NOW A USA TODAY BESTSELLER

Imagine lying in a hospital bed and the doctor who pulls the curtain back to treat you is the one who got away. Even if you never really had her in the first place. She's not only your high school crush, she's the ex-girlfriend of your ex-best friend. The one girl you've always wanted. Here's a step-by-step list to finally win her over... Key to win #1: Try not to take offense that she snuck back into town without telling you—six months ago. Key to win #2: Rekindle the friendship to ease the awkwardness. But... DO NOT enter the friend zone. Key to win #3: Ignore the fact that she went speed dating the night before. Take it as good a sign—maybe she's looking for a relationship. Key to win #4: Attempt to keep the two of you out of the town gossip blog and away from your large family. Make sure you don't let this last one throw you off your mission. Key to win #5: Don't get deterred when you find out the past is about to repeat itself. Because the man she met at the speed dating night is your best buddy from work. Just remember, you sat back and let her slip away once, you won't do it a second time. Failure is not an option. Author Note: This book does NOT contain cheating.

How To Date Older Men (The Younger Women's Guide) - Audarshia Townsend

2012-03-12

ABOUT THE BOOK Michael Douglas shares a birthday with his wife, Catherine Zeta-Jones, and also happens to be 25 years her senior. As plucky, young, unlucky-in-love lawyer Ally McBeal, Calista Flockhart found herself suddenly a small screen star and soon thereafter, the leading lady in Harrison Fords life. He is 22 years older than her. And Beyonces 2008 anthem Single Ladies (Put A Ring On It) served as a how-to guide for bachelorettes everywhere. Perhaps it even helped reel in her rap mogul boyfriend, Jay-Z, to marry her months before the song even debuted. With a 12-year

age difference between them, they manage to make it work. Older men and younger women. Long before Hugh Hefner emerged as the poster boy for snapping up all the Pretty Young Things, Men of a Certain Age chased their nubile counterparts. But as with all relationships, it takes more than animal attraction for these types of unions to succeed. If you have the chemistry and compatibility that keeps you enjoying each other in and out of bed and you both want the relationship enough, you bridge the gap and support each other, writes Dr. Laura Grashow on FOX News (Are Older Men "The New Catch?"). MEET THE AUTHOR An obsession with Chicago's vibrant dining and drinking scenes drove Audarshia Townsend to first write for respected publications like Essence, Chicago Reader and the Chicago Defender. And her foray into the online world began as one of the first two editors at metromix.com--where they set the tone for the successful entertainment site's cutting-edge style. She also has written lifestyle features for the Chicago Tribune, Los Angeles Times and Upscale magazine. EXCERPT FROM THE BOOK Of course shes not telling women to fill out an application for Harvard Law School, but showing an interest in world events, politics, the financial sector, or technology could work to the womans advantage. She should pick up a book, read periodicals and websites beyond gossip and fashion, and watch CNN, C-Span, and CNBC. Experts also recommend for her to just listen to him to learn his interests. Theres always the possibility that hes not interested in any of those topics and only wants to talk about NASCAR! The standard nightclub tops the list of places to avoid particularly for matchmaker Patti Stanger. Older men hanging out where twentysomethings frequent likely suffer from mid-life crisis. Get Used To Him Treating You Differently Than Most Guys Your Age According to experts, mature guys certainly differ from their younger counterparts in that they offer years of experience, and younger women should be

prepared for different treatment. Acts of chivalry come natural for most, and a woman seeking or in a relationship with an older man should get used to it, writes relationship expert Dr. Ronn Elmore of Finding Soulmate Success (Opening to Dating Older Men?)... Carmen Browne Series - Stephanie Perry
Moore 2007-01-01

This set includes all five books of the Carmen Browne series: True Friends, Sweet Honesty, Golden Spirit, Perfect Joy, and Happy Princess. In True Friends, Carmen Browne is a ten-year-old African-American girl beginning fifth grade. With her family moving to a new city, Carmen is anguished to give up her friends and comfortable home. As her family adapts to a new location, Carmen learns that finding new friends and fitting in is not easy. Part of her doesn't even want to try. Family issues become complicated when Carmen's brother learns he is adopted. Dealing with unpopularity, fitting in, and cultural differences are Carmen's issues in the first book of the Carmen Browne series. In Sweet Honesty, ten-year-old Carmen settles into her new home in Ettrick, Virginia. It's Christmas

and Carmen has a problem: she's bored and conspires against her parents to have a 'free day' at the mall without them. A subplot in the story involves adopted brother, Clay, as he continues to wonder about his real parents, and Carmen decides to help him dig into his past. Will her parents find out about their schemes? In *Golden Spirit*, Carmen meets new challenges and faces serious issues such as domestic violence and her own tendency toward bossiness. This series focuses on issues faced by many preteen girls and teaches inspiring lessons about dealing with gossip, self-esteem, and body image. In *Perfect Joy*, the path to joy is paved with adversity as Carmen Browne discovers in the fourth book in the series from best-selling author, Stephanie Perry Moore. *Perfect Joy* captures the tumultuous changes every sixth-grade girl faces--new friendships, fickle popularity, and adolescent jealousy--with the added fears of waiting as her mother is tested for breast cancer. Carmen truly is an inspiring heroine, rising above her mistakes and her trials, using her trademark spunk and admirable conviction--she finds the perfect joy that comes only from God. In *Happy Princess*, Carmen Browne, growing up in a family of five as an energetic preteen, is determined to live her life to please God. So far we followed Carmen as she began to face both major and minor life issues such as an unexpected family move, her big brother's search for his birth family, and the tragedy of domestic violence. As she learns to trust God to work all things out for good, Carmen learns a lot about herself, too: being popular doesn't guarantee you true friends, being honest up front saves a lot of hurt, and sometimes self-confidence is just bossiness in disguise. Now in this fifth and final volume of the popular series, Carmen begins to face the uncharted waters of adolescence. She discovers that her changing moods and growing body bring a brand new set of challenges to her life. [Call of the Wild Wolf, and Lost and Found Mines](#)

The Easiest Way to Meet and Pick Up Girls-Ever!! - Dusty White 2006-07-27

As of January 2014 I am taking this book off of the market forever. I stated when I wrote this that it was not for mass public distribution. This book was always to be limited to under 10,000 copies. Sales have been astounding (far more than I ever imagined) and it is time to let the existing copies wear out, and return this information back to the few people who actually do it well. I have unpublished all digital versions of this book and they will not return either. This book will not be sold again. Thank you to everyone who read--and used it--when you did. That was an interesting period in my life. But that was then, and this is not then. This book takes all of the guesswork out of meeting women. It is not about relationships or raising a family, and it is not another hokey book on how to have some mysterious "secret power" over women. This book teaches you how to get a date tonight--without having to spend any money. Anyone can do this. You will approach women any time, anywhere, instantly getting them interested in knowing you, without feeling nervous or having to resort to pick-up lines. You will know what to say first, what to say after that, how to grab her attention and focus it exclusively on you--and get her number or a date on-the-spot. The first section of this book analyzes every possible way you could approach women. The second section of this book reveals a secret, devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her. Subsequent sections provide help and troubleshooting guides. We won't make you a "guru of getting girls." We will get you "dates." The biggest problem most men have in getting dates is knowing how to approach attractive girls they see every day of the week (at the office, gas station, standing in line anywhere). Too many men rely on nightclubs, bars, and personal ads to get dates, ignoring the women they see e-v-e-r-y d-a-y.

How to Date Younger Men - Trina C.

2012-03-04

ABOUT THE BOOK "Older women, are beautiful lovers." So goes the song made famous by country crooner Ronnie McDowell in 1981. And he was right. For years, younger men of a certain type have always enjoyed the company of older women. The mystery, the worldliness, the experience - it's all something young men crave, and something many young women lack. The phenomenon of younger men having relationships with older women is nothing new. Silver screen legend Mae West, who coined the phrase, "Why don't you come up and see me some time?" kept a harem of young men well into her 60s. Catherine the Great, the sexually independent Russian ruler, had a string of younger lovers, and the last one was 40 years her junior. Celebrity couples with an older women in recent years have included Courtney Cox and David Arquette (7-year difference), Vivica Fox and rapper 50 Cent (11-year difference), Cher and Rob Camilletti (18-year difference), and Madonna and Brahim Zaiat (29-year difference). And, of course, there's Demi Moore who is 16 years older than her now-estranged husband, Ashton Kutcher. EXCERPT FROM THE BOOK To get a man, any man, you have to put yourself out there. To get a younger man requires a little more work because some might overlook you automatically. This isn't because you're not attractive, it's simply because most men are hardwired to look for women their own age or younger. To find him, you must seek him. Join an online dating site, whether it's one designed specifically for cougar-cub romances or one that caters to mainstream romances. Whichever site you choose, be specific in your age limits. How old is too old? And how young is too young? Use an attractive recent photo, preferably a headshot where you're smiling or otherwise look appealing. Keep it classy, though. You want him to be curious to know more about you, not about how fast he can bed you. Pick up a hobby that interests you, but one which also attracts young men. Do you enjoy skiing? Join a singles club that welcomes all ages for skiers. Any outdoor activity such as hiking, bicycling and boating often have young, male devotees. Don't start heading to NASCAR races if you

really don't enjoy it, but don't skip out on something simply because it might not attract younger men. Cooking classes are often filled with young men. You'd be surprised at how many 20-something men are picking up sewing! Don't worry if the object of your desire isn't single. Strike up a conversation with him anyway. He probably has plenty of single friends!... Buy a copy to keep reading!
