

Healing Homosexuality Case Stories Of Reparative Therapy

Sexual Conversion Therapy Jack Drescher 2018-10-08 Hear the other side of the story on sexual conversion therapy! In their fervor to “fix” homosexuals, practitioners of sexual conversion therapies have often overlooked or completely dismissed the possible psychological and social side effects of such treatments. *Sexual Conversion Therapy: Ethical, Clinical, and Research Perspectives* works to counterbalance the clinical and ethical omissions of overzealous therapists who have focused on efficacy and outcome at the expense of their patients’ self-esteem. *Sexual Conversion Therapy* features first-person accounts of patients and clinicians, including psychotherapists who themselves have undergone treatments ranging from psychoanalysis to religious faith healing to aversion behavior conditioning and even electroshock therapy. In addition to examining the history and ethics of conversion therapy, the book presents empirical data on current practice and recovery processes for survivors of failed conversion attempts. *Sexual Conversion Therapy* presents current perspectives on the harmful impact of sexual orientation interventions, including: “Cures: A Gay Man’s Odyssey” “Becoming Gay” “A Psychologist’s Journey Through the Ex-Gay Movement” “Therapeutic Antidotes: Gay and Bisexual Men Recover from Conversion Therapies” “I’m Your Handyman: A History of Reparative Therapies” Nearly 30 years after the American Psychiatric Association removed homosexuality from the Diagnostic and Statistical Manual of Mental Disorders, a small but dedicated group of mental health practitioners continues to diagnose and treat homosexuality as a mental illness. *Sexual Conversion Therapy* is an essential alternative to the bulk of published material that champions treatments that produce a handful of heterosexuals “cured” of their “illness,” while inflicting emotional and psychological damage on countless gay and lesbian patients who failed to convert.

Introducing Cognitive Analytic Therapy Anthony Ryle 2020-06-08 Introduces the principles and applications of cognitive analytic therapy (CAT) Cognitive Analytic Therapy (CAT) is an increasingly popular approach to therapy that is now widely recognised as a genuinely integrative and fundamentally relational model of psychotherapy. This new edition of the definitive text to CAT offers a systematic and comprehensive introduction to its origins, development, and practice. It also provides a fully updated overview of developments in the theory, research, and applications of CAT, including clarification and re-statement of basic concepts, such as reciprocal roles and reciprocal role procedures, as well as extensions into new areas of expertise. *Introducing Cognitive Analytic Therapy: Principles and Practice of a Relational Approach to Mental Health, 2nd Edition* starts with a brief account of the scope and focus of CAT and how it evolved and explains the main features of its practice. It next offers a brief account of a relatively straightforward therapy to give readers a sense of the unfolding structure and style of a time-limited CAT. Following that are chapters that consider the normal and abnormal development of the Self and that introduce influential concepts from Vygotskian, Bakhtinian and developmental psychology. Subsequent chapters describe selection and assessment; reformulation; the course of therapy; the ‘ideal model’ of therapist activity and its relation to the supervision of therapists; applications of CAT in various patient groups and settings and in treating personality type disorders; use in ‘reflective practice’; a CAT perspective on the ‘difficult’ patient; and systemic and ‘contextual’ approaches. Presents an updated introduction and overview of the principles and practice of cognitive analytic therapy (CAT) Updates the first edition with developments from the last decade, in which CAT theory has deepened and the approach has been applied to new patient groups and extended far beyond its roots Includes detailed, applicable ‘how to’ descriptions of CAT in practice Includes references to CAT published works and suggestions for further reading within each chapter Includes a glossary of terms and several appendices containing the CAT Psychotherapy File; a summary of CAT competences extracted from Roth and Pilling; the Personality Structure Questionnaire; and a description of repertory grid basics and their use in CAT Co-written by the creator of the CAT model, Anthony Ryle, in collaboration with leading CAT practitioner, trainer, and researcher, Ian B. Kerr *Introducing Cognitive Analytic Therapy* is the

definitive book for CAT practitioners and CAT trainees at skills, practitioner, and psychotherapy levels. It should also be of considerable interest and relevance to mental health professionals of all orientations, including clinical psychologists, psychiatrists, counselors, mental health nurses, to those working in forensic and various institutional settings, and to a range of other health care and social work professionals.

The Inheritance of Shame Peter Gajdics 2017-04-26 Read the book that's getting conversion therapy banned in Canada Winner of the Independent Book Publisher Award, Finalist for the Randy Shilts Award for Gay Nonfiction and the Saints and Sinners Emerging Writer Award. "Unforgettable... This book is appallingly appropriate in these times." — FOREWORD REVIEWS This resonant and acclaimed memoir recounts the six years that the author spent in a bizarre form of conversion therapy that attempted to "cure" him of his homosexuality, and the inspiring story of how he cast out shame and reclaimed his life. Kept with other patients in a cult-like home in British Columbia, Canada, Peter Gajdics was under the authority of a dominating, rogue psychiatrist who controlled his patients, in part, by creating and exploiting a false sense of family. Juxtaposed against his parents' tormented past—his mother's incarceration and escape from a communist concentration camp in post-World War II Yugoslavia, and his father's upbringing as an orphan in war-torn Hungary, *The Inheritance of Shame* explores the universal themes of childhood trauma, oppression, and intergenerational pain. "DEEPLY MOVING." — THE ADVOCATE "RAW AND UNFLINCHING" — KIRKUS REVIEWS "A HERO'S JOURNEY IN WHICH ANY READER, GAY OR STRAIGHT, CAN FIND INSPIRATION." — LAMBDA LITERARY FOUNDATION All over the United States and Canada, districts, cities and states are banning conversion, ex-gay and reparative therapies. A powerful example of "healing through memoir," this book offers the most complete and compelling reason for those bans to date. A groundbreaking memoir, *The Inheritance of Shame* offers insights into overcoming all kinds of shame, especially that which has trickled down from previous generations, and into the complicated but all-too-worthwhile process of forgiveness.

The Internal Triangle Lucy Holmes 2008 This book presents the first new theory of female development based on drive theory since Helene Deutsch's *Psychology of Women* in 1945. Holmes posits an 'internal triangle'-an intrapsychic structure unique to female development. Consisting of mother and father introjects in ...

Walking the Bridgeless Canyon Kathy Baldock 2014-08-15 In 2001, Kathy Baldock, a straight conservative evangelical Christian, met Netto Montoya, a lesbian Native American, on the local hiking trails near her home in the Sierra Nevada Mountains. Their friendship challenged Baldock's cultural and religious beliefs about gay, lesbian, bisexual, and transgender people. In *Walking the Bridgeless Canyon: Repairing the Breach between the Church and the LGBT Community*, Baldock uncovers the historical, cultural, medical, and political filters of discrimination through which the LGBT community is seen. With the foundation firmly established, she examines the most controversial filter of all: what the Bible says about same-sex behavior. Ten years of research, as well as relationships with thousands of gay, lesbian, bisexual, and transgender people, led to answering important questions: How did history, culture, science, and politics intertwine to create social discrimination against the gay and transgender community? When and why did the conservative Christian community turn their focus on the gay and transgender community? Should Christian fellowship be extended to gay and transgender people? Should civil marriages, or even Christian marriages, be granted to them? In 2001, Kathy Baldock, a straight conservative Evangelical Christian, met Netto Montoya, a lesbian Native American, on the local hiking trails near her home in the Sierra Nevada Mountains. Their friendship challenged Baldock's cultural and religious beliefs about gay, lesbian, bisexual, and transgender people. In *Walking the Bridgeless Canyon: Repairing the Breach between the Church and the LGBT Community*, Baldock dissects the historical, cultural, medical, and political filters of discrimination through which the LGBT community is seen. With the foundation firmly established, she examines the most controversial filter of all: what the Bible says about same-sex behavior. Ten years of research, as well as relationships with thousands of gay, lesbian, bisexual, and transgender people, led to answering

important questions: How do history, culture, science, and politics intertwine to create social discrimination against the gay and transgender community? When and why did the conservative Christian community turn their focus on the gay and transgender community? Should Christian fellowship be extended to gay and transgender people? Should civil marriages, or even Christian marriages, be granted to them? What is happening within the LGBT Christian movement today? Baldock carefully constructs a timeline narrative as she untangles the details of various influences and influencers. Along the way, she shares fascinating stories and testimonies enriching the historical journey. Finally, for those who are wondering how they might enter into productive and respectful conversations about the intersection of faith and sexual orientation or gender identity, this book offers the resources and tools needed to make informed and wise, Christ-centered choices."

Case Stories of Reparative Therapy (TM), by Joseph Nicolosi, PH.D. Joseph Nicolosi 2020-12 Originally published in 1993 as *Healing Homosexuality, Case Stories of Reparative Therapy* introduces an assortment of Dr. Nicolosi's clients as they undertake the lifelong journey to realign their sexual and romantic desires with their true-gendered natures. These men, and hundreds like them, told the author, a distinguished clinical psychologist, "I wasn't born this way. Gay is not who I am. I know, on some deep level, that something happened to me when I was growing up which derailed my heterosexual development." How do you help such men? As with psychotherapy for any unwanted condition, Reparative Therapy does not aim to "erase" a client's problems. Rather, it sets the motivated client on a pathway toward transforming his compelling, unwanted desires from foreground into background. He comes to understand the underlying motivations that drive him in this unwanted direction; he develops compassion for himself as a struggler; and he acquires tools to deal effectively with those attractions when they resurface, from time to time, during his lifetime. "Case Stories" shows how this transformation can come about through Reparative Therapy(TM), a carefully structured course of probing dialog and genuine conversation designed to assist the client in discovering the key moments and circumstances that derailed his early sexual development and to guide him on the way to a more serene engagement with life, love and sexuality.

Textbook of Homosexuality and Mental Health Robert Paul Cabaj 2013-02 *Textbook of Homosexuality and Mental Health* brings together in one volume the entire range of material and variety of perspectives concerning homosexuality and mental health. With more than 50 chapters written by leaders in the field, this book is the most complete review of the topics of homosexuality and mental health and treatment of gay men, lesbians, bisexuals, and transsexuals to date. Starting from the belief that homosexuality is a normal variation of human sexuality and not a mental illness, this revolutionary book presents current information on homosexuality from a mental health and medical perspective. Sections focus on demographic, cultural, genetic, biological, and psychological perspectives; development throughout the life cycle; relationships and families; psychotherapy; multicultural identities and communities; professional education; and medical care. A variety of special issues, such as sexuality, substance abuse, violence, suicide, religion, and HIV/AIDS, are discussed. Also included are several unique chapters that cover topics not readily available elsewhere, among them transsexuality; minority gay, lesbian, and bisexual people; the impact of the sexual orientation of the therapist; latency development in prehomosexual boys; and clinical issues specific to psychotherapy with gay, lesbian, and bisexual patients. The clinical and theoretical richness contained in this volume makes it an accessible and invaluable reference for clinicians and the general public alike. Chapters complement each other, while providing enough information to be useful if read on their own.

My Exodus Alan Chambers 2015-09-29 In sharing his own story of being a committed believer who struggled with same sex attraction early in his life, author, husband, and father Alan Chambers will help you understand the issues from the inside. And as the former president of the largest ex-gay ministry, Alan knows all the arguments, the concerns, the scriptures, and the heartaches. *My Exodus* encourages us to look for and affirm the image of God in everyone. It's a reminder that God is still at work and deeply loves his creation. And it's a book for everyone who wants to be welcoming and

loving to all people without compromising their faith or their biblical theology. Through personal and powerful stories and opening the scriptures, you will come to understand how to love all people and positively engage our culture in the red hot conversations and topics surrounding LGBT and the Church Ultimately, My Exodus equips us all to be better and do better in God-honoring ways. By embracing the idea of loving well because we want to and not because we have to, we will find hope for ourselves, for the Church, and for our world.

Washed and Waiting Wesley Hill 2016-09-13 Wesley Hill's personal experiences and biblical reflections offer insight into how a nonpracticing gay Christian can "prove, live out, and celebrate" the grace of Christ and the power of the Holy Spirit. For many who are on this path, it's a lonely one. The reality of loneliness and isolation of the celibate homosexual Christian is something that Hill lives and takes seriously in his pursuit of the gospel-centered life. To those on a similar journey, it's often a life of uncertainties and questions. In *Washed and Waiting*, Hill explores the three main struggles that have been part of his daily effort to live faithfully: What exactly does the gospel demand of gay and lesbian Christians, and how can it enable them to fulfill its commands? How do Christians who experience homoerotic desires live with the loneliness such desires entail? Is there any relief for it? What comfort does the gospel offer? Can those of us who struggle with homosexuality please God and truly experience his pleasure in the midst of sexual brokenness? Interspersed throughout these main sections are character sketches and stories of people who have experienced this journey's trials and triumphs. Hill offers wise counsel that is biblically faithful, theologically serious, and oriented to the life and practice of the church. As a celibate gay Christian, he gives us a glimpse of what it looks like to wrestle firsthand with God's "No" to same-sex sexual intimacy and contemplate serious and difficult questions.

Case Studies in Child, Adolescent, and Family Treatment Craig W. LeCroy 2014-12-31 A detailed look at how to apply clinical theories to social work practice Thinking through real-life cases to make connections between theory and practice is a crucial element of social work education. Now in its Second Edition, *Case Studies in Child, Adolescent, and Family Treatment* contains a wide range of cases described in rich detail by practitioners, scholars, and researchers. Chapters represent contexts and approaches across the social work spectrum, so students will get to glimpse into the clinical experience of a full range of professionals. With chapter overviews, case sketches, study questions, and references for further study, this book makes an invaluable reference for social work students. Learning by example is the best way to develop the skill of clinical reasoning. Editors Craig W. LeCroy and Elizabeth K. Anthony—two distinguished scholars in the field of social work—have brought together an impressive roster of contributors who add their unique voices and clinical perspectives into their insightful case descriptions. Organized into five thematic sections, *Case Studies in Child, Adolescent, and Family Treatment, Second Edition* covers the most important areas in social work practice, including: Child welfare and adoption Individual and group treatment School and community settings Family treatment and parent training With the updates in the Second Edition, students will learn the most current lessons in social work practice from a diverse range of scholars, researchers, and practitioners in the field. In contexts ranging from child welfare to homelessness, this book provides the critical thinking skills students need to understand how social work theory applies in clinical environments.

Undivided: Coming Out, Becoming Whole, and Living Free From Shame Vicky Beeching 2018-06-12 Vicky Beeching, called "arguably the most influential Christian of her generation" in *The Guardian*, began writing songs for the church in her teens. By the time she reached her early thirties, Vicky was a household name in churches on both sides of the pond.

Homosexuality Elizabeth R. Moberly 1983 The best-selling Christian study of homosexuality, combining a psychoanalytical approach with an emphasis on the need for counselling and prayer.
Hate Crimes Kevin Berrill 1991

Judaism and Homosexuality Chaim Rapoport 2004 In light of modern changes in attitude regarding homosexuality and recent controversy surrounding government legislation, the author, a Rabbi, explores the Jewish stance on homosexuality. He combines an unswerving commitment to

Jewish Law with a deep understanding of the philosophical and moral issues involved. He advocates the adoption of a fair and balanced perspective and attitude.

Case Stories of Reparative Therapy Joseph Nicolosi, PH D 2021-04-06 Is change possible?

Pioneering therapist Joseph Nicolosi, Ph.D. offers a fascinating exploration of his unique therapeutic approach to male homosexuality.. The reader is invited to observe Dr. Nicolosi in actual conversation and interaction with a representative array of clients covering a broad range of personalities, issues and situations--but all sharing in common an intense disaffection with their homosexual inclinations and interpersonal relations. Case Stories of Reparative Therapy™ offers an at times heartbreaking yet always uplifting survey of the intimate workings of the human psyche and a surprisingly revealing glimpse into the practice of a courageous, insightful and genuinely caring psychologist. Although Reparative Therapy™ has helped thousands of clients overcome their ambivalence, loneliness and despair through straightforward talk, firm guidance, and compassionate wisdom, he offers here an honest account of success and failure, progress and disappointment, determination and growth. No reader, male or female, gay or straight, can come away from these case stories without a deeper understanding of the homosexual condition, and an enhanced appreciation of those affected by it.

UnClobber Colby Martin 2016-09-28 Churches in America are experiencing an unprecedented fracturing due to their belief and attitude toward the LGBTQ community. Armed with only six passages in the Bible--often known as the "clobber passages"--the traditional Christian position has been one that stands against the full inclusion of our LGBTQ brothers and sisters. UnClobber reexamines each of those frequently quoted passages of Scripture, alternating with author Colby Martin's own story of being fired from an evangelical megachurch when they discovered his stance on sexuality. UnClobber reexamines what the Bible says (and does not say) about homosexuality in such a way that breathes fresh life into outdated and inaccurate assumptions and interpretations.

Still Time to Care Greg Johnson 2021-12-07 At the start of the gay rights movement in 1969, evangelicalism's leading voices cast a vision for gay people who turn to Jesus. It was C.S. Lewis, Billy Graham, Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism. We see with them a positive pastoral approach toward gay people, an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure. With the birth and rise of the ex-gay movement, the focus shifted from care to cure. As a result, there are an estimated 700,000 people alive today who underwent conversion therapy in the United States alone. Many of these patients were treated by faith-based, testimony-driven parachurch ministries centered on the ex-gay script. Despite the best of intentions, the movement ended with very troubling results. Yet the ex-gay movement died not because it had the wrong sex ethic. It died because it was founded on a practice that diminished the beauty of the gospel. Yet even after the closure of the ex-gay umbrella organization Exodus International in 2013, the ex-gay script continues to walk about as the undead among us, pressuring people like me to say, "I used to be gay, but I'm not gay anymore. Now I'm just same-sex attracted." For orthodox Christians, the way forward is a path back to where we were forty years ago. It is time again to focus with our Neo-Evangelical fathers on care--not cure--for our non-straight sisters and brothers who are living lives of costly obedience to Jesus. With warmth and humor as well as original research, Still Time to Care will chart the path forward for our churches and ministries in providing care. It will provide guidance for the gay person who hears the gospel and finds themselves smitten by the life-giving call of Jesus. Woven throughout the book will be Richard Lovelace's 1978 call for a "double repentance" in which gay Christians repent of their homosexual sins and the church repents of its homophobia--putting on display for all the power of the gospel.

Preventing Harm, Promoting Justice Timothy W. Jones 2018-10-12 This report addresses the vexed problem of the religious LGBT conversion therapy movement. Conversion therapy emerged in Australian conservative Christian communities in the early 1970s, and has been practised in these and other communities ever since.

Wrestling with Destiny Lucy Holmes 2013 Using empirical evidence from neuroscience, the author

makes a powerful argument that psychoanalysis can help people control their destinies.

The Transformation of Intimacy Anthony Giddens 2013-04-23 The sexual revolution: an evocative term, but what meaning can be given to it today? How does 'sexuality' come into being and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality - sexuality freed from its intrinsic relation to reproduction - is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience as well as being essential reading for students and professionals.

Reparative Therapy of Male Homosexuality Joseph Nicolosi 1997 1. non-gay homosexuals: who are they 2. the politics of diagnosis 3. the failure of the mental health profession 4. The importance of the father-son relationship 5. formation of the father son bond 6. failure of the father son relationship 7. problems emerging in childhood 8. other factors: mother and family relations 9. physiogenetic factors 10. associate features of the homosexual personality 11. homosexual love relationships 12. gay sexuality 13. the refusal to acknowledge pathological elements 14. the treatment 15. the therapeutic relationship 16. therapeutic issues 17. group psychotherapy 18. the initial interview 19. the issues of individual psychotherapy 20. the process of group therapy.

Unconditional Justin Lee 2013-01-17 'Gay. The word seemed to hold the weight of eternity within its single syllable. As strange as it may seem, in all the years I had struggled with my sexuality, the idea that I could be 'gay' had simply never crossed my mind. I was a Christian! That was my whole life! And Christians weren't gay.' This could be the most important book you read this year. It's a memoir. An exploration of what is, and what could be. Most of all, it's a clarion call to the church - to rediscover the love that Jesus called us to. Unconditionally. 'So many gay, lesbian, bisexual, and transgender people give up on Christianity because they cannot reconcile who they are with what they were brought up to believe that the Bible teaches about sexuality. Here is a wonderfully told story of a brave young homosexual man who has struggled to hold onto his faith while still affirming himself as gay. This is a must-read.' Tony Campolo

We Love You, But You're Going to Hell Dr. Kim O'Reilly 2019-01-08 We Love You, But You're Going to Hell presents a non-confrontational study of the conflict surrounding Christian faith, Scriptures, and homosexuality. It addresses the dichotomy of love and condemnation, sincerely expressed by Christians - and the pain experienced by gays and lesbians. • How do sincere, Bible-believing Christians balance their interpretation of Scriptures with everyday encounters with gays and lesbians? • How do we have conversations when we disagree? Without judging or calling into question someone's faith or salvation? This book OPENS UP the conversation - with chapters devoted to the Author's Story, Scriptures, Stereotypes, Marriage, Religious Freedom, Why It Matters, and What We Can Do in our families, churches, and society. It is easy to single-handedly dismiss an individual or church's belief or stance by writing them off as conservative or liberal. No matter which side you are on, there is benefit to educating yourself on the beliefs and experiences of those with whom you disagree. The author asks that the reader consider viewpoints expressed by a variety of churches and ministers. Look closely at the Scriptures that are cited and decide for yourself. Look at the beliefs of well-known conservative ministers and doctrines of several church denominations in this book. Some Christians believe it is loving to demand denial of homosexuality, ending relationships, changing to heterosexuality, or remaining celibate - in order that the soul be saved. Others believe sexual orientation is God-given, cannot be changed and that it is cruel and unloving to demand it. If you believe homosexuality is a sin, the Scriptures condemn, sexual orientation doesn't exist; read this book. Argue with it, confirm your beliefs, question, change your mind. The author invites your engagement. Kim O'Reilly cares deeply about the divisions she sees in churches today over homosexuality. How do we get beyond the disagreements, divisiveness, and polarization we see playing out in our churches and society? How do we honor the rights of each of

these groups without denying the rights of the other? She attempts to answer these questions throughout her book. Love and/or Condemnation? "God doesn't make mistakes. Humans do. God doesn't make one gay. They make that choice on their own. It's a fact that homosexuality is a choice. It has a cause - Satan." "I was nine years old when I recognized my attractions for the same gender. Praying to God every night and pleading with Him to take my feeling away didn't work. Practically living, eating, and breathing the Bible didn't work. I tried repressing and denying who I was - but nothing changed inside of me. I was taught by my pastors, parents, and peers to hate myself - and that worked." What does the Bible say about how we should treat those we disagree with or who we believe are going to Hell? The final chapter offers strategies and solutions on how to bridge the divide between Christians and gays - how to promote healing and not to inflict more pain.

Gay Children, Straight Parents Richard Cohen 2009-11 HOPE AND HEALING FOR FAMILIES Out of his own experience and the experience of many of those he has served in his counseling practice, Richard Cohen sets out a step-by-step plan that offers a path toward renewed family relationships grounded in love, faith and mutual respect....

The Heart of Female Same-Sex Attraction Janelle Hallman 2010-02 The fruit of years of training, research and counseling experience, Janelle Hallman has drawn together a comprehensive resource for those who are interested in understanding and counseling women in conflict with same sex attraction. In this ground-breaking work, Hallman sets forth the unique dimensions of struggle that women experience through the presentation of research, interviews and clinical experience. This is an indispensable guide for understanding and a manual for counseling adult women seeking to "mature in giving and receiving love in all of [their] relationships, and no longer be restricted by destructive relational patterns."

Anything but Straight Wayne Besen 2012-07-26 The real story behind "ex-gay" ministries and reparative therapy! Nationally known activist Wayne Besen spent four years examining the phenomenon of "ex-gay" ministries and reparative therapies—interviewing leaders, attending conferences, and visiting ministries undercover as he accumulated hundreds of hours of research. The result is *Anything but Straight: Unmasking the Scandals and Lies Behind the Ex-Gay Myth*, a groundbreaking exposé of the controversial movement that's revered by independent religious groups and reviled by gay and lesbian organizations. The book presents a historical perspective on the dispute, examining "ex-gay" groups such as Love In Action, Exodus International, Homosexuals Anonymous, and profiling a cast of characters that includes Pat Robertson, the Rev. Jerry Falwell, "ex-gay" poster boy John Paulk, National Association of Research and Therapy of Homosexuality activist Richard Cohen, and psychiatrist Dr. Robert Spitzer. An in-depth, well-researched, and historically significant account, *Anything but Straight* is full of startling facts and alarming surprises. The original content and novel material in the book includes: a first-ever comprehensive history of the "ex-gay" ministries and "reparative therapy" the inside story of the night the author photographed "ex-gay" poster boy John Paulk inside a gay bar the author's discovery that Anne Paulk lied about being a lesbian and has admitted to having a strong attraction to men BEFORE she became "ex-gay" previously undisclosed bizarre techniques used by the "ex-gay" ministries and "reparative therapists" the author's exclusive in-depth interviews with leading "ex-gay" leaders—they disclose their deepest secrets, hidden desires, and true motivations an extraordinary new study that shows that most "ex-gay" leaders have suffered from substance abuse or severe emotional problems—while many "ex-gay" leaders claim they were "unhappy being gay," this report helps prove that their dissatisfactions came not from their homosexuality, but from poor life choices and irresponsible behavior new revelations that one of the nation's leading "reparative therapists" hailed from a secretive cult that was scandalized for practicing nude therapy From the author: Through my extensive experience, I have learned that the extraordinary claims made by the "ex-gay" groups are without merit and the efficacy of their programs is dubious at best and harmful at worst. . . One frequent question I get is, "Why can't gay activists simply leave 'ex-gay' groups alone and let them go about their business?" This is exactly what happened for nearly three decades while "ex-gay" groups labored in near anonymity. But all this recently changed when the "ex-gay" groups

intricately aligned themselves with the anti-gay political agenda of the Religious Right. With “ex-gays” added to their arsenal, the Right could disingenuously claim to love gay people and offer them “hope for change,” while simultaneously fighting for punitive legislation. Their insidious message: Since gays and lesbians can change, there is no need for laws that protect them against arbitrary prejudice. Anything but Straight: Unmasking the Scandals and Lies Behind the Ex-Gay Myth is an essential read for activists on both sides of the “ex-gay” fence, family members of gays and lesbians, Gay, Bisexual, Lesbian, and Transgender church members, psychiatric and social science professionals, and anyone who has dealt with “coming out” issues. An appendix of resources and a helpful bibliography make it easy to find additional information on this fascinating topic.

People to Be Loved Preston Sprinkle 2015-12-08 Christians who are confused by the homosexuality debate raging in the US are looking for resources that are based solidly on a deep study of what Scripture says about the issue. In *People to Be Loved*, Preston Sprinkle challenges those on all sides of the debate to consider what the Bible says and how we should approach the topic of homosexuality in light of it. In a manner that appeals to a scholarly and lay-audience alike, Preston takes on difficult questions such as how should the church treat people struggling with same-sex attraction? Is same-sex attraction a product of biological or societal factors or both? How should the church think about larger cultural issues, such as gay marriage, gay pride, and whether intolerance over LGBT amounts to racism? How (or if) Christians should do business with LGBT persons and supportive companies? Simply saying that the Bible condemns homosexuality is not accurate, nor is it enough to end the debate. Those holding a traditional view still struggle to reconcile the Bible’s prohibition of same-sex attraction with the message of radical, unconditional grace. This book meets that need.

Healing Homosexuality Joseph Nicolosi 1997-11 Albert - The Little Boy Within; Tom - The Married Man; Father John - The Double Life; Charlie - The Search for the Masculine Self; Dan - The Angriest Man; Steve - The Seeker of Male Symbols; Edward - Agony of a Youth; Roger - "Do I Really Want to Be Here?"; Men Together - How Group Therapy Heals; How Reparative Therapy Works.

Ex-Gay Research Jack Drescher 2013-04-03 Defenders and critics of the controversial Spitzer study analyze its methodologies and findings In 2001, Robert L. Spitzer, MD, presented his study on sexual conversion therapy with its controversial findings that some homosexuals can change their sexual orientation. The resulting media sensation and political firestorm enraged the study’s critics and emboldened its supporters. *Ex-Gay Research: Analyzing the Spitzer Study and Its Relation to Science, Religion, Politics, and Culture* presents leading experts examining Spitzer’s research methodology and findings to discern whether the study itself deserves deeper consideration or outright dismissal. Every facet of the study is reviewed to discuss the positive or negative aspects of the results, its significance in political and social terms, and the implications for the future. Dr. Spitzer himself was an instrumental figure in the American Psychiatric Association's decision in 1973 to remove homosexuality as a mental illness listing from the Diagnostic and Statistical Manual-III. His later study that states that in some individuals, homosexuality may be more fluid than previously thought stirred controversy in the psychiatric community and society at large. His study is presented here to allow the reader to evaluate and consider it for themselves. Leading experts then voice their own pro or con views on the methodology and findings. *Ex-Gay Research: Analyzing the Spitzer Study and Its Relation to Science, Religion, Politics, and Culture* fearlessly illustrates the sometimes fuzzy boundary between science and politics, courageously spotlighting the culture wars now dividing our society. *Ex-Gay Research: Analyzing the Spitzer Study and Its Relation to Science, Religion, Politics, and Culture* discusses: the ex-gay movement the nature of scientific inquiry the relationship between science and politics the results of sexual conversion therapies gay and lesbian rights *Ex-Gay Research: Analyzing the Spitzer Study and Its Relation to Science, Religion, Politics, and Culture* is essential reading for sex researchers, mental health professionals, pastoral counselors, political activists, and any person asking if one can truly “change” his or her homosexuality.

Desire Work Melissa Hackman 2018-08-10 In postapartheid Cape Town—Africa's gay capital—many

Pentecostal men turned to "ex-gay" ministries in hopes of "curing" their homosexuality in order to conform to conservative Christian values and African social norms. In *Desire Work* Melissa Hackman traces the experiences of predominantly white ex-gay men as they attempt to forge a heterosexual masculinity and enter into heterosexual marriage through emotional, bodily, and religious work. These men subjected themselves to daily self-surveillance and followed prescribed behaviors such as changing how they talked and walked. Ex-gay men also saw themselves as participating in the redemption of the nation, because South African society was perceived as suffering from a crisis of masculinity in which the country lacked enough moral heterosexual men. By tying the experience of ex-gay men to the convergence of social movements and public debates surrounding race, violence, religion, and masculinity in South Africa, Hackman offers insights into the construction of personal identities in the context of sexuality and spirituality.

Handbook of Counseling and Psychotherapy with Lesbian, Gay, Bisexual, and Transgender Clients Kathleen J. Bieschke 2007 This updated edition focuses critical attention on the need to enhance understanding of lesbian, gay, bisexual, and transgender clients. The editors incorporate new and emerging areas of scholarship and reflect on implications of recent changes in society, including political struggles for gay civil unions, marriage, and adoption rights.

A Parents Guide to Preventing Homosexuality Joseph Nicolosi 2017-03-10 In this groundbreaking book, Joseph Nicolosi uncovers the most significant factors that contribute to children's healthy sense of themselves as male or female.

Shame and Attachment Loss Joseph Nicolosi 2016-06-01 Psychologist Joseph Nicolosi details the therapeutic techniques of reparative therapy. The book first describes the nature of the psychodynamics of same-sex attraction. The second part describes the various phases of treatment. The final part deals with walking clients through the process of grieving and the healing of their wounding.

The Battle for Normality Gerard J. M. Van den Aardweg 2010-07-01 This book is primarily meant for those homosexuality afflicted persons who seek practical advice in order to change, or, at least, to constructively and responsibly deal with it. It is written with their needs, anxieties, and weaknesses in mind, as Dr. Van den Aardweg has learned them during more than 30 years of therapy with homosexual persons. There is a need for such a practical ""guide"" because there are very few able therapists who want to help the well-intentioned homosexual to change, and because most existing works on homosexuality are about theory, not about every-day self-therapy. Theoretical subjects are discussed, too, in so far as they are necessary to be able to fight the homosexual inclination, and to refute certain myths. This is a Christian psychological approach and it offers the best opportunities for change. ""Rich and insightful. Highly recommended."" -Paul Vitz, Ph.D. ""Provides a useful, ""no-nonsense"" guide for self-help therapy. Many readers will be helped by this practical book."" - Joseph Nicolosi, Ph.D., Author, *Healing Homosexuality*, Gerard Van den Aardweg has had a private psychotherapeutic practice since 1963 in Holland, specializing in the treatment of homosexuality and marriage problems. He has written for many publications in these fields, and has authored several books on homosexuality.

Changing Our Mind David P. Gushee 2017-05-31 "Every generation has its hot-button issue," writes David P. Gushee, "For us, it's the LGBT issue." In *Changing Our Mind*, Gushee takes the reader along his personal and theological journey as he changes his mind about gay, lesbian, bisexual and transgender inclusion in the Church. With 19 books to his name, Gushee is no stranger to the public arena. He is the author of the "Evangelical Declaration Against Torture" and drafted the "Evangelical Climate Initiative. "For decades now, David Gushee has earned the reputation as America's leading evangelical ethicist. In this book, he admits that he has been wrong on the LGBT issue." writes Brian D. McLaren, author and theologian. In the definitive third edition of this book, David Gushee issues a scholarly response to his critics. Brian D. McLaren says it best: "Not only is David Gushee's work deep, thoughtful and brilliant; and not only is David philosophically and theologically careful and astute; he is also refreshingly clear and understandable by 'common people' who know neither philosophical nor theological mumbo jumbo."

Love Won Out John Paulk 1999 The authors have both come out of the gay lifestyle and now offer words of support on how to be healed by Jesus Christ, who they say makes such change possible.

Straight to Jesus Tanya Erzen 2006 "Erzen is sensitive, savvy, and provocative. Her mastery of historical sources, ethnographic technique, and accessible writing style are evident throughout. She illuminates aspects of conservative Christianity central to the 'culture wars,' deepening our understanding of the movement's internal struggles over sexuality, gender, and family issues. Erzen has written a wonderful book."--Diane Winston, author of *Red-Hot and Righteous: The Urban Religion of the Salvation Army*

"Tanya Erzen's wonderful and timely book provides us with a compelling cultural history of the Christian right in the post-war period--from the cold war to family and sexual politics--as well as remarkable ethnographic insight into the dynamics of Exodus International. With compassion, humor, and insight, Erzen takes the reader through the ideological, organizational, and daily practices used in efforts to change people's theological and sexual orientations, from self-help to conversion testimony."--Faye Ginsburg, Professor of Anthropology, New York University, author of *Contested Lives*

Transgender Identities Alessandra Lemma 2021-12-28 This important new book by Alessandra Lemma provides a succinct overview of psychoanalytic understandings, approaches and controversies around transgender identifications. Illustrated with case vignettes, Lemma provides an up-to-date synthesis of current research and a critical overview of psychoanalytic approaches to transgender identities, distilling some of the contemporary controversies about how to approach the topic in the consulting room. Lemma also outlines a psychoanalytically informed ethical framework to support clinicians working with individuals who request medical transitioning and distills the ethical challenges faced by clinicians in light of the current emphasis on gender affirmative care. Part of the Routledge Introductions to Contemporary Psychoanalysis series, this book is of great importance for psychoanalysts in practice, academics and all those with an interest in transgender identities and mental health.

LGBT Psychology Michele K. Lewis 2011-11-02 Same-sex attracted, and non-gender conforming African-Americans are substantial in number, yet underrepresented in the social and behavioral science literature. This volume addresses the issues of African-American LGBT psychology as a case of indigenous psychology. The authors present the research of scholars who are developing theory, practice, and services that are couched within the specific cultural complexities of this population. Some key topics addressed in African-American Issues in LGBT Psychology are gender, spirituality, family, racism, "coming out", generational differences, health and safety issues, urban vs. rural realities, and implications for researchers.

A Life of Unlearning Anthony Venn-Brown 2015-09-28 A life of denial, exorcisms, gay conversion therapy and 16 years of marriage, crashed to a humiliating end for this high-profile Pentecostal preacher. A chance meeting propels him through a devastating maze of public scandal, rejection and isolation. Can he rebuild his life? Read this brutally honest story of one man's journey to authenticity.

This comprehensive guide is designed to empower you in your quest for eBooks. We'll explore various methods of finding Healing Homosexuality Case Stories Of Reparative Therapy online, from legal sources to community-driven platforms. You'll learn how to choose the best eBook format, where to find your favorite titles, and how to ensure that your eBook reading experience is both enjoyable and ethical.

Whether you're new to eBooks or a seasoned digital reader, this Healing Homosexuality Case Stories Of Reparative Therapy eBook has something for everyone. So, let's dive into the exciting world of eBooks and discover how to

access a world of literary wonders with ease and convenience.

Understanding Healing Homosexuality Case Stories Of Reparative Therapy

Before you embark on your journey to find Healing Homosexuality Case Stories Of Reparative Therapy online, it's essential to grasp the concept of Healing Homosexuality Case Stories Of Reparative Therapy eBook formats. Healing Homosexuality Case Stories Of Reparative Therapy come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different Healing Homosexuality Case Stories Of Reparative Therapy eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Healing Homosexuality Case Stories Of Reparative Therapy eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.

Understanding Healing Homosexuality Case Stories Of Reparative Therapy eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find Healing Homosexuality Case Stories Of Reparative Therapy eBooks in these formats.

Healing Homosexuality Case Stories Of Reparative Therapy eBook Websites and Repositories

One of the primary ways to find Healing Homosexuality Case Stories Of Reparative Therapy eBooks online is through dedicated eBook websites and repositories. These platforms offer an extensive collection of eBooks spanning various genres, making it easy for readers to discover new titles or access classic literature. In this chapter, we'll explore Healing Homosexuality Case Stories Of Reparative Therapy eBook and discuss important considerations of Healing Homosexuality Case Stories Of Reparative Therapy.

Popular eBook Websites

1. Project Gutenberg:

Project Gutenberg is a treasure trove of over 60,000 free eBooks, primarily consisting of classic literature.

It offers eBooks in multiple formats, including EPUB, MOBI, and PDF.

All eBooks on Project Gutenberg are in the public domain, making them free to download and read.

2. Open Library:

Open Library provides access to millions of eBooks, both contemporary and classic titles.

Users can borrow eBooks for a limited period, similar to borrowing from a physical library.

It offers a wide range of formats, including EPUB and PDF.

3. Internet Archive:

The Internet Archive hosts a massive digital library, including eBooks, audio recordings, and more.

It offers an "Open Library" feature with borrowing options for eBooks.

The collection spans various genres and includes historical texts.

4. BookBoon:

BookBoon focuses on educational eBooks, providing free textbooks and learning materials.

It's an excellent resource for students and professionals seeking specialized content.

eBooks are available in PDF format.

5. ManyBooks:

ManyBooks offers a diverse collection of eBooks, including fiction, non-fiction, and self-help titles.

Users can choose from various formats, making it compatible with different eReaders.

The website also features user-generated reviews and ratings.

6. Smashwords:

Smashwords is a platform for independent authors and publishers to distribute their eBooks.

It offers a wide selection of genres and supports multiple eBook formats.

Some eBooks are available for free, while others are for purchase.

Healing Homosexuality Case Stories Of Reparative Therapy Legal Considerations

While these Healing Homosexuality Case Stories Of Reparative Therapy eBook websites provide valuable resources for readers, it's essential to

be aware of legal considerations:

Copyright: Ensure that you respect copyright laws when downloading and sharing Healing Homosexuality Case Stories Of Reparative Therapy eBooks. Public domain Healing Homosexuality Case Stories Of Reparative Therapy eBooks are generally safe to download and share, but always check the copyright status.

Terms of Use: Familiarize yourself with the terms of use and licensing agreements on these websites. Healing Homosexuality Case Stories Of Reparative Therapy eBooks may have specific usage restrictions.

Support Authors: Whenever possible, consider purchasing Healing Homosexuality Case Stories Of Reparative Therapy eBooks to support authors and publishers. This helps sustain a vibrant literary ecosystem.

Public Domain eBooks

Public domain Healing Homosexuality Case Stories Of Reparative Therapy eBooks are those whose copyright has expired, making them freely accessible to the public. Websites like Project Gutenberg specialize in offering public domain Healing Homosexuality Case Stories Of Reparative Therapy eBooks, which can include timeless classics, historical texts, and cultural treasures.

As you explore Healing Homosexuality Case Stories Of Reparative Therapy eBook websites and repositories, you'll encounter a vast array of reading options. In the next chapter, we'll delve into the world of eBook search engines, providing even more ways to discover Healing Homosexuality Case Stories Of Reparative Therapy eBooks online.

Healing Homosexuality Case Stories Of Reparative Therapy eBook Search

eBook search engines are invaluable tools for avid readers seeking specific titles, genres, or authors. These search engines crawl the web to help you discover Healing Homosexuality Case Stories Of Reparative Therapy across a wide

range of platforms. In this chapter, we'll explore how to effectively use eBook search engines and uncover eBooks tailored to your preferences.

Effective Search Healing Homosexuality Case Stories Of Reparative Therapy

To make the most of eBook search engines, it's essential to use effective search techniques. Here are some tips:

1. Use Precise Keywords:

Be specific with your search terms. Include the book title Healing Homosexuality Case Stories Of Reparative Therapy, author's name, or specific genre for targeted results.

2. Utilize Quotation Marks:

To search Healing Homosexuality Case Stories Of Reparative Therapy for an exact phrase or book title, enclose it in quotation marks. For example, "Healing Homosexuality Case Stories Of Reparative Therapy."

3. Healing Homosexuality Case Stories Of Reparative Therapy Add "eBook" or "PDF":

Enhance your search by including "eBook" or "PDF" along with your keywords. For example, "Healing Homosexuality Case Stories Of Reparative Therapy eBook."

4. Filter by Format:

Many eBook search engines allow you to filter results by format (e.g., EPUB, PDF). Use this feature to find Healing Homosexuality Case Stories Of Reparative Therapy in your preferred format.

5. Explore Advanced Search Options:

Take advantage of advanced search options offered by search engines. These can help narrow down your results by publication date, language, or file type.

Google Books and Beyond

Google Books:

Google Books is a widely used eBook search engine that provides access to millions of eBooks.

You can preview, purchase, or find links to free Healing Homosexuality Case Stories Of Reparative Therapy available elsewhere.

It's an excellent resource for discovering new titles and accessing book previews.

Project Gutenberg Search:

Project Gutenberg offers its search engine, allowing you to explore its extensive collection of free Healing Homosexuality Case Stories Of Reparative Therapy.

You can search by title Healing Homosexuality Case Stories Of Reparative Therapy, author, language, and more.

Internet Archive's eBook Search:

The Internet Archive's eBook search provides access to a vast digital library.

You can search for Healing Homosexuality Case Stories Of Reparative Therapy and borrow them for a specified period.

Library Genesis (LibGen):

Library Genesis is known for hosting an extensive collection of Healing Homosexuality Case Stories Of Reparative Therapy, including academic and scientific texts.

It's a valuable resource for researchers and students.

eBook Search Engines vs. eBook Websites

It's essential to distinguish between eBook search engines and eBook websites:

Search Engines: These tools help you discover eBooks across various platforms and websites. They provide links to where you can access the eBooks but may not host the content themselves.

Websites: eBook websites host eBooks directly, offering downloadable links. Some websites

specialize in specific genres or types of eBooks.

Using eBook search engines allows you to cast a wider net when searching for specific titles Healing Homosexuality Case Stories Of Reparative Therapy or genres. They serve as powerful tools in your quest for the perfect eBook.

Healing Homosexuality Case Stories Of Reparative Therapy eBook Torrenting and Sharing Sites

Healing Homosexuality Case Stories Of Reparative Therapy eBook torrenting and sharing sites have gained popularity for offering a vast selection of eBooks. While these platforms provide access to a wealth of reading material, it's essential to navigate them responsibly and be aware of the potential legal implications. In this chapter, we'll explore Healing Homosexuality Case Stories Of Reparative Therapy eBook torrenting and sharing sites, how they work, and how to use them safely.

Find Healing Homosexuality Case Stories Of Reparative Therapy Torrenting vs. Legal Alternatives

Healing Homosexuality Case Stories Of Reparative Therapy Torrenting Sites:

Healing Homosexuality Case Stories Of Reparative Therapy eBook torrenting sites operate on a peer-to-peer (P2P) file-sharing system, where users upload and download Healing Homosexuality Case Stories Of Reparative Therapy eBooks directly from one another.

While these sites offer Healing Homosexuality Case Stories Of Reparative Therapy eBooks, the legality of downloading copyrighted material from them can be questionable in many regions.

Healing Homosexuality Case Stories Of Reparative Therapy Legal Alternatives:

Some torrenting sites host public domain Healing Homosexuality Case Stories Of Reparative Therapy eBooks or works with open licenses that allow for sharing.

Always prioritize legal alternatives, such as Project Gutenberg, Internet Archive, or Open Library, to ensure you're downloading Healing Homosexuality Case Stories Of Reparative Therapy eBooks legally.

Staying Safe Online to download Healing Homosexuality Case Stories Of Reparative Therapy

When exploring Healing Homosexuality Case Stories Of Reparative Therapy eBook torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

2. Verify Healing Homosexuality Case Stories Of Reparative Therapy eBook Sources:

Be cautious when downloading Healing Homosexuality Case Stories Of Reparative Therapy from torrent sites. Verify the source and comments to ensure you're downloading a safe and legitimate eBook.

3. Update Your Antivirus Software:

Ensure your antivirus software is up-to-date to protect your device from potential threats.

4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal complications.

5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download Healing Homosexuality Case Stories Of Reparative Therapy eBooks that you

have the right to access.

Healing Homosexuality Case Stories Of Reparative Therapy eBook Torrenting and Sharing Sites

Here are some popular Healing Homosexuality Case Stories Of Reparative Therapy eBook torrenting and sharing sites:

1. The Pirate Bay:

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of Healing Homosexuality Case Stories Of Reparative Therapy eBooks, including fiction, non-fiction, and more.

2. 1337x:

1337x is a torrent site that provides a variety of eBooks in different genres.

3. Zooqle:

Zooqle offers a wide range of eBooks and is known for its user-friendly interface.

4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to find and download your desired reading material.

A Note of Caution

While Healing Homosexuality Case Stories Of Reparative Therapy eBook torrenting and sharing sites offer access to a vast library of reading material, it's important to be cautious and use them responsibly. Prioritize legal downloads and protect your online safety. In the next chapter, we'll explore eBook subscription services, which offer legitimate access to Healing Homosexuality Case Stories Of Reparative Therapy eBooks.
