Chasing Youth Culture and Getting it Right - Tina Wells 2011-03-29

Understand and market to the newest wave of millennials Whether you're a business professional trying to decode the \$43 billion youth market, a marketer looking for a message that connects, or an entrepreneur trying to develop youth-oriented products, *Chasing Youth Culture and Getting It Right* gives you an unparalleled field guide to the newest wave of millennials and their mindsets. Inside this unique book, you'll meet four major tribes: the Wired Techie, The Conformist But Somewhat Paradoxical Preppy, The Always-Mellow Alternative, and The Cutting-Edge Independent—and understand their key traits, likes and dislikes, and what kind of adult they will likely become. Includes many examples of companies, brands, and organizations who chased the youth demographic and got it right, or who failed to nail their audience Understand such concepts as Warholism, Tweenabees, Hand-me-ups, Massclusivity, The Facebook Effect, and Instantity Author has won many honors and much media recognition as a young entrepreneur and youth marketer to watch Want to understand the next generation? Get *Chasing Youth Culture and Getting It Right* and discover how to reach this fascinating and elusive demographic.

Perfect Little Girl Scouts - William J. Smith 2019-04-23

The Smith family was an outdoorsy family, whose two sons, William and Andrew, joined the Boy Scouts at a young age. Then, their little sister, Carol Anne, want to join, after hearing about all the fun things that her brothers get to

do. Eventually, by the time she turns five, she joins the local chapter of the Girl Scouts. Then, one day, that following summer, she goes on the annual Summer Retreat, where she earns several merit badges, including for camping. Then, one night, Carol Anne has to go to the bathroom, and asks her friend, Samantha Thompson to join her. Soon, the girls get hopelessly lost in the woods and must use the survival skills that they learned as Girl Scouts in order to survive, and get home

Riveting Data - Joey Asher 2017-06-30

New York Magazine - 1989-03-06

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Poke a Stick at It - Connie Cronley 2016-09-30

Open this book and who knows what will pop out: the story of a gangland funeral, a status report on an ex-husband, a meditation on cats and gardens, a feuilleton about Native American

fry bread, or a thoughtful musing on old women and books. Welcome to the delightfully irreverent world of Connie Cronley, essayist, radio commentator, and native Oklahoman. In this collection of true stories, Cronley pokes fun at everything—including herself—as she delights in the world around her. With her trademark down-home humor, Cronley takes on a range of subjects as broad as the Oklahoma prairies. No subject is off-limits as the author casts her curious eye on vampire literature, gay insects, air-dried laundry, Emily Post etiquette, and impossible dogs. As she says, “It’s a big world and there’s a lot to know.” *Poke a Stick at It* is also a love letter to the glories of the English language. Even as Cronley fusses around her garden or snoozes on the couch with her cat Muriel, she always has a stack of books within easy reach. Her eclectic passion for reading, embracing the lowbrow and the highbrow, the epic romance *Gone with the Wind* and the poems of Emily Dickinson, is both infectious and inspiring. Often compared to authors Annie Dillard, Phyllis McGinley, Robert Benchley, and Mark Twain, Connie Cronley is a Southwest original, a writer who infuses her stories with joy, humor, beauty—and plenty of spice.

Worth Writing about - Jake Wizner 2015

"Who am I?" This is the question that many adolescents ask during the turbulent middle and high school years. In *Worth Writing About: Exploring Memoir with Adolescents*, Jake Wizner addresses how searching for the answer to this question leads his students to reflection, to reading, and ultimately to deeper, more meaningful writing. Based on his experience teaching eighth-grade English for nearly two decades, Jake believes that a well-designed memoir unit not only aligns with the Common Core State Standards but also forges community in the classroom, encourages kids to read nonfiction, and works wonders with students who struggle with their writing—or with their lives. *Worth Writing About* addresses the most common challenges teachers face when teaching memoir writing: How do you help students who

say that nothing interesting has happened in their lives? How do you help students balance what is meaningful with what is too personal to share? How do you help students overcome the "I don't remember" syndrome? Jake—who has published a young-adult novel and often shares his own writing with his students—also delves into the craft of writing, from using mentor texts to crafting leads and memorable endings. He uses student models from his own classroom to show the deep, important work his students produce during the memoir unit. The memoir unit gets kids to write about real stuff—the things that matter to them. In the process, Jake believes, they learn more about themselves, their relationships, the way they view the world, and how they want to move forward into the future.

Growing Up on Fox Street - Barbara Rodgers 2023-08-02

Rodgers, *Growing Up on Fox Street* Page 22 of 179 *Growing Up on Fox Street* is full of warm and uplifting stories from an era gone by. Informative, nostalgic, and engaging at its core, it is written from the viewpoint of a little girl enjoying carefree youthful days with her brothers, cousins, and friends in a small American town during the 1960s. It was a time when moms stayed home and parents allowed their children to play freely in the neighborhood. There was only one car in the driveway, and family mealtimes meant eating home-cooked meals together around the kitchen table. There were bikes to ride, ball games to play, creeks to swim in, forts to build, and neighborhood quarrels to settle. Families went to church on Sundays and Vacation Bible School in the summer. The boys played Little League Baseball as the parents cheered them on from the bleachers. They watched parades every year in town and anticipated Santa's visit and Christmas festivities each December. Even though the times are different today, for the Fox Street kids (and all kids everywhere), the idea of growing up seemed so far away. Their personalities were shaped by their families and friends and the world around them. It is their childhood memories that now seem far away. *Growing Up on Fox Street* features charming illustrations by the author and helpful annotations for the younger reader. The reflection questions for

each chapter will help the reader tell their own story and stimulate meaningful conversations with family members about their childhood recollections.

Teachers Act Up! Creating Multicultural Learning Communities Through Theatre - Melisa Cahnmann-Taylor 2015-04-17

If teachers want to create positive change in the lives of their students, then they must first be able to create positive change in their own lives. This book describes a powerful professional development approach that merges the scholarship of critical pedagogy with the Theatre of the Oppressed. Participants "act up" in order to explore real-life scenarios and rehearse difficult conversations they are likely to have with colleagues, students, administrators, and parents. The authors have practiced the theatrical strategies presented here with pre- and in-service teachers in numerous contexts, including college courses, professional development seminars, and PreK-12 classrooms. They include step-by-step instructions with vivid photographs to help readers use these revolutionary theatre strategies in their own contexts for a truly unique learning experience.

The Giggling Ghost Girl Scout Mystery - Carole Marsh 2012-06-01

Christina, who has a knack for stumbling upon (and solving) real-life mysteries, heads to

Savannah, GA, where she and her Girl Scout friends are eager to join in the festivities for the National Camporee celebrating the Girl Scouts' 100th Anniversary. Although they are staying with Mimi, Christina's mystery-writing grandmother, Christina reassures the girls that on this trip, there will be no funny business and no mysteries. But as they begin exploring the historic city, they discover that someone is leaving creepy clues that lead them to River Street, a spooky cemetery, on a ghost tour, and even to Juliette Gordon Low's home. Soon, they find themselves in the middle of a real mystery that is going to need all the Scouting skills they have, as well as their friendship, to work out! With just a few days until the Camporee begins, the girls put their skills into action to solve a mystery filled with giggles, goose bumps and "s'more!" This book also includes lots of EXTRA (Girl Scout!) STUFF to do: ¥ Create a mystery-writing patch! ¥ Read about Juliette Gordon Low and other famous scouts in history! ¥ Learn the lingo with a glossary of Girl Scout terms! Like all of Carole Marsh's Mysteries, this mystery incorporates history, geography, culture and cliffhanger chapters that will keep kids begging for more! This mystery includes SAT words, educational facts, fun and humor. Below is the Reading Levels Guide for this book: Grade Levels: 2-5 Accelerated Reader Reading Level: 4.6 Accelerated Reader Points: 2 Accelerated Reader Quiz Number: 152388 Lexile Measure: 690 Fountas & Pinnell Guided Reading Level: P Developmental Assessment Level: 36
