

How I Love My Girl

Always My Girl - Samantha Chase 2022-04-22

Just because his brothers are finding love, it doesn't mean that Quinn Shaughnessy is in any way ready to settle down and find love himself. As he's repeatedly told his best friend, he's in no rush to be tied to just one person for the rest of his life and thought she was on the same page as him. But now she's suddenly interested in dating and Quinn isn't sure what to make of these feelings that keep creeping in whenever he thinks of her with another man. Anna has been best friends with Quinn Shaughnessy for as long as she can remember. He's the one person she can talk to about anything...except for that one thing she's held back for years. There's just no easy way to tell your best friend that you're in

love with him, no matter how much you might want to. After years of pining, Anna has had enough and she's decided it's finally time to move on. And if in the process she manages to make Quinn see her as something other than his buddy, then so be it. Maybe after seeing her with another man will be the wake-up call Quinn needs to realize that Anna will always be his girl.

My Girl, Sunday - A.J. Nighthawke

If you love those Hallmark romances, along with mountains, lakes, and small communities filled with good friends and family, you'll find them all here in this novella. Enjoy the hope, adventure, love, and laughter in your visit to Green Mountain. This is book 1 in the Coming Home for Christmas Series and can be read as a stand-alone. Ridge left six years ago in search of the

Berkley degree that would allow him to be an architect in the bustling city of Boston. That was his dream, but the other part he looked forward to was coming back home to the family-run Crofton Inn. With his Dad and Mom retiring, he and his brother Roan are taking over the family business. He knew that Sunday would be there, but what he doesn't count on is that she is not right where he left her. Sunday has been at the Crofton Inn since she was an infant, meaning that she grew up with Ridge and Roan. The three amigos were the best of friends. Ridge and Sunday had a bond like no other, both finding love early, so how could he leave her behind without a second thought? He wanted more... That open-ended statement has been filled in a million times. When Ridge comes back home to run the Crofton Inn, he's definitely interested, but there is no way he could love her. Who leaves the girl he loves for six years without so much as a phone call shared during that time? The ideal love story should have made Ridge

turn around and come back. He's back now, determined to show Sunday how much he cares, but will he be six years too late? It's pure agony to have her near and not be able to be with her. Ridge was an immature fool once blinded by selfish dreams and unable to see what a mess he left behind. Has he learned his lesson?
