Save Your Marriage, Get Divorced - Chris Tsirigotis 2008

Author Chris Tsirigotis takes an inside look at marriage from an everyday man's point-of-view in *Save Your Marriage, Get Divorced*. With humorous writing and intelligent suggestions, Chris draws from his personal experience, giving suggestions and remedies to some of marriage's most

confusing and difficult situations. Although not always easy, Chris proffers suggestions for reviving lifeless marriages and transforming them into an otherworld experience. *Save Your Marriage, Get Divorced* will encourage, invigorate, and inspire the married man, reminding him, 'Marriage is for keeps, brother.'

Women's Best Friendships - Patricia Rind 2012-12-06

Explore the distinct relationships of close female friends! *Women's Best Friendships: Beyond Betty, Veronica, Thelma, and Louise* gives new and comprehensive insight into the complex world of women's closest friendships. Recent studies have shown that women place enormous value on best friendships and consider them to be woven tightly into the fabric of their lives. Using in-depth interviews, along with close readings of relevant literature and theory, this book focuses on the many facets of these relationships. With heartfelt first-person accounts and insightful commentary from the author, this book examines three intertwining themes: feelings of competition, issues of dependence and independence, and knowing/understanding. This book sheds light on areas of tension among women, especially difficulties in communication, frustration about not being entirely let into a friend's life and thought processes, and the feeling that one friend may value the friendship more than the other. It also discusses women's struggles to maintain closeness over increased distances and the realization that one's friends are flawed, even as friends. This informative book, grounded in established research and theory, presents stories of real friendships--told by the people who live them. These women talk candidly about what makes a best friend, about navigating the choppy waters of friendship, and much more: "Somehow, when we started living farther apart there were ways in which we were being insensitive. We recognized that there was a really strong bond, but we were taking it for granted. So we talked about how close we feel to one another and perhaps how that leads to some arguments or hurt feelings." --Liz, on how distance has affected her relationship with her best friend Susan "Em and I don't fight at all. I don't know if that's good or bad. I don't think I do well with fights. I think that's probably a lot of conflict avoidance on my part. And I think it does lead to some distance, even though it's a best friendship. I think I'm uncomfortable asserting myself. And so it's easier not to have to do that. So maybe my inability to deal with the problems keeps the friendship at a distance, where it's safe and comfortable for me, in that one respect." --Linda, about her desire to avoid any confrontation with Emily, her best friend *Women's Best*

Friendships: Beyond Betty, Veronica, Thelma, and Louise is a fresh and exciting look at the inner workings of relationships between women. Drawing upon a multitude of issues and insights, this book is a must-have for women's studies classes.

25 Best Tips on How to Get Your Girlfriend. Techniques to Tell the Girlfriend Love You. (for Men Only) - Romance Six 2017-05-16

Welcome to the World of Love And the good feeling that comes with human beings together. This book is written and compiled for Men worthy to give something more valuable than anything else in the world. That is friendship (love) and generosity towards the woman you mean (friend or acquaintance). If you do not know that you are worthy enough to give something called love and good feelings. With women you mean PUP (friend or acquaintance) Please do not continue reading. (You closed this book) Because you have no value worthy of giving love and being loved for sure. It's your brain to lose. Take this time to play the game you like with your regular man. And a man with a handsome face like Brad Pitt or Robert Pattinson does not need to read it. Because you just act cool. I brush my hair. Plain dress The girls are ready for you. The book will tell you how to develop a mind. Male attitude And know the rules of gravity. Between men and women It will give you the confidence that a man has for a loved one to see and perceive with art and tact. Get to know the body language of women what to think about you. For example, how do you act like this or say this, what do you mean, and what do you want from you? To use stillness But attracted to her heart. How did she miss you? The agitation she gave her began to show her sympathy for us. Making her feel warm when we do something to her in a rhythm and time. This book has the answer that you have used to life forever. Of course, you are lucky to know about tips that make women like you. More than 90% of men are unaware of it. What is good for women? You can do it in the right way and at the right pace. The book tells the gambit. Don Juan Style Girl He is a woman who is going through divorce because he is like a prize that women want to meet. He is a man in the self and latent with confidence in himself. Ready to share the joy Make them excited They are the ones who make them laugh and smile. Don

Juan is a rare man, 100 men. Don Juan will not exceed 1-2 people only So when they met It's like being rewarded in a woman's life. In addition, this book also describes what is called. Chemistry in the brain of women in judgment Or how did one feel about the man she first encountered? She decides that this guy is interesting for her in just one second. Of course, if your brain chemistry says yes, you have the right to be your girlfriend. It is beyond emotions and reason. All answers are in this book. It is important that you have enough motivation to read this book. The ideal man to read this book. Just a regular guy But with a spirit of pursuing friendship and ready to give her love. People you know and already familiar enough. That is, she is as a friend (friend or acquaintance). In the book, it tells the trick. And psychological techniques The research has already received a positive response from her. People you mean PUP (friend or acquaintance), but we do not support the technique. These are used to hurt the soul, such lady, lady, or any other person. Because it will keep you stuck for a long time. And do not expect to use these techniques to exploit sex with women strictly. Just knowing what you want to get from someone you are willing to give back gives you the advantage over the man who does not know the secret. As you were blessed by God. In the laws of gravity. You can be content with your love. And take advantage of it without end. Contents 1. Attitude of self. 2. Apply the laws of gravity. (The power of belief that such things actually happen. It will be attracted to each other.) 3. Reconciliation (using the power of the subconscious) 4. Improve yourself always look good. 5. Ask yourself before you start pleating. 6. Do everything the same and have something special with her on some subjects. 7. What his friends have to offer. 8. What type of message? Who says she likes you !! 9. Eliminate competitors.
