He is right around the corner; asking you to welcome Him into your heart. He will take care of all of those businesses and issues for you. I do hope as you read this book and digest every word from me and my interviews; and these great women of God, you will have some hope that God loves you, when no one does and even if everyone loves you and you can't still seem to see your way through, he will help you through your hours of trials and decision-making. I do hope that this book will help you through the good the bad and the ugly times of your life; that it will help change or transform all of the bad time to good times and direct you to the pathway of happiness and fulfillment.
