Pursuit for Revenge Just Plain Bob 2014-10-17 That I want to spend some time with you, but I don't want it to be an exclusive thing. We both need to see other people Robert is happily married to Rebecca for eleven years - he considers it the best years of his life and he's pretty convinced that the marriage is rock solid. But something's telling him something's not right. He accidentally overhears disturbing remarks from his colleagues at work involving Rebecca. Add to that, Rebecca's responses to him when he asks about her card nights are darkly suspicious. A phone call to one of Rebecca's friends and card night buddy reveals that his wife has been lying all along for three months. Robert embarks on a plan to confirm his suspicions and what he sees one night while spying at his house just bares it all. Now, it's time to get even - not only with Rebecca but also with his degenerate colleagues. What you're about to find out next are beautifully crafted pieces of pure revenge... SAMPLE 1: I sat there watching and five minutes later Charlie pulled up and got out of his car with a woman who wasn't his wife. Next came Mel and his lovely wife Judy followed by another two couples I didn't recognize. The next arrival was the one I hoped I wouldn't see. Phil pulled up, parked and went into the house. Two more couples showed up and they appeared to be the last. By the time the last couples had shown, it was starting to get dark out. I waited another thirty minutes and then I got out of the rental and approached the house. I hoped that there weren't any nosey neighbors looking out their windows as I made my way around the house that everyone had entered. I finally found a window where the blinds had a gap in them and I peeked in and saw a sight I had never seen before. It was a full-blown orgy. SAMPLE 2: My eighteenth birthday was on the twenty-ninth of October and my parents surprised me by giving me a car for a birthday present. That freed me up to date more often and having a car made me a little more appealing to some of the girls and I started getting more dates. It wasn't until my fourth date with Pauline French that life got interesting. The first two were nothing out of the ordinary. I did get kissed goodnight and on the third we made out hot and heavy and I was definitely hoping for more. The fourth we went to the Burger Barn for burgers and fries and then went and played miniature golf. We had just finished the last hole and I asked Pauline what she would like to do next. She looked me right in the eye and asked: "Do you eat pussy, Rob?"

Slut Wife, Happy Life Gustav Jorgenson 2017-02-13 In this volume, I explore all sorts of wifely depravity, from wives showing an interest in the bullies that harass their husbands to wives who take the demands of political correctness more seriously than their own wedding vows. Some people actually explode with anger when they come across these tales. I see all sorts of indignant comments online. Some can't handle the idea of wives cheating on their husbands, which I find a quaint objection. I've talked about this at length, but basically, nothing is more sexually titillating than transgression. So I am no stranger to controversy. In this volume, I expect to hear new objections. I have re-approached a topic I call social justice porn in which husbands are cuckolded by wives in the name of social justice. Many on the left will object to this, but I insist that these ideas need to be explored further. I was amazed at first when the alt-right started using cuckold related insults like cuck-servative to attack their enemies. As though being tolerant of immigration was equivalent to wanting strangers to fuck your wife. What a massive, collective freudian slip on the part of these poor Trump supporters. They are wearing their fears of betrayal, humiliation, and impotence on their sleeves. But I am happy to go down that rabbit hole and examine cuckoldry in this light. I am in search of the stories that makes a hotwife and her cuckold cum. Political correctness be damned. Cheerio, Gustav Jorgenson San Francisco, 2017

Disgusting, Beautiful, Immoral Guy New York 2014-06-17 The way she begged me to tell her stories the first night we met might have been a hint. The fact that she didn't get angry when she walked in on me with another woman was probably a good indicator, too. But with Kelly, knowing what to

expect was a dangerous pastime. We fell in love far too quickly for our own good, and we pushed through every horrible thing we could think to do to one another without looking back. Kelly and I fucked, laughed, and drank our way through the end of the millennium, and we pulled our friends along with us, breaking every rule we could find. It was the spring of 1999, and New York was still getting over her gritty phase as I got over my college phase. Prince was on the radio every five minutes, and the bars still had ashtrays on the tables. The girls danced on the bar at Doc Holidays, and we smoked joints in Tompkins Square Park. But in the end, we needed saving. In the end, all of us needed saving.

The Three Marriage Enigmas Kevin Foster 2016-05-15 The Three Marriage Enigmas Most marriages all face the same underlying problem: Somewhere along the way, their intimacy was destroyed, and without it, the marriage failed, even if the couple never got divorced. As widespread as such difficulties are, the problems that sabotage intimacy are invisible, enigmas. Just about every couple faces these same enigmas. If not dealt with properly, they can lead to what I call the "downward spiral in marriage." Worse, these enigmas interact with and feed on each other, which makes them even more difficult to identify and eliminate. Rather than being in control, most couples are struggling and helpless, because they are unaware the enigmas exist, much less how to overcome them. It is the great heartache and pain that millions suffer during marriage and after divorce that has inspired me to write this book. I understand their pain from personal experience, and my heart breaks for these people. The book identifies these hidden forces as enigmas and addresses how these enigmas interact to destroy even the deepest intimacy and love couples have. Most couples level out, just to spiral down again; the cycle often repeating itself over and over. Statistics show over 72% of spouses will end up breaking their vows and cheating! Divorce is an incredibly painful experience. Many people join divorce support groups to cope with the pain they are experiencing. Some who are in the midst of this pain believe it will never end. Their lives are shattered, and most of them have no idea why. Author Kevin Foster M.Th. identifies what is happening and why. Then using the "Love Actions" outlined in this book; he shows how to permanently stop the downward spiral and restore wonderful love and intimacy forever. He then explains how to bulletproof marriages against affairs. This is the one book every engaged or married couple should read!

The New I Do Susan Pease Gadoua 2014-09-23 If half of all cars bought in America each year broke down, there would be a national uproar. But when people suggest that maybe every single marriage doesn't look like the next and isn't meant to last until death, there's nothing but a rash of proposed laws trying to force it to do just that. In *The New I Do*, therapist Susan Pease Gadoua and journalist Vicki Larson take a groundbreaking look at the modern shape of marriage to help readers open their minds to marrying more consciously and creatively. Offering actual models of less-traditional marriages, including everything from a parenting marriage (intended for the sake of raising and nurturing children) to a comfort or safety marriage (where people marry for financial security or companionship), the book covers unique options for couples interested in forging their own paths. With advice to help listeners decide what works for them, *The New I Do* acts as a guide to thinking outside the marital box and the framework for a new debate on marriage in the 21st century.

The Bonobo Way Susan Block 2014-10-30 In this unique and paradigm-changing book, internationally acclaimed and controversial sex educator Dr. Susan Block offers a brilliant new view of human sexuality, war, peace and community, inspired by a role model who isn't even human: our closest genetic cousin, the bonobo. With a provocative, humorous and engaging style that makes science fun and ecology erotic, *The Bonobo Way* boldly asks:

What do these great apes know about sex--and the rest of life--that we don't? Here are some things we know about bonobos: They have lots of sex. They never kill each other. They empower the females. They stay younger longer. They live in peace through pleasure. And we thought humans were the smartest apes! For decades, experts have used the "killer ape" paradigm to explain why humans murder, make war, bomb and behead each other, and supposedly always will. Sure, our common chimp cousins kill, but do they tell the whole tale? Luckily, no. The Bonobo Way shows the other side of the story, presenting the bonobos as a new great ape paradigm for humanity that could change the world... or at least improve your love life. "This book is really good... something I rarely say these days! The Bonobo Way is whimsical yet serious, easy to read yet thoroughly researched, challenging yet ultimately deeply comforting. Dr. Susan Block is living proof that bonobos aren't just sexy and fun--some of them are damned smart, too." Christopher Ryan, Ph.D. author of *Sex at Dawn* From the lush depths of the rainforest to the satin sheets of your bedroom, Dr. Block takes you on a fascinating journey, weaving stories, studies, theories and fantasies into possibilities and a practical path of action, presenting a very different kind of "12-Step Program" to release your "inner bonobo," help save the real bonobos from extinction and energize all facets of your life. Whether you don't know bonobos from bananas, or you think you know all about these amazing creatures, The Bonobo Way will show you the way to a happier, healthier, sexier life, and a more peaceful, sustainable culture.

Twelve Years A Slave, Illustrated Edition Solomon Northup 2014-04-08 Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

The Summer I Watched My Wife Guy New York 2018-02-06 Maria didn't fully understand my obsession, but that was about to change. After five years of marriage, I had yet to watch my wife with another man, but I had hinted at it enough times that I thought it was clear. It wasn't until Fiona (our twenty-year-old Irish exchange student) arrived that everything changed. Because unlike Maria, Fiona understood what I wanted without me saying a word. And she also knew what to do with it. So began *The Summer I Watched*, as our houseguest quickly and effortlessly began twisting our lives about until we all got just what we wanted and exactly what we feared the most. A fun and dirty romp through one filthy summer, the book is less about cuckold humiliation and more about a husband obsessed with watching his slutty wife get exactly what she wants. Hot, smart, and funny, *The Summer I Watched* is a hotwife tale that celebrates freedom, exploration, and desire all the way to its glorious and messy conclusion.

The Game Changer Franklin Veaux 2015-09 To make an open marriage work, Franklin and Celeste knew they needed to make sure no one ever came between them. That meant no overnights, no falling in love, and either one of them could ask the other to end an outside relationship if it became too much to deal with. It worked for nearly two decades--and their relentless focus on their own relationship let them turn a blind eye to the emotional wreckage they were leaving behind.

The Married Man Sex Life Primer 2011 Athol Kay 2011-03-30 The author of the innovative sex and marriage blog "Married Man Sex Life" brings together his edgy and brilliant advice in a single volume primer delivering the motherload of substance. *The Married Man Sex Life Primer 2011* cherry picks the best ideas of books like "The Mystery Method," "No More Mr. Nice Guy," and the volatile online world of the Pickup Artist a.k.a. "Game" community and merges them with a solid grounding in evolutionary psychology, sociology, biology and behavior modification. The result is a simple, effective plan for men to create sexually exciting marriages for themselves and their wives. The opening covers the underlying ancient "hard-

wired" biological and modern social reasons women find men attractive. Athol pulls no punches here and the sexual motivations of women are laid bare. Though rather than framing women as sexually devious and seeking to advantage themselves over men, he explains how their sexual behavior is entirely rational in nature and once understood as such, it becomes very useful information. The second part of the book takes the framework developed in the first part and offers a wealth of tools to put it to practical use. The most important tool is The Male Action Plan, which charges the husband with the task of becoming a better, sexier man and thereby leveraging his increased attractiveness for a better sex life with his wife. As Athol says, "whoever is the most attractive in the relationship is in charge." The third part of the book is a treasure trove of playful sexy and romantic moves women will find charming and engaging. It's clear that Athol could have a harem of young ladies, but here he displays an endless variety of playful instigation to continually charm just one. The final section is a catchall of serious topics on what not to do, how to choose a wife, the current state of marriage law and a crushingly simple approach to dealing with being cheated on. (Want a better man? Leave it where he can find it.)

The Ortolan Hunters Guy New York 2016-04-27 The Ortolan Hunters and Other Disturbing Tales is a beautiful collection of three short stories and a novella. Occasionally funny, sometimes hot, and frequently twisted, the collection dives into sexual desires, erotic oneupmanship, and the boundary between fetish and morality. The Ortolan Hunters is about a couple fighting over the little birds. When the narrator is finally convinced to procure the exotic, and illegal dish, he decides he needs to teach his partner a lesson. It's intense, delicious, and fairly twisted, to say the least. The Elevator follows another couple acting out a horrible fantasy with a stranger. It's a disturbing story that flips the rules of consent as they draw out his most basic instincts. The Unicorn is the funny break in the middle, and follows the narrator as he heads over to be the third to some friends who have never had a threesome before. It's safe to say, nothing goes exactly as planned. The Day The Lights Went out takes place in a NYC Hotel during a blackout. Two strangers meet for a one-night-stand, but get interrupted when the place goes dark. Instead of just getting busy they decide to test each other with stories of their past, each trying to prove how horrible they are. In between each story they discuss sexuality, consent, fetish, guilt, and kink, arguing about feminism and masculinity all the while trying to out do each other. Their stories are filthy and border on the edge of acceptable, often falling off the wrong side. But how much are they making up and how much is true? And more importantly, does it matter?

The Proper Care and Feeding of Marriage Laura Schlessinger 2007-01-02 In the long-awaited follow-up to her groundbreaking, million-copy bestseller *The Proper Care and Feeding of Husbands*, Dr. Laura now focuses on how men and women need to understand and appreciate the uniqueness of masculinity and femininity; what the best ways to relate, caretake, and nurture each other are; and how to bring a marriage back from the brink of disaster. Dr. Laura asserts that in order to produce and sustain a wonderfully satisfying marriage, spouses must recognize and appreciate the polarity between the masculine and the feminine. Both husband and wife have power in the relationship, and each needs to realize this in order to ensure personal satisfaction. Using real-life examples from her call-in radio show, and giving real-life solutions, Dr. Laura focuses on the typical mistakes made by men and women in their relationships and shows how marriages can not only survive but thrive.

How I Feminised My Husband Lady Alexa 2017-02-09 This is the true story of how Alexa Martinez transformed her marriage by feminising her loving husband. The book explains how she took an already wonderful relationship and moved it to a different level by taking control and introducing a reluctant husband to a life of femininity. What began as an exciting bedroom game exploded into a programme of gradual enforced feminisation. The book describes the reasons and beliefs that guided her to take this path and the tactics she had to employ to turn an unknowing and unaware masculine man into a submissive housewife called Alice. Although Alice has come to accept her new status as a girl, they haven't yet come out of the closet entirely and so she also write about some of the barriers they continue to face in how she plans overcome them and also how to deepen Alice's feminisation and submission further still. She describes what it is that she expects from a femdom relationship and why she believes that males need to be feminised. Alexa Martinez is a writer who has produced several novels on the topic of femdom and forced feminisation under the pen name of Lady Alexa as well as a blog which covers the weekly life of living in a femdom relationship.

However, this curious wife discovers a phone bill full of phone calls to sex lines and realizes her husband has been living a double life! Instead of getting mad, Tara's curiosity leads her to begin listening in on John's steamy conversations in hopes of finding out what he really wants in the bedroom. After several failed attempts at bringing fantasy to reality, however, a frustrated Tara turns to her much more adventurous best friend, Kelly, for help. Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----Warnings: This title contains erotic situations, graphic language, sex, ménage a trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----EXCERPT: "Seeing you dancing out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine. "You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering." I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both." I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access. He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt. He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers. Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat. He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.
