True Love Dates - Debra K. Fileta 2013-10-08
It is possible to find true love through dating. In
True Love Dates, Debra Fileta encourages
singles not to "kiss dating goodbye" but instead
to experience a season of dating as a way to find
real love. Through powerful, real-life stories and
Fileta's personal journey, this book offers
profound insights from the expertise of a
professional counselor. Christians are looking
for answers to finding true love. They are
disillusioned with the church that has provided
little practical application in the area of love and

on spirituality, and in the end, offer little real
relationship help. True Love Dates provides

honest help for dating by providing a guide into
vital relationship essentials. Debra is a
professional Christian counselor who reaches
millions with her popular blog,
Truelovedates.com, and her book offers sound
advice grounded in Christian spirituality. She

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself.

There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between

themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

It's sad, but I'm glad it happened... My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. In all things, honesty and foundation are key, and that's how we'll start. Skip this stage and you'll be in trouble... You've been lied to by dating gurus. Listen, my case was worse than yours. I thought it was because I came from a not-so-rich family or because I wasn't too tall and handsome. The truth is: I was in my head. I was the one killing myself-just the same way you're mentally sabotaging yourself without knowing. I wish someone had told me all the things I discovered throughout my struggles in understanding women-it would've saved me time and energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus" trying to fill your brain with pickup lines. Sometimes, you feel resentful towards women because they

either rejected or friend-zoned you. This makes you feel undesirable and angry. From today, things will forever change for you with the info you'll discover soon. After learning these secrets, don't revenge women-forgive them, but flaunt your newly found confidence and skills. Get your copy today.

The Shy Guy's Guide to Talking to Girls (and Having Girls Absolutely Love You for It) -

Dominic Mann 2017-06-23

Are you the kind of guy who seems to clam up and become painfully shy around pretty girls? You know how it is. You're perfectly comfortable around your friends and... *ahem*... ugly women... ... but as soon as a pretty girl walks by, you just seem to clam up and become painfully shy. It's like you're a whole different person! And it's frustrating as hell! If you wish you could stop being so damn shy around beautiful women and instead start being confident, sexy, and able to charm her socks (and other articles of clothing...) off, then this book will show you how. Learn step-by-step how to go from uncomfortably shy to confident, irresistible lady-charmer In the last year I've been on 60 dates with 60 different girls. Even if you're not a professional mathematician, you can probably agree with me that that's a lot of dates. I'm definitely not the most prolific dater of all time, but I'm definitely not your average wallflower either. At least, not anymore. I used to be terribly shy. If you put me in the same room with a girl I'd clam up and have absolutely no idea what to do. I wouldn't open my mouth if you paid me a million dollars. And I might very well crap my pants on the spot. Which doesn't necessarily make a great first impression. I wrote this book for people like me. People that are great once you get to know them... but have a really hard time with first impressions and talking to new girls for the first time. If you've got a great personality but have a hard time opening your mouth and breaking out of your shell... you're in the right place. This book will show you how to get it on with the ladies totally nail an interaction with any girl.
