Falling in love was never part of the plan... Sofia de Luca has never been one to take life too seriously; always up for a laugh, she's the life and soul of the party. That is, until she hits thirty-three and realises that, while her friends are all happy and loved up, she's been left on the shelf. Enter Joe Stapleton, a childhood friend: charming, sexy and, more importantly, not looking for commitment. To Sofia, he's a safe bet, someone who can make her happy but

not get too attached to... But, the more time she spends with him, the more she realises her feelings run deeper than she would care to admit. friends, she is passionate about life, courageous, giving, pure, and full of infectious strength and resolve. To her children, she is simply the world. To her coworkers and employers, she has proven herself time and time again to be resourceful, reliable, intelligent, and invaluable, and to her family of origin, she is a crazy and insignificant whistle-blower who threatens to expose the venerated family secrets. Ms. Thomas was born in Wilmington, Delaware, and now resides in Southern California with her three remarkable children and her faithful Shepherd—Collie mix, Angel. One of her greatest accomplishments includes the birth of her three precious children. Other accomplishments include a successful twenty-two-year long career in the medical field, completing a college degree, surviving, healing, and now . . . telling the story. She still does not like Valentine's Day; tulips are still her favorite flower, and Christmas is still her favorite holiday.

Unraveled (A Best Friend's Brother, Military Hero, Plus Size Heroine Romance) - Christa Wick 2020-06-10

I've got a giant phobia I need to get over by a very important deadline, along with a best friend gunning for meddler of the year. Her mission? To get me over my fear—and under her brother—in a two-birds-one-stone plan that I could strangle her for executing. This

right here is why I've never told her how I've felt about her older brother all these years. This exact, disturbing reason. Because as far as crushes on the big bad brother of childhood best friends go, imagine the hottest, most swoonworthy, and intensely protective man you can, add more muscles than you could lick in a lifetime, then throw a Navy SEAL uniform on him. Yeah, that's Corwin Hale. And now that Corwin knows about my hidden fear and hidden feelings, he's taking matters into his own hands. For the record, his methods? Highly effective. The UNTIL YOU Series Book 1: Unraveled (Corwin & Belle) Book 2: Unveiled (Lucas & Theresa) Book 3: Untapped (Teague & Charlie) This series of dirty & sweet quickies features three hot, alphalicious military buddies and the feisty curvy girls that bring them to their knees. Previously published as *Curvy When Wet* (c) 2014 with extensive revisions throughout and a new, extended ending. Keywords: curvy girl romance,

Her mountain man hero must make an impossible choice. Emma I've always been spontaneous, but this time I might have gone too far. Showing up at my brother's remote cabin to surprise him for his birthday seemed like a good idea. But he's nowhere to be found, the cabin's locked up tight, and a snowstorm's on the way. When his closest neighbor stops by, the gorgeous grumpy mountain man insists on taking me home with him until the

storm passes. He's burly and bossy, but I can tell there's a kind heart buried under the layers of flannel. Jackson The last thing I need is to be snowed in with my best friend's little sister. If anything happens between me and the beautiful curvy blonde, he won't just end our friendship, he might even end me. It doesn't matter that she's impossible to resist. The sooner I get her out of my cabin, the better off we'll both be. But how can I let her go when I know deep down she's meant to be mine?

Worldwide Crush - Kristin

Nilsen 2023-07-11

Rory Calhoun is a teen popstar with perfect teeth and messy hair who's inspiring first crushes all over the globe.

Millie Jackson is just one of the millions of fans who love him—but that doesn't mean her heart doesn't break for him every single day in this laugh-out-loud coming-of-age story.

How many of Rory's fans collect "data" about him in a special notebook hidden in their underwear drawer? Or have faked a fascination with whale migration for a chance to visit his hometown? Millie may not be Rory's only fan at Susan B. Anthony Middle School, but she's convinced she's the biggest—and the best. Rory's new song "Worldwide

Crush" is climbing the charts, and his lyrics are clear: he's looking for love—and he's looking in the audience.

Meaning Millie's secret fantasies of running in the surf and eating waffles with him may not be crazy after all . . .

she could be that girl! But first she has to get to his

concert—his completely sold-out concert in a city nowhere near her home for which she does not have tickets or a ride.

She just has to figure out how.

smelly kid who sat next to you in science class? Your first fumbling kiss? That time you threw up in the cafeteria? Your first attempt at putting on a condom? The period that arrived unexpectedly? That awful fight with your parents? The first time you got drunk? That note you wrote that you shouldn't have written? The day you forgot to zip your fly? That monster zit? When, you wondered, would it all end? In *When I Was a Loser*, John McNally, author of the novel *America's Report Card*, assembles twenty-five original essays--often hilarious, sometimes tenderhearted, always evocative--about defining moments of high school loserdom. Brad Land, Julianna Baggott, Owen King, Johanna Edwards, and many more fresh, talented writers explore their own angst, humiliation, heartache, and other staples of teen life. These essays perfectly capture what it was like to be in high school: to experience so many things for the first time, to assert independence while

desperately trying to fit in, to feel misunderstood and unable to articulate the wild swings between heartbreak, anger, and euphoria. One writer recalls how his grandmother helped him with his home perm in preparation for the Senior Class picture; another recounts her discovery, sometime after hitting puberty, of the power she held over boys and men, while at the same time she felt herself at their mercy; a third remembers the casual cruelties visited on him by the cooler kids, and the cruelties he, in turn, inflicted on kids below him on the social ladder.

Utterly candid and compulsively readable, these essays conjure up and untangle those raw and formative years. The writers cringe and laugh at the teenagers they were, but at the same time, they honor their adolescence and the way it shaped their lives. Because, in truth, beneath the layers of adult respectability, we all still carry a little bit of our teenage selves around with us.
