

# Great Moments In Sex

*Great Sex Coupons* - Sourcebooks 2006-12

Here are 44 ways guaranteed to put a smile on a lover's face. This text contains detachable coupons guaranteed to spice up romance.

*Great Moments in Sex* - Cheryl Rilly 1999-08-10

Over 1,000 Eye-Opening Entries about the People, Gadgets, Literature, Songs, Movies, Advertisements, and Other Fascinating Facts, Follies, and Foibles in Sexual History Get ready to enjoy a lively, funny, sometimes shocking, and always fascinating treatment of a subject you were just thinking about anyway! *Great Moments in Sex* is an entertaining romp through the history of sex--from ancient times to the era of Viagra and Monica Lewinsky -- complete with the gadgets, people, literature, songs, advertisements, movies, and events associated with all things sexual. At any given moment, any given person is more likely to be thinking about sex than about anything else. It makes us who we are and it determines what we do. It's the bane, the pain, the pleasure of our existence. If history has proved anything, it's that there's just no rational way to deal with sex--and this book is a fun and fascinating review of the absurd, amazing, bewildering, frightening, and altogether irrational ways we have dealt with it throughout time. *Great Moments in Sex* chronicles the whole libidinous, lascivious, and just plain loony story: the tools we've used, the laws we've made, the so-called expert advice from Aristotle to *The Joy of Sex*, the attempts to repress sex, and the infinitely varied ways it has popped up anyway.

***The Erotic Contemplative*** - Michael Bernard Kelly 2021-11-29

In 1994, Michael Bernard Kelly recorded six video lectures for the Eros Spirit Research Institute. *The Erotic Contemplative* charted a spirituality for gay and lesbian Christians grounded in the contemplative, mystical traditions of the church. Dr Joseph Kramer, who commissioned the lectures, writes: "His powerful words ... seemed to come straight from his heart and right into mine. I told Michael that he was

offering transformative guidance, like Joseph Campbell did in his *Hero's Journey*. 'You have described the Mystic's Journey for Gay and Lesbian Christians.' " The lectures, originally released in 1995, were digitised and re-released in 2020. Now this transcription of all the lectures is published for the first time, and includes a study guide to the series prepared by Michael Kelly. "The Erotic Contemplative" is the most powerful and insightful study of Gay Spirituality that I know of. I have watched 'The Road from Emmaus' lecture three times, and still find new riches!" - John J. McNeill, PhD. Author of *The Church and the Homosexual*.

***A Geography of the Lifeworld (Routledge Revivals)*** - David Seamon 2015-06-11

Within the modern Western lifestyle increasing conflict is becoming apparent between that patchwork of isolated points such as the home or the office, which are linked by a mechanical system of transportation and communication devices, and a growing sense of homelessness and isolation. This work, first published in 1979, adopts a phenomenological perspective illustrating that this malaise may have partial roots in the deepening rupture between people and place. Whereas the problems of terrestrial space may have been overcome technologically and economically, it has been less successful regarding people. Experience indicates that people become bound to locality, and the quality of their life is thus reduced if these bonds are disrupted or broken in any way. The relationship between community and place is investigated, as is the opportunity for improving the environment, both from a human and an ecological perspective. This book will be of interest to students of human geography.

*Teaching, 30 Years of My Life* - Brenda Tate Groat 2010-08-03

*Teaching Thirty Years of My Life* I think I wanted to be a teacher because I thought it was important. I wanted to do something important. I stayed teaching because much of the time it was fun, and I was I never bored! Think about the

times you have watched a little kid do something miraculous, amazing, or hilarious. Kids are fun to watch! They surprise you and keep you young. You cannot help but remember the good and hard times of growing up without actually having to do it over. The flip side to this is the number of times you may have been annoyed with your own child, teenager, adult daughter or son and of course the times you were so angry you couldn't function? Well, multiply that feeling by seventy-five kids each year for thirty years. I'd like to say a thing or two about state and federal mandated tests. Actually, I'd like to say a lot. Thus far, no one has asked for my opinion, but here it is! The feds and the states want the public schools to be accountable. Our society wants assurances the tax dollars they spend will produce educated kids. I get it! Side note: The conspiracy part of my brain cannot help but wonder if the anti-public school fringe has found a way to target the public school system and reduce tax dollars going to this endeavor. Is it possible the people doling out the funds and the mandates for public schools are hoping for failure? Or maybe they just have no clue as to what is needed to educate all of America's children (not just a very few privileged children)? All our children must receive a great education if America wants to remain a worldwide powerhouse. It's amazing to me all the talk about evaluating teachers on student test scores, especially if that measurement is based on an arbitrary cut score; 80 percent, pass, 79 percent, fail. Students are not piece parts. Students cannot and should not be measured like bolts on an assembly line; intolerance, out-of-tolerance. People are multi-dimensional. A test will never tell us all that a child knows or doesn't know. In the kindest words, this idea of measuring students and evaluating teachers on a single, high-stakes test is very misguided. More to the point, this is a really stupid idea and a very dangerous practice! Whatever happened to the notion "All kids can learn, but not always at the same time or same rate." When did we ever want people in America to be the same? We all benefit from our differences! When I look over and reflect on the variety and diversity (new buzz word of the decade) of my fellow teachers, not one of us is like the other. Our teaching styles are vastly

different. We relate to students differently. We relate with each other differently. We all work together to teach and maximize our students' time with us. I might be less annoyed if student improvement was used as a measure of teacher effectiveness. Even this approach has major flaws. A teacher has a student for nine months. In my case, students are thirteen or fourteen years old. They have had thirteen or fourteen years of prior experiences and baggage before getting to me. Five of those years, school was not even a part of their lives. Research tells us when kids come to school in kindergarten the variances are huge. The thought is, as a school, we should be able to narrow the variances. What actually happens is these variances increase. Is the school or the teachers responsible for this? No! What is going on? Teachers usually have students for about six to seven hours a day and 180 days a year. In the state of Kansas this equates to at least 1116 hours each year. Even if we as a nation ever went to year-round school, the number of days probably wouldn't increase significantly; the days would just be spread out. This might help, might not. Most of the research I've read is not conclusive one way or the other. Time allocated for school learning amounts to just under twenty percent of the hours in a year, 365 days. Teachers can't

[Great Sex Guide](#) - Tamara Edelweiss 2019-07-11  
The Ultimate Sex Guide Who's not looking for great sex? A satisfying sex life adds spice to your partner relationship. But how are you getting a better sex life? Lovemaking is more than just "making love." It involves the perfect mix of communication, the right attitude, loving your body, and the like. Here are some guidelines for helping women out there revive their lost sex drive and ultimately achieve a fulfilling sex life.  
Great Sex Guide #1: Do not stray your thoughts while you have sex. This means having the right sex attitude. You have to free yourself from negative feelings like self-consciousness, guilt, bad judgment, and other hang-ups to fully experience the pleasure of sex. That also means you'll have to avoid worrying about your pending office work or the things you'll do the next day while making love with your partner. Just enjoy the moment and enjoy yourself.  
Great Sex Guide #2: Relax and do not put yourself under pressure. Special anxiety for women who are

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2021-06-17  
by guest

pressuring themselves to perform well during sex. That's why, by faking an orgasm, many women subconsciously hide their sexual problem. That's not the sex essence. It is recommended that you relax and enjoy your partner's intimate moments. Great Sex Guide #3: stay fit and be healthy. You probably know that people who have a lot of sex are happier people. Several studies support this. You need more energy to be able to have more sex. Enough sleep, plenty of rest, proper exercise, and a balanced diet can increase your sexual endurance. These healthy factors lead to better circulation of the blood to the sex organs, which is very important for excitement and orgasm. Great Sex Guide #4: Get rid of stress. Find ways to reduce stress to increase the likelihood of excitement. Why not go at least once a week to date with your partner? Or by taking a shower together or spending an intimate night by the beach, you can make your sex life more exciting and steamy. Great Sex Guide #5: Love your body and accept it. Do you hate to be chested flat or overweight? Just because you don't have the ideal size of your cup, that doesn't mean you can't have great sex. Only your sensuality can ruin your negative feelings towards your body. How good your body feels when you have sex with your partner is what matters. Learn how to love your body and its curves. You may not know that your big curves to your partner look sexy. Great Sex Guide #6: Don't worry about exploring and experimenting. It shouldn't be too serious about sharing the passion with your partner. Think of sex as a fun activity-you can be creative and try things differently. You can talk about your fantasies with your partner, for example, and find out how you can make them a reality. Find out what's turning you on in bed, too. Great Sex Guide #7: Communicate. Finally, getting better sex also requires good partner communication. Don't be afraid to talk about your sexual relationship with your partner. This will lead to understanding the sexual needs of each other, leading to greater sex life. If all of this sounds like your ideal book, then hop on over and hit now that buy button! Well, stress no more! Buy this book and also learn all... and **DOWNLOAD IT NOW!** [Buy the Paperback Version of this Book](#) and get the Kindle Book version for FREE [Buy the Paperback Version of this Book](#)

**50 Great Moments in Time** - Geoffrey Hart  
2022-11-09

Geoffrey Hart gives us an entertaining account of his life experiences; definitely biographical, comprising short excerpts describing prominent elements that governed his life. He describes his preschool experiences, his working life including being a handyman, with skills as varied as working as a carpenter, a delivery driver, working in the building industry and for the majority of his working life; he worked as a postman for the Royal Mail in the UK. Always something of a rebel; he dropped out of school to pursue a multitude of careers. With a wry sense of humour, he gives the reader a fresh take on a multitude of topics. He provides the reader with his personal insights into such diverse topics as marriage, adultery, golf, motor cars, and particularly shows his deep love of animals.

**Speaking of Sex** - Deborah L. Rhode 1999  
Speaking of Sex explores a topic that frequently is absent from our discussions about sex: the persistence of sex-based inequality and the cultural forces that sustain it. On critical issues affecting women, most Americans deny either that gender inequality is a serious problem or that it is one which they have a personal or political responsibility to address. In tracing this "no problem" problem, Speaking of Sex examines the most fundamental causes of women's disadvantages and the inadequacy of current public policy to combat them.

**Molly Top's Teen Guide to Love, Sex, and No Regrets** - Elizabeth L. Clark 2011-06

Nineteen-year-old Top wants everyone to have a great sex life, now and forever, especially teens. She is the combination of teen voices asking for better sex lives than they suspect fellow teens and parents are having. Teens are asking for true wisdom about sex rather than abstinence-only plus have-at-it porn messages they get now.

**Sex Life Begins After... 60!** - Michael Morren  
2020-03-30

Really? Sex life begins after 60? Believe it or not, it's true! There are those moments in everyone's life when you are "there." Remember that moment when you said "I do," and kissed? The moment when you first held your baby in your arms? The sunset you watched together with your partner, your head on his shoulder? Maybe that great tennis game when you were "on" and

Downloaded from

by guest

couldn't lose? What do each of those moments have in common? You were "there," right there in the moment. Without a thought for the moment before or the moment after. You were living, really living with every fiber of your being. Living with everything you had. Those are the best moments in life -- what we call "Being Here Now." We can help you bring that into your love life. We are talking about those timeless moments when the world disappears and it's just the two of you sharing your bodies, your touch, your scent, your taste. Living each second fully as it happens. We are talking about toe-curling, mind-exploding white heat as you reach for a glimpse of heaven. We are talking about experiences that leave you spent and breathless and bring a happy smile and a spring to your step for the rest of the day. Incendiary sex over 60? Yes, you can have it. You don't need a perfect body. You don't need pointy breasts or firm buttocks or an ever-ready erection. The bodies you have will do just fine. You only need to be able to create that moment where you aren't worried about what you look like or what your partner is thinking or the argument you had with your sister. You just need to Be Here Now. We can help you with that. We show you how to temporarily take away the little pains and annoyances that come with life and age, and how to create a space made to hold those moments. We show you how to get out of your own head, how to stop the spinning dialog. We have some exercises to help that we call "Mating Rituals." But you won't need to keep a notebook to remember them, or don the scuba flippers or a spider man outfit. We aren't going to teach you new sexual positions, or complicated fantasies that include whips and handcuffs. Instead we are going to teach you how to create that space where you can be safe, naked, together, and living moment to moment. You can take it from there. What you will find in this book? first of all: will you still have an active sex life in your 60's why do so many women enjoy sex more when they are over 60 why having an active sex life into your 60's can benefit your overall health what are the natural ways to rejuvenate your sex life for those older than 60 tips for appreciating a healthy and balanced as well as thrilled lovemaking life in to your 60's why safe lovemaking is still a concern for those over 60

years of age common Issues to consider if you want to have a Great Sex Life after 60 how to deal with changes in your sexual relationship when you are 60 years old or older how to experiment with sex even if you are more than 60 years of age how to talk to your wife about sex ways to improve your intimacy with your wife and your husband ...and more! Don't wait. Buy our guide. Your fantastic sex life is beginning NOW! LARGE PRINT EDITION, COMFORTABLE FOR SENIORS (20 pt font size)  
**Great Moments in Sex** - Cheryl Rilly  
 1999-08-10

Over 1,000 Eye-Opening Entries about the People, Gadgets, Literature, Songs, Movies, Advertisements, and Other Fascinating Facts, Follies, and Foibles in Sexual History Get ready to enjoy a lively, funny, sometimes shocking, and always fascinating treatment of a subject you were just thinking about anyway! *Great Moments in Australian History* - Jonathan King 2010

Great Moments in Australian History presents an exciting collection of stories about the most colourful highlights and heroes of Australia's history. Pioneering a fresh approach, award-winning author Jonathan King dramatises events to bring each moment vividly to life. Dodge Aboriginal spears as we land with early Dutch

explorers; creep by night into an open boat with convict Mary Bryant as she escapes from Botany Bay; sneak into Matthew Flinders' French prison cell as he names Australia; break down doors with the redcoats to arrest Governor Bligh; confront 'Wild White Man' William Buckley as he returns from the dead after 30 years; fight for democracy at the Eureka Stockade; join Ned Kelly in his last shoot-out; ride down mountains with the Man from Snowy River; land with the Anzacs at Gallipoli; gallop across deserts with the Light Horse on history's last successful cavalry charge; fly the first plane from the UK to Australia; climb the steps as our first woman enters parliament; join Bradman on the pitch as he makes history; help soldiers stop Japanese troops advancing down the Kokoda Track; throw a boomerang with the first Aboriginal elected to parliament; feel Whitlam's outrage as he is dismissed; watch the angel of the Bali bombing save lives; and escape the nation's worst bushfires in stories that will take your breath away. Filled with graphic images, the book presents the big picture, from the discoveries of the early explorers to the cut and thrust of modern-day politics. In laying bare events that shaped the nation, it highlights vital turning points that marked the end of an era and the start of something new, showing just how dramatically Australia has changed. Sometimes fact is indeed stranger than fiction.

*Love and Sex in D. H. Lawrence* - David Ellis  
2016-02-11

Although love and sex are central to Lawrence, critics have paid surprisingly little attention to the way these two topics are treated in his work. Reasons for this are suggested in the preface to this book which is written in the spirit of Wittgenstein's claim that, when we are puzzled or challenged by a phenomenon, we should be less concerned with seeking new knowledge than putting into order what we already know. Yet those concerned by the present dip in Lawrence's reputation (among academics, if not the general public) have to be worried by how strange and unexpected the results are when Lawrence's dealings with love and sex are followed throughout his life and career. This is what this book undertakes to do, describing how the tortuous developments in his relationship with Jessie Chambers are reflected in his

writing, his struggle against his undoubted leanings towards homosexuality, the war he declared on the concept of romantic love and how, after insisting on the idea of male dominance, he returned (although only in part) to a more humane vision of relations between the sexes in the various versions of *Lady Chatterley's Lover*. Its aim is to suggest that although Lawrence is undoubtedly a major writer, his greatest achievements are not to be found where he is popularly assumed to be at his most impressive and that the authority he assumes, in his last years, when he lectures the young on love and sex, ought to be regarded as dubious.

### **Sex Positions For Couples & How To Talk Dirty** - Mia Logan 2020-08-24

The Ultimate Sex Guide: Learn the Best Sex Positions and the Secrets of Dirty Talk! Are you looking to spice up your sex life but are not sure how to talk dirty? Do you want to have a hot and exciting time in bed and try out new things? When we first start a new relationship, everything is hot and heavy and we just can't keep our hands off our partners. As time goes on, the sparks fly a little less. Presidential Sex - Wesley O. Hagood 1998

With profiles on Bill Clinton, Thomas Jefferson, FDR, JFK, Lyndon Johnson, and Eisenhower, this book describes the impact that freewheeling sexual behavior has had upon first families, election campaigns, political careers, and the nation itself.

**final integration in the adult personality** - A. Reza Arasteh 1963

**Empowerment Through Witchcraft** - Linda Murphy 2023-11-08

Embrace the Power of the Witch to Transform Your Life Extensive and thought-provoking, Empowerment through Witchcraft is for witches like you who seek to go beyond the basics and use their skills to elevate their spiritual practice for inner growth and enlightenment. Featuring more than thirty spells, rituals, and meditations, this book helps you awaken to your true purpose and live a fully conscious life in alignment with your will. Linda Murphy, PhD builds upon the traditional tools of the witch to revitalize your Craft, celebrating the sacred Wheel of the Year with a focus on inner and outer mastery. You will learn to connect more deeply with the ebb and flow of nature, draw down the sun, moon, and stars in all their phases, attune with familiars, and invoke the deity within. By exploring these great mysteries of witchcraft, you will grow into your most powerful self. Includes a foreword by Cynthia Katharine Lee, MA, founder of the Mystical Order of the White Rose

**Male and Female in Social Life** - Lloyd E. Sandelands 2018-01-16

Sex is a theoretical puzzle because it is much older than we are. A primary fact of biology, sex has defined society from nearly the beginning of life on earth, and as a result we cannot see its effects in our lives in evolutionary comparisons with near primate or mammalian relatives. Sex is a puzzle, too, because it is often misconstrued in social science. It is not, as many social scientists believe, a mere feature of a person, like hair or skin color. Rather it is a part played in the life of the species. This propensity to view

sex as a personal feature has kept social science from seeing how sex figures in the social life of the species. *Male and Female in Social Life* presents a theoretical framework to describe how sex (the division of our species between male and female) brings life and order to society. It argues that sex is the mainspring of social life and it tells us the most about social dynamics and forms. The book centers on five chapters that describe four "moments" of human social life. Following an introduction, chapter 2 begins with the first moment of social life - unity of the species. Chapter 3 examines the second moment of social life - division of the species. Chapter 4, citing play of the sexes as the third moment, shows that sex is the main play of the species and thereby the main basis of social life. Chapters 5 and 6 describe the fourth moment - order of the species, which includes the most basic arrangements of human society, including female mate choice, male contest, female care of the young, sorority and fraternity, family and bureaucratic organization. These later chapters present a threepart theory of social order based on the play of the sexes, while then offering evidence in support of this theory by showing how disruptions and distortions in the play of the sexes in the recent history of the United States have brought compensating changes in social life. The book concludes with a summary of the book's main points and with directions for further inquiry. The volume raises thoughtful, long overdue questions about current trends in our culture that minimize or efface sex differences. It will be of interest to academics both in the social sciences and in the humanities while at the same time appealing to a more general audience.

Women of Interest - Alicia Alvarez 2021-04-13  
 Funny and Feminist Trivia Women of Interest is a humorous compendium of little known facts about the history, fame, fortunes, fashions, and fictions of the female species—enough to impress your mother and your boss, win arguments with your boyfriends and husbands, and generally know more about your fabulous female self. One of the most fascinating trivia books for women. Did you know that women outnumber men by five to one in shoplifting convictions? Or that researchers at Northwestern University found that men change their minds two to three times more than women? Women of Interest spans history, crosses cultures, ranges from the silly to the salacious to the truly useful and back again. Designed to delight the feminist in you, this outrageously funny book is organized into ten trivia-filled chapters covering all sorts of humorous histories and fun facts. Ideal for trivia games for adults or feminist gifts, now women really can know everything. Feminist, funny gifts for women. It's time to challenge that know-it-all girlfriend, or grab the ultimate bathroom reader for your feminist BFF. Whether you're searching for feminist books or trivia books, Women of Interest makes a wonderful addition to trivia games and bookshelves alike. Inside, you'll learn that: Diamonds didn't become a girl's best friend until the thirteenth century. Before that, they were for men only. Zazel, a woman, was the first human cannonball. She launched into the air through a giant spring inside a cannon. Marilyn Monroe was the very first Artichoke Queen in the artichoke capital of the world. If you enjoy comedy books, trivia books for adults, or funny gifts for her—and enjoyed titles such as What If, 399 Games Puzzles & Trivia Challenges, Uncle John's Truth Trivia and the Pursuit of Factiness, The Woman's Encyclopedia of Myths and Secrets, or Thank You for Being a Friend: A Golden Girls Trivia Book—then you'll love Women of Interest.
