The Russian Billionaire - Georgia Le Carre
2021-05-12

Raine. I was working two jobs, mom was working three, and we still couldn't make ends meet. No matter how hard we tried we just couldn't catch up with my sister's medical bills. Right before my eyes, my mother was becoming a shadow of herself. And now Madison needed another costly medical intervention. Every time I'd read about the Wall Street fat cats, bankers, and billionaires getting richer and richer with

government bailouts while half our wages went on taxes, it made me more and more resentful and bitter about the system we lived in. So... when I was offered a lot of money to take (okay, steal) something from a Russian billionaire, who had originally stolen it from another Russian billionaire anyway, I said yes. The woman who offered me the deal made it sound easy. Her exact words were, "an in and out job." But it wasn't an in and out job. Not by a long shot. To my astonishment, I had foolishly wandered into the glamorous and dangerous world of the insanely rich. I had walked into Konstantin Tsarnov's life, a secretive, unforgiving, and sinfully handsome beast. A Standalone Full Length Romance.

My bestie was dumped unceremoniously, and when I spotted his car, I felt the need to write him a quick note on the hood. You know, just a word or two about what I thought of his actions. No big deal. Only, it wasn't her ex's car. And it was a big deal. A really big deal. Because the car I'd inadvertently vandalized was none other than

Tanner Wright's. Tanner Wright, the media mogul. Tanner Wright, the internet voted 'hottest man on earth'. Tanner Wright, the biggest talk radio host the country has ever known. Tanner Wright... my new boss. I think I might be in a bit of trouble. As with all Megan Wade books, this full length grumpy boss romance comes with her Sugar Promise. Violent Delights - Linnea May 2023-02-24

She agreed to play. She agreed to be mine. I won't let her change the rules of the game. Violence has always been part of my life. I was angry as a child, underchallenged and neglected, with no outlet for my dangerous rage. Years have passed, and I'm no longer a victim of my own aggression. I'm in control now. A control that many seek to surrender. Just like her. My Pet. The beautiful blonde who agreed to bend to my will. She agreed to be kidnapped and locked away until our contract is over. She's here to play a role. But her defiance seems too real, her

terror too honest. Watching her struggle is bone-chilling. She's getting to me like no one ever has before, seizing a heart that cannot love. Or so I thought...

The Billionaire's Desire 8, Jonathan and Skylar - Ashley Blake 2013-07-19

The new generation of Hunter is here! Meet Jonathan Hunter, only son of billionaire CEO Joshua Hunter from the best-selling *The Billionaire's Desire* series! There's this thing called chemistry, which can't be explained, it's either there or it's not and it can't be denied. For Skylar Miller, chemistry was the one thing she didn't consider when she hatched her perfect plan for her freshman year of college: study hard, make new friends and stay away from boys. Still healing from an unforgiveable betrayal, the last thing she needed was to see the gorgeous lead singer of Sonic Blaze belting out lyrics to her from that stage. He was tall, dark and sexy; everything she should run from, but didn't want to. Her world is turned upside down the night of her dorm meeting when she looks up to see the lead singer of the band introducing himself to the room as their Resident Advisor. College senior, Jonathan Hunter, is even more gorgeous than she remembered and he seems to have eyes only for her. When she finds out he is the son of Joshua Hunter, Billionaire CEO of Hunter International, all of her insecurities rise to the surface. Can a girl from meager means really fit in with such a wealthy family like his? And has Skylar misjudged Jonathan? Torn between his love of music and family business obligations, Jonathan turns to Skylar for comfort. But is she the only one he is turning to? EXCERPT: Under the bright lights of the walking path I could see his eyes light up and then quickly go blank as he saw me. Oh great. I was not in the mood to see him just yet. He walked up beside me and started walking with me without even asking if it was okay. I hated to admit it but I felt safer with him by my side, but I would never let him know that. "I think you're walking with the wrong girl, where is your girlfriend Jonathan?" I cut my eyes sideways at him and saw him set his jaw, clearly annoyed at my question. "It's late and you shouldn't be out here by yourself." His tone was terse as he ground out the words. "I can take care of myself just fine Jonathan Hunter, I don't

need you to protect me." I let out a loud huff and sped up trying to get away from him. His stride increased with mine, keeping pace with me, and I couldn't shake him. "I'm sure you can take care of yourself Skylar, but I am not going to let you walk back to the dorm alone at this hour, so just slow down and let me walk with you!" I stopped in my tracks and turned to him, glaring into his eyes. "I do not want to be around you, don't you get it! Now go away and leave me alone!" I spun on my heel and stalked off but Jonathan caught up with me in two seconds and grabbed my arm spinning me around to face him. "I am not going to leave you alone at this hour, that is not going to happen!" He let go of me and ran his hands through his hair in frustration, looking at me with almost desperate eyes. "I don't know what it is about you, but I can't leave you alone Sky, I just can't." He gathered me in his arms and his lips came crashing down on mine. My knees nearly betrayed me and I began to feel them buckle as I reveled in his kiss. My stomach did somersaults as I decided to follow my heart and not my head. His fingers laced through my hair holding my head so that he could devour me with kisses. His tongue slid over mine and he gently sucked on my bottom lip, teasing my lips with his tongue. I let out a soft moan as my arms crawled up around his neck, pulling him closer, feeling his arousal and pressing my body to his. We stood there, under the bright lights, completely engulfed in each other when we heard footsteps in the distance. It snapped me back to reality and the realization of what had just happened began to sink in. Read the entire series now! From an early age, shy nerd girl Autumn Blakewood didn't know how to fend for herself. Teased and bullied her whole life, she's withdrawing more and more. Not even her broken family can help her get through high school. Her only friends, Brody and Evie, are both social recluses too, and they seek comfort in each other's support. However, Autumn's friends can't always protect her from her malicious classmates who seem set on destroying what's left of her heart. When Autumn thinks her life can't get any worse, devastating news rips her family apart. It's up to her to pick up the pieces of her life and find a way to fix everything. Will she find the courage to fight? "I truly loved reading Autumn's story in FIGHT. I could really relate to how she was feeling while being bullied. My heart broke for her and I was transplanted back to my high school days. Clarissa really shows you what it feels like." -- Angela D. SERIES READING ORDER: 1. FIGHT (#0.5, Fierce) 2. Honey, Honey - Rebel Carter 2021-09-22

Of All The Coffee Shops In New York City... Honey... My name is Honey Martinez. I live in New York City. I make coffee. I'm not a fan of staying in any one place for too damn long. I have a simple life and a few friends. Nothing special, but that's because I've made it that way. My life has been lived in the shadows of my past, and it's a past I've worked hard to run from. Well, everything except for one place--The Cairn Club. New York City's most exclusive and luxe BDSM club. It is a playground I've thrived in, a place where I am known, desired, and indulged.

The freedom of the Cairn Club sustains me through my mundane every day, but all of that changes when Lawson Sokolov enters my world. Lawson... She's the woman I shouldn't want, but from the second I see her, Honey is all that I need. She's sweet, open, and trusting in a way the city eats up and spits out. Every Dominant instinct in my body demands I protect her, keep her close, and that's exactly what I intend to do--even though a smarter man would run from Honey. In a world like mine, there's no room for softness and soft is all Honey calls up in me. She makes me weak, but it's the like I never thought to experience, not after what I've done to get to where I am. I've got blood on my hands, but Honey's smile, her touch, the woman's slightest kiss washes it all away and makes me believe that I can be a man worth a damn again. What will happen when this couple is caught up in the

inner workings of the Cairn? When the all-powerful Zeus takes an interest in Honey and Lawson is asked to play the role of protector, her shield against the man that would see her fall? Will they fight their attraction, or will they take a leap of faith and give in to the kinkiest desires of their hearts and find their own brand of happiness as Daddy and Little? Honey, Honey is for fans of Midnight Poppy Land and anyone that goes weak for a gruff hero going sweet over their heroine of choice. This novel a darkly sweet and steamy BDSM romance novel with age play, DDlg, spanking, dirty talk, restraints, impact play, and a creepy lurking ex. All sex is explicitly consensual and deliciously enjoyed by all involved. Read Honey, Honey, the first novel in the Cairn Series Duet, for an emotionally fulfilling, kinky, BDSM romance novel replete with a yummy HFN.
