The one with big dreams and a dark secret. He's her brother's best friend. And the rich playboy who broke her heart. Finn O'Connor taught Colleen Murphy what it felt like to be in love—and to have her heart broken and bruised. When Finn appears at a family event a decade later, it all rushes back, and Colleen must fight to resist the pull to the wealthy bad boy she'd been reading about in the tabloids all those years. Finn tells her he's changed—but can Colleen trust him not to break her heart again? And will Finn unlock Colleen's secret? The one that's kept her from ever letting anyone too close, including him? Although she resists, Colleen is starting to wonder if Finn alone sees her for who she really is. And though her brothers called her princess, Finn keeps telling her she's a queen. His queen. Note to readers: This book contains scenes that may be triggering to survivors of childhood sexual abuse. The scenes are described as past events. Note: For Your Love is a standalone contemporary romance based on secondary characters from the Indigo Series. It is not necessary to read the Indigo Series first.

**Eighty Years Behind the Masts** Miller 2011-01-10 The introduction was written 62 years ago. The Great Beyond is my age from 17 to 80. This book reveals what can be done. It answers the question, Who am I? The Miller genealogy is traced to Adam and Eve. The Miller Code of Ethics, Curriculum Vitae, and a Broad Mentality are defined. Famous people travel. I have circled the earth seven times, traveled to Japan 40 times, to Pearl Harbor 25 times, and I have driven thousands of miles in Europe, New Zealand, and Australia. Study the worlds cultures. Learn the motto God gave us, Faith, Hope, and Love. My life is working and learning. Read and learn without working. Plan your life NOW. Thirty years in advance I planned a sabbatical every ten years. I had three planned concurrent careers: Academic Neurosurgery, United States Naval Reserve, and Founder of a Neurosciences Center with an academic interchange with 25 countries. After seven days a week for 40 years in neurosurgery, I feared retirement. At age 70 I retired to the unknown. I elected a new life. In our 34-foot Sea Ray we traveled to all 36 yacht clubs in the Florida Council, from Destin, the Keys and to Jacksonville. There is much time on a boat. I memorized the Teachings on the Mount. We returned to Apollo Beach, Florida. I became busy and coined a new term, Retirement Career. (Career as go at top speed) I authored seven books, am on the voluntary faculty of the medical school, deacon and teacher at church, and continued Permissive Orders for the Navy. Recently I became the first 80-year-old drilling reservist. We have a pool man and yard man. (Our lot is covered in rocks and palm trees.) My responsibility is to keep the boat dock mosquito free by filling the Mosquito Magnet with propane, service the jet boat, and keep the garage in order. Read on and learn what one can do.

**Elsewhen** William Patterson 2005-08 As Mahmood approached them, Jimmy saw what was in Mahmood's good hand. He knew what it was. Mahmood used such devices frequently on his captives and had used such a device on Jimmy before. Jimmy screamed louder in rage and frustration. "I do not want that on my head." He tried to move away from Mahmood but made little progress because of the handcuffs. Mahmood reached over to try to put the device on. Jimmy bent his head away from Mahmood in order to avoid the device. Jimmy was unsuccessful and the device went on. When the sphere touched the top of his head, it flowed out in all directions, assuming a more flattened shape. It stuck to his head despite the fact that he used his free hand to try to pull it off. He started sobbing. All his movements gradually started getting slower and slower. He appeared to get weaker and weaker, which he was. The violent emotions shown on his face became more subdued. He began to get lethargic. He slowly sank to the floor.

**How to Kiss a Girl for the First Time** Jessica James 2016-08-05 The Art of Kissing has been written and talked about for years. A kiss is not just a kiss; it may even be a relationship breaker. There are studies that show a woman is more likely to remember the details of her first kiss than her first

sexual experience and that puts an awful lot of pressure on a guy to perform well. There's a lot of advice about kissing out there but most of it assumes you've already made it past the first kiss, and a lot of the advice is completely wrong - Grab a tit and hold your breath - will only get you a slap in the face or even a knee in the groin. Let's face it, going for that first kiss can be an ordeal. But fear no more! In 'How To Kiss A Girl For The First Time,' Jessica James gives you tips about kissing to keep you relaxed and confident while your lady will be left breathless. From pucker preparation to timing and 'teasing' to the kiss itself, Jessica will guide you to pleasurable success.

**Price of a Kiss** Linda Kage I don't care what my cousin says; I am not the queen of impossible relationships. I mean, just because my last boyfriend tried to kill me and left a bit of a scar on my neck, then forced me to move across the country and legally change my name to Reese Randall to escape him, does not mean- Oh, who am I kidding? For a freshman in college, I have to have the worst dating track record ever. It's no wonder love is the last thing on my mind when Mason Lowe enters my life. But the chemistry between us is like bam! Our connection defies logic. And he's just so freaking hot. Being around him makes me feel more alive than I've ever felt before. I even like bickering with him. He could be my soul mate...except for one teeny tiny glitch. He's a gigolo. Boy, do I know how to pick them.

Hashtag: most notorious member of the V-club The tabloid papers cannot stop writing about Riley Madison. She is the sizzling-hot country singer from Philadelphia who is making headline news with her scandalous love life and her string of never-ending boyfriends. Hashtag: breaking all the rules The beautiful African American entertainer makes no apologies for her lifestyle. She owes the world no answers. Hashtag: baddest chick in country music Bryce and Riley are the exact opposites. They have absolutely nothing in common. He is looking for a good wife. She is searching for an amorous lover. When their paths cross briefly, sparks fly. The sensuality between the two is undeniable, but is it strong enough to overcome their differences? Hashtag: a must-hear

*Love on a Whirlwind* J. Jean Elliott 2007-08-30 One thing Rachel Hardison knew for sure was that she did not want to find herself twice divorced at age twenty nine as was her older sister Devon, who was in the midst of ending her second marriage, so since all every man ever wanted in her experience was just one thing and she had no intention of satisfying their boody calls, at age twenty four, she had contented herself with being single. And while she would love to find a man who would be able to look past her face and her body and love her for herself the way she would want to love him, Rachel simply did not see that happening. So when she arrived in Alaska for her older brother Georges wedding to his boss, Stacey, an Alaska native, the last thing Rachel arrived looking for was a man. Instead, what was on her mind was sightseeing and plenty of it, and with George having

lived in Anchorage for five years now, he would know every nook and cranny to take her to. Only problem she discovered once having arrived at the fancy Anchorage hotel owned by his fiance was that George was too busy putting last-minute touches on Saturdays wedding as well as handling last-minute hotel business in preparation for his and Staceys honeymoon to show her around. And with Alaska being the habitat of bears and other such wildlife and wilderness trappings that could prove dangerous to a visitor untaught in its ways, George offered to get one of his groomsmen to stand in as a tour guide for her. It is on that note that he asks her to guess whos standing in as his best man, and when she asks him who and he tells her Felix Latham, Rachel cant believe it! Felix Latham--his gorgeous best friend from college, who fell head-over-heels in love with their sister Devon, who dated him briefly before dumping him to the wayside and forgetting him completely! That said, Rachel had not heard his name in ten years, surprised George had kept in touch with him after all that time. And indeed George had--to hear him tell it, Felix was presently an actor on a New York soap opera, had been for six years, and had the Emmys to prove it. Rachel simply couldnt believe that Felix was that successful, much less a famous actor! George then suggests that Felix would make an excellent tour guide for her, and when Rachel naturally asks why when hes not a native any more than is she, George tells her that hes been at the hotel for over a week now, having upset half his female staff getting them to show him around while theyre off-duty. Rachel doesnt doubt that for a minute, always having thought of Felix as a lady killer, with the exception of being unable to keep Devon wrapped around his finger. Small wonder hed become an actor, she thought! And so she agrees to let Felix be her tour guide provided hes up to it--just as she anticipates the reaction shes going to get when he sees how Georges kid sister filled out since the last time he saw her, not to mention she wasnt exactly a dog, either! And indeed again, when George finally does reintroduce his old friend to the kid sister he hasnt seen in ten years, Felix cant believe it any more than he can keep his eyes off her. In fact, despite the fact that he is still clearly in love with Devon, the disappointment he feels at learning from Rachel that Devon is in the midst of a divorce and thus wont be there to attend the wedding is almost eclipsed by his excitement at the thought of showing her all the fabulous places in and around Anchorage that he has been avidly exploring the length of his stay thus far, knowing shell provide a most pleasant and familiar distraction. And so he agrees to be her tour guide for the next three days and they have so much fun, not to mention, so much in common, that Rachel is bent on keeping it from happening despite Felixs equal determination that it does. But just as the inevitable happens and they are about to give in to their attraction, whats going to happ
