Heart of a Monster - Shain Rose 2021-06-10

"If you fall in love with a monster, remember he'll always be vicious." I met a boy in the dead of the night and hoped he would save me from the dark. When I lost the last person that cared for me, I ran straight into the arms of his family. The Italian Mob. It was no place for a naïve girl. I grew up and earned my place. Everyone within the family accepted me quickly- all except him. To him, I didn't belong. And he made that clear by being the monster everyone knew him to be: Cruel, ruthless, and cold. My gut told me to leave, but my soul wanted to stay. I gravitated toward the man no one seemed to understand because no one understood me either. I handed my heart to a monster, and he ripped it apart.

The Crown's Obsession - ash_knight17

"Your bed is cold," spoke a voice in the room that had her eyes go wide in fear. Nervously, she turned around, gulping softly to see a shadow on her bed as if someone laid down there. The man who had been lying down sat up emerging out from the shadows where he had been waiting for her. "What are you doing here?" she asked when his feet touched the ground and he pushed himself up to start walking towards her. His handsome features looked darker than usual because of the lack of light in the room. "I came

to meet you," he tilted his head, "Where did you go?" "I went out for a walk," came the quick reply that had him smile, a smile that scared her the most. She took a step back when he came close to her. It didn't stop him from cornering her, and her back hit the wall behind her. He raised his hand towards her face, and she closed her eyes, scared. She shuddered when his fingers trail down from her temple and her jaw and neck. Her blonde hair was left open. "In the middle of the night?" she didn't answer him knowing he could decipher her lies through her words. He stepped closer that had her turn her face away from him and his words vibrated on the skin of her neck, "Did you go to meet him, my sweet girl?"

The Du Lac Chronicles - Mary Anne Yarde
2016-02-21

"An evocative, timeless saga of love and betrayal" Tony Riches, author of *The Tudor Trilogy*. "It is dangerous to become attached to a du Lac. He will break your heart, and you will not recover." So prophesies a wizened healer to Annis, daughter of King Cerdic of Wessex. If there is truth in the old crone's words, they come far too late for Annis, who defies father, king, and country to save the man she loves. Alden du Lac, once king of Cerniw, has nothing. Betrayed by Cerdic, Alden's kingdom lies in

ruddle, his fort razed to the ground and his brother Merton missing, presumably dead. He has only one possession left worth saving: his heart. And to the horror of his few remaining allies, he gives that to the daughter of his enemy. They see Annis, at best, as a bargaining chip to avoid war with her powerful father. At worst, they see a Saxon witch with her claws in a broken, wounded king. Alden has one hope: When you war with one du Lac, you war with them all. His brother Budic, King of Brittany, could offer the deposed young king sanctuary-but whether he will offer the same courtesy to Annis is far less certain. *The Du Lac Chronicles* from Mary Anne Yarde is a new story based on Arthurian Legend and the great historical/fantasy fiction tradition of Bernard Cornwall, C.M.Grey and Kim Headlee. *The Du Lac Chronicles* has a recommend reading age of 14+

Tempted By Trouble: A BBW BWWM, curvy heroine + billionaire boss, hot enemies to lovers romance - Christa Wick

His bed. His rules. His intense ability to make her come...completely undone. Law student Gina Banks knows that getting in bed--literally--with billionaire Austin Long is just plain trouble. Sure, she's done some dangerous things in the past to fight the good fight, but taking risks is far different from testing her limits. Being with Austin would involve both. Still, the chance to help the families in her hometown is something she just can't turn down. So, she agrees to his terms. Total surrender. Hers. To him. A simple business deal where they both get what they want. The absolute last thing Gina expects is for Austin to end up wanting her to surrender her heart to him, too. AUTHOR'S NOTE: C.M. Wick is my separate pen name for the dark romances in my catalog, as well as the extra dirty ones (and some are both dark & dirty). This is definitely one of the dirtier ones, with just a little alpha dom meets feisty sub action sprinkled in for extra spice. Enjoy!
