Summer Crush, Gabe & Alyse - Jessica Caryn

2020-11-07

Gabe De Santis and Alyse Martin were adversaries and two of the best hackers in the world. They remained virtually unidentified until an encrypted gold envelope appeared on their computer screens. Their true identities were revealed with an offer from Lockwood Industries. Working together might be easier than dealing with the chemistry twisting between them. Alyse did her best to ignore it. Gabe enjoyed it, hoping she'd cross the line. Autumn was intriguing, Winter came with envy, Spring held promise, and Summer will be unforgettable. This is their story.

Caught up in You - Kim Boykin 2015-04-21

After attending her baby sister's destination wedding, Shelby Worthington decides she's ready to do some husband hunting of her own. The only problem? She's still insanelly attracted to Declan Enright, her high school and college crush. He's now a wildly successful painter who's temporarily back in Magnolia Bay, but Declan should be Shelby's last choice for possible husband material. He didn't earn the reputation of runaway groom for nothing... Declan has worked hard to make his mark on the New York art scene and has succeeded at everything he's ever done...except love. But Declan has come back to the Bay to change that and care for his dying father, even if he's still never forgiven Declan for

leaving the family business. Shelby is determined to steer clear, but while her lips keep saying no, her heart is pounding out yes each time she and Declan are together. While she can't deny her attraction, Shelby's convinced that Declan's track record means he will break her heart. Or has Declan changed for good, and made love worth the risk?

Tell Me Again How A Crush Should Feel - Sara Farizan
2014-10-07

With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that Leila liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful

new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

How to Attract Women If You're Not That Attractive - Enrique Voltaire 2017-04-13
What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Your love is on the way that will transform you.

The 48 Laws of Power - Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive

manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the

The Driveway Rules - Marc Sander 2020-01-28

The Driveway Rules is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. The point of our struggles is to use them as an opportunity for growth and perhaps to help others later in life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

Falling for Her Longtime Crush - Britney M. Mills 2021-03-23

A hotel owner, his sister's best friend and the responsibility of planning someone else's wedding. Evan Pearson owns a large hotel in Vegas as well as several others around the country, which is a lot different than growing up on the ranch in a small-town. His friends are all pairing up but with his schedule he isn't sure he can even make a relationship work. But as Sadie gets to work on Evan's sister's wedding, he notices a different side of her than when they were growing up. Sadie Gibson has built her wedding business from the ground up and she's hoping to plan the wedding of a famous singer. The Pearson wedding will be a showcase of her talents but when the bride doesn't like all the ideas Sadie thinks will impress the singer, she has to work with Evan to give the bride the wedding of

Isabella's Spring Break Crush - Angela Darling 2014-03-04

A trip to grandma's gets a lot more interesting when a cute crush is involved! Isabella isn't exactly thrilled to be spending spring break with her twin brother and their sunscreen-obsessed, worrywart grandma in Florida. That is, until Grandma Miriam actually turns out to be a lot more fun when Mom isn't around—she sings along in the car, buys them ice cream, and has tons of cool day trips planned for the three of them. But when Grandma Miriam introduces Isabella to her friend's gorgeous grandson, Ryan, all thoughts of day trips with her grandma and brother go out the window. Will Isabella be able to get Ryan alone before spring break is over? And if she does, what then?

Find Out Anything From Anyone, Anytime - James O. Pyle 2014-01-20

The secret to finding out anything you want to know is amazingly simple: Ask good questions. Most people trip through life asking bad questions—of teachers, friends, coworkers, clients, prospects, experts, and suspects. Even people trained in questioning, such as journalists and lawyers, commonly ask questions that get partial or misleading answers. People in any profession will immediately benefit by developing the skill and art of good questioning.

Find Out Anything From Anyone, Anytime will give you the power to: Identify and practice good questioning techniques Recognize types of questions to avoid Know the questions required when hearing unconfirmed reports or gossip Practice good listening techniques and exploit all leads Determine when and how to control the conversation Gain real expertise fast Within professional interrogation circles, author James Pyle is known as a strategic debriefer—meaning there is no one around him more skilled at

The Dating Plan - Sara Desai
2022-02-21

Her best friend's brother. A broken heart. A fake relationship. The laugh-out-loud TikTok sensation you need this summer! Daisy Patel has her life all planned out, and no interest in love. Her family, however, expect a marriage. Liam Murphy is a venture capitalist with something to prove. Until he realises his inheritance is contingent on being married. A fake marriage will get Daisy's matchmaking relatives off her back and fulfil the terms of his late grandfather's will. If only he hadn't broken her tender teenage heart nine years ago . . . Sparks fly when Daisy and Liam go on a series of dates to legitimise their fake relationship. Too late, they realize that this might not be the perfect plan.

unusual treasures. And one day it brings him Jimmie. Carrying a notebook that she's unable to read and wearing a sparrow made out of bone around her neck - both talismans of her family's past and the mother she's lost - Jimmie strikes up an unlikely friendship with Subhi beyond the fence. As he reads aloud the tale of how Jimmie's family came to be, both children discover the importance of their own stories in writing their futures.

The Love Hypothesis - Ali Hazelwood 2021-09-14
The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is

dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

fans of Kasie West and Jenn Bennett, this “sweet and funny” (Kerry Winfrey, author of *Waiting for Tom Hanks*) teen rom-com follows a hopelessly romantic teen girl and her cute yet obnoxious neighbor as they scheme to get her noticed by her untouchable crush.

Perpetual daydreamer Liz Buxbaum gave her heart to Michael a long time ago. But her cool, aloof forever crush never really saw her before he moved away. Now that he’s back in town, Liz will do whatever it takes to get on his radar—and maybe snag him as a prom date—even befriend Wes Bennet. The annoyingly attractive next-door neighbor might seem like a prime candidate for romantic comedy fantasies, but Wes has only been a pain in Liz’s butt since they were kids. Pranks involving frogs and decapitated lawn gnomes do not a potential boyfriend make. Yet, somehow, Wes and Michael are hitting it off, which means Wes is Liz’s in. But as Liz and Wes scheme to get Liz noticed by Michael so she can have her magical

prom moment, she’s shocked to discover that she likes being around Wes. And as they continue to grow closer, she must reexamine everything she thought she knew about love—and rethink her own ideas of what Happily Ever After should look like.

The Guyde - Howie Reith
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the

Downloaded from
legacy.opendemocracy.net
on 2019-10-16 by guest

practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective

approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts

of things that turned my life

around for the better. I hope it
does the same for you.
