview about a subject in a short period of time. Living in Victory - Joel Comiskey 2020-07-14
Christians desire to grow in their relationship with God. They want to flourish, to experience victory in their Christian lives. They want to live in the overcoming power that the cross provides. But they are stuck. They are like my friend, John, who works sixty hours per week, sits in two hours of traffic each day and carries the burdens of the world on his shoulders. He and his wife,

Jenny, love each other, or at least they used to. They now spend their time together carting their kids to activities after driving through Taco Bell for dinner. Every week, John sits in the second row at church, listening to the pastor, and he and Jenny volunteer in the children's church. But he told me last week that he is exhausted. On the surface, he has a good life, but deep down he is drowning. He has no real victory. How does someone like John stem the tide? How does he start living the victorious lifestyle Jesus came to offer? Many find the answer in promises of a magic pill, something that provides a quick fix. But such fixes don't exist. The victory of God is an ongoing lifestyle while adopting and applying certain priorities that prepare and equip us for life. True victory comes in heaven and not on earth. And only the Spirit of God living through the believer based on God's Word can give true victory. But there are basic principles that God has used throughout the centuries to encourage believers and give them victory. In this book,

Downloaded from
legacy.opendemocracy.net on
2023-09-20 by guest

I've pinpointed nine principles and priorities that will help a believer live a victorious Christian life. They are: -victory in preparing for eternity -victory in experiencing God's love -victory in God's grace -victory in God's sovereignty -victory in spending time with Jesus -victory in close relationships -victory in the local church -victory in rest -victory in healthy living These nine priorities will help you understand and apply principles that are simple, biblical, and time-tested to produce spiritual, emotional, and physical benefits. My aim is to stimulate you to live these biblical truths while allowing the Holy Spirit to transform you.

Moms Bringing Out the Best in Dads - Jay Payleitner 2022-02-01
