The Red Palace June Hur 2024-05-14 June Hur, critically acclaimed author of *The Silence of Bones* and *The Forest of Stolen Girls*, returns with *The Red Palace*—a third evocative, atmospheric historical mystery perfect for fans of Courtney Summers and Kerri Maniscalco. To enter the palace means to walk a path stained in blood... Joseon (Korea), 1758. There are few options available to illegitimate daughters in the capital city, but through hard work and study, eighteen-year-old Hyeon has earned a position as a palace nurse. All she wants is to keep her head down, do a good job, and perhaps finally win her estranged father's approval. But Hyeon is suddenly thrust into the dark and dangerous world of court politics when someone murders four women in a single night, and the prime suspect is Hyeon's closest friend and mentor. Determined to prove her beloved teacher's innocence, Hyeon launches her own secret investigation. In her hunt for the truth, she encounters Eojin, a young police inspector also searching for the killer. When evidence begins to point to the Crown Prince himself as the murderer, Hyeon and Eojin must work together to search the darkest corners of the palace to uncover the deadly secrets behind the bloodshed. Praise for *The Red Palace*: An ABA Indie Bestseller A Junior Library Guild Selection Forbes Most Anticipated Book of 2022 Selection "A tense political thriller, a beautiful romance, and a coming of age all in one unique package." —School Library Journal, starred review "This atmospheric historical mystery will transport and captivate readers ... More Than a Body Lexie Kite 2020-12-29 Drs. Lindsay and Lexie Kite know firsthand how hard filtering out media influence is when it comes to self-image. Both struggled as young women to overcome the expectations of body size and shape, but were able to learn to love, appreciate, and reclaim their own bodies, eventually earning their PhDs in body image resilience. The twin sisters founded the nonprofit Beauty Redefined and have made it their mission to help other women see themselves without societal expectations distorting their self-perception. *More than a Body* is a self-help book focused on going beyond body positivity, showing how a mindset focused on appearance sets women up for insecurities and self-judgement. In this book, they offer an action plan for readers to combat that mindset, and instead learn how the body can be "an instrument, not an ornament," with practical, actionable steps to take when consuming media, exercising, practicing self-reflection and self-compassion, and finding a purpose in life.

The Insecure Girl's Handbook Liv Purvis 2020-02-06 'This book shows there's insecurity in all of us and that it doesn't diminish our power. That, in fact, accepting it is transformative.' - Gina Martin, author of *Be the Change* Welcome to the Insecure Girls' Club! At some point or another, we all feel insecure. Whether it's about our body image, friendships, workplace politics or comparison more generally, it's something we all have in common. But we don't have to let it rule our lives. A reassuring hug when you're having a bad day, *The Insecure Girl's Handbook* is for anyone who wants to manage their anxiety better, stop imposter syndrome in its tracks or halt those unwelcome waves of self-doubt. Offering tips, coping mechanisms and small pearls of wisdom, Olivia Purvis is here to guide you through those feelings that hold you back and empower you to put yourself first and make a change.

Seducing a Woman with Words Lucas Lautier 2018-05-31 "Hi, how are you?" Do you count on seducing a girl with this kind of line? Really? May he who has never ended up in the friendzone cast the first stone at me. We've all already found ourselves in this uncomfortable situation: the one where we try to go further with a friend before being gently rejected. And yet, by applying some powerful advice that would have allowed you to position yourself otherwise in the nascent relationship, you would surely be in a relationship with this woman at this time. The secrets I am about to pass on to you have made me the man I am today: a true and complete man who is aware of the hidden power of words. The seduction techniques that you will soon learn have allowed me to sleep with more than forty women at only 22 years old. Passionate about human psychology (and female beauty), I looked into the subject very early to reach my goals. I ended up mastering the tricks of the trade to a point where everything became too easy... Seducing a woman by SMS, approaching on Facebook or flirting on Tinder is child's play for me. This is what you're going to learn in this book: - How to never again end up in the Friendzone by learning the difference between a classic conversation and flirting (many people confuse the two). We don't talk to a friend in the same way that we would talk to a potential future girlfriend. - How to effectively start a conversation with a woman on a dating site or Facebook and make her want to get to know you, by differentiating yourself from other men. - How to never run out of subjects to talk about, by using the storytelling technique. - How to position yourself in the emerging relationship to be and continue to be the alpha-male and to control the upcoming sequence of events. - How to make a girl want you without seeming like a pervert. To handle the art of sexualisation like a God. - How to appear mysterious and make her crazy for you in a short amount of time. - How to be light-hearted, funny and endearing by using humour. The examples will be as real as can be and modelled on real conversations. All of the extracts from discussions which will be presented to you are not made up but rewritten versions of, or strongly inspired by, my past conversations: everything is authentic (except the names used for obvious confidentiality reasons). Ready to be part of the elite? The group of 5% of men who seduce Facebook, Tinder, Happn, Bumble, Match.com, OkCupid, Instagram and many others. And who sleep with all the women of their dreams.

I'm Glad My Mom Died Jennette McCurdy 2022-08-09 * #1 NEW YORK TIMES BESTSELLER * #1 INTERNATIONAL BESTSELLER * MORE THAN

2 MILLION COPIES SOLD! A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother’s dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I’m Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I’m Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

[Break the Good Girl Myth](#) Majo Molfino 2020-07-28 "A must-read for any woman who is ready to design a life on her own terms." – Sophia Amoruso, Founder and CEO, *Girlboss Women*: it’s time to break the good girl myths that are holding you back and share your true gifts with this groundbreaking book from Stanford University-trained designer and women’s leadership expert Majo Molfino. For thousands of years, women have been taught to be “good” instead of powerful. But when we embody the good girl, we hold back their voices and gifts in a world that desperately needs female perspectives. Drawing on countless coaching sessions and conversations with female leaders, Majo identifies five self-sabotaging tendencies (“the five Good Girl Myths”) every woman must overcome to unleash her power and design a more purposeful life: The Myth of Rules The Myth of Perfection The Myth of Logic The Myth of Harmony The Myth of Sacrifice While there are many women’s leadership books, Majo uses her knowledge and training in design thinking (which is used by the world’s most innovative people and companies) to help you build creative confidence and break free from these disempowering myths once and for all. Discover how each myth negatively affects your relationships, career, and well-being and identify your primary good girl myth – the blindspot that’s zapping most of your power as a creative badass. If you’re a woman who can’t seem to get your voice or ideas out into the world, *Break the Good Girl Myth* will finally help you understand why and light the way out so you can become the woman you’re meant to be. Your time – our time – is now.

The Talk-Funny Girl Roland Merullo 2011-07-05 By turns darkly menacing and bright with love and resilience, *The Talk-Funny Girl* is the story of one young woman’s remarkable courage, a kind of road map for the healing of early abuse, and a testament to the power of kindness and love. In one of the poorest parts of rural New Hampshire, teenage girls have been disappearing, snatched from back country roads, never to be seen alive again. For seventeen-year-old Marjorie Richards, the fear raised by these abductions is the backdrop to what she lives with in her own home, every day. Marjorie has been raised by parents so intentionally isolated from normal society that they have developed their own dialect, a kind of mountain hybrid of English that displays both their ignorance of and disdain for the wider world. Marjorie is tormented by her classmates, who call her “The Talk-funny girl,” but as the nearby factory town sinks deeper into economic ruin and as her parents fall more completely under the influence of a sadistic cult leader, her options for escape dwindle. But then, thanks to a loving aunt, Marjorie is hired by a man, himself a victim of abuse, who is building what he calls “a cathedral,” right in the center of town. Day by day, as Marjorie’s skills as a stoneworker increase, so too does her

intolerance for the bitter rules of her family life. Gradually, through exposure to the world beyond her parents' wood cabin thanks to the kindness of her aunt and her boss, and an almost superhuman determination, she discovers what is loveable within herself. This newfound confidence and self-esteem ultimately allows her to break free from the bleak life she has known, to find love, to start a family, and to try to heal her old, deep wounds without passing that pain on to her husband and children.

Lean In Sheryl Sandberg 2013-03-12 Sheryl Sandberg's *Lean In* is a massive cultural phenomenon and its title has become an instant catchphrase for empowering women. The book soared to the top of bestseller lists internationally, igniting global conversations about women and ambition. Sandberg packed theatres, dominated opinion pages, appeared on every major television show and on the cover of *Time* magazine, and sparked ferocious debate about women and leadership. Ask most women whether they have the right to equality at work and the answer will be a resounding yes, but ask the same women whether they'd feel confident asking for a raise, a promotion, or equal pay, and some reticence creeps in. The statistics, although an improvement on previous decades, are certainly not in women's favour - of 197 heads of state, only twenty-two are women. Women hold just 20 percent of seats in parliaments globally, and in the world of big business, a meagre eighteen of the Fortune 500 CEOs are women. In *Lean In*, Sheryl Sandberg - Facebook COO and one of *Fortune* magazine's Most Powerful Women in Business - draws on her own experience of working in some of the world's most successful businesses and looks at what women can do to help themselves, and make the small changes in their life that can effect change on a more universal scale.

Why I'm No Longer Talking to White People About Race Reni Eddo-Lodge 2020-11-12 'Every voice raised against racism chips away at its power. We can't afford to stay silent. This book is an attempt to speak' The book that sparked a national conversation. Exploring everything from eradicated black history to the inextricable link between class and race, *Why I'm No Longer Talking to White People About Race* is the essential handbook for anyone who wants to understand race relations in Britain today. The Intersectional Environmentalist Leah Thomas 2022-04-07 'Essential brain food' *Condé Nast Traveler* 'As much a manifesto as a guide' *Los Angeles Times* 'Read this book and save the planet' *Soho House Notes* One of *Business Insider's* Most Anticipated Non-fiction Books of 2022 We cannot save the planet without uplifting the voices of its people - especially those most often unheard. Leah Thomas coined the term 'intersectional environmentalism' to describe the inextricable link between climate change, activism, racism and privilege. The fight for the planet should go hand in hand with the fight for civil rights. In fact, one cannot exist without the other. This book is a call to action, a guide to instigating change for all and a pledge to work toward the empowerment of all people and the betterment of the planet - an indispensable primer for activists looking to create meaningful, inclusive and sustainable change. Driven by Leah's expert voice and complemented by the words of young activists from around the globe, it is essential reading on the issue - and the movement - that will define a generation.

Everyday Sexism Laura Bates 2014-04-10 'If Caitlin Moran's *How To Be A Woman* is the fun-filled manual for female survival in the 21st century, everyday sexism is its more politicised sister' (*Independent on Sunday*). After experiencing a series of escalating sexist incidents, Laura Bates started the everyday sexism project and has gone on to write 'a pioneering analysis of modern day misogyny' (*Telegraph*). After an astounding response from the wide range of stories that came pouring in from all over the world, the project quickly became one of the biggest social media success stories of the internet. From being harassed and wolf-whistled at on the street, to discrimination in the workplace and serious sexual assault, it is clear that

sexism had become normalised. But Bates inspires women to lead a real change and writes this 'extremely powerful book that could, and should, win hearts and minds right across the spectrum' (Financial Times). Often shocking, sometimes amusing and always poignant, everyday sexism is a protest against inequality and a manifesto for change. It's 'a game-changing book, a must-read for every woman' (Cosmopolitan). 'Admirable and culturally transferable. "A storm is coming," writes Bates. After reading this book you'll hope so' (Independent). Welcome to the fourth wave of feminism.

The Mirror and the Palette Jennifer Higgie 2021-03-30 Until the twentieth century, art history was, in the main, written by white men who tended to write about other white men. The idea that women in the West have always made art was rarely cited as a possibility. Yet they have - and, of course, continue to do so - often against tremendous odds, from laws and religion to the pressures of family and public disapproval. In *THE MIRROR AND THE PALETTE*, Jennifer Higgie introduces us to a cross-section of women artists who embody the fact that there is more than one way to understand our planet, more than one way to live in it and more than one way to make art about it. Spanning 500 years, biography and cultural history intertwine in a narrative packed with tales of rebellion, adventure, revolution, travel and tragedy enacted by women who turned their back on convention and lived lives of great resilience, creativity and bravery. This is a dazzlingly original and ambitious book by one of the most well-respected art critics at work today.

A Girl's Guide to Being Fearless Suzie Lavington 2021-01-11 *THE ULTIMATE SELF-CARE BOOK FOR TEENAGE GIRLS* Face up to the world with confidence and higher self-esteem Growing up has become faster, more furious and the pressures more intense. Anxiety and panic have reached epidemic proportions. A third of teenage girls will suffer from depression. Factor in a rise in self-harm and eating disorders and the mental health stats become alarming. It's time to equip young women with the means to fight back. *A Girl's Guide to Being Fearless* unlocks self-esteem, confidence, wellbeing, resilience and offers an antidote to an overwhelming world of altered photos, filters, and fillers. *A Girl's Guide* helps parents, girls, and teachers understand that wellbeing is an inside job. As an essential book for our time, this guide reflects the challenging world facing teens. The authors suggest there is little to be gained by asking girls to stop taking selfies or using Instagram filters, because these habits are ingrained in teenage culture. Instead, guidance is provided on how girls can take action to increase their confidence and love the skin they are in. Moreover, it's about learning to be a class act in person and online. Practical exercises and doable ideas to inspire young women Encouragement to eliminate self-limiting beliefs Guidance for girls on lifting themselves and others up Tips for showing greater confidence and being excited about the future Suggestions for how to live your best life Keep calm and read *A Girl's Guide to Being Fearless*, a gathering of life's cheat codes; all simple, doable and hugely entertaining. Learn how to show anxiety the door and let in more of the good stuff. This book will help you find your Brave. Whisper it quietly, but it might even change your life.

Girls Magnet Instagram Profile ARX Reads When men talk about what, outside of personality, they find super attractive about a certain woman, the list usually involves a lot of body parts. But when women describe what they find attractive about a man, it often comes down to body language; the way he walks, the way he holds a glass, and even the way he buttons his shirt can be huge, inexplicable turn-ons. Not that a girl can't appreciate a nice set of guns, of course, or a tall frame, but more often than not, it's little gestures that can drive a woman wild. And what's funny about it is that the guy doesn't even realize he's doing something that's a turn-on, because that's just how he is naturally (which, of course, is part of what makes it so hot). Herein, allow us to present a brief list of some of the non-sexual sexy things guys do that women have revealed to be huge turn-ons. And to get the other side's perspective, check out *How to Set Up Your Instagram Profile So Girls Will Find You Attractive*

Girl, Stop Passing Out in Your Makeup Zara Barrie 2020-05-19 "Self-help meets memoir. Party girl meets wise sage. Beauty meets reality. Zara Barrie is the cool older sister you wish you had. The one that lets you borrow her designer dresses and ripped up fishnets, buys you champagne (she loves you too much to let you drink beer), and colors your lips with bright pink lipstick. She'll take you to the coolest parties, and will stick by your side and she guides you through the glitter, pain, danger, laughter, and what it means to be a f*cked up girl in this f*cked up world (both of which are beautiful despite the darkness). Girl, Stop Passing Out in Your Makeup is for the girls that are too much of a beautiful contradiction to be contained. Zara is a gifted writer—one second she'll have you laughing over rich girls agonizing over which Birkin bag to buy, the next second she'll shatter your heart in one sentence about losing one's innocence. Zara is the nuanced girl she writes for—light, irreverent, snarky, bitchy, funny; and aching, perceptive, deep, flawed, wise, poised, honest—all at once. Perhaps the only thing that can match Zara's unparalleled wit and big sister advice is her candid humor and undeniable talent for the written word. Zara is one of the most prolific and entertaining honest voices on the internet—and her talent is only multiplied in book form. Girl, Stop Passing Out in Your Makeup is for the bad girls, honey."—Dayna Troisi, Executive Editor, GO Magazine "Reading Zara's writing will make you feel like you're at your cool-as-hell big sister's sleepover party. You will be transfixed by her unflinching honesty and words of wisdom, and she'll successfully convince you to not only ditch the shame you feel about the raw and messy parts of yourself, but to dare to see them as beautiful."—Alexia LaFata, Editor, New York Magazine "If Cat Marnell and F. Scott Fitzgerald had a literary baby it would be Zara Barrie. She's got Marnell's casual, dark, downright hilarious tone of an irreverent party girl. But then she also has Fitzgerald's talent for making words literally feel like they sparkle on the page. I've always been a fan of Zara's writing but Girl, Stop Passing Out in Your Makeup takes it to the next level. With shimmery words that make her dark stories sparkle, she seamlessly manages to inspire even the most coked-out girl at the party to get her shit together."—Candice Jalili, Senior Sex & Dating Writer, Elite Daily

MATCHED Zac Miller ————— Need Some Help Attracting Women on Dating Apps? ————— You've come to the right place! Hi, my name is Zac Miller, and I've come up with a guide that will get you the matches, responses, and dates so you can finally find the girl of your dreams! We start at the beginning with fine tuning your profile, going over case studies on the perfect photos to employ to increase your matches. We then go over what and when to message girls so they want to talk to you. We go over how to get their number and Snapchat, and ultimately how to get them out onto a date. I even show you what to do after the date! Everything you need is included in this book! Here's What You'll Learn In This Book: —————

- Why meeting girls on dating apps makes dating a much easier, more enjoyable experience than going to a bar or club.
- Inexpensive ways to immediately improve your appearance.
- The most attractive male body type females are attracted to

(hint: it's not abs). • A major college study found doing this one thing in your photo makes you appear more attractive to females. • Many men make this mistake, which makes them appear uncertain and fearful in their photos. • A website where others can judge your photos, so you have the best ones displayed on your profile. • Don't put any of these in your bio or risk alienating potential matches. • 5 ways to increase the number of matches you are currently getting. • Should you use super likes? • The many types of girls and guys found on Tinder (and other dating apps) and the one type of guy who girls are most drawn to. • The reasons most guys don't do well on Tinder. • The two qualities which attract partners to each other. • Tips for sending the first message, as well as a list of 80 message openers you can immediately start using. • What is the dating app staircase? • How to easily keep quality conversations going with girls. • The #1 thing girls like to talk about which releases "feel good" chemicals in their brain. • How to ask for her Snapchat ID or phone number. • Indicators which show she is interested in you. • How to ask for the date. • And So Much More!

————— As a complimentary bonus, only for book buyers, you'll receive my special report titled *Subconscious Attraction*, which includes 3 subconscious techniques that attract females. This report is not available to the public; it exists solely as a "thank you" to buyers of this book.

Men Who Hate Women Laura Bates 2020-09-03 ***Laura Bates' new book Fix the System, Not the Women is out now in paperback*** The extremism nobody talks about And how it affects us all 'Laura Bates does so much of the dispiriting, heavy lifting in 21st century feminism. She trudges through it like a boss, and puts out books that perfectly describe growing problems, and possible solutions. She's a proper hero at the coal mouth.' Caitlin Moran 'Laura Bates has done it again. From bantz to outright brutality, she exposes the landscape of misogyny. Passionate and forensic, Bates produces a powerful feminist clarion call. The world needs to take notice. Things must change.' Anita Anand 'Fascinating, mind-blowing and deeply intelligent book that should be recommend reading for every person on our planet.' Scarlett Curtis 'In Men Who Hate Women, Laura Bates offers the alternative red pill to those who favour love, logic and humanity over debilitating hate.' Shami Chakrabarti 'A book of courage and tenacity.' Robin Ince 'This is how change is made: by looking at uncomfortable things directly in the eye and not turning away. This book is a rallying cry to end suffering, for both women AND men.' Emma Gannon 'Men Who Hate Women has the power to spark social change.' Sunday Times Imagine a world in which a vast network of incels and other misogynists are able to operate, virtually undetected. These extremists commit deliberate terrorist acts against women. Vulnerable teenage boys are groomed and radicalised. You don't have to imagine that world. You already live in it. Perhaps you didn't know, because we don't like to talk about it. But it's time we start. In this urgent and groundbreaking book, Laura Bates, bestselling author and founder of The Everyday Sexism Project, goes undercover to expose vast misogynist networks and communities. It's a deep dive into the worldwide extremism nobody talks about. Interviews with former members of these groups and the people fighting against them gives unique insights on how this movement operates. Ideas are spread from the darkest corners of the internet - via trolls, media and celebrities - to schools, workplaces and the corridors of power, becoming a part of our collective consciousness. Uncensored, and sometimes both shocking and terrifying - this is the uncomfortable truth about the world we live in. And what we must do to change it.

The Message Game: A Guide to Dating at the Touch of a Button Ice White 2020-01-07 The Message Game is about many things. It's not just a dating guide for men to get dates quickly and efficiently through dating apps like Tinder, or social media. Without hesitation, this book is your own personal guide to getting the dates you want as frequently as possible.

Girls Just Want to Have Likes Laurie Wolk 2017-08-29 An educator and leadership coach teaches parents how to cut through daughters' addiction to social media and reclaim family connection. In today's age of social media, young girls are learning crucial life lessons from dubious mentors like the Kardashians and other Instagram "celebrities." Many are so thoroughly addicted to social media they are uncomfortable communicating face to face. It's no wonder parents across the country are afraid for their daughters' self-esteem and ability to thrive in the real world. In *Girls Just Want to Have Likes*, educator and leadership coach Laurie Wolk offers smart advice on how parents can take control, communicate meaningfully with their children, and get back to raising confident capable young women. Laurie shows parents how to reclaim their roles as mentor and guide, helping their daughters unwind and decode the toxic messages social media broadcasts. By applying Laurie's methods, social media will start to fade into the background of your household, allowing family connection to take center stage—and letting your daughter shine.

American Girls Nancy Jo Sales 2016-02-23 A New York Times Bestseller Instagram. Whisper. YouTube. Kik. Ask.fm. Tinder. The dominant force in the lives of girls coming of age in America today is social media. What it is doing to an entire generation of young women is the subject of award-winning Vanity Fair writer Nancy Jo Sales's riveting and explosive *American Girls*. With extraordinary intimacy and precision, Sales captures what it feels like to be a girl in America today. From Montclair to Manhattan and Los Angeles, from Florida and Arizona to Texas and Kentucky, Sales crisscrossed the country, speaking to more than two hundred girls, ages thirteen to nineteen, and documenting a massive change in the way girls are growing up, a phenomenon that transcends race, geography, and household income. *American Girls* provides a disturbing portrait of the end of childhood as we know it and of the inexorable and ubiquitous experience of a new kind of adolescence—one dominated by new social and sexual norms, where a girl's first crushes and experiences of longing and romance occur in an accelerated electronic environment; where issues of identity and self-esteem are magnified and transformed by social platforms that provide instantaneous judgment. What does it mean to be a girl in America in 2016? It means coming of age online in a hypersexualized culture that has normalized extreme behavior, from pornography to the casual exchange of nude photographs; a culture rife with a virulent new strain of sexism and a sometimes self-undermining notion of feminist empowerment; a culture in which teenagers are spending so much time on technology and social media that they are not developing basic communication skills. From beauty gurus to slut-shaming to a disconcerting trend of exhibitionism, Nancy Jo Sales provides a shocking window into the troubling world of today's teenage girls. Provocative and urgent, *American Girls* is destined to ignite a much-needed conversation about how we can help our daughters and sons negotiate unprecedented new challenges.

In A Garden Burning Gold Rory Power 2022-04-05 Naomi Novik's *Spinning Silver* meets *Game of Thrones* in a mesmerising and unputdownable Balkan fantasy novel of family and survival from the instant New York Times bestselling author of *Wilder Girls*. Rhea and her twin brother Lexos have spent an eternity helping their father rule their small, unstable country. For a hundred years, they've been each other's only ally, defending one

another against their father's increasingly unpredictable anger. Now, with an independence movement gaining ground and their father's rule weakening, the twins must take matters into their own hands to keep their family – their entire world – from crashing down around them. But other nations are vying for power, ready to cross and double cross, and if Rhea and Lexos aren't careful, they'll end up facing each other across the battlefield.

The Book of Moods Lauren Martin 2020-12-10 "Hilariously witty, unflinchingly honest, and brimming with hope." Bobbi Brown "A fascinating, thorough, and truly helpful book. I loved it!" Sarah Knight, New York Times bestselling author of *Calm the F*ck Down* The Happiness Project meets *So Sad Today* in this "hilariously witty, unflinchingly honest" book from the beloved founder of Words of Women, contemplating the nature of negative emotions, and the insights that allowed her to take back control. Five years ago, Lauren Martin was sure something was wrong with her. She had a good job in New York, an apartment in Brooklyn, a boyfriend, yet every day she wrestled with feelings of inferiority, anxiety and irritability. It wasn't until a chance encounter with a (charming, successful) stranger who revealed that she also felt these things, that Lauren set out to better understand the hold that these moods had on her, how she could change them, and began to blog about the wisdom she uncovered. It quickly exploded into an international online community of women who felt like she did: lost, depressed, moody, and desirous of change. Inspired by her audience to press even deeper, *The Book of Moods* shares Lauren's journey to infuse her life with a sense of peace and stability. With observations that will resonate and inspire, she dives into the universal triggers every woman faces - whether it's a comment from your mother, the relentless grind at your job, days when you wish the mirror had a Valencia filter, or all of the above. Blending cutting-edge science, timeless philosophy, witty anecdotes and effective forms of self-care, Martin has written a powerful, intimate, and incredibly relatable chronicle of transformation, proving that you really can turn your worst moods into your best life.

A Parent's Guide to Instagram Axis 2022-12-20 Teens thrive on validation from friends and followers. It's no wonder that this image-saturated app tempts teens to crop their lives to perfection and create a polished online persona. Gain valuable insight into how Instagram affects teen mental health, body positivity, self-esteem, and more. Features: An explanation of the app's key features Vocabulary list of terms including home feed, finsta, hashtag, DM, and more Suggestions on how to talk about the impact of Instagram with your teen Axis is a team of Gospel-focused researchers creating culturally relevant guides, videos, and audios that equip parents of teens to have deep conversations about faith.

Women Talking Miriam Toews 2019-04-02 The basis of the Oscar-winning film from writer/director Sarah Polley, starring Rooney Mara, Claire Foy, Jessie Buckley, with Ben Whishaw and Frances McDormand. INTERNATIONAL BESTSELLER "This amazing, sad, shocking, but touching novel, based on a real-life event, could be right out of *The Handmaid's Tale*." -Margaret Atwood, on Twitter "Scorching . . . a wry, freewheeling novel of ideas that touches on the nature of evil, questions of free will, collective responsibility, cultural determinism, and, above all, forgiveness." -New York Times Book Review, Editors' Choice One evening, eight Mennonite women climb into a hay loft to conduct a secret meeting. For the past two years, each of these women, and more than a hundred other girls in their colony, has been repeatedly violated in the night by demons coming to punish them for their sins. Now that the women have learned they were in fact drugged and attacked by a group of men from their own community, they are determined to protect themselves and their daughters from future harm. While the men of the colony are off in the city, attempting to raise enough money to bail out the rapists and bring them home, these women—all illiterate, without any knowledge of the world outside their community and unable even to speak the language of the country they live in—have very little time to make a choice: Should they stay in the only world they've ever known or should they dare to escape? Based on real events and told through the "minutes" of the women's all-female symposium, Toews's masterful novel uses wry, politically engaged humor to relate this tale of women claiming their own power to decide.

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
